117th Annual Session

July 1-5, 1991
San Francisco Hilton and Towers Hotel
San Francisco, California

AFTERNOON SESSION
JULY 1, 1991
THREE-FIVE O'CLOCK P.M.

The Public Opening Session of the One Hundred Seventeenth Imperial Council Session was called to order at three-five o'clock p.m., in the Grand Ballroom of the San Francisco Hilton and Towers Hotel, San Francisco, California, Noble John Walter, Deputy Imperial Marshal, opening the Session.

NOBLE JOHN WALTER: May I have your attention please.

Ladies and gentlemen, it is my distinct pleasure to present to you the Director General of the One Hundred Seventeenth Imperial Council Session of the Ancient Arabic Order Nobles of the Mystic Shrine, a Past Potentate of Islam Temple, Illustrious Sir Donald W. Johnson. (Applause)

DIRECTOR GENERAL DONALD JOHNSON: Good afternoon, ladies and gentlemen.

We will open the One Hundred Seventeenth Imperial Council Session by having the Color Guard of Islam Temple, under the command of Color Sergeant Kent Hundley, present the Colors of our three nations, followed by the Shrine Pledge of Allegiance and the National Anthems of Mexico, Canada and the United States, which you may join in signing, and then the Invocation by Dr. Richard J. Green, Imperial Chaplain.

... Whereupon, the Colors of the three nations were presented, followed by the recitation of the Shrine Pledge of Allegiance and the singing of the Mexican, Canadian and United States National Anthems, followed by the Invocation given by the Imperial Chaplain, Dr. Richard J. Green as follows . . .

DR. RICHARD J. GREEN: Supreme Architect, we realize that everything essential for the advancement of our Philanthropy already has taken place and through the love, brotherhood and vision of the leaders in this Session, all that is necessary for the involvement of our Philanthropy and brotherhood has been done so that we, in turn, can work collectively for the highest good of our Fraternity and Philanthropy. Amen.

DIRECTOR GENERAL JOHNSON: Thank you, Dr. Green.

The audience may please be seated.

It is now my distinct honor to declare the One Hundred Seventeenth Imperial Session now open.

Would you please recognize with me the entertainment provided for us prior to the opening by the Ben Ali Temple band, directed by Noble Buddy Harpaim. (Applause)

Imperial Sir, Imperial Sirs, Illustrious Sirs, Mayor Agnos, Honorable Guests, Nobles and Ladies: First I would like to thank Marv Taylor and Ray Palange, the Deputy Directors General and the members of the 1991 Planning Committee from Islam and Aahmes Temples. Without their support, this effort would never have been possible. To spur their efforts in the days to come, please give them a round of applause. (Applause)

I would also like to acknowledge the support we have received from the Officials of the City and County of San Francisco; the San Francisco Chamber of Commerce, Noble Don Doyle, President; and the San Francisco Convention and Visitors Bureau—particularly John Marks, President and Barry Phillips, Vice President.

To our Imperial Potentate, Joseph P. Padgett, I think I will be eternally grateful for appointing me Director General of the One Hundred Seventeenth Imperial Session.

To all of you, once again, welcome. We sincerely hope your stay here will be both pleasant and memorable.

We have with us today on this dais some very distinguished leaders of government and the Shrine.

With pleasure, I introduce you first to the Vice President of the San Francisco Convention and Visitors Bureau, Mr. Barry Phillips.

MR. BARRY PHILLIPS: Thank you and good afternoon.

I bring you greetings from our President, Mr. John A. Marks, and our Board of Directors. John could not be with us because he is recuperating from a serious illness but then has asked me to visit with you and, first of all, to pass on to you the greetings of the some 900-plus members of our Visitors Bureau.

Let me say that tourism provides some \$3.4 million of our economy a year and a significant portion of that comes from convention delegates.

Also, I would like to say that I had a delightful time over the past couple of years working with some gentlemen very dedicated to your organization and whom I see sitting out there in the audience—individuals who have been very dedicated about making sure that this week is going to be an enjoyable one for all of you.

Again, we are delighted to have you in our city and I hope it will not be another twenty-five years until we have you back again.

Thank you very much. (Applause)

DIRECTOR GENERAL JOHNSON: Thank you for being with us today.

Next I am happy to present to you the President of the San Francisco Chamber of Commerce and a member of Aahmes Temple, Donald D. Boyle.

NOBLE DONALD D. BOYLE: Thank you, Don.

Imperial Sir, Imperial Sirs, Illustrious Sirs, Fellow Nobles and Ladies: It is a pleasure for me to join the Convention Bureau here today to welcome you to San Francisco.

You know, those of us who have lived here for many years and even some who have even been born here like to talk about this beautiful city, particularly when we have the group here that we have here today. Also, we want to thank you for bringing this nice weather with you.

I can tell you we are going to have it for the next couple of days and so I really do not want you to leave for the next couple of days.

I might further add that we have a great spot here on the West Coast.

Our city is composed of about 750,000 people. We are only about forty-six square miles in land density and we cater to the world.

We would like to say that this city is an All American City.

We in the Chamber of Commerce are involved in business here in San Francisco. We work with the Convention Bureau, we work with the Mayor and the Board of Supervisors and others to attempt to make this a better city on a daily basis.

I hope that when you leave here you will leave here with the thought of a great time, with the thought of the great friends that you have made here in San Francisco.

Again, thank you and come back and see us not just at convention time but when you have an opportunity to bring your family here—see some of the things that we have to offer, not only in the City of San Francisco but the entire Bay area.

I thank you all for coming and thank you for having me here today. (Applause)

DIRECTOR GENERAL JOHNSON: Thank you, Noble Doyle, for coming here today.

Now, ladies and gentlemen, it is my pleasure to introduce to you the Mayor of the City of San Francisco, the Honorable Art Agnos.

THE HONORABLE ART AGNOS [Mayor of San Francisco]: Thank you very much.

Ladies and Gentlemen, in behalf of the City of San Francisco, I am delighted to join with the other members of our city in welcoming you to our city. We certainly welcome you back to our city.

Further, I want to thank all of you who have come from every part of the United States as well as Canada and Mexico for the extraordinary support and help we have received from you during our difficult times.

As you may know, on a certain day in October of 1989, we trembled a little bit for about thirteen seconds and our city was knocked off its feet for awhile. However, we were quickly picked up by the tremendous support, encouragement and help we received from every part of North America.

As the Mayor of this city, I want to thank the people of North America for helping us during a time of great stress. Further, as you travel about the city, you will see that it is back together again and stronger in every sense of the word.

You will have a good chance to see it because I am told it has been some twenty-five years since the Shriners were here for their last convention. A lot can change in that time but the one thing we know has not changed is your deep commitment and dedication to the children of our nation and the world.

What San Francisco has never forgotten nor lost sight of, is how you have helped in our various communities to make them better and larger in every sense of the word.

San Francisco Shriners Hospitals for Crippled Children has been operating here since 1923 and had been treating specifically literally tens of thousands of children from all parts of the world.

We live in an age where people are rightfully beginning to ask themselves, "What can I give back to my community—what can our generation do in order to help make this place better than we found it?"

I think the Shrine organization has an answer—you are investing in children who are indeed the future and in making the posture of each child a better one, you can contribute to make our place a better place.

The children that you help today will carry forward into the future generations with a better life because you care.

San Francisco is proud and pleased to have you in our city and we look forward to you coming back often.

Also, we hope you will enjoy our city while you are here.

Thank you very much. Welcome to San Francisco. (Applause)

DIRECTOR GENERAL JOHNSON: Thank you, Mayor Agnos, for those kind words and for delivering that very, very nice and prestigious and attractive looking proclamation from the City of San Francisco declaring this Shrine Week in San Francisco.

We would like to thank all of these individuals for taking time from their busy schedules to greet us here this afternoon. You are, of course, welcome to stay for the balance of the ceremonies but if you must leave now, we certainly understand.

Let us give them all a big hand. (Applause)

It is now my pleasure to introduce the Potentate of our Host Temple of which our Imperial Potentate is a member, Illustrious Sir Robert K. Churchill, Islam Temple.

Will you please stand, Bob. (Applause)

Also gracing our platform today are outstanding leaders of the Masonic World. It is my pleasure to introduce them to you now. Please hold your applause until they are all standing.

Brother Russell C. Wells, Deputy Grand Master, International Supreme Council, Order of DeMolay.

Illustrious Francis G. Paul, Sovereign Grand Commander, A.A.S.R., Northern Jurisdiction.

General Grand Master Evan L. Fleming, General Grand Council of Cryptic Masons.

Most Excellent Companion Harold Yaeger, General Grand High Priest, Royal Arch Masons International.

Sir Knight Marvin E. Fowler, Most Eminent Grand Master, Grand Encampment of Knights Templar.

Now, please receive them. (Applause)

It is now my distinct honor to present to you the number one Mason of the state, who will share some thoughts with us, the Most Worshipful Grand Master of the Grand Lodge of California, Ronald A. Sherod.

... Rising applause ensued as Most Worshipful Sherod approached the podium ...

MOST WORSHIPFUL BROTHER RONALD A. SHEROD [Grand Master, California]: Thank you very much.

Imperial Potentate Padgett, my friend, your Imperial Divan, Illustrious Sirs, Nobles and Brothers and my friends: It is indeed an honor, a privilege and a pleasure to share this week with you and on behalf of the 140,000 Masons of the Jurisdiction of California, the Craft Masons, many of which are among us here today, I want to welcome you and extend to you the cordial invitation to allow us to serve you in any way we can this year.

My slogan for Masonry in California this year has been "California Masonry Working Together" and that includes an awful lot of bodies of Masonry.

I can say with great pride that the seven Temples in California, every one of them, every one of their Potentates have worked very nicely with me and I would like to take this opportunity to personally thank them for their support in everything that we have accomplished this year. I appreciate it. (Applause)

Also, in closing, may I wish for you a most successful Communication here and I will be praying for the success of your organization and for the great things you do for our children of this wide, wide world in relation to all of these hospitals. It is an absolutely marvelous charity to which I am 100 percent dedicated.

Thank you for inviting me to share this Session, Imperial Sir, and thank you for giving me this opportunity to likewise share a few thoughts with you and the very best to all of you for this Session.

... Rising applause ensued ...

DIRECTOR GENERAL JOHNSON: Thank you, Grand Master Sherod.

... Following three raps of the gavel, rising cheers and applause ensued ...

MORNING SESSION
TUESDAY, JULY 2, 1991
NINE O'CLOCK A.M.

The One Hundred Seventeenth Annual Session of the Imperial Council was convened in the Grand Ballroom of the San Francisco Hilton and Towers Hotel, San Francisco, California, at nine o'clock a.m., Imperial Potentate Joseph P. Padgett, presiding.

IMPERIAL POTENTATE PADGETT: Gentlemen, it is now nine o'clock and I called this meeting for nine o'clock and so I will ask that you take your seats so that we can get started, especially if you want to get out of here by Saturday.

Waiving all forms and ceremonies, I hereby declare the One Hundred Seventeenth Annual Session of the Imperial Council and the 1991 Annual Meeting of Shriners Hospitals for Crippled Children, and appendant entities, open for business. I further declare that this Annual Session and the Annual Meeting will remain open for business until adjourned.

I will now recognize our Imperial Chaplain, Dr. Richard J. Green, for the Invocation.

DR. RICHARD GREEN [Imperial Chaplain]: Let us unite in prayer.

Supreme Architect, we return to labor, knowing that the highest good for our Philanthropy and our Brotherhood already exists. It is in the hearts of each one of us to know what to do, to know how to do it and to do it in the most harmonious way and for the highest good so that our Brotherhood may be fulfilled to our labor today.

We rejoice in this opportunity to give thanks. Amen.

IMPERIAL POTENTATE PADGETT: Thank you, Dr. Green.

We are honored to have with us today William Bodle, Grand Monarch, Grottos of North America, M.O.V.P.E.R.

Will you please come forward.

WILLIAM BODLE [Grand Monarch, Grottos of North America, M.O.V.P.E.R.]: Imperial Sir, Imperial Sirs and Nobles All: I wish to thank all of you for being invited here as your guest.

I am not a member of your Order but, hopefully, as soon as I finish my term of office, I will rectify that mistake.

Thank you very much.

I do wish you the best of everything in your business being transacted here this week. Upon the conclusion of your business, may all of you return safely to your homes.

Again, I want to thank you for the honor of being your guest.

IMPERIAL POTENTATE PADGETT: Thank you very much for your remarks.

I will now recognize our Director General, Illustrious Sir Don Johnson, for appropriate remarks.

DIRECTOR GENERAL JOHNSON: Imperial Sir, Imperial Sirs, Illustrious Sirs, Nobles All: Once again it is my pleasure to welcome you to this One Hundred Seventeenth Imperial Session.

I sincerely hope that your stay to date has been an enjoyable one. I think we have our Imperial Chaplain, Dr. Green, to thank for the beautiful, beautiful weather. We did have a little drizzle last week but we have been assured that is all gone away.

We will have gorgeous sunshine until you are ready to leave—most certainly through the parade.

I want to remind you that tonight we do have a baseball game at Candlestick Park. It tends to get a little chilly out there and so if some of you are going or your ladies are going out, please wear a wrap.

Imperial Sir, let me announce that Ralph Semb will be throwing out the opening pitch, if he can find the pitchers mound. (Laughter)

In all seriousness, however, they are going to give us our Shrine Night at the game being played by the Giants and Ralph, of course, will be representing the Imperial Potentate.

Also, tomorrow we have the extravaganza in beautiful Davis Hall. There may be a little congestion in getting out there with taxi cabs and such and you should plan to leave early if you are going to the extravaganza.

Also, we are promising you a very, very efficiently run, we hope, parade on Thursday that will kick off sharply at nine a.m. It will be the only parade in town. (Laughter) We hope to have a good crowd reviewing our troops. It will be nothing like the crowd they had on Sunday. (Laughter)

Anyway, again, I hope that your stay here will be a pleasant one. Likewise, we hope that your deliberations today, tomorrow and throughout the week will be fruitful.

Thank you very much for your kind courtesies and your attention.

Thank you, Imperial Sir.

IMPERIAL POTENTATE PADGETT: Thank you, Don.

Let me ask you, Don, did you mention those semi-nudes in the parade? I have reference to the one on Sunday. (Laughter)

DIRECTOR GENERAL JOHNSON: In other words, Imperial Sir, you want everyone fully clothed?

IMPERIAL POTENTATE PADGETT: That is the way. (Laughter)

I would now recognize Illustrious Sir Roger E. Murdock for the report of the Credentials Committee.

ILLUSTRIOUS SIR ROGER E. MURDOCK: Imperial Sir Joe; Imperial Officers Past and Present and all you Representatives: It is my pleasure to give you the report of the Credentials Committee. However, I will not read all of the names but I will give you the total figures and the names will be placed on file with the Imperial Recorder.

Imperial Sir, Members of The Imperial Divan and representatives of this session of the 1991 Imperial Council:

I will not read all of the names but I will give you the total figures and the names will be placed on file with the Imperial Recorder.

Imperial Sir, I would move for the adoption of this report.

... The motion was severally seconded ...

IMPERIAL POTENTATE PADGETT: All in favor indicate by saying aye; opposed. It is so carried.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE PADGETT: I recognize the Imperial Recorder for the purpose of receiving a motion regarding parliamentary procedure.

IMPERIAL SIR JACK JONES: Imperial Sir, the Bylaws of the Iowa and Colorado Corporations state that unless otherwise provided by resolution or Bylaws, parliamentary procedures shall be governed by Robert's Rules of Order. Occasions arise when the Annual Session or Annual Meeting goes into recess when ballots are being counted. This is consistent with Robert's Rules of Order, which states that a recess may be taken to count ballots. I believe it is appropriate to allow the presiding officer to make the determination on a case by case basis as to whether a recess should be declared when ballots are being counted. Therefore, I propose the following resolution:

"RESOLVED, that business be allowed to continue, uninterrupted, in the discretion of the Presiding Officer, while ballots are being counted."

... The motion was severally seconded and, there being no discussion, was voted upon and declared to be carried ...

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE PADGETT: I recognize the Imperial Recorder for the purpose of announcements.

... Various Announcements were made by Imperial Sir Jack Jones ...

IMPERIAL POTENTATE PADGETT: At this time, I would call your attention to my annual report which is contained in the printed proceedings which were given to you at the time of your registration. I trust all of you have them and I would ask that you read them.

Also, I would like to bring to your attention at this time that anytime during the Session I reserve the right to have a roll call. Now, I do not anticipate doing that at this time but if I see the attendance thinning out, I will have a roll call. Please keep that in mind and let us all be at all of the Sessions, if you would, please.

I would recognize Imperial Sir Voris King for the report of the Committee on Transactions of Imperial Officers.

PAST IMPERIAL POTENTATE VORIS KING: To the Representatives of the Imperial Council: Your Committee on Transactions of the Imperial Officers, as required by §208.7(b) of the Bylaws of the Iowa Corporation, has considered the reports of the Imperial Officers and find them comprehensive, well prepared and responsive to the subject matters being addressed. We recommend that these reports be presented verbally to the Representatives or incorporated into the records of these proceedings.

We call to your attention that certain reports of the Imperial Potentate, Imperial Treasurer and Imperial Recorder have been prepared in advance. These reports were either mailed to you or were included in the registration envelopes given to all Representatives at the time they registered for this Annual Session. We find them to be comprehensive, well prepared and in fulfillment of their responsibilities. It is our recommendation that these reports, and all other reports of the Imperial Offices which require action by the Imperial Council, be referred to the Jurisprudence and Laws Committee, and any other committee designated by the Imperial Potentate, for consideration and further report to you.

It is a pleasure for this committee to express gratitude and appreciation to our Imperial Potentate Joseph P. Padgett, for his dedicated efforts expended throughout the year past in the work of our great Fraternity and the world's greatest philanthropy, Shriners Hospitals for Crippled Children. He had never hesitated a moment in giving of his utmost in his visitations to our Shrine Temples, hospitals and other organizations. He deserves the sincere thanks and appreciation of all Nobles for his dedication to Shrine work and ideals. He had endeared himself to the hearts of all whom he has come in contact. His year of service will long be remembered as one in which the image of our Order grew in not only the minds of all of our Nobles but also the public as well.

We, the members of your committee, are pleased to have had the opportunity to serve under such a fine Imperial Potentate and are delighted to make this report to the Representatives of this, the One Hundred Seventeenth Session of the Imperial Council, and move for its adoption.

Respectfully submitted,

... The motion was duly seconded.

IMPERIAL POTENTATE PADGETT: Are there any questions concerning this report?

If not, all in favor say aye: those opposed. It is so carried.

At this time, I refer the following matters which will be considered at this Annual Session and Annual Meeting to the following committees:

1. To the Jurisprudence and Laws Committee: All proposed amendments, resolutions and requests.

2. To the Grievances and Appeals Committee: All matters of controversy, grievance, discipline or appeal to item 10 on the Call.

3. To the Dispensations and Charters Committee: All proposals concerning petitions for dispensation, the work and records of Temples under dispensation, and applications for Charter included in items 20, 21, 22, 23, 24, 25, 26 and 27 on the Call.

I trust all of you have your Call.

4. To the Jurisdictional Lines Committee: All proposals concerning the establishment and modification of jurisdictional lines between Temples.

5. To the Finance and Audit Committee: All matters concerning budgets of income and expenses for the current and succeeding year; and any departure from the previously adopted budgets and the reasons therefor.

6. To the Committee on Transactions of Imperial Officers, the reports of the Imperial Officers.

I would, at this time, like to recognize Illustrious Sir William A. Buckaway, Jr., to explain the procedures of the Annual Session and Annual Meeting.

ILLUSTRIOUS SIR WILLIAM A. BUCKAWAY, JR.: Imperial Sir, Imperial Sirs, Illustrious Sirs, Nobles and Representatives All: We do have a lot to do at this Session in relation to the activities of the Jurisprudence and Laws Committee.

I would like to take this opportunity to explain, in behalf of the Jurisprudence and Laws Committee, especially to those of you who are present here for the first time, what the Jurisprudence and Laws Committee does and the procedures which will be undertaken by this Convention for the next four days.

As in past Annual Sessions and Meetings, the Jurisprudence and Laws Committee will report to you on the form of each proposed amendment of the Bylaws and upon such proposal's consistency with other provisions of the Bylaws and Articles of the Iowa Corporation. This year is unique in that we have no legislative activity in the Colorado Corporation.

Likewise, we will report on resolutions and requests which are before the Imperial Council Session.

I would remind you that we are meeting jointly as Representatives of the Iowa and members of the Colorado Corporations and we of the Jurisprudence and Laws Committee will do our best to keep you advised with regard to which corporation you are acting for as we proceed along with our proceedings.

The reports of the Jurisprudence and Laws Committee are not to indicate to you that the committee, as such, is either in favor of any proposal or against it. In this capacity as a Representative, each member of the committee may have strong feelings as to the merits of a particular proposal and any of us, just as you, may wish to participate in the debate concerning one or more of the proposed amendments. If we wish to do so, we will retire to the floor for this purpose.

If any member of this committee speaks on a proposal, either for or against, please remember he speaks as an individual Representative and not for the Jurisprudence and Laws Committee.

Again, this year, when the committee makes its report, it will, at the commencement of the report, refer you to the appropriate page of the Call where the proposal appears so that you can quickly identify the matter. I would remind you that your Call is essential for your presence here.

We are confident that you have already studied most of the proposals and are prepared to consider them for the benefit of our Fraternity. If you have not done so, then you have your work cut out for you this evening.

In most instances, pending proposals, resolutions and requests will be considered in this order: First, the report of the Committee on Jurisprudence and Laws. Secondly, the report of any other committee to which the matter has been referred. Thirdly, recognition of the sponsor for his motion to adopt and any explanation that he believes necessary for the proposal, if any, for your consideration, debate and action.

The Jurisprudence and Laws Committee will continue the procedure instituted in the past

and coordinate its efforts with those supporting committees so that you do not have a repetition of the whole matter in any two or more of these reports.

The Jurisprudence and Laws Committee will not ask you to receive our reports in that the very fact you have listened to them will be enough for this. We will, however, answer any inquiries that you may have concerning the reports.

Once again, we solicit the courtesy that you have shown historically to your fellow Nobles.

When it is your turn to speak on a matter under consideration, please obtain recognition from the Chair and move to the nearest microphone. You will not be recognized unless you are at a microphone, where you can be heard by everyone.

Let me also add that there are a number of matters of legislation which may require considerable debate and as those matters arise, the Chair will first ask the proponent to present his case following an appropriate motion and second. Thereafter, he will call for a response from an opponent, if there be any, and then next a proponent, if there be any, and then next a proponent and so on until all are heard and debate is closed.

Because of the nature of the legislative issues before you here, we may have some extra lengthy sessions. I ask for your patience and I now that the Chair does, also, and that you give to him all of the courtesies that the Chair is entitled to.

When those matters arise which require debate, the Chair will first ask a proponent to go to a microphone on your right, over here to the right. If there are opponents, we would ask the opponents to approach the microphone on your left. In that way, the Chair will have an opportunity to view the proponents and opponents and call on them in alternate fashion.

I would encourage you Nobles, if you wish to speak on a matter, to please do it as briefly as possible and try your best not to cover the same ground that someone else has traveled.

I would remind you further, when there is controversial legislation—sometimes in the past, if there are several items that have the same type of response to be made, let us try not to go over it again and again and beat it to death. I think if you will quickly make your points, it will be welcome to all of us.

Finally, we hope that you understand that the Jurisprudence and Laws Committee is here to serve you, the Representatives of the Imperial Council.

Our committee is prepared to answer any questions concerning the legal effect of any proposal and to answer any other appropriate questions in their area of expertise.

Now, we are not always able to do that but we do our best and if we do not have an answer, we will certainly secure it for you.

Now, let me stop and ask, are there any questions with respect to procedure thus far?

If not, I would again add that as each item of legislation is called for by the Imperial Potentate for presentation, that the proposers of the amendment work their way to the closest microphone or to the stage so that they may be able to move adoption of the proposal and make any other statements that they deem necessary.

With that, Imperial Sir, I return the microphone to you.

IMPERIAL POTENTATE PADGETT: Thank you very much, Bill.

I will now recognize Illustrious Sir James C. Hathaway for the report of the Elections Committee.

ILLUSTRIOUS SIR JAMES C. HATHAWAY: Imperial Sir, Imperial Sirs, Fellow Delegates: It is a pleasure once again to serve you as Chairman of the Elections and Tellers Committee.

I would like to ask you—does everyone have a ballot book with him in the hall? I am asking this of all of you Representatives because it is imperative that you have it with you at all times. You cannot ballot unless you have your book with you.

Further, I ask that when ballots are taken that you remain in your seats and we will get back to you as soon as we can with the results of each ballot. You will be given the color and number of the ballot prior to each ballot being taken.

Thank you, Imperial Sir.

IMPERIAL POTENTATE PADGETT: Thank you.

A reminder. Be sure that your signature is on the ballot book in the event of loss. We would certainly appreciate that.

With that, I will now recognize Noble James M. Tingle.

NOBLE JAMES M. TINGLE: To the Representatives of the Imperial Council: There has

been referred to your Committee on Jurisprudence and Laws, Item Number 2 on the Call for the Annual Session of 1991, located on page 19 of the Call. It is a proposal to amend subsections (a) and (b) of §211.5 of Article 11 of the Bylaws of the Imperial Council, an Iowa Corporation, by adding and deleting certain language so that subsections (a) and (b) will read as follows:

ARTICLE 11
Budget and Revenues

§211.5 PER CAPITA TAX

(a) **AMOUNT.** Each Temple shall pay an annual per capita tax to the Imperial Council of \$6.00 for each member of the Temple, computed on Temple membership as of the first day of January of each year.

(b) **INCLUDABLE WITH DUES.** The full amount of the per capita tax shall be passed on to each member as a part of his annual dues.

(This amendment takes effect on January 1, 1992)

The committee reports that the proposal is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE
AND LAWS

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call on Illustrious Sir M. Burton Oien for the report of the Finance and Audit Committee.

IMPERIAL POTENTATE PADGETT: I will not recognize Noble M. Burton Oien.

NOBLE M. BURTON OIEN: To the Representatives of the Imperial Council: There has been submitted to your Finance and Audit Committee, Item Number 2 on the Call of the Annual Session of 1991, found on page 19 of the Call.

Your committee met in a scheduled meeting on Sunday, June 30, 1991, in San Francisco and considered the proposal.

Your committee is aware that the Imperial Council has had an excess of expenditures over revenues for the past three years and that our fund balance, as indicated from the Book of Reports, is at a critical point.

Your committee therefore recommends the adoption of this proposal.

Respectfully submitted,
COMMITTEE ON FINANCE AND AUDIT
M. Burton Oien, Chairman

Imperial Sir, I would now ask you to call on one of the proponents for an appropriate motion.

IMPERIAL POTENTATE PADGETT: I will recognize our Deputy Imperial Potentate, Imperial Sir Jack Dean.

IMPERIAL SIR JACK DEAN: Imperial Sir, Imperial Sirs, Fellow Representatives and Grand Masters: I move that item 2 on the Call be adopted.

IMPERIAL POTENTATE PADGETT: Is there a second?

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE PADGETT: Is there discussion?

IMPERIAL SIR JACK DEAN: Imperial Sir, in fairness to the Representatives, I think it is fair that we do show them what we have prepared.

I have traveled the country this year explaining to the Representatives but there are many Representatives here who are Emeritus Representatives or who were not present at the time that we made that presentation.

The numbers have changed and they have changed favorably and I do wish everybody to likewise be aware that we are prepared to go through the entire presentation. As a matter of fact, it is my intention to do that unless, of course, there is an objection from the floor.

We do feel that you are entitled to see the new projections and view the fact that they are more favorable.

I told you as I came around that when I was first appointed Budget Committee Chairman, I adopted this project with the idea that we may be able to just do something and all of a sudden I got into panic because it became apparent to me that we were in trouble. The projected numbers, for example, indicated that we would be out of business come San Antonio, we would not be able to pay the Representatives.

Subsequently, I immediately called a meeting of the Iowa Budget Committee. That committee, after reviewing the figures, a couple of our members believed we were not in as bad a shape as we were until they got there and saw those numbers. Then they got everybody's attention and, I might add, that was early in the Shrine year.

As a result of that, we had an Imperial Divan meeting, at which every member of the Imperial Divan participated in the presentation that is prepared and submitted to you.

The original presentation was put together, chewed up, spit out—I got chewed out, I got spit out and everybody worked on this. The presentation we have is unanimously recommended to you by not only the Imperial Divan but also the Iowa Board of Directors, who approved it just the other day at the Board meeting.

I would also say this to you, that we then submitted it to the members of the Board of Trustees and those Past Imperial Potentates that were present at our meeting in January. We reviewed the entire program with them. It was their unanimous recommendation to you that the \$3 increase go ahead. If there are any of those members who disagree with me, I would ask them to speak up.

This is your problem, it is our problem and we are here to present to you what the facts are.

I am pleased to tell you that if you will look in your Book of Reports, and a question has been asked me as we go around this country, "What are you guys doing; you guys are just spending more money; you guys, up on the stage, if we give you any more money, you are just going to blow it."

Now, I submit to you, we have been fiscally responsible. If you look in your Book of Reports, and it is on page 27, you will note that that portion of the expenses over which the Imperial Divan has control are some ten percent under budget.

The Imperial Officers' travel, in particular, is down and I am talking about the Imperial Officers—I am not talking about the travel that includes the Imperial Potentate. It is under budget by some \$28,000 from the budget that you passed when you were in Chicago.

Gentlemen, we think we are doing our job and we are asking you to help make this a fiscally sound corporation.

Now, at this point, let me show you the program unless, of course, you decide you do not want to see it.

IMPERIAL POTENTATE PADGETT: I think it is appropriate that you run through our program for everybody. I think everybody should be made aware as to exactly what is involved here. Therefore, please proceed with your program.

IMPERIAL SIR JACK DEAN: Thank you, Imperial Sir.

Let me further say that anybody that has not seen this presentation and who is interested

in it, anybody on this stage, maybe you can get down in the front here and get a seat where you can see it a little bit better.

[Slides]: Gentlemen, since we had our last dues increase in 1983, a gallon of gas has gone up 25 percent; a gallon of milk is up 38 percent; a Big Mac is up 40 percent; a pack of cigarettes is up 55.5 percent; a new car is up 33.2 percent, a bottle of wine is up 34.7 percent; hotel rooms are up 45.2 percent; a new three-bedroom house, on a national average, is up 26.7 percent.

Now, I do not like to show this next one as I told you all previously, especially in relation to where we are going next year, but a ticket to Disney World is up 118.3 percent; wheel alignments are up 157.8 percent; health care, 137 percent and that affects us in a couple of different areas. A six-pack is up 41 percent. Also, the traditional funeral and, let me add, that figure is not correct because it is up more than that. Your Shrine Temple dues have gone up 33 percent and that is based on 170 Temples reporting and does not include the hospital assessment or per capita tax. Also, a pair of sneakers is up 220 percent.

During that same time, business and travel is up 21.2 percent overall. There is an 80.7 percent increase in travel cost. However, during that period of time, our Shrine per capita tax has not gone up.

Now, this slide indicates a summary of all of those items that you just saw and which I indicated to you. It just contains one listing of all of them. If you want me to leave that up there for a little bit, I will be happy to do so.

[Slide]: Now, here we have your yearly per capita tax by organizations. This is your Grand Lodges and your Blue Lodges and the average for some sixty Grand Lodges reporting is \$8.49. Kiwanis pays \$28.50; Rotary pays \$29; the Moose pays \$8 and we pay \$3.

Now, why do we need a per capita tax increase?

[Slide]: Gentlemen, here is the summary of revenues and expenses from 1983 down.

As you will notice from the first line, the per capita tax is decreasing. That is there and that is based on the fact that over that time period we have lost some 23,300 in membership a year—not every year, but on an average over that period of time. As a result, our interest did not drop off as much because we had several bequests during that period of time of \$90,000. We have had several Imperial Council Session Corporations return money to us and it has done well. However, while we had that this past year, we do not get that every year. Therefore, as you can see, our total revenues are down.

Further, if you look at the anticipated expenses that you approved in your budget for this convention you will find that the figure is 1,977,000.

It means that our excess of revenues over expenses will be in the deficit column this year and will continue in that direction.

The assumptions used in connection with your financial projections are that we project that our per capita has been adjusted for the decline of membership that I just mentioned to you—22,037 is what it is actually.

All expenses except Session costs have been inflated five percent. This presentation excludes any transactions of the restricted funds or the note card program.

[Slide]: Now, here are your actual expense details from 1983 to 1991.

For example, the Executive Director's Office is up 76 percent. That is the normal increases, plus the fact that we added the Director of Temple Accounting, the Secretary for him, which are the biggest single items in there.

Management Information is going down and computer support working for the Temples is going up. Also, Public Relations is up 50 percent.

Also, general administrative, and if you want a breakdown in relation to that, you will find that in your books, it is up 151 percent.

Now, if you want to ask questions at any time, just ask.

Other Fraternal expense is down 20 percent. The reason that it is down is to give you more information so that you can actually see what we were doing.

We pulled, as a matter of fact, a few years ago, the Office of Director of Masonic Relations and Membership Development out of that item. It used to be listed under "Other Fraternal Expense." That office is currently held by Jack Jones and has absolutely nothing to do with his duties as Imperial Recorder.

The building operations are pro rated based on space at Headquarters by our auditors every year.

Also, I believe that Board and Committee Expense is self-explanatory. That is when we have our Board meetings and we have the various committees of the Imperial Council.

In relation to the Imperial Divan, that includes the Imperial Potentate's contingency and the Imperial Divan travel and, also, it includes the Imperial Potentate's travel. That is all broken down for you.

[Slide]: Session costs have been projected for 1991 to 1995 based on actual Chicago Session costs. We are not, for example, using the 1,977,000, which is an unusually high number because we are here in San Francisco and two-thirds of our Temples are coming from east of the Mississippi so that, therefore, we have some unusual travel expenses this year. However, we are trying to keep this accurate and fair to you.

[Slide]: Now, gentlemen, without a per capita tax, this is where we are. The revenues, for example, keep decreasing at 22,037 in relation to the per capita tax. However, I will tell you that last year we lost 27,000 members and so we are already off in relation to that projection.

In relation to the interest and other revenues, those numbers come from the interest that is down here on the fund balance at the beginning of the year. There is no fund balance and the only thing you have to get interest on up here (indicating) is the dues that come in and monies as it comes in from the Temples.

In relation to our expenses, we show, for example, that we have a deficit in 1992 of \$115,000, which will be before the Representatives' money and before we pay the Session costs.

We then come down and we show a fund balance at the end of 1992 of \$509,000. That, in turn, means that when you add them all up and you carry it over, you do not have anything really substantial to get into going up here (indicating).

Now, without that per capita tax, I have gone around this country and told all of you that we would be out of business come San Antonio. However, that is no longer true. It will be at Denver or right around there—it will be the following year.

[Slide]: These are the expenses that you have projected out at five percent. They are the same as you saw before—there are not any different things.

[Slide]: If we get a per capita tax of \$3—I have the slides for one and I have the slides for two—but if you see fit to pass this, the per capita tax will kick in in January of this year with next year's dues. That is the first time it will be paid.

It will be automatically, if you read the resolution, added to your Temple dues. There is no vote that is to be taken on the floor of the Temple or can be taken on the floor of the Temple. It is an add-on to your dues to increase \$3 per member.

The interest will then continue because what we do is that the first time that money really shows up coming in is here (indicating). We do not have it for too long a period of time because it has just started. However, what we start doing is showing an excess of revenue over expenses and we take our fund balance from here at the end of 1991, which is still here and that is what we have to get interest on going up here (indicating). That increase is \$2.6 million and we continually increase it and now we are at \$4 million. Now, you know, that sounds like a lot of money but just ten years ago our fund balance was \$5 million in the Iowa Corporation.

The projections now show that with \$1 at Denver we start with the negative. In other words, we start out with a negative budget actually in here (indicating). However, we start to go but then it does not fix it for very long. However, with the \$2, it will carry it through 1995. On the other hand, with \$3, we are sure that we will be able to go nine to ten years before we have to come back again.

However, keep this in mind, fellow Representatives, that the budget is passed by every Representative in this room every year. The current budget is in your packets for you to approve.

It is true, of course, that the Iowa Board of Directors, the Imperial Divan, plus the Immediate Past Imperial Potentate have the power to change that budget. However, when we do that, we also have to report to you at the next Session why we changed it, report to you in writing, and that, in turn, is put in your packets. You will have an explanation in relation to any place that we deviated. I would submit to you that if I were sitting on that

Board and Jack Dean is the Imperial Potentate or anyone else, if we changed the budget on Friday afternoon, I would have some serious questions as to the integrity of the people we have. I have nothing but strong feelings for the integrity of your Imperial Officers and their fiscal responsibility in addressing this issue. I can tell you that everybody is working hard for this.

At this point I would say to you, that concludes by report. Further, if anybody wants to see the \$1 numbers or the \$2 numbers, I will be more than happy to put them on the screen at your will and pleasure, gentlemen.

Also, as I said before, this is your organization. There are no secrets. We do not have anything to hide. We are attempting to show you where we are.

Imperial Sir, I would be interested if there are any questions.

IMPERIAL POTENTATE PADGETT: Are there any questions from the floor? If there are, please rise and state your questions at this time.

. . . The question on the motion for adoption was severally called for . . .

IMPERIAL POTENTATE PADGETT: The question has been called for.

All in favor of the motion indicate by saying aye; opposed. The motion is carried and thank you very much, gentlemen.

I recognize Noble Tingle for a report of the Jurisprudence and Laws Committee in relation to item 1.

Just a moment, there appears to be some confusion concerning our last vote relative to this proposed increase. At least to me up here it sounded as though the motion was carried.

. . . Cries of "no, no" . . .

IMPERIAL POTENTATE PADGETT: Well, hold on just a moment here.

For clarification of that vote, I would like to now have a showing of hands.

All those in favor of the motion please raise your right hand, please; now those opposed. Again, the ayes have it and it is therefore declared to be carried. (Applause)

Thank you, gentlemen.

For the record, let me say that I declare that vote carried by the necessary two-thirds majority.

Again, thank you very much.

With that, I will recognize Tingle for a report of the Jurisprudence and Laws Committee concerning item 1.

NOBLE TINGLE: To the Representatives of the Imperial Council: There has been referred to your Committee of Jurisprudence and Laws, Item Number 1 on the Call for the Annual Session of 1991, located on page 19 of the Call. It is a proposal to amend §205.5(a)(2) of Article 5 of the Bylaws of the Imperial Council, an Iowa Corporation, by adding and deleting certain language so that paragraph (2) will read as follows:

ARTICLE 5

Mileage and Per Diem

§205.5 Method and Time of Payment

(2) The allowance per mile round-trip, whether or not his spouse accompanied him, shall be the business standard mileage rate as published by the Internal Revenue Service of the United States in effect at the time the expense is incurred, if he used ground transportation (public or private), but not to exceed the amount indicated in §205.1(a); or

The committee reports that the proposal is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

IMPERIAL POTENTATE PADGETT: I will call on Imperial Sir Lewis B. Brantley.

IMPERIAL SIR LEWIS B. BRANTLEY: Imperial Sir, I would move for the adoption of item 1 as contained in the Call.

... The motion was severally seconded ...

IMPERIAL POTENTATE PADGETT: You have heard a motion and the second for the adoption of item 1.

Is there any discussion?

If not, all in favor of the adoption of item 1 indicate by saying aye; those opposed. It is so carried.

I will recognize Robert Cooper for a report by the Jurisprudence and Laws Committee.

NOBLE ROBERT E. COOPER: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 10 on the Call for the Annual Session of 1991, located on page 23 of the Call. It is a proposal to amend paragraph (1) of §330.4(c) of Article 30 of the Bylaws of the Imperial Council, an Iowa Corporation, by adding certain language so that paragraph (1) will read as follows:

ARTICLE 30 Discipline by Temples

§330.4 Procedure.

...
(c) Appeal.

(1) Either the Temple, the accused Noble or the complaining Noble has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

The committee reports that the proposal is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you call upon Illustrious Sir I. Sewell Lamdin for a report of the Grievances and Appeals Committee.

IMPERIAL POTENTATE PADGETT: The Chair now recognizes Illustrious Sir I. Sewell Lamdin.

NOBLE LAMDIN: Imperial Sir, Imperial Sirs and Representatives: Item 10 was referred to the Committee on Grievances and Appeals.

Now, we met on Sunday in this hotel and the committee is of the unanimous opinion that this change should be adopted.

Now, Imperial Sir, since I am the proposer of the amendment, I would now move you, Imperial Sir, that item 10 be adopted.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE PADGETT: You have before you the motion and the second to adopt item 10.

Is there any discussion?

Seeing no indication for discussion, all in favor of the adoption of item 10 please indicate by saying aye; those opposed. It is unanimously carried.

Thank you, gentlemen and Judge Lamdin.

I will now recognize, at this time, Illustrious Sir Bill Buckaway for a report of the Jurisprudence and Laws Committee on item 18 in the Call.

NOBLE BUCKAWAY: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 18 on the Call for the Annual Session of 1991, located on page 27 of the Call. It is a resolution approving the recognition of Oldsmobile Division of General Motors as the "Official Car of the Shrine of North America." Such resolution reads as follows:

RESOLUTION

WHEREAS, the Oldsmobile Division of General Motors has provided vehicles and financial support to the Annual Session of the Imperial Council and to associations of Temples' meetings for more than forty years;

WHEREAS, the vehicles have been provided free of charge by the Oldsmobile Division to the Imperial Council, its Temples and to dignitaries;

WHEREAS, these vehicles have provided transportation for Shrine leaders and have measurably enhanced the pageantry of our parades and functions;

WHEREAS, the good will and generosity of the Oldsmobile Division has been spontaneous, voluntary and continuous; and it has resulted in significant financial savings to our Order;

NOW, THEREFORE, BE IT RESOLVED, pursuant to §335.2 of the Bylaws of the Imperial Council, that:

1. The Imperial Council recognizes Oldsmobile as the "Official Car of the Shrine of North America."

2. This recognition shall be disseminated to the subordinate Temples of the Order and their Nobles.

3. This recognition shall appear in periodicals and publications of the Order as may, from time to time, be directed by the Board of Directors of the Iowa Corporation.

The committee reports that the proposal is in proper and legal form and will not conflict with any provisions of the Articles of Incorporation or Bylaws.

IMPERIAL POTENTATE PADGETT: The Chair recognizes Imperial Sir Everett Evans.

IMPERIAL SIR EVERETT EVANS: Imperial Sir, Imperial Sirs and Representatives: I move the adoption of item 18 in the Call.

... The motion was severally seconded ...

IMPERIAL POTENTATE PADGETT: We have a motion and a second to adoption of item 18 as presented.

Is there any discussion?

If not, all in favor of adoption indicate by saying aye; those opposed. It is unanimously carried.

At this time, I would like to call on Noble Edward A. Rath for a report from the Jurisprudence and Laws Committee concerning item 19.

NOBLE EDWARD A. RATH: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 19 on the Call for the Annual Session of 1991, located on page 27 of the Call. It is a resolution concerning the authorization of the Imperial Council to enter into a fraternal fund raising contract for a calendar distribution program using the symbols of the Order. Such resolution reads as follows:

RESOLUTION

WHEREAS, fraternal fund raising has found acceptance in our Order as a method of enhancing revenue;

WHEREAS, fraternal fund raising must be structured to provide reasonable benefits without creating unreasonable burdens;

NOW, THEREFORE, BE IT RESOLVED, pursuant to §335.2, the Imperial Council is authorized to enter into a fraternal fund raising contract for a calendar distribution program using the symbols of the Order, subject to the following:

1. The proceeds of this fund raiser will be shared by the Imperial Council and participating Temples.

2. Only Temples expressing a willingness to be involved in this program will be solicited.

3. No lists of members of Temples will be furnished without the prior consent of the Temples.

4. The final terms and conditions of the contract must meet with the approval of the Board of Directors of the Imperial Council.

A further and more detailed discussion of the program will be presented to the Representatives at the 1991 Council Session.

The committee reports that the proposal is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you call upon the proposer, Imperial Sir John W. Dean, III, Deputy Imperial Potentate and Representative-At-Large, of Lu Lu Temple, for an appropriate motion.

IMPERIAL POTENTATE PADGETT: The Chair recognizes our Deputy Imperial Potentate, Imperial Sir Jack Dean.

IMPERIAL SIR JACK DEAN: Imperial Sir and Representatives, I would move that this program be adopted.

... The motion was severally seconded ...

IMPERIAL POTENTATE PADGETT: We now have before us a motion and a second for the adoption of item 19.

I will again recognize Imperial Sir Jack Dean.

IMPERIAL SIR JACK DEAN: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: It became aware to me that many Temples are having financial problems.

The Imperial Council, until you in your infinite wisdom just saw fit to take us off the hook, was having a major problem and, therefore, it was my thinking that while I was opposed to the note card program, it was so successful that something similar to the calendar program would be an appropriate program to submit to the Temples for their consideration.

This program would be done on a one-year basis.

Now, for every person that these are mailed to, each Temple will receive twenty-five cents. If they are net proceeds, that is over and above the cost of the mailing. The Imperial Council will receive no money. All of the profits from this program will be divided equally between the Temples and the Imperial Council.

That was my proposal.

However, I would now submit to you that what I would like to do is say that all profits from this program will be submitted to the individual Temples because I was looking for another way to get money for the Iowa Corporation and, frankly, by your previous action, you took care of that.

Now, this would be my proposal to you at this point, gentlemen.

The program would be one where a letter was mailed out to your Nobility asking if they want a calendar. If they do not want the calendar, they can send a card back indicating they do not want a calendar. Further, if they do not send the card back, they will get a calendar and a contribution will be requested.

In reality, it is purely a fraternal thing and funds will be coming back to the Temples.

IMPERIAL POTENTATE PADGETT: How much is the calendar?

IMPERIAL SIR DEAN: The calendar is voluntary. There is no charge for the calendars. It involves a voluntary contribution. There is no such thing as a minimum contribution. For example, if somebody wants to send in only a quarter, they can do that.

Also, Imperial Sir, General Counsel has just pointed out to me that in view of my shift on this, I have to make a proposal to amend that particular resolution in relation to, I believe, an appropriate paragraph therein, which I believe is paragraph 1, but I am not sure.

For example, in the resolution we say that the proceeds will be shared by the Imperial Council and participating Temples.

However, I would like to have that read that the proceeds will be received by the participating Temples. In other words, it will be handled by us but will be taken care of by you. The money will be submitted to you.

I would move the amendment as just presented to you.

... This motion was severally seconded ...

IMPERIAL POTENTATE PADGETT: You have heard the amendment offered by Jack Dean and the second thereto.

Is there any discussion concerning the amendment?

If not, all in favor of the adoption of the amendment as proposed indicate by saying aye; those opposed. The amendment is carried. It is now so amended.

IMPERIAL SIR DEAN: Imperial Sir, I would now move that the amended motion be adopted.

... This motion was then likewise severally seconded ...

IMPERIAL POTENTATE PADGETT: You have before you now a motion and a second to approve the motion as amended.

All in favor indicate by saying aye; those opposed. It is so carried.

Thank you very much.

IMPERIAL SIR DEAN: Thank you very much, gentlemen.

IMPERIAL POTENTATE PADGETT: I will now recognize Noble Tingle for a report of the Jurisprudence and Laws Committee concerning item 11 in the Call, which is on page 23 of the Call.

NOBLE TINGLE: To the Representatives of the Imperial Council: There have been referred to your Committee on Jurisprudence and Laws, Item Number 11 on the Call for the Annual Session of 1991, located on page 23 of the Call. It is a proposal to amend §332.1 of Article 32 of the Bylaws of the Imperial Council, an Iowa Corporation, by adding new subsections (g) and (h) to read as follows:

ARTICLE 32

Initiation Fee; Dues; Hospital Levy; Assessments

§332.1 Initiation Fee.

...

(g) A Temple may reduce the initiation fee by an amount up to fifty percent for candidates residing in its exclusive jurisdiction and who will be under the age of thirty-one years on the date of their initiation, subject to the limitation in subparagraph (a) above.

(h) A Temple may reduce the initiation fee by an amount up to fifty percent for candidate residing in its concurrent jurisdiction and who will be under the age of thirty-one years on the date of their initiation provided all Temples having the same concurrent jurisdiction agree on the same percentage of reduction, subject to the limitation in subparagraph (a) above.

The committee reports that the proposal is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments, I would request that you call upon the proponent, Noble C. G. "Con" Dahl, Assistant Rabban and Representative of Al Bahr Temple, for an appropriate motion.

IMPERIAL POTENTATE PADGETT: The Chair will recognize Noble Dahl of Al Bahr Temple for an appropriate motion.

NOBLE C. G. "CON" DAHL [Al Bahr Temple]: Imperial Sir, Illustrious Sirs and Fellow Representatives: I would move for the adoption of item 11 as indicated in the Call.

... The motion was duly seconded ...

IMPERIAL POTENTATE PADGETT: We have a motion and a second for the adoption of this item.

Is there discussion?

I will recognize the proponent, Noble Dahl.

NOBLE C. G. "CON" DAHL [Al Bahr Temple]: Nobles, we are getting long in dues and few in numbers. I believe that anything we can do, short of kidnapping, we should do in order to recruit more and younger members.

Now, while I am not familiar with the other Scottish Rite Jurisdictions, I do know that the Scottish Rite of the Southern Jurisdiction of the United States authorizes its Valleys to half the fees for candidates under thirty-one years of age. And that this procedure has proven successful in recruiting younger members. I believe we should follow the lead in this.

A young man can join the Blue Lodge, Scottish and York Rite and the Shrine in less than one year's time. A man in this age group that we are talking about is probably married and is probably raising a family. To pay the fees involved with these three levels of Masonry in one year or less could be a financial hardship and could hold him back from joining us.

I believe that we should be able to reduce the fees for him to entice him to join us now rather than at a later date.

If he delays to a later date, then he becomes a "maybe."

Also, there are those who will say that if a man cannot afford the fees as presently structured he should not join. I say that is short-sighted thinking.

We desperately need young men and younger families in our Order.

You will notice that the motion said "may" and, therefore, individual Temples have the option of whether they want to reduce the fees by fifty percent, twenty-five percent or not at all.

I believe that we should give the individual Temples that option and I ask for your support of this motion.

Thank you.

IMPERIAL POTENTATE PADGETT: Thank you very much.

I will recognize the Noble at the microphone down here in the front.

NOBLE ROBERT MARBLE [Tigris Temple]: I would like to ask a question.

First of all, let me say that I have a great interest in younger people because I have one son who is twenty-nine and another twenty-five, who is on the way into Masonry and, further, I have been long associated for most of my life with the Order of DeMolay and so I have a great affinity for the trend that I am seeing and am very gratified.

However, I would like to ask does this also, by assumption, preclude that the Imperial will reduce their per capita assessment by the same percentage? (Laughter)

You know, Imperial Sir, I would like to suggest that we amend that motion to that interest.

... Cries of "no, no" ...

NOBLE DAHL: It was not my intention that that take place.

IMPERIAL POTENTATE PADGETT: There is no motion that has been adopted as yet. I will have to check into that at a later time. However, as I understand it, there is no motion at this time but in the event there is a motion made to receive this, we will go ahead.

NOBLE MARBLE [Tigris Temple]: Thank you very much, Imperial Sir.

IMPERIAL POTENTATE PADGETT: I have the Nobles over here (indicating).

NOBLE P. C. THRASHER [Murat Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles and Representatives: We are in a state which is quite friendly with one another. We have, for example, four other Temples in Indiana but our exclusive jurisdictions are only our home counties.

Frankly, I am unaware as to what the initiate fees are for the other Temples and, further, we have a custom of varying our initiation fees from Ceremonial to Ceremonial.

The way this is worded, and maybe I am just quibbling with words as opposed to the intent because I thoroughly agree that younger people may need a break. However, I am not sure that this is the way to do it because the way this is worded, in order for any of our five Temples to alter their initiation fee, whether at the last minute or three years in advance, we would need to obtain the unanimous consent of the other four Temples not to a dollar figure but to a similar percentage reduction. Perhaps you can see my significance here. If we are, for example, at \$198 and we are including a Fez and a couple of other things and another Temple is at \$100 and we want to come down to, say, \$50, this, in turn, forces that other Temple to go down to \$25 in order to conform to this resolution.

It says, for example, "percentage reduction." If we want to cut our initiation fee, for example, by seventy-five percent, we cannot do it and so historically now we are in a trap if we are at \$198 and the others are at \$100.

Therefore, I submit that the purpose of this resolution is fine, which is to provide a break for the younger folks, but it is not going to work in Indiana as written.

However, I would support an amendment that would allow that to occur.

IMPERIAL POTENTATE PADGETT: Thank you.

Is there any other discussion?

I will recognize the Noble at the microphone here to the right.

NOBLE CHARLES R. FREAR [Damascus Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Representatives and Nobles: I am a Past Potentate twice of Damascus Temple and now serving as Recorder.

My question, first of all, is that in the Northern Jurisdiction of the Scottish Rite, I do not believe I have ever seen where they allow a discount, if you want to call it that, for anybody under thirty-one years of age.

Secondly, in the rules it provides that we can charge the Temple, if they wish, a fee of \$50 as an initiation fee. Does this mean, for example, that somebody thirty-one years of age will get fifty percent off of \$50?

... Cries of "no, no" ...

IMPERIAL POTENTATE PADGETT: On advice of Counsel, the answer is "no."

NOBLE FREAR: In other words, if the Temple is charging \$50 there will be no discount to anyone under thirty-one years of age?

IMPERIAL POTENTATE PADGETT: Well, I understand that there is a floor of \$50 for item 1. Does that answer your question?

NOBLE FREAR: I believe it does, Imperial Sir.

NOBLE WILLIAM R. BUCKNER [Abdallah Temple]: On page 165, it says that initiation fees having been established by the Bylaws of the Temple, they may only be changed by amendment to the Bylaws and cannot be done just at one Ceremonial at a time.

IMPERIAL POTENTATE PADGETT: Let me say that Imperial Bylaws always govern—on advice of Legal Counsel.

NOBLE BUCKAWAY: If I might add one clarifying phrase.

There is implementing legislation that will allow you to do this without going through the Bylaw amendment procedure and the phrase that says that is "subject to limitation of the paragraph above," which is the \$50 minimum and which you cannot go below and so, on that basis, everyone will pay at least \$50. As to how you set it, that is discretionary to you.

NOBLE BUCKNER: However, that is only under thirty-one years of age?

IMPERIAL POTENTATE PADGETT: That is correct.

NOBLE BUCKNER: I would like to see the amendment changed so that it would be done for anybody if the Temple so desires.

IMPERIAL POTENTATE PADGETT: Is that a motion?

NOBLE BUCKNER: I will make that as a motion, yes.

IMPERIAL POTENTATE PADGETT: You have heard the amended motion as just stated. Is there a second?

. . . The amendment was severally seconded . . .

IMPERIAL POTENTATE PADGETT: Is there discussion on the amended motion as presented?

. . . Cries of "restate the motion" . . .

IMPERIAL POTENTATE PADGETT: There is a request for restatement of the motion and I will let General Legal Counsel present the motion to you.

NOBLE CORSONES: I am sorry, I am the personal counsel to the Imperial Potentate but I will ask our Parliamentarian, Sewell Lamdin, to come up here.

Let me say to you, Sewell, it is my understanding that there has been a motion made and seconded to delete the portion that limits this to only those who are under thirty-one years of age so that it would be general in nature to allow this reduction. That is where you are now.

NOBLE SEWELL LAMDIN: Representatives, General Counsel and your Parliamentarian got together and during the various years, we have had three, four and five people running up here and grabbing the ear of the Presiding Officer and we thought that it did not look right and also added to the confusion. Therefore, we decided among ourselves that General Counsel would be the individual that would be coming up here, along with the Presiding Officer, whoever he may be, and he will make those decisions so that we do not have three, four or five people running up here.

NOBLE CORSONES: Thank you very much, Sewell.

So, Nobles, in looking at the item on the top of page 24, what the motion as seconded states is that you are being asked to amend this proposal by deleting the portion thereof that restricts this to candidates who will be under the age of thirty-one years.

I think the motion is clear. The merit of the motion, of course, is for the Representatives to determine as to whether they want to amend this proposal or not and that is where you are at the present time and if I can get our Imperial Potentate up here, if there is no further discussion to amend, he will take your action on the motion to amend as to whether or not you wish to allow an amendment to the proposal as has been presented.

IMPERIAL POTENTATE PADGETT: Do you all understand what is before you? Is it clear to everybody? It is not to me but then we will go ahead anyway. (Laughter)

All in favor of the amendment as presented please say aye; those opposed. The amendment is defeated.

We now go back to the main motion.

NOBLE CORSONES: Now your Imperial Potentate is going to call upon you at this time to vote on the main proposal as printed. It is the proposal for adoption of the amendment as printed in the Call and if there is no further discussion, the Imperial Potentate is going to call for the question now.

IMPERIAL POTENTATE PADGETT: Is there further discussion?

I have a Noble down in the front here.

ILLUSTRIOUS SIR RICHARD IRWIN [Al Koran Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: Imperial Sir, I would like to direct a question to our Legal Counsel.

Are we saying, for example, that the Temples participating in this do not have to amend their Bylaws—that this action could be taken by resolution of the Nobility? Is that what we are saying?

NOBLE CORSONES: Although we are not using the same words, the effect, of course, is the same.

There is a provision that we Representatives, both you and I, adopted many, many years ago and we have them in our Imperial Bylaws and they state that in the event there is a conflict between the Imperial Bylaws and the Temple Bylaws, the Temple Bylaws are ipso facto amended by action of the Imperial Council. So even though you and I have selected different words, you got to the issue a lot quicker than a lawyer could. (Laughter)

IMPERIAL POTENTATE PADGETT: Are you ready for the question at this time?

. . . The question was severally called for . . .

IMPERIAL POTENTATE PADGETT: All in favor indicate by saying aye; those opposed.

Well, all in favor please indicate by raising your right hand; now those opposed. The ayes have it by the necessary two-thirds majority.

Thank you, gentlemen, the motion is carried.

Now, gentlemen, we have been going at this hot and heavy and so at this point we are going to take a fifteen-minute break and I would ask that we meet back here in fifteen minutes. Therefore, if you do not mind, please be back here in fifteen minutes.

... Whereupon, a fifteen-minute recess ensued ...

IMPERIAL POTENTATE PADGETT: Will you please be seated and give us your attention, please.

At this time, I would like to call on our Imperial Recorder for several announcements.

IMPERIAL SIR JACK JONES: The Captain of the Guard will be passing out to all Representatives in just a few moments substitute proposals for item 6 in the Call and the rulings and decisions. These will be passed out to the Representatives in just a few moments.

... At this point, a few additional announcements ensued by Imperial Sir Jack Jones ...

IMPERIAL POTENTATE PADGETT: Thank you, Imperial Sir Jack.

At this point I would like to recognize Illustrious Sir Bob Bailey for the report of the Jurisprudence and Laws Committee concerning item 9.

NOBLE BAILEY: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 9 on the Call for the Annual Session of 1991, located on page 23 of the Call. It is a proposal to amend subsection (a) of §325.10 of Article 25 of the Bylaws of the Imperial Council, an Iowa Corporation, so that subsection (a) will read as follows:

ARTICLE 25

Officers; Their Election or Appointment

§325.10 ELECTION REGULATIONS

(a) The printing, publication, circulation or distribution of resolutions, letters, telegrams, tickets or other devices by a Noble, suggesting, recommending, opposing or containing the names of proposed candidates for office in the Temple is prohibited. However, the candidate is entitled to prepare, at his sole expense, one brochure and limit copies thereof to a number not exceeding the Temple membership as of the preceding first day of January. The brochure may include a picture of himself, his age, marital status, occupation, and information about his personal business, fraternal and community activities. The candidate, himself, is entitled to distribute copies of the brochure to other members of the Temple in person or by mail.

The committee reports that the proposal is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you call upon the proposer, Illustrious Sir Ronald Groshaw, Potentate and Representative of Rameses Temple, for an appropriate motion.

IMPERIAL POTENTATE PADGETT: I would like to recognize the proposer of item 9, Illustrious Sir Ronald Groshaw, Potentate and Representative of Rameses Temple, for an appropriate motion.

ILLUSTRIOUS SIR RONALD GROSHAW [Rameses Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: I move that this proposition be approved.

IMPERIAL POTENTATE PADGETT: Do we have a second?

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE PADGETT: Is there discussion?

I will recognize the proposer of item 9.

ILLUSTRIOUS SIR GROSHAW [Rameses Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: This proposal might not have much validity in a consolidated jurisdiction but in the jurisdiction from which I come, we feel it has great merit because of the great distances between Shrine Clubs and the inability to communicate adequately when it is over a ten-hour drive between different Shrine Clubs in our Jurisdiction.

IMPERIAL POTENTATE PADGETT: Thank you.

Is there any other discussion at this time? Are you ready for the question?

All in favor of this proposal indicate by saying aye; opposed. Well, let us have a showing of hands, if you would.

All in favor please raise your right hand; drop them; now those opposed. Well Legal Counsel has informed me that the motion has carried and so thank you very much.

. . . Cries of "no, no" . . .

NOBLE CORSONES: I have just conferred with our Parliamentarian and he would like to explain to you the procedure for challenging a vote. As we all know, our Imperial Sir is attempting to be very fair. Also, both he and I appreciate the courtesies that you have extended to us.

The procedure is that if you think that the ruling was incorrect, and that is fine, there is no problem with Joe because he does not have any position on these items. However, if you do appeal the ruling, you can ask for a paper ballot or a division of the House or whatever you deem appropriate and Joe, of course, will respond to your legitimate request and so, again, there is no problem whatsoever.

Now, I have heard some people indicating that they did disagree with the ruling and if you think he was wrong, somebody go to the microphone, there is no problem.

IMPERIAL SIR BRANTLEY: Mr. Chairman, in order to clarify the parliamentary procedure, I would move for a verification of the vote.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE PADGETT: All in favor indicate by saying aye; opposed. Well, apparently there still appears to be some confusion.

Well, I am sorry, we will take a division of the House at this time.

All in favor please stand this time.

NOBLE LAMDIN: You are acting on the proposal—you are back to the proposal. We had a question about the ruling of the Chair and we are back to the proposal. Imperial Sir Brantley made his resolution, which was adopted and we are going to have now a division of the House.

All those in favor of the proposal, you will rise when the Imperial Sir asks for it.

. . . At this point, confusion as to the present parliamentary situation was still indicated

. . . NOBLE CORSONES: I would like to have all of you please look at item 9. You are now going to vote on whether you approve or reject item 9. Are you all clear on that?

. . . Cries of "yes" . . .

NOBLE CORSONES: And you are going to do it by virtue of a division of the House. We are going to try that procedure next to see if we can solve this issue in that manner.

Now, again, to clarify, the Imperial Potentate is going to ask for a division of the House and he is asking all of you that may be in favor of adopting the proposal, would you be kind enough to rise.

IMPERIAL POTENTATE PADGETT: Do you have that, gentlemen, please?

All those in favor of the proposal, will you please rise. Now please be seated and those in opposition please rise.

Well, gentlemen, it is really hard to make a decision on this basis and so we will take a ballot on this issue. We will endeavor to solve it in that fashion.

I will recognize Jim Hathaway.

NOBLE HATHAWAY: Imperial Sir, Imperial Sirs and Representatives All: You will use

ballot 4. Do not put that little stub with your ballot. Tear off the main ballot. Also, remain seated while the tellers take up your ballots.

... Whereupon, voting and collection of ballots then ensued at this point ...

IMPERIAL POTENTATE PADGETT: Let me again remind you, gentlemen, if you are in favor, vote "yes," if you are opposed, vote "no." It will take a two-thirds majority to carry.

... Voting and collection of ballots then continued ...

IMPERIAL POTENTATE PADGETT: Now, let me ask, have all voted or balloted who wish to ballot?

I will now declare the ballot closed.

Now, while we are waiting during this period of time for the results of the ballot, I would like to hear from some of our distinguished guests.

I am now happy to present to you Illustrious Francis G. Paul, Sovereign Grand Commander, A.A.S.R., Northern Jurisdiction.

ILLUSTRIOUS FRANCIS G. PAUL: Imperial Potentate, Imperial Sirs and Nobles All: I am really enjoying this. I am a Past Potentate as well as being active in the Scottish Rite and so I am as active and interested in the legislation that is going on as you are.

I really appreciate the invitation extended to me to be here. I am enjoyin'g this very, very much.

As you know, I represent the Northern Masonic Jurisdiction of the Scottish Rite. Again, I am privileged to be here with you in that capacity.

If I can make just one more moment, Imperial Sir, I would like to say to all of you that I happen to be on a Masonic Renewal Committee. Maybe some of you have talked about that. However, I would like to give you some indication that Masonry is working today because we all have this membership problem that we have been talking about and certainly we just saw that exhibited here by the Shrine. We all, you know, have that problem and, further, those of us who are in the appendant bodies are dependent. Therefore, the Scottish Rite is just like the Shrine and, also, the York Rite is just like the Shrine, there is not any difference there and I am sure you all understand that.

A few years ago, a few of us got together to get this Masonic Renewal Task Force going. We called it that and we initiated a couple of studies that some of you may be aware of and I hope you get the opportunity to take a look at them.

As a matter of fact, we were involved with two studies. In relation to the first one, we talked to 1,000 men who are Masons to get their idea as to how we could change Masonry to improve it as they saw it. Then, also, we talked with 1,000 people who were not Masons and asked them about Masonry and the answer really came back to the effect that they did not know too much about Masonry but that they would like to know more about it. Therefore, from that, we concluded certain things.

However, I do want to tell you that there is a Masonic Task Force going under the Aegis of the Grand Masters Conference and that is actually working. They are working hard to change our present situation because they realize and, let me say that I cannot speak for all of the Grand Masters but I would like to. However, I am very close to the fifteen in our Jurisdiction and I know that they would like to change this present situation but we do not want to change basic Masonry very much.

You know, I can give you some good news. As a matter of fact, there is some good news and there is some bad news.

In Wisconsin, for example, they raised seventeen percent more Master Masons this year than last year and, you know, that is progress.

Insofar as I know, that is probably the only Grand Lodge that has started to turn this situation around but then they did that. However, I do not think, insofar as the bottom line is concerned, that they made much progress because their deaths keep eating up any advances.

However, progress is going on and let me tell you, for example, about one that I was personally involved in Colorado.

Two years ago I asked, and it happened to be a man that retired from the same company I did and so I knew him and I asked him to talk to a young man I knew in Colorado. He said that he would do that. However, I never heard from him for a year and a half.

A year and a half later, he called me from Colorado at my home in Massachusetts and he

said to me, "Frank, I finally talked to the individual you asked me to talk to." I asked, "Well, John, what took you so long?" This is what he said. He said, "You know, we had to change the Bylaws in the State of Colorado so that I could talk to your man."

Now, I do not know how many other states have those rules. However, most of those that I am familiar with in the Northeast do not have that rule any longer but there are still some that do. However, they cannot even talk to a man.

However, he indicated to me that while he could not talk to him, he did anyway and that, by the way, this young man was interested in Masonry. He then said, "You know, I almost had this individual sold but, in the final analysis, I could not sell him."

However, again, I want to say to you that things are happening in Masonry.

By the way, I might add, that young man was important to me because he was my son and, as I understand it, he is now going to receive his Degree work in the fall only because somebody talked to him and who could tell him about what was going on in Colorado.

Again, we are making progress and I just want to reiterate to you that we are working hard on this problem. Of course, we need a lot of help.

I know that in some jurisdictions they are having trouble but I will tell you that in relation to my jurisdiction, in the fifteen states that I represent, if you are having any trouble, I would like to hear about it. In my jurisdiction, the Grand Lodges are starting to open up. We are getting a lot of cooperation. Of course, it is not happening all over but, again, I would like to say that we are going to keep working at it because we are all believers, I am sure, in the thought that Masonry is important to all of us. Likewise, the Shrine is important to all of us and, by golly, if we keep working on it, we are going to make it. (Applause)

Thank you for permitting me to be here.

IMPERIAL POTENTATE PADGETT: Thank you, Illustrious Sir.

You know, gentlemen, we have done so great this morning, I will tell you what we are going to do. We are now going to break for luncheon until one-thirty this afternoon and so, please be back promptly at one-thirty and, at that time, we will be able, I am sure, to give you the results of this ballot.

We are now recessed for luncheon.

... Whereupon, the Session was, at eleven-twenty-five o'clock a.m., recessed to reconvene at one-thirty o'clock p.m. ...

AFTERNOON SESSION TUESDAY, JULY 2, 1991 ONE-THIRTY O'CLOCK P.M.

The One Hundred Seventeenth Annual Session of the Imperial Council was reconvened in the Grand Ballroom of the San Francisco Hilton and Towers Hotel, San Francisco, California, Imperial Potentate Joseph P. Padgett, presiding.

IMPERIAL POTENTATE PADGETT: Gentlemen, please take your seats or I will start the program without you. If you cannot find your seats, we will find them for you. (Laughter)

At this time I would like to recognize Noble Jim Hathaway to give us the results of the ballot that was taken just before we recessed for lunch.

NOBLE HATHAWAY: It is a pleasure to give you the results of ballot 4 in relation to item 9 in the Call.

There were a possible 859 votes; 797 actually voted; there were two spoiled ballots; necessary for choice to pass was 532.

The votes were as follows: Yes, 437; No, 358.

IMPERIAL POTENTATE PADGETT: Gentlemen, I declare the motion defeated.

Now, I recognize Illustrious Sir Walter Pettit for the report of the Committee on Jurisprudence and Laws in relation to item 12.

NOBLE WALTER PETTIT: To be Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 12 on the Call for the Annual Session of 1991, located on page 24 of the Call. It is a proposal to amend Article 35 of the Bylaws of the Imperial Council, an Iowa Corporation, by adding a new §335.17 which will read as follows:

ARTICLE 35
Prohibited Practices

§335.17 RECORDING TEMPLE MEETINGS. There shall be no audio, video or other recording, taping or filming of a Temple meeting or Ceremonial without the prior consent of the Temple or Potentate. Any authorized recording, taping or filming shall become the property of the Temple and may not be heard or viewed except by Nobles.

The committee reports that the proposal is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

William A. Buckaway, Jr., Chairman
Robert E. Cooper
Theodore Corsones
Robert C. Lake, Jr.
Edward A. Rath
Robert H. Bailey
James M. Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you call upon the proposer, Imperial Sir Richard B. Olfene, Past Imperial Potentate and Representative Ad Vitam of Kora Temple, for an appropriate motion.

IMPERIAL POTENTATE PADGETT: The Chair will recognize Imperial Sir Richard B. Olfene, past Imperial Potentate and Representative Ad Vitam of Kora Temple, for an appropriate motion.

PAST IMPERIAL POTENTATE RICHARD B. OLFENE [Past Imperial Potentate]: Imperial Sir, Imperial Sirs and My Fellow Representatives: I would move adoption of item 12 in the Call. . . . The motion was severally seconded . . .

IMPERIAL POTENTATE PADGETT: There has been a motion and a second made to adopt item 12 in the Call for the Annual Session.

Is there any discussion?

NOBLE JOHN CLYBURN, JR. [Salaam Temple]: Will you please define what you mean by a meeting?

PAST IMPERIAL POTENTATE OLFENE: Certainly. It only pertains to tyled meetings, this meaning a stated meeting and your Ceremonial meeting.

It means that if you or anyone in your Temple desires to make a video, fine, that is permissible but then the tape or whatever it is can only remain the property of the Temple and shall only be shown to Nobles. That is nothing more than we are doing now insofar as our ritual and our stated meetings are concerned. It is a private situation where, for example, all of us go to a meeting with our dues card and only in that type of meeting, if it is deemed that a video tape is necessary for any reason, can you do that but you can only show it to Nobles. In other words, after it has been made, it becomes the property of the Temple and can only be shown to the Nobility.

Therefore, when we talk about a meeting, we are, in this case, talking about tyled meetings only. It has nothing to do with a semi-public meeting or anything of that nature. Again, it is strictly a tyled meeting.

IMPERIAL POTENTATE PADGETT: Are there any other questions or comments?

I will recognize Imperial Sir Lew Brantley.

IMPERIAL SIR LEWIS BRANTLEY: Imperial Sir Dick, with all due respect, unless I am reading from an entirely different Call, then the proposal that you have introduced in relation it item 12 does not say a tyled meeting at all.

PAST IMPERIAL POTENTATE OLFENE: I know that it does not. However, let me further indicate to you that I asked General Legal Counsel, when I previously contacted him, about this concern. Essentially, he prepared this. I sent it down to Charlie Cumpstone and asked for their comments and changes, etc., and they knew exactly what this was intended to be.

On the other hand, if it is going to make it a bit more tighter and make you feel better, we

can insert the word "tyled." However, in this particular case and the way this is worded, I am sure they know what it was intended to be.

Now, I would ask our General Legal Counsel if he would mind, if he thinks that it would be a better thing, for example, to have the word "tyled" put in there? Can you reply to that, Ted?

NOBLE CORSONES: Imperial Sir Dick, inasmuch as the question has arisen and, let me add, Imperial Sir Dick did call me and said, "Ted, I want to make this proposal, please draft it and send it to the Executive Director and make sure it is in the Call."

It does say, however, "Temple meeting" and that is what I understood your initial intent was.

However, inasmuch as the question has arisen that because of your presentation you intend only for a tyled meeting and if this is your intent, that it only be in relation to a tyled meeting, it would be appropriate to insert that word if you, as the proposer, wish to restrict it accordingly and that judgment, therefore, I leave with you.

PAST IMPERIAL POTENTATE OLFENE: That is fine. Would you be more comfortable with just a "tyled" meeting? If you do not object to it, I will make that as an amendment, to amend the motion accordingly—in other words, to add the word "tyled" before the word "Temple." Would that be correct?

IMPERIAL POTENTATE PADGETT: Let me ask you, Dick, is that a motion to amend?

PAST IMPERIAL POTENTATE OLFENE: Imperial Sir, yes.

IMPERIAL POTENTATE PADGETT: Is there a second to the motion to amend?

. . . The motion to amend was then severally seconded . . .

IMPERIAL POTENTATE PADGETT: You have before you the motion, together with a second, to amend as indicated by Imperial Sir Olfene.

Is there any additional discussion on the motion to amend? Are you ready for the vote?

All in favor of the motion to amend by inserting the word "tyled" as indicated, please say aye; those opposed. The ayes have it and it is so carried.

PAST IMPERIAL POTENTATE OLFENE: Imperial Sir, I would now move adoption of item 12 as amended.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE PADGETT: You now have a motion and a second to adopt item 12 as amended.

Is there discussion?

I will recognize Bob Bailey.

IMPERIAL SIR BAILEY: Imperial Sir Dick, in all due respect with the way this is worded and being a Past Recorder and now this reading, and I believe I am correct, that any authorized recording, taping or filming becomes the property of the Temple and may not be heard or viewed except by Nobles of the Temple—well, in that connection, I am sure that a great majority of the Temple Recorders turn to their respective secretaries to have transcribed the minutes of the meeting because, after all, I am sure they do not sit down and hand write them or type them and this, in turn, precludes the officers from operating in an efficient manner by not being able to have secretaries do that work.

IMPERIAL POTENTATE PADGETT: Is there further discussion on the motion as amended? Are you ready for the vote?

All in favor of the motion as amended indicate by saying aye; those opposed. Let the record show it is carried by the necessary two-thirds majority.

I will now recognize Bob Bailey of Jurisprudence and Laws, for presentation of the report concerning the Imperial Potentate's General Orders.

NOBLE ROBERT BAILEY: To the Representatives of the Imperial Council: The Imperial Potentate's General Orders (Series of 1990–91) were issued pursuant to Section 206.5(a)(4) of the Bylaws of the Imperial Council, an Iowa Corporation. Copies thereof were mailed to all Representatives upon their issuance. They have been referred to the Jurisprudence and Laws Committee by your adoption of the report of the Committee on Transactions of Imperial Officers.

Your committee reports that such General Orders were lawfully issued and in all respects are consistent with the Articles of Incorporation and Bylaws of the Iowa Corporation and also that there have been no objections to or appeals from any of such General Orders.

Your committee further reports that the Imperial Potentate's report is in proper and legal form and that it was submitted in compliance with the Bylaws of the Imperial Council. It, therefore, recommends the approval thereof.

Respectfully submitted,

LAWS

Imperial Sir, I move that the Imperial Potentate's General Orders (Series of 1990-91) be approved, and I recommend that you allow Deputy Imperial Potentate John W. Dean, III, to conduct the vote as this motion involves your Orders.

. . . Whereupon, Deputy Imperial Potentate Dean assumes the Chair . . .

IMPERIAL SIR JOHN W. DEAN: Is there a second to the motion?

. . . The motion was duly seconded . . .

IMPERIAL SIR DEAN: Is there any discussion concerning the General Orders of the Imperial Potentate of the Shrine of North America?

If not, all those in favor of approving the Imperial Potentate's General Orders (Series 1990-91) indicate by saying aye; those opposed. The motion carries unanimously.

Let me ask you, Imperial Sir, did I do that correctly? (Laughter)

RESOLUTION

WHEREAS, it is acknowledged that each convention corporation must make plans several years in advance of its Imperial Council Session in order to select a host city, and ensure the Nobility of the finest accommodations available for themselves and their units; and, to obtain the best competitive prices for rooms, facilities and space for the business and pageantry of a session; and,

WHEREAS, it is acknowledged that funds essential to the financial success of The Imperial Council Session must also be generated for the expenses that will be incurred in the operation of an Imperial Council Session, many of which are incurred in the years preceding the actual session; and,

WHEREAS, it is acknowledged that a fair and just non-refundable Binder/Registration Fee is the primary source for generating the revenues necessary to pay the foregoing expenses, which fee is determined by the number of rooms requested by the temples attending The Imperial Council Session; and,

WHEREAS, it is acknowledged that the Convention Corporation cannot give a commitment to the several hotels of the host city, nor to the Convention Bureau thereof, until it has determined an accurate count of the rooms and facilities required for the Session; and,

WHEREAS, it is further recognized that while the Binder/Registration Fee must be required in advance, the payment should not be required so far in advance as to cause an unreasonable financial burden upon the Nobles and the temples.

NOW, THEREFORE, BE IT RESOLVED, That:

1. Each Imperial Officer shall require his Director General and Housing Chairman to be responsible and accountable to make certain that each temple, its units and clubs, have an equal opportunity to obtain the lodging of their choice at The Imperial Council Session.

2. Commencing with The Imperial Council Session of 1994, and annually thereafter, each Director General and Housing Chairman shall establish rules for the allocation of rooms for the subject Imperial Council Session that will afford all temples an equal right of choice not less than twenty-four months prior to the affected Imperial Council Session.

3. The procedural rules for the allocation must be such that each temple or other body is treated equally, justly and fairly, without any favoritism shown to any participant.

4. No Binder/Registration Fee shall be due or accepted by the convention corporation prior to the established allocation date twenty-four months before the public opening of the subject session.

5. No lodging units shall be held, reserved or allocated for any temple or other body, except as provided herein (other than the requirements for the Imperial Potentate, the Deputy Imperial Potentate and the Host Temple).

6. The total amount of the Binder/Registration Fee shall be calculated by multiplying the number of lodging units by the Binder/Registration Fee for each lodging unit requested by the temple or other body; and it shall be paid in full prior to the allocation date held during each year (24 months prior to the opening date of The Imperial Council Session for which the allocation is held).

7. The first night's deposit on each lodging unit shall be due and payable on February 1 of the year of the session. Any temple or other body not paying the first night's deposit by March 1 of the year of the session shall lose all lodging units for which the first night's deposits have not been received and shall forfeit all Binder/Registration Fees paid. The convention corporation will be free to reassign forfeited lodging units to other temples or to other bodies requesting lodging.

8. This resolution takes effect with the 1994 Imperial Council Session.

The Representatives of Yaarab Temple propose the following:

REPORT OF TIME AND PLACE COMMITTEE

July 1-5	1991	San Francisco, California
June 29-July 3	1992	Orlando, Florida
July 4-8	1993	San Antonio, Texas
July 3-7	1994	Denver, Colorado
July 2-6	1995	Indianapolis, IN

STATEMENT OF SHRINE PRINCIPLES

Pursuant to resolution of the Representatives, unanimously adopted at the Imperial Council Session on July 7, 1989, the following principles govern our Order:

1. The Shrine is a separate and distinct legal fraternal corporation; it must abide by its articles of incorporation and bylaws; and its officers must abide by their oath of office to "strictly conform to the requirements of Shrine law." The Shrine accepts that the various Grand Lodges all have different Masonic codes and bylaws that govern their organizations.
2. The Shrine believes in the sovereignty and integrity of each of the 64 Grand Lodges. The Shrine asks that the 64 Grand Lodges accept the sovereignty and integrity of The Imperial Council and that of The Imperial Council over its temples. The Shrine believes that it has no power to interfere in the internal affairs of a Grand Lodge. The Shrine asks that the Grand Lodges accept that they have no power to interfere in the internal affairs of The Imperial Council and its temples.
3. The Shrine acknowledges that the 64 Grand Lodges cannot cede their sovereignty, power and authority to The Imperial Council and thus be controlled and operated by an independent fraternal organization. The Shrine asks that the 64 Grand Lodges accept that the Shrine cannot cede its sovereignty, power and authority to the 64 Grand Lodges and thus be controlled and operated by 64 independent fraternal organizations.
4. Each Noble of the Mystic Shrine is entitled to equal Shrine rights and benefits regardless of his place of domicile. No person, organization or authority, other than the law of the land or The Imperial Council, can restrict or limit the Shrine rights and privileges of a Noble of the Mystic Shrine or those of a subordinate temple.
5. Neither the Imperial Potentate nor any officer of the Shrine can repeal, revise or ignore any bylaw of The Imperial Council. The Shrine is informed, and therefore believes, that the various Grand Lodges have different provisions in their Masonic codes and bylaws concerning this matter.
6. The Shrine believes that no Shrine fraternal charges can be brought against a Shriner unless the charges specify the details of the accusation. The Shrine hopes that the same principles apply in the various Grand Lodges.
7. The Shrine believes that no Shriner can be expelled from the Shrine without a fair hearing on specific charges. The Shrine further believes that there cannot be expulsion of all members of a Shrine temple because of the conduct of a few—when the remaining members are accused of no wrongdoing.
8. The Shrine believes that it has no authority to usurp the gavel of authority from the hand of the presiding officer of a Grand or Subordinate Masonic Lodge. The Shrine asks that the Grand Lodges accept that they have no authority to usurp the gavel of authority from the hand of the presiding officer of The Imperial Council or a subordinate temple.
9. The Shrine believes that the result of a secret ballot on a petition for membership in a Masonic Lodge cannot be overturned by The Imperial Council. The Shrine asks that the Grand Lodges accept that the result of a secret ballot on a petition for membership in a Shrine temple cannot be overturned by a Grand Lodge.
10. The Shrine believes in the sanctity of the ballot box in Freemasonry. The Shrine asks that the Grand Lodges accept the sanctity of the ballot box in The Imperial Council and in its subordinate temples.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that **COPIES OF ALL CORRESPONDENCE BY TEMPLES AND REPRESENTATIVES BE SENT TO THE EXECUTIVE DIRECTOR, P.O. BOX 31356, TAMPA, FL 33631-3356.**

This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or temple matters must be handled in accordance with Article 38 of The Imperial bylaws.

GENERAL COUNSEL NOTIFICATION—BEQUESTS FOR CRIPPLED CHILDREN

It appearing that the interests of all temples, the Nobility, and Shriners Hospitals for Crippled Children would be well served by the issuance and observance of the following in connection with Shrine Hospital benefits and gifts, it is ORDERED:

Potentates and Recorders of temples are directed to immediately notify and send full particulars to the General Counsel's Office in Tampa of all bequests and gifts of which they may obtain knowledge and which have been made to or for the benefit of Shriners Hospitals for Crippled Children, any of its units, or designate in some manner crippled children or similar charitable purpose.

Potentates of temples are further directed to inform all shrine clubs to follow this same procedure should the shrine club itself be designated in some manner as a conduit for the legacy or gift to Shriners Hospitals for Crippled Children, any of its units, or designate in some manner crippled children or similar charitable purpose. Such information is necessary in order that full and complete records may be maintained and so that the General Counsel may take proper steps to protect the interests of our philanthropy.

All temples and shrine clubs should be aware that the only persons with authority to act for Shriners Hospitals for Crippled Children are the officers of that corporation or its duly authorized representatives. Any acceptance of a distribution from an estate or trust in the form of cash or securities and the signing of a court receipt by a representative of the temple or shrine club (which is required in each instance) may prejudice the interests of our charitable organization, as such signing constitutes a written release to the executor or trustee. Such court receipts, where our charity is referred to in any manner, should only be executed by authorized officers of Shriners Hospitals for Crippled Children.

Potentates and Recorders of temples are further directed to see that their temple counsel reviews for accuracy the subject matter of all articles scheduled to appear in temple publications relating to ways of making charitable gifts to Shriners Hospitals for Crippled Children.

**1991 IMPERIAL COUNCIL SESSION
SPECIAL CONVENTION NOTICE**

The 1991 Session of the Imperial Council and the annual meeting of the members of Shriners Hospitals for Crippled Children will be held in the city of *San Francisco, California*, the week of July 1, 1991. The Director General is Don Johnson, 1360 Butterfield Road, San Anselmo, CA 94960; telephone (415) 322-3190.

Pursuant to § 334.11 of the bylaws of The Imperial Council, each temple is to designate one of its official divan as the authorized agent of the temple to have full authority to make plans for attending this Session with the units of their temples, and this includes the authority for making contracts for rooms in the *San Francisco* area with the Housing Chairman as well as making contracts for transportation incident to this Pilgrimage, provided, however, that such plans shall have been approved by a vote of the membership of the temple in accordance with the temple's bylaws.

The Imperial Potentate desires to bring to the attention of all temple officers the following:

HOUSING—Imperial Council Session in *San Francisco, California*, in accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, instructs all Potentates, Recorders, Shrine Associations, and Nobles, to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee—**CONTACT WITH THE CONVENTION HOUSING COMMITTEE MUST NOT BE MADE THROUGH A TRAVEL AGENCY**—and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith. The following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1991 Session in *San Francisco, California*.

Potentates, Recorders, and all other Nobles, are reminded that an Imperial Session must house (1) Official Imperial representatives; (2) uniformed units; (3) the general Nobility; and (4) the general public—in that order of precedence. The official representatives are annually paid mileage and per diem to transact the business of The Imperial Council Session; the uniformed units are present to assure the pageantry, music and color so characteristic of

the Shrine. Their housing requirements are paramount. Without the representatives there would be no business transacted to justify the Imperial Session; without the uniformed units there would be no parade.

Hotel room assignments at *San Francisco* are to be obtained through the Housing Chairman. The Chairman of the Housing Committee is Robert Mirigian, 1380 Tuolumne Road, Millbrae, CA 94030; telephone (415) 873-7330.

The Executive Director will handle the assignment of all public meeting space in the Headquarters Hotel, along with the sleeping room assignments for the representatives and other temple officers who are not representatives, the distinguished guests, and vendors.

The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate, temple or any Noble violating either the spirit or the letter of this Order.

ACCOMMODATIONS FOR FUTURE IMPERIAL COUNCIL SESSIONS

Pursuant to resolution of the Representatives, adopted at The Imperial Council Session on July 3, 1990, and by virtue of the authority in me vested by §206.5(a)(4) of the bylaws of The Imperial Council, IT IS HEREBY ORDERED:

WHEREAS, it is acknowledged that each convention corporation must make plans several years in advance of its Imperial Council Session in order to select a host city, and ensure the Nobility of the finest accommodations available for themselves and their units; and, to obtain the best competitive prices for rooms, facilities and space for the business and pageantry of a session; and,

WHEREAS, it is acknowledged that funds essential to the financial success of The Imperial Council Session must also be generated for the expenses that will be incurred in the operation of an Imperial Council Session, many of which are incurred in the years preceding the actual session; and,

WHEREAS, it is acknowledged that a fair and just non-refundable Binder/Registration Fee is the primary source for generating the revenues necessary to pay the foregoing expenses, which fee is determined by the number of rooms requested by the temples attending The Imperial Council Session; and,

WHEREAS, it is acknowledged that the Convention Corporation cannot give a commitment to the several hotels of the host city, nor to the Convention Bureau thereof, until it has determined an accurate count of the rooms and facilities required for the Session; and,

WHEREAS, it is further recognized that while the Binder/Registration Fee must be required in advance, the payment should not be required so far in advance as to cause an unreasonable financial burden upon the Nobles and the temples.

NOW, THEREFORE, BE IT RESOLVED, That:

1. Each Imperial Officer shall require his Director General and Housing Chairman to be responsible and accountable to make certain that each temple, its units and clubs, have an equal opportunity to obtain the lodging of their choice at The Imperial Council Session.

2. Commencing with The Imperial Council Session of 1994, and annually thereafter, each Director General and Housing Chairman shall establish rules for the allocation of rooms for the subject Imperial Council Session that will afford all temples an equal right of choice not less than twenty-four months prior to the affected Imperial Council Session.

3. The procedural rules for the allocation must be such that each temple or other body is treated equally, justly and fairly, without any favoritism shown to any participant.

4. No Binder/Registration Fee shall be due or accepted by the convention corporation prior to the established allocation date twenty-four months before the public opening of the subject session.

5. No lodging units shall be held, reserved or allocated for any temple or other body, except as provided herein (other than the requirements for the Imperial Potentate, the Deputy Imperial Potentate and the Host Temple).

6. The total amount of the Binder/Registration Fee shall be calculated by multiplying the number of lodging units by the Binder/Registration Fee for each lodging unit requested by the temple or other body; and it shall be paid in full prior to the allocation date held during each year (24 months prior to the opening date of The Imperial Council Session for which the allocation is held).

7. The first night's deposit on each lodging unit shall be due and payable on February 1 of the year of the session. Any temple or other body not paying the first night's deposit by March 1 of the year of the session shall lose all lodging units for which the first night's deposits have not been received and shall forfeit all Binder/Registration Fees paid. The convention corporation will be free to reassign forfeited lodging units to other temples or to other bodies requesting lodging.

8. This resolution takes effect with the 1994 Imperial Council Session.

RESPONSIBILITY OF POTENTATES

The potentate of each temple is reminded of his individual official responsibility for the operation of his temple in accordance with the law of the land, the articles of incorporation, bylaws and Orders of The Imperial Council and Imperial Potentate, and the temple bylaws.

REMINDER TO CHAPLAINS

As the membership of the Shrine is made up of members of all denominations, chaplains are reminded that their prayers, invocations, etc., should not single out any particular denomination but be monotheistic in nature so as to include all.

IMPERIAL POTENTATE VISITATIONS

It is the desire of your Imperial Potentate to make as many official visitations as are possible. It is also his desire to fully cooperate with all temples requesting visitations. The temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of your temple and Shrinedom. He would like to have a short meeting with the temple divan and representatives.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete resumé of your temple program and what you desire the Imperial Potentate to do, be sent to him (copy to the Executive Director) as far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have: that is, whether shriners only, shriners and their ladies, shriners and masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR CHANGE IN DATE OF STATED MEETINGS OR THE HOLDING OF A CEREMONIAL IN CONCURRENT JURISDICTION OR FOR HOLDING A MEETING OR CEREMONIAL ON A SUNDAY, YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE, WITH COPY TO THE EXECUTIVE DIRECTOR, AND BOTH ORIGINAL LETTER AND COPY WITH ANY WAIVERS INVOLVED SHOULD BE SENT IN CARE OF THE EXECUTIVE DIRECTOR.

SHRINE PROTOCOL

1. **Imperial Council Directory.** All temples are urged to use the provisions of Shrine Protocol which are found in the forward pages of your Imperial Council directory. This is a guide which should be used at all times. It will bring order out of chaos in setting up any shrine activity, be it parade—meeting—banquet—seating arrangement, or program of any kind. It explains the rank and proper position of officers, organizations, dignitaries, visitors, etc. Please use it and eliminate confusion and embarrassment and hesitation. You can be positive if you study, understand and use this system of protocol adopted by The Imperial

Council. If you have any questions, please contact the Executive Director at the General Offices. At shrine activities, masonic dignitaries are guests. Therefore, protocol requires that the highest ranking shrine officer speak last.

2. Proper Display of 3 National Flags. Each temple of the Order is instructed to provide and display at all shrine parades and shrine functions the three national flags under which shrine temples chartered by The Imperial Council operate (i.e., United States, Canada and Mexico).

These three national flags should also be properly displayed at all shrine meetings.

Information concerning the proper display of these national flags may be obtained from the Office of the Executive Director.

3. Attention to Flag Bearers. It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. **THIS IS NOT PROPER.** No national flag is to be dipped at the reviewing stand. Please inform your flag bearers so this disrespect to national flags will be eliminated. All flags, other than national flags, may be dipped.

CHIEF RABBANS

In order to eliminate problems, it is suggested that Chief Rabbans submit their plans and information on their proposed fund-raising and other activities, including tours or cruises for their administration, to the temple membership at a stated meeting. They must comply with shrine law and proceed in accordance with the vote of the membership.

CEREMONIALS

1. Parades and Outdoor Appearances. It is ordered that candidates who appear in ceremonial parades or in front of the general public must do so in normal street dress. No ropes or demeaning clothing of any type will be allowed.

2. Anti-Hazing. § 335.1 of the bylaws of The Imperial Council states that shriners shall not "promote or take part in any engagement or enterprise prohibited by the law of the land."

A number of states or provinces have laws commonly referred to as "anti-hazing" laws.

This matter has been considered by the Board of Directors. The Board unanimously acknowledged that the laws of the land must, at all times, be observed and obeyed.

Therefore, it is hereby ordered that all temples, officers, and Nobles scrupulously abide by the laws of their respective jurisdictions. It is possible that these laws might require modification of the "Second Section" of your temple's ceremonials, and if so, these modifications must be implemented forthwith.

Further, if any temple, officer, or noble has any concern or question concerning the applicability of this Order, that the potentate or temple attorney immediately communicate with the General Counsel of The Imperial Council, A.A.O.N.M.S.

SHRINE CIRCUSES

In order to assure compliance with the bylaws of The Imperial Council, A.A.O.N.M.S., and to serve the best interests of the Order and Nobility, **IT IS HEREBY ORDERED** that any temple which sponsors or becomes associated with a circus must comply with the following:

1. REVIEW. The proposed circus agreement and the proposed telemarketing agreement, if any, must be reviewed by the temple attorney and he must render his written opinion and advice thereon.

2. TEMPLE ACTION. The proposed circus agreement, and the proposed telemarketing agreement, if any, and the written opinion of the temple attorney must be submitted to, and approved by, the temple at a stated meeting or at a special meeting which specifically states the purpose thereof.

3. HOLD HARMLESS. Each circus agreement must contain a hold harmless agreement whereby the Circus agrees to indemnify and hold harmless the temple, Imperial Council, A.A.O.N.M.S., and Shriners Hospitals For Crippled Children from any and all liability, claims and causes of action as a result of the circus.

4. **LONG TERM AGREEMENTS.** The circus agreement, and any telemarketing agreement, may not exceed one year unless specifically authorized by the temple at the stated meeting or at the special meeting. If it is for more than one year, it is to be executed by all temple officers who are scheduled to be temple potentates during any year that the agreements are in effect.

5. **NO EXCESS TICKETS.** Tickets may not be sold in excess of available space for each performance.

6. **INSURANCE.** Comprehensive general liability and property damage insurance must be in effect. The Imperial Council, A.A.O.N.M.S. and Shriners Hospitals For Crippled Children must be additional insureds on the policies, and there must be compliance with the *Insurance* provision of the existing General Order.

7. **LAW OF THE LAND.** The circus must be operated in compliance with the law of the land including, but not limited to, *The Revenue Act of 1987*, as amended, if it is a U.S. temple.

8. **FUND RAISING.** The circus must be operated in compliance with the *Fund Raising Activities* provision of the existing General Order.

TOURS AND CRUISES

1. The potentate of any temple which intends to sponsor a tour or cruise must:

(a) Give notice in writing to the Executive Director of such intent with the itinerary thereof and the proposed dates. This provision shall not apply to those pilgrimages which are limited to shrine association meetings and Imperial Council Sessions.

(b) Schedule the tour if its itinerary includes a point outside the continental United States, Canada or Mexico, for dates which will not conflict with either. The Imperial Council Session or the Imperial Potentate's tours and cruises.

2. All tours and cruises, as well as pilgrimages, when sponsored by a Potentate or by a temple or otherwise identified with the Order, are "public appearances." Such public appearances are not permitted in any place until notice of such appearance has been given to the potentate of the temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance. If the activity is to occur in the jurisdiction of another temple, prior written consent from the other temple must be obtained.

3. No tour or cruise may be sponsored by any temple unless the proposal therefor has first been approved by the members of the temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the temple. The temple potentate is required to obtain a legal opinion from the temple attorney that the tour or cruise is in compliance with the law of the land. For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain. Further, inasmuch as complimentary or reduced fares, hotel accommodations, or other such benefits may constitute taxable income to recipients thereof, such persons should consult their personal tax advisors thereon.

4. The potentate of any temple which intends to sponsor a tour or cruise has the personal responsibility:

(a) To see that the attorney for the temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

(b) To ascertain the fiscal integrity of the tour agent handling the tour or cruise. He may satisfy this requirement by either (1) requiring a performance bond of the tour agent if such agent has exclusive control over withdrawals of the tour account or of tour receipts entrusted to his exclusive care, or (2) making provision for the deposit and withdrawal of tour receipts in an escrow account of which he himself has at least partial control. Any escrow account which is maintained must be segregated from all other funds.

(c) To see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his temple no later than his second stated meeting next following the conclusion of the tour or cruise. A copy of such accounting must be furnished at the same time to the Executive Director.

(d) To see that it is made in strict compliance with all public laws and governmental

regulations, including the regulations of the Civil Aeronautics Board, if the itinerary includes any point outside the continental United States, Canada or Mexico.

(e) To be responsible for seeing that the promotional material clearly states the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property, if the itinerary includes any point outside the continental United States. It is recommended that any disclaimers of liability by travel agent and/or carrier in the promotional material provided the public also include (in close proximity) name of the temple, shrine club or unit, if applicable.

5. Tours and cruises sponsored by shrine clubs, units, or other organizations affiliated with or appendant to any temple shall be considered as having been sponsored by such temple and shall be subject to all of the terms and provisions of this General Order.

6. Tours and cruises sponsored by associations of temples, national or international associations of units, and other organizations not affiliated with or appendant to any temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were temples; and the president or other chief executive officer of any such group which intends to sponsor a tour or cruise shall have the same responsibility as those of the potentate of a temple which intends to sponsor a tour or cruise.

INSURANCE

In order to assure compliance with the bylaws of The Imperial Council, A.A.O.N.M.S., and in order to serve the best interests of the Order and Nobility, IT IS HEREBY ORDERED:

1. Insurance Advisory Committee

In compliance with §334.2(b)(1) of the bylaws of The Imperial Council, A.A.O.N.M.S., the potentate of every temple shall appoint an Insurance Advisory Committee which shall consist of at least four members, three of whom shall be skilled and knowledgeable in property and casualty insurance matters, and the fourth member shall be the temple attorney. The Insurance Advisory Committee shall have the following duties and responsibilities.

(a) Review all temple, shrine club and unit operations and activities, including fund-raising events.

(b) Review, analyze and, when appropriate, appraise all property, real or personal, of the temple, shrine clubs, units, holding companies and appendant and affiliated companies.

(c) Review and analyze the current temple insurance program and all insurance policies of the temple, shrine clubs, units, holding companies and appendant and affiliated companies, in order to determine the adequacy of the coverage and limits.

(d) Review and consider whether the temple, shrine clubs, units, holding companies and appendant and affiliated companies engage in activities or own property for which there should be:

- (1) Liquor law liability and host liquor liability insurance covering potential liability related to the sale, consumption, use or dispensing of alcoholic beverages.
- (2) Products liability and/or completed operations coverage.
- (3) Blanket contractual liability for all written agreements and, if available, for oral agreements.
- (4) Parade and/or spectators liability.
- (5) Carnival, circus or athletic event liability.
- (6) Owned and non-owned aircraft and watercraft liability insurance and physical damage on owned items.
- (7) Property insurance.
- (8) Boiler or machinery coverage for physical damage should be obtained if any exposure exists.
- (9) Any other insurance coverages warranted by the operations and activities of the temple, shrine clubs, units, holding companies and appendant and affiliated companies, including, but not limited to, medical expense reimbursement insurance.

(e) Annually prepare a written report to the potentate and official divan of the temple setting forth their findings with regard to the sufficiency of limits and adequacy of coverage. The report should also include recommendations in order to comply with this General Order to adequately protect the temple, shrine clubs, units, holding companies and appendant and affiliated companies, and include an estimate as to the cost thereof.

- (1) This annual report of the Insurance Advisory Committee shall be completed and submitted to the potentate and official divan of the temple in sufficient time for it to be used by the chief rabban in preparation of the proposed temple budget for the following year.
- (2) Supplements to this report shall be made in writing during the year as events, activities and exposures change.

It shall be the responsibility of the potentate and recorder to send a copy of this annual Insurance Advisory Committee report and any supplements thereto to the *Executive Director* of The Imperial Council, A.A.O.N.M.S., by the first day of March of each year.

2. Mandatory Insurance

In compliance with § 334.2 of the bylaws of The Imperial Council, A.A.O.N.M.S., and, if appropriate, state law, every temple must procure for itself, its shrine clubs, units, holding companies and appendant and affiliated companies:

(a) Comprehensive general liability insurance. The minimum limits (including umbrella coverages) shall be not less than \$1,000,000 per occurrence, and it shall include at least minimum limits for voluntary medical payments for injury to members and guests as well as fire and explosion legal liability for any leased premises.

(b) Comprehensive motor vehicle liability insurance. The minimum limits (including umbrella coverages) shall be not less than \$1,000,000 per occurrence. It is recommended that where temple units and shrine clubs include member-owned vehicles used in temple activities, that certificates of the owners' current liability insurance coverage be permanently on file at the temple. The decision regarding the minimum amounts of insurance protection required for these member-owned vehicles rests with the potentate and temple. However, it is recommended that the highest feasible limits, up to the temple's non-owned insurance limit, be procured.

(c) Fire and extended coverage or all risks insurance for real and personal property, whether owned or leased.

(d) Workers compensation insurance. As required by state law, including coverage for both paid employees and "volunteer" workers.

(e) Fidelity. Every temple, at its own expense, must procure a corporate fidelity bond indemnifying it against loss resulting from infidelity, defalcation or misappropriation by its officers, employees or nobles, of its funds or property.

3. Additional Insureds

In further compliance with § 334.2 of the bylaws of The Imperial Council, A.A.O.N.M.S.:

(a) In all liability insurance policies written for the temple, its shrine clubs, units, holding companies and appendant and affiliated companies, the following shall be included as additional insureds, with respect to the operations and activities covered under its policies: "The Imperial Council, A.A.O.N.M.S., an Iowa corporation, and Shriners Hospitals for Crippled Children, a Colorado corporation, and all its affiliated corporations."

(b) The potentate and recorder of each temple shall be responsible that appropriate certificates of insurance on all workers compensation and liability policies showing compliance with (a) above shall be filed with the *Executive Director* within 30 days of the renewal date of all such policies, or each time there is a cancellation or material change therein, unless such date is extended by the Imperial Potentate for good cause shown upon the written request of the temple.

(c) The certificate of insurance issued by the insurance company shall be "irrevocable" so that no coverage may be canceled or materially altered until notice is provided by the insurance company to the *Executive Director* at least 30 days prior to such action.

4. Miscellaneous

(a) A voluntary mass-marketed property and casualty insurance program is now available to each temple and association. The broad liability coverages (similar to umbrella coverages) are specifically designed for fraternities such as ours. The requirements of The Imperial Council, A.A.O.N.M.S., are automatically included and, in most cases, the premiums are lower because of the bulk discounts for liability and property insurance that are applied. Contact the *Executive Director* or the chairman of the Imperial Insurance Committee for further details.

(b) Liability limits in excess of the suggested minimum are recommended in most instances and, wherever feasible, consideration should be given to the purchase of "umbrella" or similar coverages for general and automobile liability coverage.

(c) Any temple sponsoring a fund-raising event for fraternal purposes, including, but not limited to, circuses, sporting events and other activities, should consider any potential exposure to the athletes, participants and public. Proper liability, including adequate medical and accident coverage for participants, should be purchased.

(d) Any fund-raising event which is for charitable purposes must have prior written permission therefor from the Imperial Potentate and the Chairman of the Board of Trustees. The temple potentate, by virtue of his written request to engage in the event, is certifying that his temple has liability, medical, participant's and other appropriate insurance in effect providing good and adequate coverage and limits for the event and that The Imperial Council, A.A.O.N.M.S., an Iowa corporation, and Shriners Hospitals for Crippled Children, a Colorado corporation, and all its affiliated corporations, are included as additional insureds thereon.

(e) "Named peril" (fire, E.C.E., theft), or "all risk" property insurance should be purchased on either an "actual cash value" or a "replacement cost" basis to protect the physical assets (buildings, contents, uniforms, and the like) of the temple, shrine clubs, units, holding companies and appendant and affiliated companies.

FUND-RAISING ACTIVITIES

It is natural to associate the fez with Shriners Hospitals for Crippled Children. Because of this, meticulous attention must be given to all fund-raising activities, including circuses, to make certain that a contributor is not led to believe that his money will be used for the Hospitals when all or a portion thereof will be used otherwise. The integrity of our charity and of our fraternity must remain above reproach.

Your specific attention is called to the following fraternal and charitable bylaws:

§ 335.3 USE OF NAME "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN."

The use of the name "Shriners Hospitals for Crippled Children" or reference to the Hospitals in connection with any fund-raising activity by a temple or Noble without the written consent of the Imperial Potentate and the Chairman of the Board of Trustees of the Hospitals is prohibited.

§ 503.9 The use of the name "Shriners Hospitals for Crippled Children" or reference to the hospitals in connection with any commercial product or business enterprise is prohibited unless the written consent of the Board of Directors and Trustees has been first obtained.

Now, therefore, IT IS HEREBY ORDERED:

1. Fund-Raising for Fraternal Purposes:

(a) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations, shall engage in any fund-raising activity without the express written consent of the potentate of the temple having jurisdiction thereof.

(b) There can be no representation, express or implied, that the proceeds will be for the benefit of Shriners Hospitals for Crippled Children.

(c) The temple potentate shall carefully examine all phases of the advertising, promotion and solicitation to determine that it complies with § 335.3 and § 503.6 of the fraternal and charitable bylaws.

(d) The temple potentate must approve the terms and provisions of any contract for a

fund-raising activity after receiving the advice of the temple attorney, and, additionally, as may be required by the temple bylaws.

(e) A copy of the temple potentate's written consent shall be mailed to the Imperial Recorder. Further, such written material pertaining to the fund-raising activity, as requested by the Imperial Recorder, shall be promptly mailed to him.

2. Fund-Raising for Charitable Purposes:

(a) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations shall engage in any *charitable* fund-raising activity other than for Shriners Hospitals for Crippled Children. Permission therefor must be first obtained in writing from the temple potentate. The temple potentate must then obtain written permission from the Imperial Potentate and the Chairman of the Board of Trustees. This request for written permission shall be sent to the Executive Director, International Shrine Headquarters, PO Box 31356, Tampa, FL 33631-3356.

(b) 100% of the net proceeds from charitable fund-raising must be given to Shriners Hospitals for Crippled Children except for such portion thereof as may be permitted to be retained for the Temple Shrine Hospital Patient Transportation fund pursuant to the Special Purpose Funds provisions of any existing General Order.

(c) The temple shall report the result of each fund-raising activity within sixty (60) days of the activity to Shriners Hospitals for Crippled Children on forms provided to the temple.

(d) This section shall not apply to activities exempt under § 335.4(b) of the bylaws of The Imperial Council.

(e) Each independent corporation or entity that receives the permission of the Imperial Potentate and the Chairman of the Board of Trustees to raise money for Shriners Hospitals for Crippled Children, and which does not have its financial accounts audited pursuant to §§334.5 & 337.8 of the bylaws of The Imperial Council, shall have its financial accounts audited by a certified, chartered or licensed public accountant and shall submit such audit report to The Imperial Council within 120 days of the activity.

3. Statement of Purpose and Disclosure:

(a) Every fund-raising activity must contain factual information on its solicitation material, tickets, programs and documents regarding the use of the proceeds.

Examples: "Proceeds are for the benefit of (____ Temple) (____ shrine club) activities."
 "Proceeds are for the benefit of Shriners Hospitals for Crippled Children."

(b) Every fund-raising activity which is not entirely for the benefit of Shriners Hospitals for Crippled Children shall prominently state on the solicitation material, tickets and documents that "payments are not deductible as charitable contributions."

(c) There must be compliance with the Revenue Act of 1987 provision of any existing general order by U.S. temples.

4. Compliance with Applicable Laws:

It is the responsibility of the temple potentate, after receiving the advice of the temple attorney, to determine that there is compliance with all applicable laws in its jurisdiction for the temple's fund-raising activities.

5. Financial Records:

(a) The temple shall maintain detailed financial records pertaining to all fund-raising activities involving Nobles, clubs, units, organizations of Nobles or affiliated or appendant corporations. Details of all revenues and disbursements shall be maintained in such financial records.

(b) The temple must retain such detailed financial records for a period of seven (7) years.

(c) There must be compliance with Financial Reporting on Charitable Funds and Activities provision of any existing general order.

6. Notification to Nobility:

A copy of this section on "fund-raising activities" shall be printed in the temple publication at least once every calendar year. If there is no temple publication, then a copy shall be mailed to each Noble in the temple not later than the last day in March of each calendar year.

7. Discipline:

Any officer, Noble or temple which violates a provision of this section is subject to discipline pursuant to the bylaws of The Imperial Council.

SPECIAL PURPOSE FUNDS

Inasmuch as Shriners Hospitals for Crippled Children are the primary charitable concern of the Order, it is necessary that The Imperial Council exert every effort to insure that Shriners Hospitals for Crippled Children are financially stable and have adequate funding for operational needs. The reports of the Special Purpose Funds Committee have indicated to the Imperial Potentate and the Board of Directors that some temples, either directly or through Special Purpose Funds, have accumulated charitable funds and assets which are in excess of amounts reasonably needed for transportation of patients and could be better utilized for our orthopaedic hospitals and burns institutes if they were administered together with other endowment funds and accounts of Shriners Hospitals for Crippled Children.

Now, therefore, by virtue of the authority in me vested by §206.5(a)(4) of the bylaws of The Imperial Council, A.A.O.N.M.S., IT IS HEREBY ORDERED:

1. Neither the temples, their shrine clubs, their units, or their membership shall solicit charitable gifts or bequests for any purposes, organizations, or charities other than Shriners Hospitals for Crippled Children (except as may be allowed by §335.4(b) of the bylaws of The Imperial Council).
2. A temple shall maintain a restricted fund for payment of temple, units and shrine clubs expenditures for transportation of patients, parents and guardians, conducting temple sponsored off-premises clinics, purchase of braces and prostheses, and like purposes, subject to the following provisions:
 - (a) All receipts and disbursements related to charitable activities shall be clearly designated and classified as such in the books of all temples, temple affiliated corporations, shrine clubs, committees, boards, or other entities subject to the supervision or control of any temple; and such books of accounts shall be audited annually in a manner consistent with the requirements of §334.5 of the bylaws of The Imperial Council.
 - (b) The custody and administration of all charitable funds and assets under the control of any temple, including those of temple affiliated corporations, shrine clubs, committees, boards, and other entities subject to the supervision or control of any temple, shall be the responsibility of the same temple officers, committees, or boards who are charged with the custody and administration of the general funds of the temple. The temple shall maintain a separate bank account entitled Shrine Hospital Patient Transportation Fund to make deposits and disbursements for the purposes herein authorized. Interest earned on the restricted fund balance must be credited to the hospital patient fund account.
 - (c) Any temple may be required by the Imperial Potentate to show cause why any part of its charitable funds or assets not reasonably needed for purposes permitted under paragraph 1 hereof should not be transferred to Shriners Hospitals for Crippled Children; and the Board of Directors of the Iowa Corporation shall have the power to require the transfer to Shriners Hospitals for Crippled Children of any such charitable funds or assets not reasonably needed for the purposes permitted under this paragraph after the temple has been given a reasonable opportunity to be heard by the Board of Directors or by a committee thereof with respect to the matter.
 - (d) After a fund-raising event for the benefit of Shriners Hospitals has been held, and upon written request to, and written authorization by, the Imperial Potentate and the Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children, up to one-half of the net profits of a designated fund-raising activity may be held by a temple to be used exclusively for transportation, food, lodging or other related expenses directly involving the transportation of a patient, parent or guardian to or from a Shriners Hospital for crippled or burned children sponsored by the temple or one of its members. Such retained funds, including interest earned on the funds, shall be maintained pursuant to the Uniform Chart of Accounts for Shrine Temples, in a separate account designated as the "Shrine Hospital Patient Transportation Fund." The balance in the fund shall not exceed twice the amount of the expenditures made from such fund during the preceding year, unless the Imperial Potentate and the Chairman of the Board of Trustees so authorize. Any sums in excess of that shall be turned over to Shriners Hospitals for Crippled Children. If for any reason this fund should terminate, the entire balance in the fund shall revert to Shriners Hospitals for Crippled Children.

- (e) In the event a temple is experiencing an undue hardship in meeting the expenses enumerated in subparagraph (d), its written request should so specify. When such a request is received, it shall be reviewed by the Executive Director and the Director of Temple Accounting, and they shall issue their recommendation thereon. Thereafter, if the Imperial Potentate and the Chairman of the Board of Trustees, after a review of all of the circumstances, make a finding of undue hardship, they may authorize the temple to retain a percentage in excess of 50% of the net profits of the designated fund-raising activity, solely for the uses enumerated in subparagraph (d). This authorization shall apply only to a specific fund-raising event or activity, and that event or activity shall not have a duration of longer than one year.
 - (f) Prior to the granting of authorization to retain a fund balance in excess of twice the amount of expenditures made from the fund during the preceding year, or to retain funds from fund-raising events, as outlined under subparagraphs (d) and (e) hereof, the temple must submit its request in writing and must have on file with The Imperial Council or attach to the request:
 - (1) Audited statements of its transportation fund for the past three years, such statements to include a statement of receipts and disbursements and balance sheet as of the date of the last audit.
 - (2) A summary of the total receipts and disbursements for each month since the last audited statement and a current month end balance sheet.
 - (g) No permission will be given for any fund-raising event or the use of the name Shriners Hospitals for Crippled Children or for the retention of funds if any activity report for a previous fund-raising event authorized to be held by the temple or any of its shrine clubs or units is remaining outstanding for more than 120 days after the event was held at the time the request is made.
3. All fund-raising must comply with the Fund-Raising Activities provision of any existing General Order.

FINANCIAL REPORTING ON CHARITABLE FUNDS AND ACTIVITIES

Charitable contributions for Shrine Hospital Patient Transportation and net proceeds from charitable fund-raisers as reported on the Shrine Charity Activity form must be reported as receipts to the restricted "Shrine Hospital Patient Transportation Fund". Disbursements from this Fund are limited to expenses directly involving the transportation of a patient, parent or guardian to or from a Shriners Hospital, conducting temple sponsored off-premises clinics, purchase of wheel chairs, braces, prostheses, or like purposes, and donations to Shriners Hospitals for Crippled Children.

The annual auditor's financial report for the temple shall include a Balance Sheet and a Statement of Changes in the Restricted Fund Balance for the current year. Sample copy of these Statements appear on pages 219-222 of The Imperial Council bylaws.

The financial results of a Shrine charitable fund-raiser must be reported on the Shrine Charity Activity form and submitted to the General Offices in Tampa within 60 days of the activity. Also gross receipts of \$100,000 or more must be audited by an independent public accountant.

THE REVENUE ACT OF 1987

The Revenue Act of 1987 is now the law of the land in the U.S.A. One of its provisions becomes effective for fund-raising solicitations of any sort occurring after January 31, 1988. Another provision is effective as to I.R.S. information returns (Form 990) filed after December 31, 1987. This will call your attention to the Act. It is your obligation to comply with it and to obtain guidance thereon from your temple attorney and temple accountants.

1. LABELING OF NONDEDUCTIBLE FUND-RAISING SOLICITATIONS.

(a) On and after February 1, 1988 every fraternal organization, having annual gross receipts in excess of \$100,000 per year, must label each fund-raising solicitation that contributions to the fraternal organization are not deductible *as charitable contributions* for

federal income tax purposes. A fund-raising solicitation by a fraternal organization will not be subject to the nondeductible labeling rule if the entire net proceeds of a particular solicitation are to be used exclusively for charitable purposes. If the entire net proceeds are not to be used for exclusively charitable purposes, then the label must be applied to each format for each solicitation.

(b) The disclosure of nondeductibility of contributions applies to any solicitation of contributions that is made in written or printed form, by television or radio, or by telephone. It does not apply to oral solicitations for contributions. The nondeductibility disclosure label applies to a fund-raising solicitation whether the organization labels the requested support as contributions, donations, gifts, membership dues or fees, voluntary assessments, support or any other term and whether or not the solicitation is for cash, property or even for volunteer services. The disclosure requirement applies even if the solicitation for a contribution is directed to the organization's existing members.

(c) The disclosure label or billing requires the following statement: "Contributions, (or donations) (or gifts) (or membership dues) to (name of organization) are not tax deductible as charitable contributions."

(d) The nondeductibility label must be set forth in a conspicuous and easily recognized format. Thus, for example, it would have to be on the face of any tickets for a raffle or ball game, or in any newspaper ad, and in a form which cannot be obscured by placement, color, shading or other means. A nondeductibility statement cannot be "buried" in any part of the solicitation material where it would not ordinarily be read by the person being solicited.

(e) The labeling rule applies to every fund-raising event so that fund-raising dinners, fund-raising rallies, fund-raising football games, fund-raising membership drives, etc. must all contain nondeductibility language, unless the entire net proceeds are going to be used for exclusively charitable purposes.

(f) This new disclosure requirement is enforced by a penalty provision which authorized the Internal Revenue Service to assert a \$1,000.00 a day penalty for each day on which a failure to disclose nondeductibility occurs. The maximum amount which can be imposed on an organization (but see below) is \$10,000. No penalty will apply with respect to any failure to label if the organization shows that the failure was due to reasonable cause. Ignorance of the law, according to Congress, is not reasonable cause for failure to label.

(g) The \$10,000 limitation does not apply if the organization intentionally disregarded the disclosure label. If there is an intentional disregard of the new law, then the failure to comply, for the solicitation day involved, is a penalty of the greater of \$1,000 or 50 percent of the aggregate cost of all fund-raising solicitations that occurred on that day and did not contain the required disclosure statement.

(h) The penalty is imposed only on the organization. There is no personal liability on the fraternal organization's managers or administrators.

2. DISCLOSURE OF EXEMPTION APPLICATION AND FORM 990

(a) Under existing law, the central unit and all subordinate units of a fraternal society must file IRS Form 990 if gross receipts are in excess of \$25,000 annually. The failure to file a timely or complete return with the Internal Revenue Service makes the organization liable for a \$10 a day penalty for each day the failure continues with the maximum penalty being \$5,000 per year.

(b) Effective for returns to be filed for calendar 1987, or for fiscal years ending January 31, 1988 or later, all fraternal organizations required to file Form 990 (i.e., receipts over \$25,000) must make available for inspection, at their principal place of business, during regular business hours, a copy of each annual information return filed by the organization for the three year period beginning with the filing date for the 1987 (or fiscal 1988) return. This means that if a fraternal organization files its Form 990 on a calendar year basis (and assuming no extension is granted by I.R.S.) then as of May 16, 1988, it must have a copy of the entire 1987 return available for inspection by any individual who asks to see it.

(c) If the fraternal organization regularly maintains one or more district or regional offices which have three or more employees, a copy of the annual information return must be made available at each such district or regional office as well as the principal office.

(d) The fraternal society must make available a copy of any papers it submitted in connection with its original exemption application. This applies to any organization filing a

new application (IRS Form 1024) after July 15, 1987 and to all organizations which in fact have copies of their original exemption application whenever they originally filed the papers. Apparently there is no penalty for an organization which failed to retain (or which lost) its original exemption application. The law does not cover the question of the availability of exemption application where the fraternal unit is part of a group ruling of a central organization. In that case, one assumes that access is only required at the central unit.

(e) A fraternal organization which is under duty to comply with the requirements of the legislation on public inspection of its annual return, or of its exemption application which fails to comply with the rules, is liable for a \$10 a day penalty for each day in which the failure continues. The maximum penalty payable by the organization for failure to disclose its return or exemption application is \$5,000 per year.

(f) If the Internal Revenue Service makes a written demand on the fraternal unit that it has failed to make available to the public its Form 990 or exemption application, the individual manager or managers responsible for the failure (I.R.S. selects responsible person) is personally liable for a \$10 a day penalty for each day in which failure to disclose continues. The maximum penalty is \$5,000 per year under joint and several liability rules.

(g) No penalty is imposed with respect to a failure if it is shown that the failure is due to reasonable cause. Ignorance of the law is not reasonable cause.

(h) In addition, the Internal Revenue Service is authorized to assess a penalty of \$1,000 on any person who willfully fails to disclose the information return or the exemption application.

(i) A person who willfully refuses to disclose the return or exemption application (or discloses false information) may also be prosecuted for his or her failure under Section 7207 as a misdemeanor (dealing with the prosecution of individuals for furnishing fraudulent information to the Internal Revenue Service).

3. GUIDANCE

§10701 of the Omnibus Budget Reconciliation Act of 1987 added new sections, §6113 and §6710 to the Internal Revenue Code, Section 6113 requires certain tax exempt organizations (such as our temples, units and clubs) that are ineligible to receive tax deductible *charitable* contributions to disclose in "an express statement (in a conspicuous and easily recognizable format)," the non-deductibility of contributions during fund-raising solicitations. Section 6710 provides penalties for failure to comply with §6113.

(a) **FORMAT OF DISCLOSURE STATEMENT—SAFE HARBOR.** For purposes of §6113, a fund-raising solicitation will be considered to include "an express statement (in a conspicuous and easily recognizable format) that contributions of gifts to such organizations are not deductible as charitable contributions for federal income tax purposes" if it satisfied the following requirements:

(1) **PRINT MEDIUM.** In the case of solicitation by mail, leaflet, or advertisement in a newspaper, magazine or other print medium, the following four requirements are met:

(i) The solicitation includes whichever of the following statements the organization deems appropriate: "Contributions or gifts to (name of organization) are not deductible as charitable contributions for federal income tax purposes," "Contributions or gifts to (name of organization) are not tax deductible," or "Contributions or gifts to (name of organization) are not tax deductible as charitable contributions,"

(ii) The statement is in at least the same size type as the primary message stated in the body of the letter, leaflet or ad;

(iii) The statement is included on the message side of any card or tear off section that the contributor returns with the contribution; and

(iv) The statement is either the first sentence in a paragraph or itself constitutes a paragraph.

(2) **TELEPHONE.** In the case of a solicitation by telephone the following three requirements are met:

(i) The solicitation includes whichever of the following statements the organization deems appropriate: "Contributions or gifts to (name of organization) are not deductible as charitable contributions for federal income tax purposes," "Contributions or gifts to (name of organization) are not tax deductible," or "Contributions or gifts to (name of organization) are not tax deductible as charitable contributions,"

(ii) The statement is made in close proximity to the request for contributions, during the same telephone call, by the telephone solicitor, and

(iii) Any written confirmation or billing sent to a person pledging to contribute during the telephone solicitation complies with the requirements under section (1) (Print Medium). Thus, for instance, any billing made to a contributor for advertising in a circus publication or for circus tickets must contain a statement on the invoice that:

"Contributions to (name of organization) are not tax deductible as charitable contributions."

(3) TELEVISION. In the case of a solicitation by television the following two requirements are met:

(i) The solicitation includes whichever of the following statements the organization deems appropriate: "Contributions or gifts to (name of organization) are not deductible as charitable contributions for federal income tax purposes," "Contributions or gifts to (name of organization) are not tax deductible," or "Contributions or gifts to (name of organization) are not tax deductible as charitable contributions,"

(ii) If the statement is spoken, it is in close proximity to the request for contributions; if the statement appears on the television screen, it is in large easily readable type appearing on the screen for at least five seconds.

(4) RADIO. In the case of a solicitation by radio the following two requirements are met:

(i) The solicitation includes whichever of the following statements the organization deems appropriate: "Contributions or gifts to (name of organization) are not deductible as charitable contributions for federal income tax purposes," "Contributions or gifts to (name of organization) are not tax deductible," or "Contributions or gifts to (name of organization) are not tax deductible as charitable contributions,"

(ii) The statement is made in close proximity to the request for contributions during the same radio solicitation announcement.

Section 10702 of the Omnibus Budget Reconciliation Act of 1987 amended §6104 of the Internal Revenue Code by adding a new subsection (e) requiring organizations such as ours to make available for public inspection a copy of their annual information returns on Form 990, *Return of Organization Exempt from Tax*, for years beginning after December 31, 1986. The returns must be made available for a three year period beginning with a due date for the return (including any extension of time for filing). Section 6104(e) also requires exempt organizations to make available for public inspection a copy of their application for recognition of federal tax exemption. All U.S. Temples need to have available for public inspection their Form 990, *Return of Organization Exempt from Tax*. This required disclosure does not include Form 990-1, *Exempt Organization Business Income Tax Return*.

Since our U.S. Temples come within a group tax exemption ruling in The Imperial Council, A.A.O.N.M.S., such temples will not have available a copy of The Imperial Council's Group Application for Recognition of Exemption under §501(c)(10) of the Internal Revenue Code, and any public inquiry should be directed to our International Headquarters in Tampa which initiated the group exemption application.

There are other important provisions of the Omnibus Budget Reconciliation Act of 1987 pertaining to tax exempt organizations. It is the obligation of the officers of each temple to consult with the temple attorney and temple accountant in order to be fully informed in this matter and to comply with the law.

COMPLIANCE WITH INTERNAL REVENUE CODE

Inasmuch as U.S. temples are required annually to file 990 informational forms, one for the temple and its units, one which consolidates the financial activities of all its shrine clubs, and, if applicable, one for the temple holding corporation; inasmuch as some U.S. temples and shrine clubs may be required to file a form 990-T if they have unrelated business income; and inasmuch as penalties may be assessed by the government against the *person or persons* in the temple or shrine club who may be responsible for failure to file a return.

Now, therefore, by virtue of the authority in me vested by § 206.5(a)(4) of the bylaws of The Imperial Council, A.A.O.N.M.S., IT IS HEREBY ORDERED:

1. FORM 990. By reason of the Treasury Department letter ruling dated October 12, 1973, which modified a group letter ruling to The Imperial Council, A.A.O.N.M.S. dated

April 29, 1971 (copies of which have been previously furnished to U.S. shrine temples), informational tax returns (990 forms) are required from each U.S. shrine temple.

(a) The first 990 form required to be filed by each U.S. shrine temple covers the financial transactions of the temple and all of its units. This 990 form, however, shall exclude those shrine units which are separately incorporated and have their own separate federal tax-exempt status.

(b) The second 990 form required to be filed by each U.S. shrine temple consolidates the financial transactions of the temple's shrine clubs (inasmuch as, for informational tax return purposes, each temple also constitutes a "central organization" for purposes of § 6033 of the Internal Revenue Code). Each U.S. temple is to file this second 990 form as described in Treasury Regulation § 1.6033-2(d), consolidating in columnar form the financial transactions of the temple's shrine clubs.

2. FORM 990-T

(a) By reason of the said Treasury Department group letter ruling dated April 29, 1971 to The Imperial Council, A.A.O.N.M.S., if any U.S. Shrine temple or any of its units has the requisite amount of "unrelated business income" under § 511 of the Internal Revenue Code, the temple must file a form 990-T. This return, however, shall exclude those shrine units which are separately incorporated and have their own separate federal tax-exempt status.

(b) Treasury Regulation § 1.6012-2(e) requires that each shrine club, if it has the requisite amount of "unrelated business income" under § 511 of the Internal Revenue Code, must file its own form 990-T. There is no provision under the U.S. tax laws which would permit a shrine temple to file a "group" form 990-T for the "unrelated business income," if any, of its shrine clubs.

3. ACCOUNTING RECORDS. All temples, units, shrine clubs, temple holding corporations, shrine club holding corporations, and appendant and affiliated corporations, shall maintain adequate and timely accounting records of all financial transactions.

4. TIMELY FILING. All temples, temple holding corporations, shrine club holding corporations and all appendant and affiliated corporations, which are required by law to file tax or informational returns, are to do so in a timely manner and with the advice and assistance of the temple attorney and the independent auditor who prepares the temple's tax and informational returns.

5. DEDUCTIBLE CONTRIBUTIONS. Each U.S. shrine temple shall keep and maintain a separate set of financial records and a separate bank account in the name of the temple for the receipt and disbursement of all contributions to the temple which qualify as deductible contributions under § 170(c)(4), § 2055(a)(3) or § 2522(a)(3) of the Internal Revenue Code.

6. SHRINE CLUB CHANGES. Each U.S. shrine temple, as a "central organization," is required annually to report any changes of shrine clubs in its group to the Executive Director, International Shrine Headquarters, P.O. Box 31356, Tampa, Florida 33631-3356.

7. COPIES TO EXECUTIVE DIRECTOR. Copies of all returns and tax Form 2758, Application for Extension of Time to File, if applicable, referred to in paragraphs 1 and 2, and returns of all temple related organizations, shall be sent to the Executive Director at the same time that they are filed with the Internal Revenue Service.

8. TEMPLE ACTION. The potentate and recorder of each U.S. temple shall immediately:

(a) Furnish the independent temple auditor and the temple attorney with a copy of this Order.

(b) Inform each of its shrine clubs that Treasury Regulation § 1.6012-2(e) requires each shrine club, if it has the requisite amount of "unrelated business income" under § 511 of the Internal Revenue Code, to file its own form 990-T.

(c) Require each shrine unit which is separately incorporated or which has its own separate federal tax-exempt status to dissolve such corporation and discontinue its separate federal tax-exempt status. Pursuant to § 336.1 of the bylaws of The Imperial Council, A.A.O.N.M.S., a unit is a part of the working corps of the temple and it has no separate legal or tax existence.

9. RESPONSIBILITIES. The potentate and recorder of each U.S. temple are charged with the duty and responsibility of personally determining that there is compliance with this Order.

**ATTENTION IS CALLED TO THE FOLLOWING AMENDMENT TO THE
 BYLAWS OF THE COLORADO CORPORATION AND RESOLUTION THAT WERE
 ADOPTED AT THE CHICAGO ANNUAL MEETING.**

ARTICLE 5
Meetings

§505.9 Oath of Office and Installation

(a) Oath of Office. Prior to his installation, each officer, director and trustee shall assume this obligation:

"I, (name in full), do solemnly promise and vow that I will abide by the articles of incorporation and bylaws of Shriners Hospitals for Crippled Children and that I will faithfully and to the best of my ability discharge the duties of the office to which I have been elected."

(b) Installation. The officers, directors and trustees shall be installed at the annual meeting of this corporation and, thereafter, assume the duties of their respective offices.

RESOLUTION

WHEREAS, at their 1989 meeting in Toronto, the members of the Colorado Corporation adopted a Resolution authorizing the Board of Trustees to replace the present San Francisco Unit hospital with a new facility to be affiliated with a medical school in Northern California; and

WHEREAS, the San Francisco Unit Liaison Committee and others have held meetings with the Deans and other representatives of the three medical schools at the University of California San Francisco (UCSF), Stanford University, and the University of California Davis (UCD), which are the only medical schools in Northern California; and

WHEREAS, representatives of the medical schools of UCSF and Stanford expressed concerns related to existing or proposed programs of their own or institutions with which they are already affiliated, which made them reluctant to discuss an affiliation with Shriners Hospitals on terms sought by Shriners Hospitals; and

WHEREAS, on the other hand, representatives of the University of California Davis Medical Center at Sacramento expressed an enthusiastic welcome for an affiliation with Shriners Hospitals, and repeatedly assured the Liaison Committee of its desire for an affiliation with Shriners Hospitals; and

WHEREAS, the San Francisco Unit Liaison Committee and a site visitation team (composed of members of the Boards of Trustees and Directors, headquarters staff, medical advisors, and representatives of the San Francisco Unit) have inspected the University of California Davis Medical Center at Sacramento and found it to have suitable sites for the new facility to replace the present San Francisco Unit; and

WHEREAS, the Board of Trustees and the Board of Directors have agreed to the recommendation of the Liaison Committee, and others of the site visitation team, that the present San Francisco Unit should be relocated and affiliated with the University of California Davis Medical Center on a site next to or near the UCDMC in Sacramento; and

WHEREAS, at the time the notice of this Resolution is published, the San Francisco Unit Liaison Committee is engaged in negotiations with the UCDMC and the owner of an acceptable site in Sacramento, and

WHEREAS, although the Board of Trustees expects to successfully negotiate an affiliation agreement with UCDMC and a purchase option for a site in Sacramento, the Board of Trustees considers it desirable to maintain contact with UCSF and Stanford in case negotiations with UCDMC are unsuccessful or in case an acceptable site cannot be procured on terms agreeable to Shriners Hospitals; and

WHEREAS, the Board of Trustees considers it desirable and appropriate to have complied with §503.2 of the Colorado corporation bylaws, so that options to replace the San Francisco Unit with a new facility outside San Francisco are clearly open;

NOW, THEREFORE, pursuant to §503.2 of the Colorado corporation bylaws, IT IS RESOLVED that the Board of Trustees is hereby authorized to relocate the San Francisco Unit to another site in San Francisco or to another city in Northern California, all in accordance with the Resolution adopted at the 1989 meeting of the members of this Corporation; and

COMMITTEE REPORTS

There have been occasions when members of Committees of the Imperial Council have informed interested Nobles of the results or probable results of a committee's consideration of a particular meeting. Embarrassing situations have resulted.

Refer to §208.8 of the Imperial Council bylaws which states, "All Committee reports shall be made in writing to the Imperial Council or to the Imperial Potentate as may be appropriate under the circumstances. Probable committee action or recommendations with respect to pending matters may not be disclosed to or discussed with persons not members of the committee, except with express permission of the committee."

The strict observance of this request will make for more efficient functioning by the committees with respect to the matters referred to them in the carrying out of their important assignments.

IMPERIAL SESSION PARADES

Much time and thought goes into the preparation of the Official Parade Orders for the Imperial Council Parades at the Imperial Sessions. In order to insure the very best for all concerned, these orders must be strictly observed.

No Temple officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parade unless they are approved by Director General Don Johnson, 1360 Butterfield Road, San Anselmo, CA 94960, telephone—(415) 332-3190.

Temple Potentates are to review the following information and procedures with their temple Marshal, Parade Marshal and Unit Heads.

I

Time and Route of the Imperial Session Parade

The PARADE will start promptly at 9:00 a.m. on THURSDAY, JULY 4. The route of the Parade will be:

STARTING AT SECOND AND MARKET STREETS, THE PARADE WILL PROCEED ALONG THE FOLLOWING ROUTE: NORTH-WEST ON MARKET STREET TO EIGHTH AND GROVE, RIGHT ON GROVE TO POLK, RIGHT ON POLK, PASSING THE REVIEWING STAND IN CIVIC CENTER PARK, ACROSS FROM THE CITY HALL. THEN PROCEED TO McALLISTER AND POLK STREETS TO DISBAND.

PLEASE NOTE: THERE WILL ONLY BE ONE PARADE THIS YEAR—A DAY PARADE ON THURSDAY, JULY 4.

II

Procedures and Instructions for Imperial Session Parades

1. The purpose of Shrine parades is to afford an opportunity for all participating temples to publicly display the pageantry and glamour of the Shrine. To effectuate this purpose, mutual courtesy needs to be extended among all temples in the parade.

Over the years, many temples have expressed dissatisfaction with the lack of consideration by certain participating temples and their units. Splendid marching units, and temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which, in themselves, add much to the general picture, but which **retard the forward movement** of the parade as a whole.

As a result, many of our newer temples, located far back in the line of march, have unquestionably taken punishment: (1) The forward movement of the parading column has been repeatedly halted; (2) There have been exasperating delays; (3) Units have been required to stand in line as a result of the cumulative loss of time due to repeated feature specialties and street maneuvers by units "marching" near the head of the line; (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

The parade in San Francisco will be a parade throughout, and in no part a pageant. Only so-called "forward marching movement" will be permitted; such a movement may be defined as a marching movement which at no time during the parade causes a following unit, in either the same temple or any other temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no temple are directly or indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. **Units not desiring to comply with this parade regulation are not to form in line for the parade.** The regulation will be rigidly enforced. Units of any temple violating the parade regulations will be excluded from the parade; the Potentate of each temple is responsible and accountable for the conduct of each unit of his temple on parade, and the commander of each parading temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question of whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

2. Motor Vehicles. There has been criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable: Not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, adds unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In San Francisco only **ONE CAR for the officers of each temple with uniformed units in parades of 50 or more will be permitted.** Regulations issued through the office of the Director General will be enforced.

In no event is any temple to have more than ONE CAR in the parade—the same to be occupied by the Potentate and Divan of the temples. No more than five Nobles, including the driver, will be permitted in a car.

3. Marching cadence will be 110 steps to the minute.

4. Intervals of not over 80 feet between temples, and 40 feet between units, are to be constantly maintained.

5. At the Reviewing Stand, temple Divans will give hand salute, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

6. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for hand salute.

7. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directive of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

8. Only Shriners are permitted to participate in the parades.

9. The Potentate of each participating temple shall designate an officer of his temple to meet with the Parade Marshal and the Imperial Marshal prior to the day parade, plus one person from each motorized unit that they may have participating in the parade. **THIS MEETING WILL BE HELD ON WEDNESDAY, JULY 3, 1991, at NOON in the SAN FRANCISCO HILTON & TOWERS in SECTIONS "A" AND "B" OF THE YOSEMITE BALLROOM,** which is located on the Ballroom Floor of the hotel.

10. An appropriate number of experienced deputy parade marshals shall be provided with two-way radios and special transportation so that they can patrol the parade route; and

they shall have the authority to remove from the parade any unit which is in violation of Shrine parade regulations or which causes a delay of the parade by failing to maintain its proper interval.

11. Except with express permission of the Imperial Potentate, no temple shall be permitted to participate in a parade unless it has at least 50 Nobles in its parade display.

12. No temple shall be furnished an official automobile for use of its Potentate in the parade unless it has at least 50 Nobles in its parade display.

13. No temple shall have more than one official automobile in the parade; and no empty buses, trucks or trailers shall participate in its parade display.

14. No late model automobiles other than the official automobile will be allowed in the parade. This does not apply to recognized antique automobiles or to parade units composed entirely of late model automobiles.

15. Drivers shall not wave, shake hands or call to people along the parade route; and passengers should not call out to friends along the route, but simply wave to spectators.

III

Procedures and Instructions for All Shrine Parades

16. The parade reviewing stand shall be at the right of the parade movement.

17. **No national flag shall be lowered or dipped when passing the reviewing stand or elsewhere.**

18. Neither candy nor other objects shall be thrown or handed to spectators along the parade route.

19. No motorized vehicles shall be equipped with any sirens, flashing lights or colored lights, except for turn indicators and items authorized by law.

20. Motorcycles, scooters and other motorized vehicles shall obey local laws regarding use of hard helmets instead of the fezzes.

21. No outhouses, stills, bathtubs, discharge of firearms of any type, or other items that may be considered in poor taste are permitted.

22. Members of participating units shall not drink any intoxicating beverages before any parade, and should be circumspect in the use of soft drinks in public places so as not to give the impression that they are drinking intoxicants.

23. Parade Marshals shall enforce all Shrine parade regulations, and shall report any violator to the Potentate of his temple. Failure on the part of the Potentate to cooperate with Parade Marshals shall be reported in writing to the Imperial Potentate.

24. Each potentate is personally responsible and accountable for knowingly permitting any violation of this Order.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that *copies of all correspondence sent directly to him by temples and Representatives be sent to the Executive Director at the General Offices in Tampa, Florida.* This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or temple matters must be handled in accordance with Article 38 of Imperial Council Law.

The Iowa Planning, Education and Training Committee has concluded that The Imperial Council cannot effectively and responsibly discharge its obligations to the Order and to the Hospitals if its membership declines to less than 700,000 members, and that there are many worthy and well qualified candidates who desire membership in the Shrine of North America provided there are no fraternal prerequisites to their applications. SUMMARY OF NOTICE OF ANNUAL MEETING

This Notice of Annual Meeting contains the call for the annual meeting of Shriners Hospitals for Crippled Children, a Colorado corporation, and appendant corporation, a list of officers, executive personnel, committees, proposals for amendments to bylaws, resolutions, notice and announcements.

Given under our hands and the seal of Shriners Hospitals for Crippled Children this 31st day of May, A.D., 1991.

JOSEPH P. PADGETT
 Chairman, Board of Directors

ATTEST: RICHARD L. BUKEY
 Secretary

IMPERIAL POTENTATE PADGETT: You most certainly did. You did a great job, I will tell you that. (Laughter)

I will now recognize Imperial Sir Bob Turley for the report of the Jurisprudence and Laws Committee concerning the Imperial Potentate's Special Orders.

IMPERIAL SIR TURLEY: To the Representatives of the Imperial Council: The Imperial Potentate's Special Orders (Series 1990-91) were issued pursuant to §206.5(a) of the Bylaws of the Imperial Council, an Iowa Corporation, and summaries thereof covering Special Orders 1 through 8 were included in the registration envelopes given to all Representatives at the time they registered for this Annual Session. There have been no objections to or appeals from these Special Orders. On June 28, 1991, Special Order No. 9 directed to Orak Temple was issued by the Imperial Potentate. This order was issued too late for a copy to be included in your registration packet. For your information and approval, this order directs Orak Temple to remit to Shriners Hospitals for Crippled Children at Tampa, Florida, a specified sum of money. These funds represent a portion of the proceeds derived from a Temple fund raising activity which implied that the proceeds were for the benefit of Shriners Hospitals for Crippled Children.

The Imperial Potentate's Special Orders (Series 1990-91) have been referred to the Jurisprudence and Laws Committee by your adoption of the report of the Committee on Transactions of Imperial Officers.

Your committee reports that such Special Orders were lawfully issued and are in all respects consistent with the Articles of Incorporation and Bylaws of the Iowa Corporation, and recommends approval thereof.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

William A. Buckaway, Jr., Chairman
Robert E. Cooper
Theodore Corsones
Robert C. Lake, Jr.
Edward A. Rath
Robert H. Bailey
James M. Tingle

Imperial Sir, I move that the Imperial Potentate's Special Orders (Series of 1990-91) be approved, and I recommend that you allow Deputy Imperial Potentate John W. Dean, III, to conduct the vote as this motion involves your Orders.

. . . Deputy Imperial Potentate Dean assumed the Chair . . .

IMPERIAL SIR DEAN: Is there a second to the motion?

. . . The motion was severally seconded . . .

IMPERIAL SIR DEAN: Is there discussion?

If not, all those in favor of the approval of the Imperial Potentate's Special Orders (Series of 1990-1991) indicate by saying aye; opposed. The motion is carried.

Thank you.

IMPERIAL POTENTATE PADGETT: I will now recognize the Chairman of the Grievance and Appeals Committee for the report of his committee, Illustrious Sir Sewell Lamdin.

ILLUSTRIOUS SIR SEWELL LAMDIN [Chairman, Grievances and Appeals Committee]: Imperial Sir, I would like to have a point of personal privilege before making these reports. I would like to introduce the gentlemen who serve on this committee so that you, the Representatives, in turn, may know of the caliber of the various gentlemen who serve on this committee.

We have on this committee, from British Columbia, Vancouver, Gizeh Temple, Past Imperial Potentate Jack Streight, who is a member of the Queen's Court.

Also, from Gizeh Temple we have a member of the Queen's Court as well as the Chancellor of the University there, Les Peterson. I do not know how he finds time to practice law, but he does.

From down in Texas we have a sitting Judge, David C. Moore of Sharon Temple.

From Florida, Hadji Temple, we have a practicing attorney, J. B. Hopkins.

From Charleston, West Virginia, another practicing attorney and former United States District Attorney, Warren Upton.

From Detroit, Michigan, we have a prosecutor in the Criminal Division up there, Gerald Groat.

From the nation's Capitol, Washington, D.C., we have a Grand Master of Masons from the District of Columbia and a practicing attorney, Charles S. Iversen.

Then, from Ohio, we have Charles A. Claypool from Antioch Temple.

So, gentlemen, you have a very fine committee and these gentlemen do a lot of work because, after you all go home, their work starts.

I would also like to introduce myself. My name is Sewell Lamdin, I am a retarded Judge from the State of Maryland. (Laughter) After some twenty-odd years of sitting, I just got tired.

Now, with that, I will proceed with the reports that we have.

To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals, a request from Isis Temple, to review the action of Midian Temple in refusing to grant a waiver to former Noble Clifford L. Trax, who desired to affiliate with Isis Temple.

Said request was timely filed, and the matter was scheduled for a hearing on Sunday, June 30, 1991, in the San Francisco Hilton Hotel and Towers, San Francisco, California. Due notice of said hearing was given all parties concerned by first-class mail, postage prepaid.

The hearing was held as scheduled. Isis Temple was represented by Illustrious Sam W. Mays, Jr., Potentate, and Doug Jolley, Recorder. Midian Temple was represented by Illustrious John Tangeman, Potentate, and the Divan of Midian Temple.

It became apparent from the outset that the material submitted by both Temples, revealed

that the initial request for a waiver had not been properly submitted to Midian Temple membership for their action in accordance with §328.7(c) of the Imperial Council Bylaws.

In view of the above, your Committee on Grievances and Appeals is of the unanimous opinion that the appeal should be granted.

Further, it is recommended that the request for a waiver be resubmitted to Midian Temple to be acted upon by the membership at their next meeting, in accordance with §328.7(c).

Respectfully submitted and signed by all members of the Committee on Grievances and Appeals.

I. Sewell Lamdin, Chairman
Charles S. Iversen,
Charles A. Claypool
W. Warren Upton
Leslie R. Peterson, Q.C.
J. B. Hopkins
David C. Moore

Imperial Sir, I would move for the adoption of this report.

... The motion was severally seconded ...

IMPERIAL POTENTATE PADGETT: You have before you the motion and the second to adopt the report as just presented.

Are there any comments?

If not, all in favor of the adoption of this report indicate by saying aye; those opposed. The motion is unanimously carried.

NOBLE LAMDIN: Let me say that this next one is a little bit lengthy.

To the Representatives of the Imperial Council: There was referred to your Committee on Grievance and Appeals, an appeal filed by a group of Nobles of Shaddai Temple complaining about the administrative procedures followed prior to the trial held in Shaddai Temple on May 22nd and 23rd, 1990.

Said appeal was timely filed and a hearing was scheduled for Friday, September 28, 1990, in the International Shrine Headquarters, Tampa, Florida. Due notice of said hearing was given all parties concerned by first-class mail, postage prepaid.

The hearing was held as scheduled and the six complaining Nobles appeared and were heard. Noble A. William VanDyke, Attorney at Law, appeared on behalf of the Potentate of Shaddai Temple and was heard.

The facts of the case are that charges were filed by nine Nobles of Shaddai Temple against Noble Waylon Moore alleging improprieties in the manner in which Noble Moore was conducting bingo at Shaddai Temple.

These irregularities were brought to the attention of the complaining Nobles by a female bingo player in late November, 1989. Thereafter, on December 8, 1989, a meeting was held at the home of one of the Complainants at which time the female bingo player told her story to the Potentate, Leland James; Chief Rabban, Louis Roux; and the Assistant Rabban, William Clanton.

In response to a question posted to Temple Attorney-Prosecutor VanDyke, at the September 29, 1990 hearing as to why no action was taken in response to this complaint, Noble VanDyke referred the committee to the response given by Past Potentate James at page 283 of the transcript of the trial:

"we kind of looked at everything and took the situation in review and according to the three, Noble Louis Roux and Bill Clanton and myself, decided that the evidence didn't present itself."

On or about January 22, 1990, a meeting was held between the complaining Nobles and the Divan of Shaddai Temple, at which time the newly installed Assistant Rabban, Ronald Miller, told the complainants to file their complaint which they did on January 23, 1990. Sometime on January 22, 1990, the newly installed Potentate, Louis Roux, directed Noble Ramsey Butler to leave the Temple and followed this with a written directive dated March 6th, 1990, addressed to all the complaining Nobles as follows:

"In the interest of harmony and goodwill within our Temple, it is my directive that you

do not attend any bingo games until the present litigation between yourself and Noble Waylon Moore is completed.

"I sincerely ask your cooperation and wish for a speedy resolution to this problem."

We call your attention to the fact that this directly only went to the accusers and did not include the accused, which we found to be unusual in that if the participants are to be barred from the Temple, why not bar all parties to the dispute? Further, this was now a Temple matter since Roux had appointed a Grievance Committee and referred the alleged charges to the committee.

Potentate Roux appointed a Grievance Committee on February 2nd, 1990, and that committee found probable cause existed on two of the six original charges filed against Noble Moore and so reported in writing on March 14, 1990.

On March 16, 1990, at the stated meeting of Shaddai Temple, Potentate Roux read a prepared statement about evil men filing a grievance about a Noble of Shaddai Temple. He followed this by reading the grievance statement signed by the nine Nobles and, immediately thereafter, read the report of the Temple Grievance Committee. See Item 16 of the minutes of the stated meeting of Shaddai Temple held on March 16, 1990.

On or about April 10, 1990, Noble Miller, Assistant Rabban, stated that he was not impartial and would resign as prosecutor. However, instead of resigning, he recommended to Potentate Roux, based upon the advice of Noble VanDyke, that the charges against Noble Moore be dismissed for what of prosecution.

At the stated meeting of Shaddai Temple, dated April 20, 1990, Potentate Roux read a letter dated April 9, 1990, addressed to the then Imperial Potentate George Powell, stating that:

"it is my decision as Potentate to follow the recommendation of the prosecutor and declare all charges against Noble Waylon Moore dismissed."

This action was rescinded after Potentate Roux was advised by Charles Cumpstone, Executive Director of the Shrine, that after a finding of probable cause, a trial must be held.

By letter dated April 30, 1990, Potentate Roux was advised by the Executive Director that he did not have the authority to bar any Noble from the activities of the Temple unless such Noble has been charged and found guilty under Article 30 and sentenced to suspension or expulsion.

By letter dated May 1, 1990, Potentate Roux appointed the nine Nobles to serve on the Temple Trial Committee, four of whom worked bingo with the accused. The trial was scheduled for May 22, 1990, and although the accusers presented a list of about twenty witnesses to the Prosecutor, Noble Miller, not one witness was officially summoned by the Prosecutor.

On May 18, 1990, four days prior to trial, Noble Miller resigned as prosecutor, and Potentate Roux appointed Noble VanDyke to serve as Temple Prosecutor. It should be noted that Noble VanDyke, a member of the Florida Bar, is the same attorney who had recommended to Noble Miller that the charges be dismissed.

It is further noted that the appointing authority throughout these proceedings, Potentate Roux, was called as a witness for the accused and actually testified for the accused during the Trial.

Your committee is firmly convinced that the entire proceeding was tainted from the beginning, a belief joined in by Noble VanDyke, Temple Attorney. See transcript of September 28, 1990 hearing, pages 61 and 62:

Judge Lamdin: Well quite frankly, it looks like the entire trial was tainted from the beginning.

Mr. VanDyke: That it would.

Judge Lamdin: That's my opinion. I do have opinion.

Mr. VanDyke: I'm not arguing that point, sir. And I'm not disputing your opinion.

Judge Moore: You don't deny that?

Mr. VanDyke: Sir?

Judge Moore: You don't deny that?

Mr. VanDyke: Deny what?

Judge Moore: That the trial was tainted from the beginning?

Mr. VanDyke: From what has been brought out, there's a good possibility it was."

Fair play and substantial justice are outlined in Section 330.2 of the Imperial Bylaws as follows:

330.2 Fair Play and Substantial Justice. This Article is intended to provide the guidelines for the determination of whether an accused Noble should be disciplined, the extent of such discipline if appropriate and to assure fair play and substantial justice as these concepts are understood and practice in North America. To this end the Temple and its officers shall cooperate fully with the complaining Noble, the accused Noble, the Grievance Committee and the Trial Committee. All Temple records concerning the complaint of charges shall be made available to the foregoing for copying.

Potentate Roux in his letter of explanation dated June 26, 1990, admits that the complaining Nobles did not receive full cooperation as provided therein. (See Item [d] of his letter).

"The services of our Recorder was denied."

Section 330.3(i) defines impartial as follows: (i) "Impartial" is having no direct knowledge of the acts or conduct set forth in the complaint or charges; not having formed an opinion as to the merits of the complaint or charges; not being related by blood or marriage, nor being so closely associated with the complaining Noble, the accused Noble or any material witness as to be likely to affect the Noble's judgment.

The aforementioned Bylaw provisions were adopted to assure that all parties received fair treatment not only to avoid any impropriety but to avoid even the appearance of impropriety. It should be pointed out that several pieces of correspondence addressed to the Imperial Potentate via Potentate Roux never left the Temple as provided for in Section 338.1 of the Imperial Council Bylaws.

Your committee, by this report, is not addressing the numerous errors alleged both during the trial and thereafter. Under the totality of all the circumstances, your committee is of the opinion that the remarks and actions of Potentate Roux throughout the entire process painted such a prejudicial portrait of the complaining Nobles as to deny them their right to a fair trial.

Your Committee on Grievances and Appeals is of the unanimous opinion¹ that the proceedings at Shaddai Temple in the matter of the complaint filed against Noble Waylon Moore were tainted from the outset and must be reversed. It is recommended that the matter be remanded for a new trial on the original six charged.

It is further recommended that the Imperial Potentate appoint a member or members of the Jurisprudence and Laws Committee to conduct said trial.

It is further recommended that all of the original members of the Trial Committee, the Immediate Past Potentate, the present Potentate of Shaddai Temple, and the Chief Rabban be disqualified from any participation in the new trial.

Respectfully submitted and signed by all members of the Committee on Grievances and Appeals.

I. Sewell Lamdin, Chairman
Charles S. Iversen
Charles A. Claypool
W. Warren Upton

Imperial Sir, I would move for the adoption of this report.

IMPERIAL POTENTATE PADGETT: Is there a second to the motion?

... The motion to adopt the report was then severally seconded ...

IMPERIAL POTENTATE PADGETT: Is there any discussion?

Well, before proceeding, I would like to call on General Legal Counsel, Ted Corsones, to explain this to you.

NOBLE CORSONES: Imperial Sirs, our Imperial Potentate has asked that General Legal

Counsel address you to make certain you always understand, and I am sure you always do understand, the nature of motions of this type.

A lot of times we say, upon the completion of our report or address, "I move that my report be received." However, that is one of those superfluous motions because by the very fact that you have heard it, you have already received it. Also, when you say "I move that my report be accepted," that is the same thing.

Now, when it is said, "I move the adoption of the report or the proposal," as Illustrious Sir Sewell has said, I am sure you do understand that you know you have already received the report and now he is asking the Representatives to take action. Now, I am sure that you are clear on that, also.

Our Imperial Potentate desired to make sure that you all completely understand the procedure.

Now, Illustrious Sir Sewell has made a motion to adopt the action which was recommended in the report. It has been duly seconded and now the Imperial Potentate will be calling for action, for discussion.

IMPERIAL POTENTATE PADGETT: Thank you, Ted.

Now, you have before you a motion for the adoption of the report.

Let me ask again, is there a second?

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE PADGETT: The motion has been made and seconded and I will now ask as to whether or not there is any discussion?

NOBLE WILLIAM A. CLANTON [Shaddai Temple]: Illustrious Sirs, Representatives and especially you Potentates and Chief Rabbans: I am Bill Clanton and I am Potentate of Shaddai Temple. I have not forgotten as I have come to terms with what went on yesterday.

This whole thing was based on lies from the beginning. It was instigated by a man that was on the Finance Committee of Bahia Temple at the time of the Orlando spectacular.

It is a vendetta of hate against a Noble that had never done anything but work himself for the benefit of crippled children of Shaddai Temple.

The complainant caused two charges to be brought against this man in Blue Lodge and both were dismissed for lack of evidence.

They have caused this man to be investigated by every government agency, including the FBI, the IRS and everybody else by one lady to whom he denied the privilege of playing bingo because they caught her cheating. She happened to work for a Congressman from our district and she instigated these investigations against this man and on every one of them he came out sweet and clean.

The reason that we did not send any more representation to the Grievances and Appeals hearing in September was that we were comfortable that we had done the honest, just thing and apparently the trial panel also believed so, too. It consisted of a retired Federal Judge.

The man was cleared of all charges that had been brought against him under the probable cause section of the appeal.

You have asked for a new trial. In my conversation with the man last Friday that this is all about—there will not be a new trial. He will resign before he will go through with it again.

Fellows, everyone of you that I talked to, and I talked to a lot of you, everyone of you has somebody in your Temple that is trying to fix things that are not broken.

It is time to put this thing to bed. A new trial will solve nothing.

I ask for you to join with me and vote down this motion.

Thank you.

IMPERIAL POTENTATE PADGETT: Is there any more discussion on this question?

The motion before you is to adopt the recommendation of the Grievances and Appeals Committee. Are you ready for the question?

All in favor please say aye; opposed no. Well, I would like to have a showing of hands.

All in favor of the motion before you please raise your hands; those opposed. It is defeated. (Applause)

NOBLE LAMDIN: Thank you very much. I will make no further comments on the situation, I will leave it right there.

I will proceed with the next report.

To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals an appeal filed by Illustrious Philip Ray Dorn from his suspension as a Master Mason by the Grand Master of the Grand Lodge of South Carolina.

Said appeal was timely filed and contained a request for stay of any Shrine action until this Session of the Imperial Council.

The request for a stay was granted by the Chairman of the Committee on Grievances and Appeals under Sections 208.5 and 208.9(a) (b) of the Imperial Council Bylaws.

Said appeal was scheduled for a hearing on Sunday, June 30, 1991, in the San Francisco Hilton Hotel and Towers, San Francisco, California. Due notice was given all parties concerned, including the Grand Master of South Carolina, by first-class mail, postage prepaid.

The hearing was held as scheduled and Illustrious Past Potentate Philip Ray Dorn appeared represented by Past Potentate, Robert Lake. Illustrious George Clement, Potentate, appeared for Hejaz Temple as well as the Divan of Hejaz Temple.

The facts are that following the action of the Imperial Council last July in permitting Judd Farr to remain a Noble of Hejaz Temple despite his loss of Masonic membership, the Grand Master of South Carolina issued an edict on July 24, 1990, directing Illustrious Philip Ray Dorn to expel Noble Judd Farr from membership in Hejaz Temple. Despite a full explanation by Illustrious Philip Ray Dorn to the Grand Master that he lacked the authority to terminate the membership of Noble Judd Farr under the Imperial Council Bylaws, the Grand Master of South Carolina, on August 16, 1990, suspended Noble Dorn "from all rights and benefits of a Master Mason."

Noble Dorn appealed this suspension to the Committee on Appeals and Grievances of the Grand Lodge of Ancient Free Masons of South Carolina. Said appeal was denied.

Your Committee on Grievances and Appeals, pursuant to Sections 208.6(a) (4) and 328.8(e) of the Imperial Council Bylaws, has received the evidence, heard the arguments, fully considered the appeal and presented the facts to you in this report. We do not believe that the loss of Noble Dorn's Masonic membership was for conduct in violation of Shrine Law. "Shrine Law" means the Articles of Incorporation of the Imperial Council, Bylaws and any general or special orders in effect at the time, but it does not include the law of the land. However, the decision, in the final analysis, is for you, the Representatives to the Imperial Council, to make. If you wish to sustain the appeal of Noble Philip Ray Dorn, you should vote "yes" on the adoption of this report. A "yes" vote will mean that Dorn will remain a member of the Shrine but he will not be a Scottish Rite, York Rite or Blue Lodge Mason. If you wish to deny the appeal of Noble Dorn, you should vote "no."

Committee member Charles S. Iversen of Almas Temple did not participate in the committee discussion and decision making on this appeal.

Respectfully submitted and signed by all members of the Committee on Grievances and Appeals.

Imperial Sir, I would move for the adoption of this report.

IMPERIAL POTENTATE PADGETT: Is there a second?

... The motion was severally seconded ...

IMPERIAL POTENTATE PADGETT: Is there any discussion?

If not, all in favor of adoption of the motion as made please indicate by saying aye; opposed. The ayes have it and it is carried.

NOBLE LAMDIN: To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals an appeal filed by Nobles Michael Dwight

Cagle, and Darwin Randy Stevenson of Hejaz Temple from their suspension from membership in their respective Blue Lodges by the Grand Master of South Carolina.

Said appeals contained a request for a stay of any Shrine action until this Session of the Imperial Council and were timely filed.

The request for a stay was granted by the Chairman of the Committee on Grievances and Appeals under Sections 208.5 and 208.9(a) (6) of the Imperial Council Bylaws.

A hearing on these appeals was scheduled for Sunday, June 30, 1991, in the San Francisco Hilton Hotel and Towers, San Francisco, California. Due notice was given all parties concerned, including the Grand Master of South Carolina, by first-class mail, postage prepaid.

The hearing was held as scheduled and Past Potentate Robert Lake of Hejaz Temple appeared on behalf of Nobles Cagle and Stevenson. Illustrious George Clement, Potentate, appeared on behalf of Hejaz Temple as well as the Divan of Hejaz Temple.

The facts are that following the action taken by the Imperial Council in permitting Judd Farr to remain a member of Hejaz Temple despite his loss of Masonic membership, the Grand Master of South Carolina on August 28, 1990, issued Edict No. 3 forbidding any Master Mason in his jurisdiction from joining Hejaz Temple. Thereafter, on November 10, 1990, both Noble Cagle and Stevenson were created Nobles of Hejaz Temple. It was brought out that they knew of Edict No. 3 of the Grand Master of South Carolina. The Grand Master then suspended each of them from membership in their respective Blue Lodges for violation of his Edict.

Your Committee on Grievances and Appeals pursuant to Sections 208.6(a) (4) and 328.8(e) of the Imperial Council Bylaws, has received the evidence, heard the arguments, fully considered the appeals and presented the facts to you in this report. We do not believe that the loss of Nobles Cagle's and Stevenson's Masonic membership was for conduct in violation of Shrine Law. "Shrine Law" means the Articles of Incorporation of the Imperial Council, Bylaws and any General or Special Orders in effect at the time, but it does not mean the law of the land." However, the decision, in the final analysis, is for you, the Representatives to the Imperial Council, to make. If you wish to sustain the appeals of Nobles Cagle and Stevenson, you should vote "yes" on the adoption of this report. A "yes" vote will mean that Cagle and Stevenson will remain members of the Shrine but will not be Scottish Rite, York Rite or Blue Lodge Masons. If you wish to deny the appeals of Nobles Cagle and Stevenson, you should vote "no."

Committee member Charles S. Iversen of Almas Temple did not participate in the committee discussion and decision making on this appeal.

Respectfully submitted and signed by all members of the Committee on Grievances and Appeals.

Imperial Sir, I would move for the adoption of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE PADGETT: You have before you a motion and the second for the adoption of the report.

Is there any discussion?

Seeing none, all in favor of adoption indicate by saying aye; those opposed. The motion is unanimously carried.

NOBLE LAMDIN: To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals an appeal filed by Noble Edward L. Miller of Hejaz Temple from his suspension from his rights and privileges as a Master Mason by the Grand Master of Delaware.

Said appeal contained a request for a stay of any Shrine action until this Session of the Imperial Council and was timely filed.

The request for a stay was granted by the Chairman of the Committee on Grievances and Appeals under Sections 208.5 and 208.9(a)(6) of the Imperial Council Bylaws.

A hearing on these appeals was scheduled for Sunday, June 30, 1991, in the San Francisco Hilton Hotel and Towers, San Francisco, California. Due notice was given all parties concerned, including the Grand Masters of South Carolina and Delaware, by first-class mail, postage prepaid.

The hearing was held as scheduled. Past Potentate Robert Lake of Hejaz Temple appeared on behalf of Noble Miller. George Clement, Potentate, appeared on behalf of Hejaz Temple as well as the Divan of Hejaz Temple. Grand Master of Delaware, Ronald L. Jefferson appeared.

The facts are that following the action taken by the Imperial Council in permitting Judd Farr to remain a member of Hejaz Temple despite his loss of Masonic membership, the Grand Master of South Carolina on August 28, 1990, issued Edict No. 3 forbidding any Master Mason in his jurisdiction from joining Hejaz Temple. It was brought out that Noble Miller knew of Edict No. 3. Noble Miller was created a Noble of Hejaz Temple on November 10, 1990. The Grand Master of South Carolina issued an order forbidding Noble Miller from visiting a Lodge of Freemasons in South Carolina and notified the Grand Master of Delaware of this action. Upon receipt of this information, the Grand Master of Delaware suspended Noble Miller from his rights and privileges as a Master Mason until such time as he heals himself by removing himself from the membership of Hejaz Temple.

Your Committee on Grievances and Appeals pursuant to Sections 208.6(a)(4) and 328.8(e) of the Imperial Council Bylaws, has received the evidence, heard the arguments, fully considered this appeal and presented the facts to you in this report. We do not believe that the loss of Noble Miller's rights and privileges as a Master Mason was for conduct in violation of Shrine Law. "Shrine Law" means the Articles of Incorporation of the Imperial Council, Bylaws and any General or Special Orders in effect at the time, but it does not mean the law of the land." However, the decision, in the final analysis, is for you, the Representatives to the Imperial Council, to make. If you wish to sustain the appeals of Noble Miller, you should vote "yes" on the adoption of this report. A "yes" vote will mean that Miller will remain a member of the Shrine but will not be a Scottish Rite, York Rite or Blue Lodge Masons. If you wish to deny the appeal of Noble Miller, you should vote "no."

Committee member Charles S. Iversen of Almas Temple did not participate in the committee discussion and decision making on this appeal.

Respectfully submitted and signed by all members of the Committee on Grievances and Appeals.

Imperial Sir, I would move for the adoption of this report.

... The motion was severally seconded ...

IMPERIAL POTENTATE PADGETT: It has been moved and seconded that this report be adopted.

Is there any discussion?

Seeing no one at the microphones, all in favor of adoption please say aye; opposed. The ayes have it and it is carried.

NOBLE LAMDIN: Imperial Sir, that concludes the report of the Grievances and Appeals Committee.

IMPERIAL POTENTATE PADGETT: Thank you, Judge, thank you very much.

... Cheers and applause ensued ...

NOBLE LAMDIN: You know, this is the first time that I can recall ever receiving applause for taking a whipping. (Laughter)

I hope that when you all get back home, you read the provisions of the Imperial Council Bylaws and you take note. Also, read the report and take note of the facts and I trust that you really, truly feel that I did the right thing.

You know, we must have fair play—we must have it.

... Cry of "out of order" ...

NOBLE LAMDIN: You are probably right but thank you, Sirs, for your consideration.

IMPERIAL POTENTATE PADGETT: At this time, I would like to recognize Imperial Sir Lewis Brantley for the report of the Shrine Masonic Liaison Committee.

IMPERIAL SIR LEWIS BRANTLEY: Thank you very much, Imperial Sir.

Imperial Sir, Worshipful Grand Masters, Fellow Delegates, Nobles and Guests All: Illustrious Sir Sewell Lamdin, as Chairman of the Grievances and Appeals Committee, may have been slightly out of balance when he sought to make a statement following the report of his committee.

Having been intimately involved in the report that he just made, not as a member of the committee but from the periphery of relationships, I can tell you that I will be redundant some in my report as it overlaps Judge Lamdin's committee, but I can say to Judge Lamdin that each member of this committee participated and to those, such as Mr. Iversen, who did not participate for obvious reasons, I know of no more impartial tribunal that anyone seeking justice could have had.

Judge Lamdin, I think you did an outstanding, yeoman, wonderful job and I thank you, sir. (Applause)

Your Shrine Masonic Liaison Committee was created by the Imperial Potentate in 1989 to address in a spirit of good will and mutual respect, conflicts that arise between the various Grand Lodges and the Shrine of North America.

This committee consists of Ted Corsones, General Counsel; Jack Jones, Imperial Recorder and myself, Lew Brantley as Chairman.

After this committee's report in Toronto to you, the Representatives, a resolution was developed from the floor and adopted unanimously that this committee be continued.

At the beginning of the 1990–1991 Shrine Year, following the Chicago Session, Imperial Sir Joe Padgett reestablished the committee and we have had, I think, a productive year in your behalf, which I will now report on.

The question has arisen, though—what is the future of a Shrine Masonic Liaison Committee? My opinion is that we must have one in order to attempt to resolve problems when a Grand Master assumes his authority extends beyond the Grand Lodge and includes the Shrine of North America. That decision, however, is entirely in the hands and heart of incoming Imperial Sir John Dean. I hereby request that he retains such a committee.

It is important for all of us to realize that there are sixty-three separate Grand Lodges within the jurisdiction of the Imperial Council. Each of these have their own Masonic Code to govern their individual areas. No two codes are identical. This means, in turn, that there are sixty-three sets of Bylaws, sixty-three regulations, sixty-three Constitutions. There is no single international Masonic authority. There is no one body that your committee can to when an incident arises between the Shrine and Freemasonry. As a result, the burden of this committee to resolve conflicts is multiplied by a factor of sixty-three.

I want to stress strongly that a vast majority of the Grand Lodges enjoy harmony and cordial relations with the Shrine. Most are governed by dedicated and reasonable officers. These Grand Lodges appreciate the fact that they are separate and legal organizations. They also appreciate the fact that the Shrine is a separate and distinct legal organization, governed by our own Articles of Incorporation and Bylaws. As a result, we enjoy respectful and brotherly fraternal relations with those Grand Lodges. The sixty-three factor is sometimes complicated by the change in command in most jurisdictions each year and some endeavor to exert Masonic authority over a Shrine Temple or a Shrine activity.

Your committee has always dealt with these situations with patience. We have traveled the extra mile, written the extra letter and made the extra telephone call. Our mission is to

resolve the conflicts while holding firm to the legal principle that we must govern our own Fraternity.

To take any other position would mean that the Shrine would be run by sixty-three Grand Masters, none of whom are elected by you, the voting delegates. Indeed, if that were so, there would be no need for the Imperial Council, nor this meeting. There would be a total chaos.

This committee has, on a few occasions, been very firm in our resolve on your behalf and some of those incidences are as follows.

In the great State of California, you may recall two years ago I reported to you while in a meeting aimed at resolving differences with the Grand Lodge of California, we were told by the Chairman of their Jurisprudence Committee that the Shrine must abide by the California Masonic Code.

When asked if for some God forsaken reason the California Grand Lodge voted to insert in its Masonic Code that there would be no charitable hospitals in California, would the Shrine have to close our hospitals in Los Angeles and San Francisco, the answer from that Chairman was an emphatic "yes," with an absolute and no hesitation on his part.

This year that same Masonic Committee, with a new Chairman, is attempting to coerce our Shrine Temples from accepting advertisement in their Temple publications, even though it is legal under California Law and Shrine Law.

These Temples accept advertising to help pay the cost of printing and mailing to its members, just as do most other Temples throughout North America.

A recent letter to the Potentates of our California Temples warning them against advertising, also threatened their Blue Lodge membership.

Your Masonic Liaison Committee previously met with our Temples and our Imperial Potentate on this subject. Following the receipt of the Grand Lodge Committee letter, our Imperial Potentate sent a letter to each California Temple thanking them for their commitment and urging them to be governed by the law of the land and Shrine Law.

With this direction from Imperial Sir Joe, that they were not to allow themselves to be treated differently and that they possessed all the rights and privileges enjoyed by Temples in other states and provinces, they continued to accept ads in Temple publications.

Just last week—it has been approximately two weeks now—our Potentates received a letter direct from the California Grand Master imploring them to stop advertising.

I might say, parenthetically, that the Grand Master of California is a just and sincere man and is attempting really to modify the California Masonic Code to permit advertising. But, Nobles, it take a five-sixths vote to change the California Masonic Code. I wish them well. Five-sixths is hard to get.

The California Potentates did join among themselves to make the decision to do advertising in their Temple publications and, of course, I admire them because there is strength in numbers and if one were to back off it would weaken the position of the total of seven.

With the recent letter from the Grand Master, I do not know what the total decision of the seven Potentates are but then I would submit to you that if one were to weaken and pull away from the others, it would be nothing short of sticking a knife in the backs of their Brother Potentates in California and I would hope they would stick together. (Applause)

In Louisiana, it is lawful for a fraternal organization to apply for and receive a license to conduct bingo games and raffles. One of our Temples did just that for fund raising purposes.

The Masonic Code in Louisiana states that a Mason may not violate the civil law or the moral law. The Grand Master told our Shrine Temple that it could not conduct such a fund raising activity. In his judgment, it violated the moral law.

Your committee presented the facts of the situation to a learned Judge in Louisiana. He stated that bingos and raffles do not violate state law and if it does not violate civil law, it should not violate the moral law.

The Shrine Temple was informed by this committee that it could undertake any fund raising activity to support that Temple so long as it did not violate the law of the land and did not violate Shrine Law. Again, I am pleased to tell you that that Temple, after much maneuvering, did conduct its fund raising activity.

You will recall also, in the great State of Arkansas last year that you, just as you have just

done a few moments ago, upheld the Shrine appeal of Noble James B. Ward of Sahara Temple. He had been accused of borrowing \$3,000 from another Mason in 1975.

Noble Ward denied the charge, a trial was held in his Blue Lodge thirteen years after the incident was supposed to have happened. No attempt had been made earlier to collect that sum of money alleged to have been borrowed. The note produced during the trial proved to have a forged signature on it and even the accuser could not remember whether Noble Ward had ever signed a note or not—although that came out in Judge Lamdin's reports.

Noble Ward was found not guilty by his Blue Lodge. Later the Grand Master hand picked a second trial committee, they found him guilty and kicked him out of Masonry. Last year you retained Noble James Ward as a Shriner. Much activity occurred in Sahara Temple between them and the Grand Master that followed. However, I am sad to inform you that Noble Ward died just a few months ago before getting that cloud on his Masonic record corrected.

Last year you also upheld the Shrine appeal of Noble Judd Farr of Hejaz Temple. This was the Noble who paid his dues in a Georgia Blue Lodge with a company check. He is a Coors beer distributor, living for the last twenty-five or so years in Greenville, South Carolina. Because he owned a beer license, he was kicked out of Masonry. You, by your vote last year, retained him as a Shriner.

Following the Session, the Grand Master of South Carolina, Ray Marsch, issued an edict to Hejaz Temple—"Terminate the membership of Judd Farr by August 15, 1990." Potentate Ray Dorn of Hejaz consulted counsel and your Shrine Masonic Liaison Committee and he sent a letter to the Grand Master informing him that neither he nor Hejaz had the authority to comply with his edict and he asked the Grand Master to please reconsider his request.

On August 16, 1990, the Grand Master issued another edict and suspended from Masonry the Potentate of Hejaz Temple, a report in relation to which you just heard. On August 28, 1990, yet another edict was issued forbidding any Master Masons from joining Hejaz Temple.

On September 19, 1990, our Imperial Potentate, Joe Padgett, issued a letter to all South Carolina Temples providing them guidance.

His letter stated, in part, and I quote: "No person can override the final decision of the Imperial Council. Hejaz Temple cannot do so, nor can I, your Imperial Potentate, do so. Most certainly, no other individual has the authority to supersede the Imperial Council of the Shrine. For a Grand Master to direct a Shrine Temple to violate the laws of the Order is unprecedented, improper and indeed unconscionable, and for a Grand Master of Masons to suspend the Masonic membership of the Hejaz Potentate for not violating Shrine Law is incomprehensible."

The Imperial Potentate implored all Shrine Temples to render support, understanding and compassion to Hejaz Temple in their time of need.

On November 5, 1990, balloting for membership in Hejaz Temple occurred on three candidates and nine petitions for affiliation.

The officers of Hejaz had been alerted that certain individuals would try and enforce the Grand Master's edicts by blocking the applicants. Upon the examination of the ballots, all but one appeared to be rejected. The Potentate of Hejaz perceived irregularities and immediately requested the aid of our Imperial Potentate.

Imperial Sir Joe Padgett deputized Imperial Sir John Dean, Imperial Sir Everett Evans and Imperial Sir Tony Bukey to travel to Hejaz Temple to conduct an investigation and report their findings to him. Your Imperial Officers went to Hejaz Temple on November 7th, conducted a thorough investigation and found that certain unknown Nobles had fabricated "black cubes," brought them to the Temple and, in effect, "stuffed" the ballot box. Other than the illegal cubes, no candidate had sufficient black balls for rejection. Upon receiving the report from the three senior Imperial Officers, the Imperial Potentate, declared all had passed the sacred test of the ballot box. The candidates were notified and did join the Shrine and Hejaz Temple. All three, as you have heard, were suspended from Masonry by their respective Grand Masters. They have taken an appeal to the Shrine and you have now acted on that appeal.

The Chairman of this committee, myself, during the past year, made repeated attempts to meet with the Grand Master of South Carolina only to be rejected on every single

attempt. Even using, on several occasions third-party requests to meet with the Grand Master, we were refused a meeting. We have yet to be granted an audience with Grand Master Ray Marsch.

By chance, I met him at the Conference of Grand Masters in February and when we extended hands to shake and I introduced myself as Lew Brantley, he withdrew his hand, walked away and still has refused to personally meet with me.

Now, Grand Master Ray Marsch is no longer in office and we no longer need to have meetings with him.

Nobles, it is difficult enough to solve problems when both sides talk to each other face to face, but it is impossible when one side is so closed-minded that he will not even come and sit at the table.

The 1990 Conference of Grand Masters saw a need for a committee much like your Shrine Masonic Liaison Committee which, at that time, was non-existent but had been very active the year before and reported to you.

The 1990 Conference of Grand Masters, by their vote, created just such a committee similar to ours and they called it the Masonic Fraternal Relations Committee. That committee was chaired by the 1990 Grand Master of Colorado, who is an esteemed Judge of the Colorado Court of Appeals, Judge Don Smith.

Other members of that committee are Grand Masters and Past Grand Masters of New York, Bob Singer; Washington, William R. Miller; the District of Columbia, Charles Iversen, who, by the way, is a member of our Grievances and Appeals Committee; from Alberta, Canada, Stan Mortershead and from Georgia, Judge William W. Daniel, also a sitting State Court Judge.

That committee of top quality gentlemen spent many hours and days during the past year reviewing and analyzing issues that have caused confrontations between Grand Lodges, the Shrine and Masonic related organizations. Your Shrine Masonic Liaison Committee asked for and did have an all-day meeting with them—a very firm but respectful all-day meeting.

As a result of their work and study, they developed a resolution to be presented to the 1991 Conference of Grand Masters. The resolution was positive and conciliatory. It was not binding on any Grand Jurisdiction—it was only written as a guide.

It contained three parts, all permissive:

1. It said, "If the Shrine, Tall Cedars, Grottos, etc., are named in your code, consider removing them." Their thought was if other related Orders were not named in the Grand Masters' Codes, perhaps the Grand Masters would not feel compelled to try and control them.

2. If a conflict arises, call it to the attention of the Grand Masters' Masonic Fraternal Relations Committee for information that they may have.

3. Before any Grand Master would issue a detrimental edict to any other Masonic related organizations, he should consider calling on their own committee for recommendations and assistance.

When Jack Jones, Ted Corsones and I arrived in San Diego for the 1991 Conference of Grand Masters, it was painfully evident that the Conference did not look favorably upon this resolution. The attitude of a substantial majority in attendance was that all Grand Masters reign supreme and that they alone will determine the ability of a Masonic related organization to function in their respective sixty-three jurisdictions.

Many of the Grand Masters openly stated that they were not willing to refer matters of disagreement to the Masonic Fraternal Relations Committee for discussion nor resolution.

Their own committee was informed that they could not move their resolution because all of the members were now Past Grand Masters and not entitled to vote. This was very depressing to Judge Don Smith and his committee members. Finally, as a matter of courtesy, the Grand Master of Illinois agreed to make the motion to adopt the resolution.

Opposition led and lobbied hard by the Grand Master of South Carolina, heard from Texas, Oregon, Arizona, Alberta, Ontario and Manitoba. Only the Grand Master of Nebraska spoke in favor. When the vote was taken, there were four votes in favor, forty-six votes against and ten abstentions.

At the recess, the message we received from some of the Grand Masters was that if the Shrine does not want to be governed by sixty-three Grand Lodges, it has an obligation to

amend its own Bylaws. Your Shrine Masonic Liaison Committee went to San Diego with guarded optimism.

The Masonic Fraternal Relations Committee of the Conference of Grand Masters was composed of reasonable, compassionate, intelligent and, yes, articulate individuals. They got slapped hard and your committee shared their deep depression when their own peers had so soundly rejected their efforts. Imperial Sir John Dean was in attendance also and witnessed the arrogance on the part of the Grand Masters.

I therefore again request of him to have a strong Chairman and reconstitute this Liaison Committee for the next year.

Further, we have heard more from your Committee on Grievances and Appeals about the South Carolina situation. I knew not, until just a few moments ago, as you did, as to what Judge Lamdin and his committee would report nor did I wish, in writing this report, to second guess his committee. However, I do feel very strongly that those four Masonically suspended Nobles may be guilty but then, if they are guilty, you and I are guilty, too. They were guilty of wanting to be a Shriner.

I also felt strongly that the Masonically suspended Potentate of Hejaz Temple, Ray Dorn, was guilty. He was guilty of taking the Oath of Office of Potentate very, very seriously and he as guilty of upholding Shrine Law, which he swore to do when he became Potentate.

On more than one occasion, you as a body and we as a committee representing you have said to the Grand Masters, we have said to the world and we have said to each other, we want to remain Masons if our Grand Masteres will let us, but we must govern our own internal affairs.

Nobles, as I complete this report to you it is important for you to recognize that your Shrine Masonic Liaison Committee has made every honorable effort to resolve the conflicts with understanding and with brotherly love. Where there was controversy, we tried to bring harmony; where there was emotion, we tried to bring tranquility and where there was disdain, we tried to bring reason.

In the final analysis, however, you, the voting Representatives, have the authority to determine the future of our beloved Shrine. This is the way it has always been and, Nobles, this is the way it should always be.

Imperial Sir Joe, on behalf of your committee, I give you my deep gratitude for your complete support this past year and for allowing us to serve the Shrine of North America and I would move for the adoption of this report.

Thank you. (Applause)

. . . The motion to adopt the report was then severally seconded . . .

IMPERIAL POTENTATE PADGETT: You have before you the motion and the second to adopt the report as just presented.

All in favor indicate by saying aye; those opposed. It is unanimously carried.

Lew, on my behalf, and I am sure I speak for the Imperial Divan and for all the Nobility, we truly appreciate your efforts in trying to bring about harmony and resolutions to all of our problems. God bless you and the entire committee.

Thank you again. (Applause)

I will recognize Imperial Sir Jack Dean.

IMPERIAL SIR JACK DEAN: Imperial Sir, Imperial Sirs and My Fellow Representatives: I would like to commend Lew Brantley for the job he and the committee he chaired has done during the period of years we have had such a committee.

I will tell you now, without equivocation, there will be such a committee next year. (Applause)

I, too, adopt, have adopted and will follow the Statement of Principles that this Imperial Council has sent forth for your Imperial Divan to follow.

You make those determinations and it is up to us to follow them out.

I, too, was present at the Conference of Grand Masters and I think there is one thing that has not been mentioned and I think that I have a little bit different perspective from some of the other members that were there.

We were received cordially by the Grand Masters. We had the opportunity to interchange with them and when this resolution was passed or presented, I talked to many of them afterwards.

My Grand Master, who is present in this room today, did not vote for or against that resolution and the reason he did not was because the resolution was attached to twenty-some pages of backup material and was stuck in the registration packets. It was not sent out in advance and Grand Master Ray Marsch lobbied this resolution on the basis that this resolution says, gentlemen and my fellow Grand Masters, that we are telling the Shrine to separate from Freemasonry and every Grand Master that I knew and which I talked to told me the same thing and that was the perception.

What Lew Brantley presented to you is absolutely correct—that resolution should have been adopted and in my opinion, it would have been adopted had the Grand Masters understood it and not listened to everything that they were lobbied on.

However, I will submit to you that they received so much material in their packets when they registered, that they did not read it. If you think that is a problem, think of what you did yourselves when you got your registration packets and if you read everything that was in it.

There was a lack of communication. It was unfortunate that the committee report did not get mailed out earlier and I particularly took the liberty of calling the chairman of that committee and talking to him and talked to him about the delay in getting that information out to the Grand Masters.

He informed me that Lew Brantley and our committee was one of the most cooperative committees he had ever worked with. They did everything in their power that they could to move it along.

He apologized for the fact that he had a very difficult trial that he was involved in and that he also had a vacation that he was involved in and said that the entire blame could only be put at his feet for it not being mailed out in advance.

I do not want to cast any aspersions on anybody. It is just a sin. He was sorry it did not pass and those people aware of it today know that it should have passed because it said nothing except "we all want to talk." I think that is where we all are.

Also, once again, I just think you need to have that information and thank you very, very much. (Applause)

IMPERIAL POTENTATE PADGETT: I will recognize the Imperial Recorder for the purpose of receiving a motion to elect all Officers of the Imperial Council today.

Thank you very much. (Applause)

IMPERIAL POTENTATE PADGETT: We will next proceed to the nominations for Imperial Outer Guard.

Now, as a matter of procedure, which I am sure you are familiar with, we have had numbers drawn from a hat among the nominators for the position of Imperial Outer Guard to see who will be nominated first. We have the candidates as seated here on the stage and let me say that nominating speeches will be limited to five minutes each.

. . . Whereupon, at this point, drawing for position for nominations by the various nominators ensued . . .

IMPERIAL POTENTATE PADGETT: Our first nominator will be Illustrious Sir Leslie Peterson, Past Potentate, Gizeh Temple.

ILLUSTRIOUS SIR LESLIE PETERSON [Past Potentate, Gizeh Temple]: Imperial Sir, Imperial Sirs and Representatives: My name is Leslie Peterson, Past Potentate of Gizeh Temple in Vancouver, British Columbia and it is now my privilege and great honor to place in nomination the name of Kenneth W. Smith for the Office of Imperial Outer Guard.

My task today has been made much, much easier by the very extensive campaign that Illustrious Sir Ken has conducted throughout our jurisdictions and I suspect that the great majority of you have had the opportunity to meet him in your own home territories; have had the opportunity to hear him discuss his views on the issues and challenges that face our great Fraternity.

Now, any analysis of his career in the Shrine would lead to the inevitable conclusion he has had a most productive career, a most productive member of our Fraternity.

He became a member of Gizeh Temple in 1963. In 1985 he was our Potentate. Likewise, he has been active in both the York and Scottish Rites and continues to be active.

He is likewise active in the other concordant bodies as well as the Royal Order of Jesters, in relation to which he is the Director of Victoria Court No. 100 at the present time.

He has, as you know, taken a very active interest and has been devoted to the work of the various Imperial Committees. He has sat as a member of the different Imperial Committees, has played a great part in them insofar as the Canadian Temples were concerned, especially in relation to the great East-West Shrine Game which is played here each and every year. As a matter of fact, he has had a most active and productive career. He is a devoted businessman and father.

Ken has a wonderful wife, Shirley, and he likewise has two wonderful children, Mark and Wendy, all of whom support him in this endeavor.

In addition to his fraternal and civic activities, Ken has likewise been recognized by the Order of DeMolay by receiving the Legion of Honor. Likewise, he is an active member of his church and has enjoyed a very successful business career as President and CEO of his own company and I suggest that this, in turn, has made us the beneficiary of many causes that he has been able to devote time and attention to in relation to our great Philanthropy.

Those of you who were present here in 1988 will recall that he was the leading candidate at that time and was elected as a Trustee of our hospital corporation, the Colorado Corporation. He has now completed that term of office, a three-year term and we believe that his Trustee experience will be a continuing asset as he proceeds to the Imperial Line to guide our Philanthropy.

At fifty-seven years young, Illustrious Sir Ken is well prepared now to assume that important responsibility.

He is, without a doubt, one of the most innovative, dedicated and hard-working Shriners with whom I have ever had the privilege of working. His positive outlook and total commitment to our Fraternity makes him an ideal candidate for the leadership of this high office.

The true test of a leader is one that instills in others the conviction and determination to create a stronger tomorrow by building on the foundation of today.

Ken Smith passes that test with proven skills and leadership abilities.

Nobles, as we complete and enter a new millennium in our Fraternity, it faces many challenges. Perhaps some of them, perhaps most of them, will not be too different from what we face today—membership, fiscal responsibility and the maintenance and further development of our hospitals. This is all crucial, I suggest, to our future and that we remember our future and our responsibilities to elect those best qualified to lead us to that future.

I sincerely believe that Ken's enthusiasm, tempered with realism, will provide us with the kind of leadership necessary to move us to that future and I would ask you to cast your ballot today for experience, qualifications and leadership. I ask you to vote for Ken Smith. (Applause)

IMPERIAL POTENTATE PADGETT: I will next recognize Illustrious Sir William T. Harris, Potentate of Antioch Temple.

ILLUSTRIOUS SIR WILLIAM T. HARRIS [Potentate, Antioch Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and My Fellow Imperial Representatives: I am both pleased and proud to have the opportunity to place in nomination the name of Charles A. "Tad" Claypool, Past Potentate of Antioch Temple for the position of Imperial Outer Guard.

For me and about 190 other Representatives, this is probably our last Session as voting delegates.

After being elected Oriental Guide, I remember well my first real experience with the Imperial Council and that was the Seminar of Instruction held at Des Moines.

Many of you remember this experience as the "Year of the Brick." (Laughter) However, unfortunately, many have forgotten the message tied to the brick, "Project 2000."

Among the many proposals in relation to "Project 2000" was a commitment to focus our efforts toward attracting the young men into our beloved Fraternity.

Now, many words have been spoken since the Des Moines Seminar but few results have been realized.

Unfortunately, some people believe that bricks were made for throwing at others but Tad Claypool and Antioch Temple believe that bricks are made for building for the future.

Today, we in Antioch Temple offer you the opportunity to begin to plan and build for the future of the Shrine of North America by electing a Noble to the position of Imperial Outer Guard who has literally grown up in the Shrine.

For nearly a quarter of a century, Tad has watched, worked, studied and learned about our Fraternity—first, serving his father, Imperial Sir Charles J. Claypool, Imperial Potentate, 1979–1980, and serving his Temple, Antioch, as Potentate in 1990.

He has faithfully served the Imperial Council—being on the Grievances and Appeals Committee for 1990–1991. He has been an Imperial Representative for five years.

His knowledge of the workings of the Shrine and the fabric that makes things happen is surpassed by few.

An attorney by profession; a family man with a supporting wife and two teenaged children; a young man at the age of forty-three, who is well qualified and willing to give of his personal time, energy and talents to the Shrine of North America and Shriners Hospitals without reservation.

Tad is a Shrine Mason. He is a member of both the Scottish Rite and the York Rite. His strong belief in the ideals promoted by the Shrine and Masonic bodies shape his approach to his real world.

He is extremely sensitive to the needs of burned and crippled children.

Also, the record shows that he has represented numerous needy clients in legal actions without charge.

He has been active for many years and one of the largest fund raisers for Shriners Hospitals in the State of Ohio serving as the uncompensated show manager of the Dayton Horse Show, an event that has raised over \$1.5 million for the Endowment Fund.

While Tad was Potentate, Antioch contributed about \$350,000 to Shriners Hospitals for Crippled Children.

Now, having said all of these good things about our nominee, we want to make it

absolutely clear that Tad is not running against any individual but, rather, he is running for election to the position of Imperial Outer Guard.

Tad envisions a strong and viable Shrine and with your help, he wants to turn the bricks into a great wall of Shrinedom and wonder of the world for the Twenty-First Century—a beloved Fraternity, a fraternal organization dedicated to helping children in need of both orthopaedic and burns care. A dynamic Fraternity so that his son, your sons and grandsons can join in their adult years.

I am pleased to nominate Charles A. “Tad” Claypool for the position of Imperial Outer Guard.

Thank you. (Applause)

IMPERIAL POTENTATE PADGETT: Are there other nominations; are there other nominations; are there other nominations?

Hearing none, I declare nominations closed and I will now call on Jim Hathaway.

NOBLE HATHAWAY: You will use ballot 2, which is the white ballot in your book.

Thank you.

. . . Whereupon, balloting and collection of ballots then ensued . . .

IMPERIAL POTENTATE PADGETT: Nobles all, while the ballot is being collected and counted, we will continue with a few more items which should not take too long. Therefore, if you would stay in your seats, we can then please continue. We will consider just a few more items and that is all.

I will recognize Robert Lake, Jr., for the presentation of item 20 on the Call.

NOBLE ROBERT LAKE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 20 on the Call for the Annual Session of 1991, located on page 27 of the Call. Imperial Sir, if there are no questions or comments on this report, I recommend that you call upon Illustrious Sir Earl Brown for the report of the Dispensations and Charters Committee.

IMPERIAL POTENTATE PADGETT: The Chair will recognize Illustrious Sir Earl Brown.

ILLUSTRIOUS SIR EARL BROWN: To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensations and Charters, Item Number 22 which is located on page 28 of the Call for the Annual Session of 1991. It is a proposal requesting an amendment to the charter of the Southeastern Shrine Association by deleting Jamil Temple therefrom. This Association of Temples was originally organized in 1934.

Jamil Temple has not been a participating member of this association for several years and has no interest in remaining a formal member of this association. It presently belongs to the South Atlantic Shrine Association.

Your committee found that Jamil Temple adds no vitality to this association; that the association has not expressed any opposition to the withdrawal of Jamil Temple; and that the proposal has complied with 209.1(b) of the bylaws of the Imperial Council.

It is our unanimous opinion that this change in membership would be in the best interest of the Order and this Association of Temples.

Imperial Sir, if there are no questions or comments concerning this report, I move that the proposal be granted and that the charter of the Southeastern Shrine Association be amended by deleting Jamil Temple as a member thereof.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE PADGETT: You have before you the motion and the second that the proposal be granted and the charter of the Southeastern Shrine Association be amended by deleting Jamil Temple as a member thereof.

Is there any discussion?

If not, all in favor indicate by saying aye; those opposed. The motion is carried.

I will now recognize Ted Corsones for the report of the Jurisprudence and Laws Committee concerning item 23 in the Call.

NOBLE CORSONES: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and laws, Item Number 23 on the Call for the

Annual Session of 1991, located on page 28 of the Call. It is a resolution approving a change of membership of the Southeastern Shrine Association by deleting Omar Temple of Charleston, South Carolina, as a member thereof. Such resolution reads as follows:

RESOLUTION

BE IT RESOLVED, that the Imperial Council, pursuant to §209.1(b) of the Bylaws of the Iowa Corporation, approve the proposal of Omar Temple to amend the charter of Southeastern Shrine Association to change its membership by deleting Omar Temple as a member thereof.

Imperial Sir, if there are no questions or comments on this report, I recommend that you call upon Illustrious Sir Frank Fiedler for the report of the Dispensations and Charters Committee.

IMPERIAL POTENTATE PADGETT: I will recognize Illustrious Sir Frank Fiedler.

ILLUSTRIOUS SIR FRANK FIEDLER: To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensations and Charters, Item Number 23 which is located on page 28 of the Call for the Annual Session of 1991. It is a proposal requesting an amendment to the charter of the Southeastern Shrine Association by deleting Omar Temple therefrom. This association of Temples was originally organized in 1934.

Omar Temple has not been a participating member of this association for several years and has no interest in remaining a formal member of this association. It presently belongs to the South Atlantic Shrine Association.

Your committee found that Omar Temple adds no vitality to this association; that the association has not expressed any opposition to the withdrawal of Omar Temple; and that the proposal has complied with 209.1(b) of the Bylaws of the Imperial Council.

It is our unanimous opinion that this change in membership would be in the best interest of the Order and this Association of Temples.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend that you call upon Illustrious Sir Walter Emerson for the report of the Dispensations and Charters Committee.

IMPERIAL POTENTATE PADGETT: The Chair will recognize Illustrious Sir Walter Emerson for the report of the Dispensations and Charters Committee.

ILLUSTRIOUS WALTER EMERSON: To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensations and Charters, Item Number 25 which is located on page 28 of the Call for the Annual Session of 1991. It is a proposal to change the location of Aahmes Temple from Oakland in Alameda County to Livermore in Alameda County, as recited in the report of the Jurisprudence and Laws Committee.

A hearing was held before your committee on June 30, 1991, at which time the proponents were present. No persons appeared in opposition thereto.

Your committee finds that the Temple followed the proper procedure in adopting a resolution to change its location; that more than two-thirds of the Temple members voting were in favor of the change; that the result was certified to the Imperial Recorder at least sixty days before this Session; and that the move will be in the best interest of the Order and the Temple.

I will now recognize Noble Cooper from the Jurisprudence and Laws Committee, for the purpose of presenting item 27 on the Call for the Annual Session.

NOBLE COOPER: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 27 on the Call for the Annual Session of 1991, located on page 29 of the Call. It is a resolution by the Nobles of Daytona Beach, Florida, requesting an extension on their Application for Dispensation, to form Aziza Temple, U.D. Such resolution reads as follows:

RESOLUTION

WHEREAS, the Nobles of Daytona Beach, Florida, have requested a one-year extension on their application for Dispensation, which will expire on December 18, 1991, to form Aziza Temple, U.D.;

NOW, THEREFORE, BE IT RESOLVED, pursuant to §329.4(c), that the Nobles of Daytona Beach, Florida, are granted an extension of one year on their Application for Dispensation, which will expire December 18, 1991, to form Aziza Temple, U.D.

Imperial Sir, if there are no questions or comments on this report, I recommend that you call upon Illustrious Sir Frank Fiedler for the report of the Dispensations and Charters Committee.

IMPERIAL POTENTATE PADGETT: The Chair will recognize Illustrious Sir Frank Fiedler.

ILLUSTRIOUS FIEDLER: To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensations and Charters, Item Number 27 which is located on page 29 of the Call for the Annual Session of 1991. It is a proposal asking for an extension of time on their application for dispensation. For your information, an application for dispensation becomes void after the passage of twenty-four months from the date it was issued by the Imperial Recorder.

Your committee met on June 30, 1991. The proponents of the request for an extension did not appear although they had received prior notification of the date and time. Several Temples from Florida did appear and express their opposition to any extension.

Your committee found the proponents for a new Temple knew, or should have known, that they needed 1,000 signatures on the application within twenty-four months as their request for dispensation was not supported by all other Temples in the state. In the nearly two years that they have had their application they have managed to secure only 500 or so signatures. We were satisfied that the interest and enthusiasm for a new Temple in the

Daytona Beach area is not now significant. By granting the request for an extension, we will be creating disharmony and confusion in this region.

Your committee is of the unanimous opinion that it will not be in the best interest of the Order to grant this request and we, therefore, present this unfavorable report to you.

Respectfully submitted,

Imperial Sir, if there are no questions or comments concerning this report, I move that the request be denied.

... The motion was duly seconded ...

IMPERIAL POTENTATE PADGETT: You have a motion before you that the request as presented be denied.

All those in favor of denying the request please say aye; opposed. The request is denied.

I will now again recognize Jim Hathaway.

NOBLE HATHAWAY: Imperial Sir, Imperial Sirs and Fellow Representatives: It is with pleasure that I give you the results of ballot no. 2 for the Office of Imperial Outer Guard.

There were a possible 859 votes; 838 actually voted; there were no spoiled ballots; necessary for choice was 420.

The votes were as follows: Ken Smith, 742; Tad Claypool, 96.

... Cheers and applause ensued ...

NOBLE "TAD" CLAYPOOL: Imperial Sir, Imperial Sirs, Illustrious Sirs, Fellow Representatives and My Fellow Nobles: I wish to thank you for the support that you have shown me this year—thank you for the many friendships I have made through my travels. Also, to all of you, my sincere thanks.

At this time, I would like to request that the Imperial Recorder make a unanimous ballot of this convention for the election of my good friend, Ken Smith.

Nobles, you have picked a great Noble to lead this Fraternity in the future and it is my intention, God willing, that I will be back with you next year.

... Cheers and applause ensued ...

IMPERIAL POTENTATE PADGETT: I will now declare Illustrious Sir Ken Smith elected by acclamation.

Thank you, Tad, thank you very much. (Applause)

Let me ask you, Ken, do you accept? That is enough. (Laughter)

ILLUSTRIOUS SIR KEN SMITH: Imperial Sir, I do.

IMPERIAL POTENTATE PADGETT: You are sure, now?

Do you have a long ten-minute speech? One, second, two seconds?

IMPERIAL SIR KENNETH SMITH: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs and my Fellow Nobles and Representatives: You know, it has been a great day. (Laughter).

I would like to thank each and every one of you who worked so very hard on the committee that helped elect me here today. I would like to say that I also thank those of you who voted for me and also those of you who voted for Charley. (Applause)

Also, I would like to thank Illustrious Sir Tad Claypool for running such a sincere campaign.

Also, when he said, "my friend" to me, it sounded like maybe he and I have some kind of an admiration society but I will assure you that Tad Claypool has a great deal to offer in the Shrine of North America and I wish him well.

Thank you each and every one of you so very, very much. (Applause)

IMPERIAL POTENTATE PADGETT: Thank you all so very, very much.

Let me announce to you that tomorrow morning at nine o'clock we will return here for the public session and the pageant. Please bring your wives with you as well as Nobles who are not representatives at that time. We will all be the guests of the Imperial Potentate-Elect and share with his family and with him the splendor of his pageant.

I now will recognize my Imperial Chaplain for the benediction.

DR. GREEN [Imperial Chaplain]: Supreme Architect, we have listened well with wisdom and harmony, establishing strong and proper legislation and electing vital and competent leadership.

We retire now to refresh our lives, nourish our bodies and extend our fraternal friendships.

IMPERIAL POTENTATE PADGETT: Gentlemen, before you leave, I would like to say one thing.

I wish to thank each and every one of you for the manner in which you have conducted yourselves today at this business session. Please hang in there with us through tomorrow afternoon. Thank you very much and we all up here appreciate it very much. (Applause)

We are now recessed to reconvene here tomorrow morning at nine o'clock a.m. for the pageant of the Imperial Potentate-Elect.

. . . The one Hundredth Seventeenth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at four-fifteen o'clock p.m. . . .

MORNING SESSION
WEDNESDAY, JULY 3, 1991
NINE O'CLOCK A.M.

The Pageant honoring Imperial Potentate-Elect John W. Dean, III, convened in the Grand Ball Room, San Francisco Hilton and Towers Hotel, San Francisco, California, at nine o'clock a.m., Noble Manny Iglesias, Past Potentate of Lu Lu Temple and Master of Ceremonies, presiding.

NOBLE MANNY IGLESIAS: It is my sincere pleasure to welcome you all here today to view an Imperial Pageant to honor our Imperial Potentate-Elect, John Wesley Dean, III.

I will ask that you all be seated and as soon as you are all seated, we will begin.

Ladies and gentlemen, at this time I have the privilege of introducing the Ladies of Lu Lu Temple.

. . . The Ladies of Lu Lu Temple were escorted down the main aisle of the ball room and to their respective assigned seats . . . (Applause)

NOBLE IGLESIAS: Before proceeding, please let me thank the Aleppo Temple Band and its Band Master, Lloyd Gilroy, for its inspiring music.

. . . Cheers and applause ensued . . .

Also, now that you are all comfortably seated, I am going to ask you to rise and remain standing through the Invocation.

We will, at this time, have the presentation of Colors by Lu Lu Temple's Legion of Honors.

. . . The presentation of Colors by Lu Lu Temple's Legion of Honor then ensued . . .

NOBLE IGLESIAS: Will you now join me in the Shrine Pledge of Allegiance.

. . . The rendering of the Shrine Pledge of Allegiance then ensued . . .

NOBLE IGLESIAS: We will, at this time, have the playing of the National Anthems of Mexico, Canada and the United States.

. . . The National Anthems of Mexico, Canada and the United States then ensued . . .

NOBLE IGLESIAS: And now, let us begin this glorious day with an Invocation from our Imperial Chaplain-Designate, Illustrious Sir Oskar R. Huber, Past Potentate.

IMPERIAL CHAPLAIN-DESIGNATE HUBER: Let us pray.

Great Architect, You have brought us to another beautiful day for which we give You thanks.

We have assembled to learn more about the life of Jack and Kay Dean, our Imperial Potentate-Elect and First Lady.

As we are about to enter into this Shrine year, may we ask You for Your guidance in all our thoughts, words and deeds. Give Jack and Kay health and happiness to endure the

many challenges and responsibilities. Give them a light heart to enjoy the fellowship as they criss-cross our great country and the wisdom to guide us to even greater heights.

With positive power in our commitment and harmony in our labor of love, we will achieve our goals. Amen.

NOBLE IGLESIAS: Thank you, Illustrious Sir Oskar Huber.

Now, before we begin our film presentation, I would ask all of the Nobles in the audience to please remove their Fezes so that all in back of you can properly view the film as it is shown to you.

Now, you know, somebody said it could not be done. However, we differ with that and here is proof in the film entitled, "They Said It Could Not Be Done."

. . . Whereupon, the film presentation concerning the life of Imperial Sir Jack Dean entitled "They Said It Could Not Be Done" ensued . . . (Applause)

NOBLE IGLESIAS: And now, it is with great honor and personal pleasure that I now present the Imperial Potentate-Elect of the Shrine of North America, Imperial Sir John Wesley Dean, III, who will be escorted to the stage by Pluto.

. . . Imperial Sir John Wesley Dean was then escorted to the podium by Pluto . . . (Applause)

NOBLE IGLESIAS: And now, ladies and gentlemen, I give you the First Lady of Shrinedom, Lady Kay Dean, who will be escorted to the podium by Goofy.

. . . Applause ensued as Lady Kay Dean was escorted to the podium by Goofy . . .

NOBLE IGLESIAS: I would now like to read to you a letter which comes from a dear friend of Jack's mother, Mary Ottaway, lovingly known as "English Mary."

"Dear Jack, this is to send my sincere congratulations and good wishes for a happy and successful year in office. It is an occasion which your mother and I had been looking toward attending, had hoped to attend but it was not to be. So, instead, I will be thinking of you with pride being installed as Imperial Potentate of the Shrine of North America and knowing that the Shriners will have a good year ahead with you and Kay at the helm.

"My warmest greetings to all of you and your Convention for a happy and memorial gathering.

"With kind love to you—with love and best wishes from English Mary."

That came from England.

Now, surrounding each and every one of us are those special people who are an integral part of our lives. Those people who share the pain and sorrow as well as the joy and happiness which is the experience of life. I would, at this time, like to introduce those special people who are dearest to Jack.

First son, John W. Dean, IV, and grandson, John W. Dean, V.

Second son, Warren J. Dean. Warren's wife, Lois, and son, Scott, could not be here. Lois is at home expecting twins at any time.

Next is Jack and Kay's daughter, Kathy Jo and her husband, Robert Mervine, with their son, Bobby, and daughter, Krista.

And now, ladies and gentlemen, these distinguished individuals would like to make some special presentations.

Lady Kay, this would be an opportune time for your special presentation.

LADY KAY: Jack, if you will come over here, as your family, we would like to give back to you your tie tack. You know, when we first gave it to you many years ago, it only had three stars on it. Today we present you one with five stars and we all hope that you will wear it in health.

. . . Presentation of five-star tie tack and applause then ensued . . .

IMPERIAL SIR DEAN: You know, I received my first order and that is to open the card that it goes with and read it to everybody. (Laughter)

"You did it—you had some downs but you did it; some had fears, but you did it; some lost faith, but you did it and now there is only one thing to do—all those doubting, fearful, faithless people laugh like a maniac and hang up."

. . . Laughter and applause ensued . . .

IMPERIAL SIR DEAN: You know, those of you that did not know me in my youth did not have the privilege of Jack Dean calling you as he got home from a party. (Laughter)

However, there are a couple of people in this audience that have had that experience and, of course, they were the ones that taught me by calling me. (Laughter)

This pin, for those of you that have not seen it, is a Liberty Bell. You know, when I campaigned, I used stick-on Liberty Bells that we stuck on everybody and, in some instances, I put them on some ultrasuede suits and probably, in the process, I lost a few votes. (Laughter)

However, it has five stars and little diamonds across the top. It has a row of diamonds, sapphires on the bottom and the clapper acutally works. I invite any of you to come up and see it because I am going to put it on right now. I have gone crazy for the last month because I really did not have a tie tack.

I thought that one of the Potentates that had one of these tie tacks would give me one but then they did not get the message.

Thank you very, very much. (Laughter)

Thank you, each and every one of you.

NOBLE IGLESIAS: Now, Imperial Sir, your grandchildren have something special for you at this time.

... At this point, the grandchildren recited the following . . .

"Pop, we love you, we think you're kind of neat; When you take us out for dinner, this is what you eat."

... Presentation of jar of peanut butter and jar of jelly to Imperial Sir Dean then ensued . . .

IMPERIAL SIR DEAN: Thank you very, very much. You know, you just do not know how true that is. I had the privilege of giving Kay a birthday party a little while ago and we went over to the country club and had surf and turf for everybody but the kids and I—we ate peanut butter and jelly sandwiches. (Laughter)

NOBLE IGLESIAS: I now have some other family members that I would like to present at this time.

... Whereupon, the following family members were introduced and greeted both Imperial Sir Jack Dean and Kay . . .

Imperial Sir Jack's sister, Mary Jane and her husband, Illustrious Sir James H. Shacklett, Jr.

First son, James A. Shacklett, III and his son, Jim, IV and daughter, Sarah.

Second son, Dean Shacklett and his wife, Loretta and sons, Dean, Jr. and Joseph.

Daughter, Nan and her husband, Marco Zepa and their daughter, Kimberly and son, Marco, Jr.

Daughter, Holly and her husband, Robert Rosamond.

Cousin, John C. Smith.

Jack and Kay's nephew, John Palmer and wife, Dale.

It was likewise noted that Noble John is a member of Abdallah Temple, Overland Park, Kansas.

NOBLE IGLESIAS: And now I would like to call on the First Lady of Lu Lu Temple, Laura Kammerle, to make a presentation to the First Lady of Shrinedom, Kay Dean.

MS. LAURA KAMMERLE: In behalf of the Divan and Nobles and Ladies of Lu Lu Temple, we would like to present you with these roses. We are very, very proud of you and we wish you health and happiness and an exciting year. We love you.

... Presentation of roses and applause then ensued . . .

NOBLE IGLESIAS: It is for me, at this time, a great pleasure to present to you the Past Potentates and their Ladies of Lu Lu Temple. I would like to present them in reverse order in which they served their Temple. Please hold your applause until they are all introduced.

1990, Illustrious Sir Harry Reiter and his wife, Peggy.

1989, Joseph A. DeVito and his wife, Florence.

1987, Jerry Friedrich and his wife, Marcella.

1986, George J. Burg, Jr., and his wife, Fran.

1985, Frederick C. Leiser, Jr., and his wife, Peggy.

1982, myself and my wife, Rachael.

1980, Oskar R. Huber and his wife, Doris.

1979, James H. Shacklett, Jr., and his wife, Mary Jane.

1970, Alvin W. Levenhagen and his wife, Eleanore. Alvin was Potentate of Zem Zem Temple and now affiliated with Lu Lu Temple.

1970, John F. Kull, Jr.

These are the Past Potentates of Lu Lu Temple and, of course, Jack Dean is likewise a member of this group. (Applause)

I would now like to introduce the Potentate of Lu Lu Temple, his Divan and their Ladies.

Recorder, Jack Beam and his wife, Fran.

Oriental Guide, Wayne E. Allison and his wife, Mariana.

High Priest and Prophet, George Mano and his wife, Marguerite.

Assistant Rabban, James J. Campanile and his wife, Marie.

Chief Rabban, Joseph L. Reading and his wife, Peggy.

Illustrious Potentate, Albert G. Kammerle and his wife, Laura. Applause

Also, we are pleased and proud that we have with us today a man who is leading Masons of Pennsylvania, the Right Worshipful Grand Master of the Most Ancient and Honorable Fraternity of Free and Accepted Masons of Pennsylvania and Masonic Jurisdictions there unto belonging, W. Scott Stoner and his Lady, Phyllis.

. . . Rising applause ensued . . .

IMPERIAL SIR DEAN: I have asked our Worshipful Grand Master to just say a word to you.

RIGHT WORSHIPFUL BROTHER W. SCOTT STONER [Grand Master of Masons of Pennsylvania]: Imperial Sir, Imperial Sirs, Illustrious Sirs and most especially our favorite Imperial Sir from the Commonwealth of Pennsylvania, Jack Dean: I must tell you Nobles and Ladies that seven years and six months ago, at the banquet in Philadelphia that Jack Dean sat at our table the day that I was elected your Junior Grand Warden of our Grand Lodge and he said, "Scott, I want you to put 1991 on your calendar to come to San Francisco."

Well, here we are. We are here to welcome Jack as the Imperial Sir for the Shrine of North America.

In the Commonwealth of Pennsylvania, we enjoy a great relationship with Masons and our appendant bodies. This includes the Shrine as well as the other groups.

I most certainly look forward to working with Jack and the Imperial Shrine throughout the balance of my term as Grand Master of Masons in the Commonwealth of Pennsylvania.

Also, I cannot help but think that the Shrine and Freemasonry will be all the better for Jack Dean coming our way.

Thank you, Jack, and we certainly wish you Godspeed. (Applause)

NOBLE IGLESIAS: Ladies and gentlemen, we have reached that point for special presentations to our Imperial Potentate-Elect. These are distinguished individuals who would like to make these presentations.

First, I would like to call upon John Dean, IV; Warren Dean and Robert Mervine to present the Imperial Potentate's Fez.

. . . At this time, the presentation of the Imperial Potentate's Fez to Imperial Sir Jack Dean then ensued . . . (Applause)

NOBLE IGLESIAS: And now, Imperial Sir, the next presentation to be made to you will be made by Lady Mary Jane Shacklett.

MS. MARY JANE SHACKLETT: Jack, for many years, our mother shared the Shrine Experience with you and Kay and on her behalf, I present to you this Imperial lapel pin and wear it in good health.

. . . Presentation and applause ensued . . .

NOBLE IGLESIAS: And now, Imperial Sir, to present the Imperial Potentate's Flag, will be Imperial Recorder, Jack Jones.

IMPERIAL SIR JONES: Imperial Sir, Imperial Sirs, Distinguished Masonic Guests, Illustrious Sirs, Representatives and Nobles, Ladies and Gentlemen: This morning I have the distinct honor of presenting this beautifully embroidered, personalized flag to the incoming Imperial Potentate, John W. Dean, III.

Imperial Sir Jack, it gives me great pleasure to present to you, on behalf of the Imperial Council of the Shrine of North America, your Imperial Potentate's Flag, bearing the Shrine's official seal as well as your name and title.

As you lead this great Fraternity, let this flag stand with our three national flags to serve as a symbol of your authority and the importance of your Office.

Let it also serve as a reminder of our devotion to the principles of Freemasonry and our commitment to serve all of mankind, through our hospitals, Shriners Hospitals for Crippled Children, our great Philanthropy.

Imperial Sir, representing this Imperial Council and Shriners everywhere, I present this Fraternal Flag to you with love, with respect and best wishes for a great and successful year.

Thank you so very much.

... Presentation of Imperial Potentate's Flag and applause ensued ...

IMPERIAL SIR DEAN: Thank you so very much, Jack.

NOBLE IGLESIAS: For another traditional presentation to be made on behalf of our Canadian Temples, I all upon Past Imperial Potentate Jack Streight and Past Imperial Potentate Edward G. McMullan.

I understand they are going to bring up their present Potentates of the various Canadian Temples also.

... Whereupon, the present Potentates of the various Canadian Temples formed a line at the center of the stage ...

IMPERIAL SIR McMULLAN: Thank you very much and good morning, everyone.

We have up here, in addition to the two of us, the Canadian Temple Potentates from the East Coast to the West Coast of Canada.

I know, of course, that Imperial Sir Jack Dean and his Lady, Kay, have traveled from the West Coast to the East Coast of Canada, including the great Province of Newfoundland. So they are familiar with all Canadian Potentates and their Temples and they have done a wonderful job and so, as a result, they are familiar with all of the Potentates and their Temples and they have also done a wonderful job of affiliating themselves and knowing that the Canadian Potentates are certainly behind the Shrine of North America and the Imperial Potentate generally.

I would now like to introduce to you, beginning from the West Coast to the East Coast of Canada and Newfoundland, the present Potentates of our various Canadian Temples.

... Whereupon, at this point, Imperial Sir McMullan introduced individually the Potentates representing the various Canadian Temples ... (Applause)

IMPERIAL SIR McMULLAN: We also have on board this morning a Past Imperial Chaplain, who is now the Canadian Chaplain, Harry Alger and also Fred Lock, from Rameses Temple who has been helping me gather these individuals together for the last eight to ten years.

We thank all of you for your presence, gentlemen, this morning. (Applause)

We will proceed now by making the presentation of the Canadian Flag to our Imperial Potentate-Elect. That will be done by Past Imperial Potentate Jack Streight.

IMPERIAL SIR JACK STREIGHT: Good morning everybody.

Yes, I am from the deep south—South Canada, out of Vancouver. (Laughter)

Also, I would like to tell you something else and that is that this is not the first time I have been on this stage or this podium. As a matter of fact, it was twenty-five years ago today when I stood on this podium, when the Representatives were kind enough to elect me as Imperial Captain of the Guard and I have been here ever since. (Laughter)

I would also like to thank the Representatives for selecting yet another member from my Temple, Ken Smith, yesterday. (Applause)

You know, when I was a young man asked as to what I wanted to do. I said that I wanted to become a lawyer. He said, "Well, that is fine, but whatever you do, watch out for those Philadelphia lawyers." (Laughter)

Now, I really did not know what he meant until I picked up the program today. (Laughter) All of Jack's clients, and he had a lot of them—you know, he was a lawyer but he was also an undertaker and, as a result, he had them coming and going. (Laughter) However, I envy him for that.

Jack, the Potentate of Canada, and I am happy and delighted to be able to do it, asked me to present to you the Canadian Flag. It is the flag of my country.

Last year I told you that Canada had the second largest mass of land of any nation in the world. Today it is the largest mass of land of any nation in the world.

This is the flag of my country and you know, Jack, you are going to get a flag from another country, the Stars and Stripes. It is a great flag and, further, they will tell you down in Almas Temple that it flew over the Capital of Washington. However, Jack, when I give you this flag, I want you to know it is a brand new one. (Laughter)

Now, where did Kay go—please bring her up here.

You know, it takes two to run the Shrine. I am not, however, going to tell you as to which is the best one but then I can prove it by myself.

However, Kay, let me say to you that there is a Potentate from Tunis Temple, and this is from Ottawa, and that is also the Capital of Canada and, at that time, the Prime Minister of Canada set a rule and gave it to me. He said, "Jack, I want you to present the Seal of Canada to the incoming Imperial Potentate's wife." It is now my privilege to do so.

... Whereupon, a hug and kiss was given to Lady Kay ... (Applause)

IMPERIAL SIR McMULLAN: Thank you so very much, Imperial Sir Jack. You know, you steal the show every year. (Laughter)

You know, I do not know why I brought him into this act. I started myself some ten years ago or some years back and he takes over. Now, next year we will have Kenny Smith up here and maybe Jack will leave. (Laughter)

Also, Kay, you are not getting off that easy. I do not care if he gives you the Seal of Canada or not, I am going to give you the seal of Alberta. Come on over here. (Laughter)

... Hug and kiss to Kay then ensued ...

IMPERIAL SIR McMULLAN: You know, you are the beauty of this outfit. (Laughter) Watch out, I am single.

Anyway, Jack and Kay, and I know that you are going to have to keep this clean, Kay, I mean the silver tray here. (Laughter) This beautiful tray we are presenting to you from the Canadian Potentates and all of your friends in Canada, shows the names of every Temple from the West Coast to the East Coast.

It also has a beautiful Maple Leaf and let me say to you that those are real diamonds in there and it says, "Presented to the Imperial Potentate, John W. Dean, III—Imperial Potentate, 1991–1992, A.A.O.N.M.S. from your Canadian Temples."

So, with this presentation, John, let me congratulate you and I know that you will enjoy this and will certainly be proud to have it in your lovely home.

All of the best to you both. (Applause)

IMPERIAL SIR DEAN: I would like to say "thank you" for this.

For many years, when I got out of law school, before we bought our first home, we lived with furniture that we could steal, borrow and beg and so, when we moved in the condo that we are in, I said to Kay, "It is time that you buy some new furniture, if you want to but I really do not think we should spend the money." (Laughter)

Well, she went out and refurbished the place and she got this beautiful China closet that has lights in it on each side where I watch TV and this will serve to fit right in there and show up well. We certainly appreciate it.

As Ed told you, I have been to every province in Canada. However, I have not been to Prince Edward Island yet. We must have a Shrine Club or something. However, I will figure out a way to get there.

I might add that I visited all of these Temples, with the exception of one or two of them, when I was campaigning and I have gotten to the others since I have been there.

Thank you so very, very much.

Before I leave this microphone, let me just tell a little story on Jack Straight.

You know, he made a visitation to Lu Lu Temple and we had the Fred Waring Orchestra. The airlines lost his clothes. It was a very formal evening. Now, even though he did not have his tuxedo at that time, he made one big hit with the Nobility of Lu Lu Temple and we still remember you, Jack, and we still love you very much. (Applause)

Thank you.

IMPERIAL SIR STREIGHT: You know, I forgot to tell you—there is only one straight lawyer in North America. (Laughter)

NOBLE IGLESIAS: We are honored to have with us the Illustrious Potentate from Aloha Temple, Illustrious Potentate David K. Lindsey, Jr., and his Lady, Wanda, to make a special presentation to our Imperial Sir.

ILLUSTRIOUS POTENTATE DAVID K. LINDSEY [Aloha Temple]: Aloha.

During the days when Hawaii was governed by kings and queens it was reserved for the Royal Family and the Chiefs who governed the Islands at that time, that they would receive what is known as a maile lei. It is a wreath that is only grown in the Islands and only people of royalty will receive this lei. For the other people, of course, as you know, we have today flower leis.

So I am honored today, in behalf of all of the members of Aloha Temple and their Ladies, to present to you this maile lei filled with love, happiness and great feeling toward our Chief, Brother Jack, and I present this lei to you with honor.

... Presentation of lei and applause ensued ...

ILLUSTRIOUS POTENTATE LINDSEY: We also have a presentation for our First Lady, Kay, because we would not be here if it were not for her. (Laughter)

... Presentation of lei to Kay Dean and applause ensued ...

IMPERIAL SIR DEAN: For most of you that are not aware of it, David has been a good friend of ours. He is a native Hawaiian. He is wonderful. He is also the Senior Grand Warden of the Grand Lodge of Hawaii. (Applause)

NOBLE IGLESIAS: And now, for our next presentation, we are honored to have with us the Illustrious Potentate of Anezeh Temple, Eduardo Dyer and his Lady, Ruth, who are here to make a special presentation to our Imperial Sir on behalf of the Nobility of Mexico.

ILLUSTRIOUS SIR EDUARDO DYER [Potentate, Anezeh Temple]: Imperial Sir Jack and Imperial Lady Kay, I am Eduardo Dyer and I come from the land of the sun in the South, Mexico.

Also, I have here with me a part of my Divan who are internationally representing all of the Nobility of Mexico.

I am a Mexican—Mexican born with an American name, “Dyer.” (Laughter)

My Chief Rabban, now a resident of Mexico for many years, well, he is French. (Laughter) He comes all the way from Europe but he is a great Shriner.

Also, we have here our Assistant Rabban and he is from a Scottish family but was also born in Mexico.

We also have our Recorder, who was not born in Mexico but born in Argentina but he is a Mexican Shriner.

Also, what are we made of? Well, we are made of little pieces.

You might note that Anezeh Temple in Mexico City is the Temple with probably one of the largest territories in relation to its province. We have two million square kilometers of territory and 400 members in our Temple. We take care of all—at any rate, we try to, anyway.

Also, every one of us in the Temple are Masons and we love it.

Also, to let you know, our Chief Rabban is the best Commander-in-Chief of Consistory No. 1, Mexico City No. 1 of the Scottish Rite in Mexico.

Our Assistant Rabban is presently the Commander-in-Chief of the same Consistory, Mexico City No. 1 in Mexico and our Recorder is a Past Grand Master of the York Grand Lodge of Mexico so we are still a family.

So, Imperial Sir, we are very glad to be here this morning and we, with very warm hearts to you, wish to present you with this Mexican sombrero that you may wear in your days in the sun.

... Presentation of sombrero and laughter and applause ensued ...

ILLUSTRIOUS POTENTATE DYER: Also, we expect to see you in Mexico with this same sombrero during your year.

Also, for Lady Kay, we brought a little Mexican Flag made into a Mexican tie. This is like the Mexican bow tie we wear when we dress up in the Temple and we expect you, Lady Kay, to wear it on your visit to Mexico, if you will honor us with this visit.

We are all glad to be here in San Francisco and congratulations and may you have the very best year in Shrinedom. (Applause)

NOBLE IGLESIAS: We will next have a presentation from the European Shrine Club to be made by Noble Elmer George, Secretary, from Heidelberg, Germany.

NOBLE ELMER GEORGE [Secretary, European Shrine Club]: Imperial Sir, Illustrious

Brother Jack, it is with pleasure I congratulate you in behalf of the officers and members of the European Shrine Club. We wish you and your Divan a very successful year.

In addition, our normal procedure would be to present a donation to our hospitals, to our sponsor Temple this year, Aahmes Temple. However, I thought it would be appropriate if you would be the one, as Imperial Potentate, to accept the first donation as Imperial.

So here is a check for \$15,000 as a donation to the hospitals.

. . . Check presentation and applause ensued . . .

NOBLE GEORGE: Imperial Sir, on the 25th of May, the Board of Directors of the European Shrine Club elected you as Honorary President of the Club and to all true and faithful Nobles of the Mystic Shrine, know ye that Imperial Sir John W. Dean, III, was unanimously elected, by the Board of Directors, on May 25, 1991, as an Honorary President for his activity and participation in the European Shrine Club and Ceremonials at Heidelberg, Germany.

This plaque is dated May 30th, 1991, and signed by our President and attested to in appropriate fashion.

. . . Presentation of plaque and applause then ensued . . .

IMPERIAL SIR DEAN: Thank you very much, Elmer.

Nobles, I do not know if you realize how active we are as a Fraternity of the Shrine in Germany and in Europe. They do a great job in sending children to our hospitals—they raise money for transportation and they send them over.

However, let me add that Noble Elmer George has been the glue that has held all of our Masonic bodies together over there and especially the European Shrine Club.

We have an Oasis in London, in Rome, in Brussels, in Amsterdam, in Rotterdam, in Berlin, in Stuttgart, and, as a matter of fact, I have a whole long list here and, I might add, we even have them in Paris. He is the gentleman that sees to it that everything goes along.

While he was a Major in World War II, in reality, he was really a Top Sergeant because that is how he gets everything done. (Applause)

God bless you and thank you very much. By presenting this check, you certainly could not have done anything better for Jack Dean and thank you and say hello to all of my friends over there, if you will, please.

NOBLE GEORGE: Let me say, Imperial Sir, that I am going to apologize for this little break over in this corner of this frame because somewhere within the 8,000 miles we have traveled, somebody must have stepped on my bag. (Laughter) I will replace this in the very near future.

IMPERIAL SIR DEAN: We will get it all taken care of.

Again, thank you very much. (Applause)

NOBLE IGLESIAS: We now call upon Illustrious Sir Davis B. Leonard, Captain of Al Malaikah Temple's Pyramid Patrol.

NOBLE DAVIS B. LEONARD: Imperial Sir, Illustrious Sirs, Distinguished Guests, Ladies, Nobles and Friends: Al Malaikah Temple has some very, very old traditions. One of them is that every ten years we disband our oldest unit, the Patrol, and form a new one and this year we started out with a new Pyramid Patrol.

Another great tradition is about to happen because each year at the Imperial Session, we make a presentation to our incoming Imperial Potentate and therefore, Imperial Sir Jack, it is with a great deal of pleasure that I present to you the Commandant of Units of Al Malaikah Temple and Captain of the Caravan Patrol, David Sanford—also the President of the Caravan Patrol, Frank Casalanqua.

. . . Whereupon, at this time, in behalf of Al Malaikah Temple and the Caravan Patrol, Imperial Sir Dean was presented with his swagger stick, which contained on it notation of all of Imperial Sir Dean's years in both Shrinedom and in Masonry from the beginning all the way to the present time as Imperial Sir . . . (Applause)

NOBLE IGLESIAS: And now it is my pleasure to call upon the Illustrious Potentate of Lu Lu Temple, Albert G. Kammerle, for a presentation.

ILLUSTRIOUS SIR ALBERT G. KAMMERLE [Potentate, Lu Lu Temple]: Imperial Sir Jack, it is my pleasure, on behalf of the Nobles of Lu Lu Temple, the Nobles of Irem Temple and, as well, Lu Lu Temple's Cabiri, to present you with a set of keys. We tried to bring this in

here and present it live but management would not allow it. So we hope you will enjoy this in health and happiness and togetherness.

This really means "happy motoring" and a new Cadillac or Lincoln of your choice. (Applause)

NOBLE IGLESIAS: Now, to make a presentation on behalf of the Cabiri, I would call upon Illustrious Sir James H. Shacklett, and I believe he has others to assist him here at this point.

ILLUSTRIOUS SIR JAMES SHACKLETT: You know, the members of our Cabiri had a difficult time trying to come up with an appropriate gift for Jack. We have watched him over the years, he has spent a lot of time in the Imperial Divan going through the various offices. He has likewise served on a lot of committees—the Iowa Budget Committee, the Mileage and Per Diem Committee and the Emblem, Regalia and Jewels Committee. You know, in relation to that last one, Jack really liked that committee.

You know, we used to love to hear him say, "Hey, that Fez is illegal." For example, during the time of this committee, we have watched all of the tassels get put on the left side and we have seen a lot of things happen.

Also, through the years, we have watched Jack so many, many times, being so busy, coming and going, going and coming and, Jack, I still think you have the same problem. Therefore, if you will turn around and face my friends, they have a little presentation to make.

I want you to know that this is the only one of its kind in Shrinedom.

... Whereupon, the presentation of doubly constructed Imperial Potentate's Five-Star Fez then ensued ... (Laughter and applause)

ILLUSTRIOUS SIR SHACKLETT: Now, Imperial Sir, when you wear that Fez, people will be able to see you whether you are coming or going and so, please have a great year. (Applause)

IMPERIAL SIR DEAN: You know, this is what happens when you put your brother-in-law in charge of Fezes. (Laughter)

At any rate, thank you so very, very much. (Applause)

NOBLE IGLESIAS: We are pleased to have with us today Noble Bruno Karnas, President and General Chairman of the Von Steuben Day Committee who, I understand, will be making several presentations.

NOBLE BRUNO KARNAS: Imperial Sir Jack, Imperial Sirs, Grand Masters, Nobles and Ladies: It is indeed a great honor and privilege to present these gifts on behalf of the City of Philadelphia's Mayor W. Wilson Goode; the Steuben Day Observance Association of Philadelphia and Vicinity and the entire German-American community.

This Liberty Bell is a symbol of freedom and Philadelphia is where America began.

... Presentation of Liberty Bell and applause ensued ...

NOBLE KARNAS: We hope that you will have room on your desk at Tampa Headquarters for this prestigious Liberty Bell which we all revere.

We are also proud to present this plaque to you which reads: "Presented to John W. Dean, III, by the Steuben Day Observance Association and the entire German-American community of Philadelphia and vicinity, for your outstanding contribution to the greatest ethnic parade in America, in which Lu Lu Temple and other Masonic bodies also participated."

... Whereupon, presentation of plaque and applause ensued ...

NOBLE KARNAS: Also, Jack, this Cross of Honor is the highest award presented by the German-American community for promoting German-American friendship not only in the United States of America but also in Germany.

... Presentation of Cross of Honor and applause ensued ...

NOBLE KARNAS: We wish you and your family all of the best for the coming year and, of course, Jack, Philadelphia is proud of you.

Thank you. (Applause)

IMPERIAL SIR DEAN: Thank you very, very much.

Now, for those of you that sort of wonder about what is going on, I have to tell you that I have served on this committee, which I think is involved with the largest parade in the City of Philadelphia, next to the Mummers Parade. I am sure that some of the Imperial Officers

and some of the rest of you may have seen this parade on television but let me say that Bruno has been the chairman of this event and has run it for a good many years.

Also, Lu Lu Temple participates in that parade and this may be a hint to some of the rest of you.

I made a deal with everybody that participated in the Steuben Day Parade. There were some forty guys involved, some of whom were Masons and some of whom were not Masons. I made a deal with them that I would get Lu Lu Temple to come into the parade because I was going to be Potentate that year, providing they joined the Blue Lodge, they joined the Scottish Rite and the York Rite and came on into the Shrine and I am proud to tell you, I got all forty of them and that is how we got in. (Applause)

Also, in relation to Elmer George, I want you to notice the tie he has on. That is an American-Canadian Grand Lodge tie. They were raising money for their Grand Lodge over in Germany and that takes care of all of our military men because it is a recognized, legitimate Grand Lodge. I was able to get a couple of those and I brought one back for Bruno and I have one and some other people also have one. As a matter of fact, I tried to get more but I just cannot do it. (Applause)

NOBLE IGLESIAS: And now I would like to call on Luther Arnold of Crescent Temple, Emeritus Board member of the Philadelphia Unit of Shriners Hospitals.

NOBLE LUTHER ARNOLD [Crescent Temple]: Imperial Sir Dean, I would like to present this check in your honor for Philadelphia Unit, Shriners Hospitals, to be endorsed back.

IMPERIAL SIR DEAN: Thank you very much.

You know very well that this is something that is deep down within my heart and I want to tell you, Nobles and ladies, those of you that are aware of our Donor Recognition Program, this Noble and his Lady have their name up on the wall at Shriners Hospitals for Crippled Children for the donations that they have made over the years and they have given in excess of \$300,000 to our Fraternity thus far.

Thank you very much. (Applause)

NOBLE IGLESIAS: And now, from the Royal Order of Jesters, Court No. 72, I call upon the Director, Noble Joe Reiter.

NOBLE JOE REITER: Imperial Sir Jack, it is a great honor to present this gift to you from Philadelphia Court No. 42, Royal Order of Jesters. Also, congratulations on your climb up the ladder to its highest rung in Shrinedom.

... Presentation of gift and applause ensued ...

IMPERIAL SIR DEAN: That is a beautiful gesture and I have to tell you I think it is appropriate because some of them have told me that it looks like me. (Laughter)

Again, Joe, thank you very much.

You know, you and I go back a long time. As a matter of fact, one year before you were playing in the Oriental Band, I was President of the Bucks County Shrine Club.

God bless you and thank you on behalf of Kay and I—thank you for this. (Applause)

NOBLE IGLESIAS: And now, Imperial Potentate-Elect Jack, I understand you have some presentations to make.

IMPERIAL SIR DEAN: You know, Lu Lu Temple is going to have a reception for both Kay and I when we get back home and I would like to announce, if anybody thinks that nothing unusual ever happens, that my son, John; my son, Warren; my son-in-law, Bob; my nephew, Jim Shacklett and also Dean Shacklett will receive, along with Ernie Lorenz and one or two of our other friends, will receive their Imperial Aide's Fezes at that time.

Lewis Lightenberger, his is in the mail. So is that of Tom Martin.

Now, Lew Lightenberger is not only President of the Southeast Shrine Association but, more importantly, he was born and raised right in the middle of our two funeral homes. He asked me, when I was a very young candidate, he came up and asked, "Do you have anything to do with those funeral homes?" I said, "Yup." He said, "Well then, you have my support" and he went out and worked for me. I then later asked him, "Why did I get your support so easy?" He said, "Because your great grandfather, your grandfather and your father have buried all of my great grandparents and everybody else in the family." You know, he did not care whether or not I had any qualifications or not but he just felt we must have done something right. (Laughter)

I would like to ask at this time, is Irv Renneisen here?

I would like to have Henry Collins, John Palmer, Chris Smith and John Kull come forward.

You know, I called John on the telephone one day and I said, "John, if you have any appointments to the Shrine of North America that you wanted, what was the one thing you would want to have?" He said, "The one thing that I want to be is that I want to be an Imperial Potentate's Aide." I considered that to be the greatest compliment that I ever received.

Well now, John, you have it. . . . Presentation of Imperial Potentate's Aide Fez then ensued . . . (Applause)

IMPERIAL SIR DEAN: John, now that you are my Aide, go out there and scrub this floor. (Laughter)

It is certainly a privilege for me to make this appointment and to have you on board. You are okay and I love you very much. You are now assigned to take care of Kay. (Laughter)

I would now like to get to Irv Renneisen, Hank Collins, John Palmer and Chris Smith. I would like to have you gentlemen come up here on the stage.

. . . Whereupon, these gentlemen presented themselves at the center of the stage . . .

IMPERIAL SIR DEAN: I believe I may have one of you up here without a Fez. I guess I will have to explain that.

He is a Noble but he just switched Temples and when he switched Temples, I asked him what his Fez size was and he thought I was going to buy him a Fez. (Laughter) Well, he is right but then he did not understand what I was talking about and so he does not have a Fez for his new Temple as yet, but he will in about two minutes.

However, I want to tell you that the first three—Henry Collins from Amara Temple; Irv Renneisen from Mahi Temple and Chris Smith from Lu Lu—they were ushers at our wedding. (Applause)

However, we do not know where our best man is. I am told, however, he belongs to the Order but we cannot find him.

Also, John Palmer was our ring bearer.

I would just like to say how wonderful it is for me to have this opportunity to present these Fezes to these fine Nobles. (Applause)

Now, Elmer George, do you want to come up here?

Elmer, it gives me a great deal of pleasure to appoint you as an Imperial Aide. That means, for example, you have to make sure and take care of me when I come over to Germany. Sometime I will find time to get over there and we will break bread again.

I have been over there about four or five times visiting them—not at your expense, at mine. (Laughter) I want to make that clear. (Laughter)

You know, the last time that I was there, the people who were supposed to set up the ball room did not do it. I believe I was Chief Rabban at the time and so Elmer and I set up all of the tables and chairs for the banquet. You know, we embarrassed them but it did not bother them because they just laughed and told us they had a bunch of suckers working there. (Laughter)

Is Lew Ort in the House? Lew is from Ali Ghan Temple and is the only guy in the history of the Shrine that was home in bed when he got elected to be Potentate of his Temple. (Laughter) Really, that is a true story and come on up here, Lew.

Now, then he went down to the Temple and when he got down to the Temple, he did not have a dues card and the fellows at the door did not know him and they would not let him in. (Laughter)

He is also the person who put up \$100,000 years ago, before I ever got on the Imperial Divan, when he proposed that we have an 800 toll-free number. Everybody said, "It will not work, we are not going to spend the kids' money for it." He said, "I did not ask you to, here is \$100,000, go try it." (Applause)

. . . Presentation of Imperial Potentate's Aide Fez to Noble Ort ensued . . .

IMPERIAL SIR DEAN: I might say that Lew also started and organized and keeps the Puerto Rican Shrine Club going. He has been Past President of it. He keeps the clinic going down there. When you come down to Puerto Rico, he puts you up in his house and takes great care of you but he will never pay a bill. (Laughter)

I would next like to have Walter Fitt and Eddie Herb come up here.

Those of you who were a member when I campaigned, you got into my hospitality room and you saw little Eddie. Well, he is still around. He now lives down in Florida.

Now, Walter Fitt and I have been friends, our fathers were friends. We belong to the same Lions Club, we ate lunch together every day for many, many years. We also flew airplanes together.

Now, there are some people who have doubts that I cannot fly an airplane but, you know, people just think that an airplane will not fly without gas. (Laughter) You know, when you have four tanks and one runs dry, you turn on the fuel pump and you hit the other one, providing it isn't drained first. You are over an airport and you need to glide down. However, that only happened to me a couple of times.

Walter thought so much of me that he and I and our wives flew Cherokee No. 6, with him navigating and me flying down to Antigua. It is 329 nautical miles from the Turk Islands over to Puerto Rico. If you do not think that is a long way to fly over water, then just hold your breath. (Laughter)

Fellows, it is great to be with you and it is now my privilege to make you an Imperial Aide and present you with your Fez at this time.

Now, I would make him, on the 17th also, but Walter lives down in Bradenton, Florida now. He came up and I have to take care of him this time.

Now, Eddie, I have you already working. Thank you very, very much.

Would Hugh Bailey and Merv Henning please come up here.

Hugh Bailey is our Housing Chairman, as many of you know, and Merv Henning is my Director General and we have their Fezes here.

... Presentation of Fezes to these two Nobles then ensued ...

IMPERIAL SIR DEAN: You know, these are two of the hardest working Nobles that I could ever have. They will do a great job for you in Orlando. We hope to see all of you there and, also, I am sure that you can expect great things out of both of them.

Merv is going to be doing it for a second time. He learned under Randy and this time he promises that we will not get rained out when we have the Imperial Potentate's Party. (Applause)

Oskar Huber.

It is a pleasure for me, Oskar, to give you the Fez of the Imperial Chaplain. You officially, of course, will assume your Office on Friday but I am presenting you with your Fez at this time.

You know, his father and my father used to drink a little bit once in awhile. (Laughter) Also, they used to serenade our mothers.

They would walk down from the Northeast Shrine Club after a meeting. My daddy was not a Shriner but they were up there for lunch but then would come walking down. I might add that Oskar never knew this story and I told his father one day, but they would stand outside and they would sing and my mother would stick her head out of the window and she would say, "Yes, John?" Dad would say, "Mama, Oskar is drunk and I have to walk him home." (Laughter) So they would walk five or six blocks down to where the Hubers lived.

I might add that there was a third party involved in this. He was a baker and it would be meaningless to you. They would get down there, however, and they would serenade Mrs. Huber and when they serenaded Mrs. Huber, the next thing that happened, she would stick her head out of the window and Oskar would say, "Mom, John's drunk, I have to walk him home." (Laughter)

The three of them did this all around the Lawndale community until they sobered up and many times they went to work that way. (Laughter)

You know, it used to be one of my mother's favorite stories, for those of you that knew her.

Oskar, it is a pleasure to have you with me. He was my Oriental Guide when I was Potentate. We have been friends and traveled a lot of places together and I look forward to having a great year with you. (Applause)

Let me say that the fellow who put this Pageant together is my brother-in-law, Jim Shacklett. You all, I am sure, heard that big, deep voice and over the years he has been Past Chairman of our Hospital Board in Philadelphia, he is a Past President of the Masonic

Home of Pennsylvania and, as a matter of fact, he is a Past "Little Bit" of everything. Further, he has been pretty active in a lot of organizations and he is the only American that holds an office in—well, what is the name of that printing society? However, it is an international printing society that makes all the labels that you ladies use on your pharmaceuticals and on your cosmetics. Anytime you turn around, that is the National Label Company that is making those.

However, he has always been good at giving me a lot of advice and so I put him in charge of this Pageant. I figured the whole year I was Imperial Potentate, I would receive more advice—I have gotten it all the way up the Imperial Line; he was my Assistant Rabban when I was Potentate and I received it then; I received it all my life—ever since he married my sister, and they got married six months after us and they are copy cats because we had a boy, they had a boy; we had a boy, they had a boy; we had a girl, they had a girl and then my sister, about four years later, called Kay and said, "I am going to have a girl, I have always kept you company." Kay said, "You are on your own." (Laughter)

However, Jim, so that you can properly give your advice to me during this particular year, I am taking the liberty of appointing you "Chief Imperial Advisor" so that you, in turn, can give all of the Imperial Officers all the advice you want. However, whether or not you are going to get anybody else to take it, that is another thing but you have official authority to do it.

... Whereupon, a new Fez was put on the head of Noble Shacklett denoting the Office of "Chief Imperial Advisor" ... (Applause)

NOBLE SHACKLETT: Imperial Sir, your first piece of advice is to have a damn good time this year. (Applause)

IMPERIAL SIR DEAN: Is Imperial Sir Gene Bracewell here? Imperial Sir Gene, will you please come forward.

... Whereupon, Imperial Sir Gene Bracewell approached the podium ...

IMPERIAL SIR DEAN: You know, some of you do not know that he is superstitious. As a matter of fact, he is very superstitious. (Laughter)

You know, at one time, I purchased a brand new tie and when I purchased that brand new tie, I had it on at work for the first time and on one occasion, we got down to what the Imperial Divan calls a "holding pen," where you assemble before the Marshals take you where you are supposed to go later.

Well, he looked at that tie and he said, "Damn, I like that tie—can I borrow that because I am going to have some pictures taken as Imperial Potentate?" I said, "Well, yes, you can." When I took it off I said, "It is yours, keep it." You know, every time he had a problem, he wore that tie.

Gene will tell you that he wore that tie for years and every time he had an interview in relation to that series of articles that was written by the surreptitious paper, he wore that tie so that he would be sure that he had his luck. (Laughter) Well, eventually, his luck ran out because the tie wore out. (Laughter)

Gene, you are not going to believe this because I did not believe it, either—partner, you cannot wear this until after Friday but there is an exact duplicate of that tie. (Laughter) I could not get two and so I want you to know it is breaking my heart because I love this pattern but we are both going to have a good year.

... Presentation of tie and applause ensued ...

IMPERIAL SIR DEAN: With that, ladies and gentlemen, I do not want the Pageant to continue on and on. I just would like to say thank you to my family and to our Temple for the beautiful flowers that they have given to us.

I would like to say "thank you" to everybody that has helped to make this Pageant such a great day for both Kay and I.

You know, there are only so many words that you can say at times like this but I have come a long way in what seems like a year or two. I told the rest of the Imperial Officers that before they will know it, ten years has gone by and you are up here.

I just want to promise you we are going to do all we can to make the sun shine strong. We are going to do everything we can to make your dreams come true in 1992 so that our Fraternity will grow, our Philanthropy will grow and our relationships with all other bodies grow closer and stronger together.

Thank you very much. (Applause)

Next to my children and the grandchildren, this (indicating Kay) is the light of my life because, without her I would not be here.

If you go back into the records of the Imperial Council, you will find that when I got elected I thanked the 657 Nobles that voted for me, because I got 658 votes and I voted for myself. (Laughter) However, the rest of them voted for Kay.

Thank you so very, very much. (Applause) We look forward to being with all of you during the coming year.

NOBLE IGLESIAS: Imperial Sir Jack, many members of Lu Lu Temple who have traveled a great distance to be part of this glorious day are lined up for your inspection. Therefore, without further ado, may I present the units and clubs of Lu Lu Temple.

... Whereupon, the various units and clubs passed in review before Imperial Sir Dean ...

NOBLE IGLESIAS: These, Imperial Sir, are the units and clubs of Lu Lu Temple. (Applause) This will close the program for the Pageant. We thank you all for attending.

I would now call upon our Imperial Chaplain-Designate, Oskar Huber, for the Benediction.

NOBLE OSKAR HUBER: May we all rise and uncover, please.

Supreme Architect of the Universe, we have come to learn. You have created Imperial Sir Jack and gracious Lady Kay to lead our great organization to higher steps of recognition and success. Bless them and keep them strong. Guide us to help them now, in a very special time in their lives.

We give You thanks for permitting us to be able to share this part of their life. Keep us humble and in harmony to enjoy the fruits of our labors. Amen.

... Whereupon, at ten-fifty-five o'clock a.m., the Pageant Ceremony was concluded ...

MORNING SESSION WEDNESDAY, JULY 3, 1991 ELEVEN-TWENTY O'CLOCK A.M.

The One Hundred Seventeenth Annual Session of the Imperial Council was reconvened in the Grand Ballroom of the San Francisco Hilton and Towers Hotel, San Francisco, California, at eleven-twenty o'clock a.m., Imperial Potentate Joseph P. Padgett, presiding.

IMPERIAL POTENTATE PADGETT: Nobles and Representatives, will you please take your seats.

I declare this Annual Session and Annual Meeting reconvened.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE PADGETT: Now, while we are waiting here, I would like to call on Imperial Sir Everett Evans for a report.

IMPERIAL SIR EVANS: Thank you, Imperial Sir Joe.

Imperial Sir, Imperial Sirs, Representatives and Nobles All: At this time, I would like to recognize the 1991 Dromedary Award Winners. These awards are presented for Temple efforts in relation to their individual publications, newsletters and what have you.

Let me give you a little bit of background concerning these Dromedary Awards and then likewise present the Dromedary Award winners and the Honorable Mention Awards.

Publications were categorized by type of publication and size of Temple membership. There were three types of publications:

1. Newspapers
2. Magazines
3. Newsletters

There were four categories of Temple membership, with approximately the same number of Temples in each membership category. The four membership categories were:

- A. From zero to 2,000
- B. 2,001 to 3,500
- C. 3,501 to 5,500
- D. 5,501 and up

We allowed for twelve top Dromedary Awards—one for each type of publication and each

Temple size. For example, Category 1A (newspapers, Temple membership under 2,000 members), Category 2B (magazines, membership between 2,001 and 3,500), and so forth, all the way to Category 3D (newsletters, membership over 5,501).

The judges, an impartial panel of public relations professionals, graphic artists and journalists from the Tampa Bay area, scored publications on a rating scale from 1 to 5, with a score of 3 being "satisfactory." There were top winners (Dromedary Awards) in all of the twelve categories. The winners in all cases received the highest score in their category, and all had scores higher than 3.

There were an impressive forty-three Honorable Mention Award winners—publications that received high marks but were not the top scorers in their categories. (All Honorable Mention Award winners received scores higher than 3.)

IMPERIAL POTENTATE PADGETT: Thank you for your report, Everett.

Now, gentlemen, we still have not received the ballot results as yet and so, what would you suggest we do?

For example, do you wish to proceed with other business or shall we go to lunch at this time?

. . . Cries of "go to lunch" . . .

IMPERIAL POTENTATE PADGETT: Well, apparently the sentiment is that we not wait but that we recess for luncheon at this time. Therefore, that is what we will do.

I will then declare this meeting recessed until one-thirty p.m.

. . . The One Hundred Seventeenth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at twelve o'clock noon, to reconvene at one-thirty o'clock p.m.

. . .

AFTERNOON SESSION WEDNESDAY, JULY 3, 1991 ONE-THIRTY O'CLOCK P.M.

The One Hundred Seventeenth Annual Session of the Imperial Council was convened in the Grand Ballroom of the San Francisco Hilton and Towers Hotel, San Francisco, California, at one-thirty o'clock p.m., Imperial Potentate Joseph P. Padgett, presiding.

IMPERIAL POTENTATE PADGETT: Will you please take your seats so that we can get our Session started.

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE PADGETT: At this time, I will recognize Imperial Sir Ralph Semb for a special report.

ILLUSTRIOUS SIR SEMB: Imperial Sir, Imperial Sirs, Illustrious Sirs, Representatives All and Distinguished Guests: Before I get into this special report, as you may know, I did go to see the San Francisco Giants play the Houston Astros last night and it was a pleasure, believe me, to walk onto the diamond and then to pitch from the mound for the National League baseball team and represent each of you and the Shrine of North America, which is certainly a fantastic philanthropy.

Also, I brought back the ball I pitched to the catcher and at this time I would like to present it to Imperial Sir Joe Padgett.

... Presentation of baseball and applause ensued ...

IMPERIAL SIR SEMB: Again, I thank all of you, the entire Imperial Divan, for giving me this opportunity.

IMPERIAL POTENTATE PADGETT: Ralph, I would like to give this baseball back to you as a memento for you to keep. Of course, I do appreciate it and, of course, I appreciate your going there in my stead.

Thank you very much for all you did there. I do appreciate that, believe me.

IMPERIAL SIR SEMB: Now, continuing with my report, I hope that this microphone is on because I had a little problem with that vote we took yesterday afternoon when you elected me Imperial Marshal. (Laughter) I did not hear you when you voted (Laughter) and I am sure you did not have the enthusiasm that I have had for so long.

I was a little concerned by the reaction yesterday and, of course, we are all proud to be Shriners, is that not right?

... Cries of "yes" ...

IMPERIAL SIR SEMB: And we are all proud of our Philanthropy?

... Cries of "yes" ...

IMPERIAL SIR SEMB: Let us hear it once again.

... Further cries of "yes" ...

IMPERIAL SIR SEMB: You know, that is what we want to hear.

Also, Nobles, I want you to know that when I say what I intend to say up here that this is becoming a very, very serious consideration to us, our declining membership.

Now, I am going to give you some statistics that would show you that if we did make a change, that we could do it in a good, orderly fashion and, again, I want all of you to know that what I say, I say it because I am concerned about our future and the future of our Philanthropy.

Now, I would recognize, of course, the efforts that Imperial Sir Bob Bailey has put into his report that is in your packet concerning membership. I also express my appreciation to him for giving me the opportunity to present this report.

The report that I will be giving to you is in relation to the Planning, Education and Training Committee. However, I wish to give you the entire report as it was presented to the Joint Boards and to this committee when it met.

I welcome all of you to the 1990s and the threshold of the Twenty-First Century—a time of rapid, unpredictable, nerve shattering changes. Change, of course, is not a popular part of our vocabulary, particularly in the Shrine.

Now, let us all sit back for a bit and observe what Joel Barker has to tell us about change.

The name of the film that I am about to show you is "Discovering the Future, the Paradigm Effect."

... Whereupon, the above-indicated film was then shown to the Representatives ...

IMPERIAL SIR SEMB: [Slides]: Again, I say, welcome to the 1990s and the threshold of the Twenty-First Century.

Let me ask you not to be emotional but to put on the Fez of leadership of your respective Temples. Use your intelligence as I proceed on with this important information that I am planning on giving you.

For example, in the past, change has occurred at a very slow pace. We had the luxury, in the past, of making long range projections and doing strategic planning with some degree of certainty. However, today, the rate of change is accelerating exponentially, shifting so fast that it is tough to make even short term predictions accurately. In the future, exponential change will continue to occur everywhere.

Consider, for example, these statistics: In ten years, twenty times as many will be working at home. Fitness centers will soon be obsolete. You will exercise at home. Two career families will multiply. Current one-half of families are working; soon three-quarters will be two paycheck families. Also, those under twenty-five can expect to change careers every decade and jobs every four years, partly because you will choose to and partly because entire industries will disappear and be replaced by others we have not as yet heard of.

Today, for example, you can fly from one state to another just for lunch. Remember the overnight letter—the speed innovation of the 1980s—it is now used only when you are not in a hurry.

Further, those in the video business, be careful, because the fiber optics can carry 150 channels to your television set in the comfort of your home today. Just dial the phone and order the movie you wish to see, you will never need to leave home.

You have a twenty-four-hour shopping network, no need to go to the mall. You can shop for your groceries twenty-four hours a day and, at the gas station, you do not even need an attendant—just put the credit card in to the pump and the rest is automatic. People are on the move.

Now, let us look at this slide. It shows how, for example, the membership in the Masonic Fraternity has decreased since 1943, when 4.3 million was the peak. It has had a steady decline since that time and is now at approximately 2.3 million. The Shrine, on the other hand, continued to increase from 1959 to its peak in 1978, when it began to slip and the decrease has now slowed down to where we presently are at 746,000.

Please note, on the other hand, that there has always been quite a large number of Masons who have never gone into the Shrine. It has been that way from the time the Shrine was formed. There are a great number of Masons that just do not wish to join our Fraternity for whatever reason.

Here we see a quotation from Most Worshipful Brother Philip L. Hall, Past Grand Master of New Hampshire, Chairman of the Masonic Renewal Task Force at one time.

In one of his conclusions he says, and I quote, “The surveys conclude that which we have known for some time—membership in Freemasonry in the United States has been declining at a constant rate for more than three decades, and if the present rate of decline persists, our membership will be less than one million by the year 2010. The research surveys clearly show that American males who have indicated they might join the Fraternity will be looking for family involvement, social activities, relevancy in today’s society, and will consider the limitation of available time.”

Now, we cannot fix things simply by trying harder to do the same things that have failed to work in the past. Remember, even though we are a society of joiners, society has changed and will continue to change. The future belongs to those who decide to have the courage to make the changes and who welcome the unexpected.

Times have changed, have we? Can we? will we?

Now, let us get a little closer to our Temples. I have selected Temples from all over North America. These statistics are very startling to me. You are the leaders—who are you going to lead?

Al Azhar Temple, in 1971, had 2,398 members. Today they have 1,454, a thirty-nine percent decline.

Aleppo Temple had 15,330, they are now down to 11,333, a twenty-eight percent decline.

Al Kader, 6,786, down to 3,951, a forty-one percent decline.

Our Mother Temple, Mecca Temple, from New York City, 4,000 members in 1971, 1,375 as of the moment, a sixty percent decrease.

Also, mighty Medinah Temple, 20,256 members in 1971 and look at what it is today, 9,253, a fifty-four percent decrease.

Midian Temple, 8,220, almost thirty-one percent down at today’s figures.

So on it goes.

These statistics are really startling.

Also, I would like to have you look at our suspensions. They are on the rise as members find it not worth their while to retain membership in all of our organizations, particularly our older members. Our average age presently is around sixty-two years. Many are on fixed incomes.

Also, as our Temples decrease in membership, we must increase dues to maintain our expenses. For every ten percent we lose in membership, we must increase our dues ten percent and that does not even keep up with inflation. So you can count on the suspensions to continue to rise.

Now, let us look at the deaths over the past thirty years. They seem to hold around

22,000 per year with our average age at sixty-two, you can count on this number maintaining this average.

The next slide gives you a look at our overall losses over the past five years. The only good information here is in 1988, where we had a Membership Seminar under the direction of Imperial Sir John VerMaas in St. Louis. We are only months away from getting the results of our Membership Seminar held in St. Louis this past year.

Now, let us look at our creations. Note how they have been declining since 1973.

Also, on the next slide, we have our affiliations and, as you can note, they have had the ups and downs, more downs, however, than ups.

You know, "If it ain't broke, don't fix it," is bad advice in these troubled times. It is easy to succumb to the idea that we will enjoy the sweet sound of success indefinitely if we do not mess with it.

However, also please do not be deduced into believing that a better Membership Chairman could stop this decline.

Some of our past chairmen have been Imperial Sir Fred Morrison (1975); Richard Olfene (1976–1978); Dan Bowers (1979); Russ Anthony (1980–1982 and also 1985); Voris King (1983 and 1984); Burton Ravellette (1986); Tony Bukey (1987) and John VerMaas (1988) and, of course, Bob Bailey (1990). These leaders have been superb, have had great ideas and have managed only to keep our losses between 22,000 and 27,000 per year.

Now, with these slides and explanations fresh in your memory, let me tell you what some of our problems are.

We have experienced a loss of one-quarter million members since 1978.

The actual number of active working members decreasing to a point where Temple activities are hard to run by membership alone and thus necessitating outside contractors, cutting the net return on Temple activities.

Not only not enough active members to run hospital fund raisers, but because the average age of members is rising dramatically, it is harder to find people to volunteer at the hospitals and drive patients to and from our hospitals.

Also, as mentioned before, the average age of our members is now well over sixty, thus making it very difficult to populate units, Shrine Clubs, fund raisers, etc.

Statistics also show that the time allotted for an organization such as ours by the "modern man" is approximately five hours a month, and this would be for what we would call the peripherally active member. Obviously, the member who considers this to be his only pastime would spend more time and those who are more active in other pastimes might spend considerably less.

With this type of information, it is obvious that we need additional members simply to keep things going.

All of this leads us to a major problem and that is, with our system of leadership and our 191 Temples, we need a minimum of 1,337 members each year simply to fill the seven elected offices of each of our Temples, let alone the presidencies of our 3,000-plus units and 3,000-plus Shrine Clubs and other affiliated organizations.

Also, as our membership drops, the number of active members available to choose for these offices drops as well, thus creating the problem of finding qualified leadership.

Times have changes—have we—can we—will we?

If we, the leaders of the Shrine, can get excited about making a change, it will likewise stimulate our Temple leaders, because such excitement builds strong relationships and high morale throughout an organization. Inspired leaders can move beyond the problem into opportunities. Put some passion into your heart because, with passion as a base, perseverance comes naturally.

You know, Lou Harris did a poll for us some eight years ago. He also did one for us this past year.

Here are also a few slides that gives us some interesting statistics.

For example, here we have a slide concerning awareness of Shriners by age.

You can see, for example, in 1983 it was a total of, I believe the figure is, eighty-nine percent. And then it goes on to 1991 to ninety-seven percent.

In the age bracket of eighteen to twenty-nine, in 1983 it was seventy-eight percent and it is now down to seventy percent.

You can see the various statistics up there, such as in the age groups of thirty to forty-nine. There, in 1983 it was again ninety-two percent that was in the fifty-four to age sixty-two group and then it dropped to a ninety-one percent decrease.

Here we have a slide indicating, for example, the awareness of Masons by age. Those are individuals who have heard of the Masonic Fraternity. In 1983, for example, it showed eighty-three percent; in 1991 it went down to seventy-five percent.

Also, you can see the various age groups and the one that obviously is concerning us is that young group, as well as the older group. They are declining.

For example, from the surveys taken in 1983 to those presently taken this past year, it shows a general decline.

Here we have another slide, again, in relation to the two age groups and the percentage of Shriners, January, 1991 have heard of us. In the age groups of eighteen to twenty-nine, for example, seventy percent and so on.

Statistics have numbers.

Here, next, is a 1983 study, Shriners and Masons were neck and neck in relation to awareness, with the Shrine having a slight edge. Today, however, Masonry has fallen further and faster. For men age eighteen to forty-nine, for example, it is less than one-half who consider themselves familiar with Masons versus some sixty-three percent in relation to the Shrine. However, among men between the ages of eighteen to forty-nine, the key target group in relation to both organizations is that Masonry has lost seventy-one percent concerning awareness and the Shrine has given up only from four to eight percent.

Men between the ages of eighteen to forty-nine also are becoming less likely to have heard about the Shriners than they were eight years ago. They dropped only four points, from eighty-four to eighty percent.

Again, a startling trend because this segment of the population is a prime source for Shrine membership.

For example, seventy-nine percent of those age sixty-five and over is down ten points from eighty-nine percent.

The story here is that Masonry is declining in recognition and public esteem. Again, these statistics come from a Lou Harris poll that was just taken.

You know, the biggest risk we have is not to take a risk. We want, heck, we need, risk takers in this organization. Even if risks do not work out, at least we will know these are the kinds of people that we need if the Shrine is to succeed. Those just putting in time and going through the motions of being a leader are holding us back. Change that worry to anticipation.

Again, I say, if it ain't broke, break it. (Laughter) The leaders of the Shrine's future must be creators, not responders.

Break it thinkers know that the future is not invented—it is shaped by people with vision, courage and wisdom to think beyond the boundaries of the known.

For the Shrine to succeed, your leaders must provide guidance, direction and inspiration, especially in these tough times. Those who will lead us into tomorrow cannot be playing it safe in relation to resting on their laurels but must be bold and daring and constantly looking outside to the horizon, seeing beyond the present.

Where else might we look? Well, how about our hospitals. Here, for example, is a slide of expenses from 1959 to the present day. For example, in 1959, we were about \$7 million but look where we are today. Look at what is expected for this coming year. For those of you who cannot see this slide, the figure is close to \$350 million. This is rising like a patriot missile.

Here is a slide of the new monies received into our endowment fund. Again, last year showed a slight decline.

And another slide of some of the monies collected by gifts and by capital gains. Although we never know where the money that is willed or bequested to our hospitals comes from or even why, we have to be concerned with our ability to exhibit ourselves to the public in parades and other ways. However, like everything else, our parades are getting smaller and fewer men are marching. Our older members that we continue to ask to volunteer on committees and fund raisers and to march are beginning to say, "no."

Men who are out putting the Shrine on parade so that people recognize the Red Fez and the Philanthropy we strive to support, are weakening at an alarming rate.

The Harris poll showed you that we are losing recognition. You know, I worry about our ability to keep our hospitals in the state of the art condition without new members and new ideas.

Last year alone, we had a \$78,000 drop in the per capita tax. Initiation fees were down \$5,000. Interest in the Iowa Corporation was down approximately \$100,000. Bequests were down on the hospital side approximately \$90,000.

Again, times are changing, can we, will we?

Further, public relations or marketing the Shrine is very difficult because of the many restrictions placed upon us. Where can you have so much fun doing so much good?

Again, if it ain't broke, break it. Your committee studying the future of the Shrine has proposed legislation asking you to allow us to take that risk of recruiting our own members should we ever descend below 700,000 members. I ask you again, you, the leaders of the future of the Shrine, it is in your hands. Your challenge of our future of the Shrine is in your hands, as well as Shriners Hospitals for Crippled and Burned Children. Again, times have changed, have we?

You know, we are a nation of joiners. There is absolutely no reason why the Shrine, with its dedication to the crippled and burned children of the world, cannot attract an adequate base of membership. Other fraternal organizations, such as the Moose and the Knights of Columbus have increased their membership over the past four to ten years. We can double our membership in two years but the biggest obstacle is not the person on your left, or right, that is right, it is you.

In my presentation to the committee, I had asked to set the number at 740,000 members. Your committee wished for the number to be 700,000 in order to give us a chance to see if our membership programs, under the direction of Imperial Sir Bob Bailey, would keep us above the figure of 700,000 and if it did not, we would be ready to make any changes necessary.

Again, times are changing. Are we? Can we, will we?

In the final analysis, Nobles, it is in your hands.

Again, thank you, Imperial Sir, for allowing me to bring this report to the Representatives of the Imperial Council. Again, I thank you for the use of the hall. (Applause)

IMPERIAL POTENTATE PADGETT: Thank you very much, Ralph.

I will now recognize Bill Buckaway for a report from the Jurisprudence and Laws Committee on items 5 and 6, which are located on pages 20 and 21 of the Call for the Annual Session.

NOBLE BUCKAWAY: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Items numbered 5 and 6 which are located on pages 20 and 21 of the Call for the Annual Session of 1991. These are proposals to amend Articles 23 and 10 of the Bylaws of the Imperial Council, an Iowa Corporation. The proponents of Items numbered 5 and 6 met with the entire Jurisprudence and Laws Committee on June 29, 1991 as requested by the Imperial Potentate. As a result of this meeting the proponents of Item number 5 will be making a request for the withdrawal of their proposal and the proponents of Item 6 wish to strike their proposal and substitute, in lieu thereof, proposals 6(a) and 6(b), copies of which have been handed to each Representative. The substitute items have been numbered 6(a) and 6(b) for easy reference as they relate to the original Item 6 on the Call. Once they have been substituted, you will be asked to vote on them independently.

Item 6(a) reads as follows:

((THIS AMENDMENT TO TAKE EFFECT UPON CERTIFICATION BY THE IMPERIAL POTENTATE THAT THE MEMBERSHIP OF THE SHRINE OF NORTH AMERICA HAS DECLINED TO LESS THAN 700,000 MEMBERS.))

Item 6(b) reads as follows:

ARTICLE 10

Principles of the Order

§201.1 BROTHERHOOD. Shriners are brothers. We share a common creed and common goals and values.

§210.2 CREED.

Shriners believe in God and that He created man to serve His purposes, among which is service to others in His name. We believe that care for the less fortunate, especially children who suffer from burns and crippling diseases, is our institutional calling.

We are patriots, each willing to serve his country with fidelity and courage. We cherish independence under the law and freedom with responsibility.

We honor family. We respect our parents, wives and children. We should instill in our children the tenets of this creed and the heritage from which it emanates.

As individuals we pledge ourselves to integrity, virtue, and nobility of character. Our intentions will be honorable, our relations will be trustworthy and our spirits forgiving of each other.

As brothers we offer each other fraternal affection and respect. Together we will support each other in adherence to this creed, so that we and our communities will be the better because of our fraternity and its principles.

As Shriners we look beyond ourselves to serve the needs of others, especially children who cannot help themselves. We believe Shriners Hospitals to be the world's greatest philanthropy, and we covenant with each other to support its "temples of mercy" with spirit, time, talent and means.

§210.3 GOALS. The goals of the Order are purely fraternal and philanthropic.

§210.4 VALUES.

(a) The Shrine is a distinctly private organization.

(b) Its members cherish their right to privacy, freedom of expressive association and freedom of intimate association.

(c) Its members have control over the internal governance of the Order.

(d) Their Temples are not to be operated for profit.

(e) Membership in the Order may not be used to further business, political or sectarian ends.

§210.5 SELECTIVITY. Nobles are to be recruited and selected from candidates who believe in the creed, goals and values of the Order. These common beliefs will foster harmony in our internal affairs and in all our undertakings.

§210.6 OBLIGATION. All Nobles must abide by the principles of the Order as set forth in this Article 10.

The committee reports that the proposals are in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

Imperial Sir, if there are no questions or comments on this report, in order to bring the substitute proposals before the Imperial council for consideration and with the consent of the proponents of the original items, I move that we strike out item 6 of the Call in its entirety and that we substitute items 6(a) and 6(b) in lieu thereof.

IMPERIAL POTENTATE PADGETT: At this time, Nobles, I would bring to the microphone our General Legal Counsel, Ted Corsones, to explain as to what we are doing here and answer any questions if there is any confusion.

NOBLE CORSONES: Thank you, Imperial Sir.

Nobles, what is being asked, first of all, is strictly procedural and that is to substitute 6(a) and 6(b) which you have, I believe, in your hands; in lieu of item 6 as indicated in the Call. In relation to this vote, you will just be substituting item 6(a) and item 6(b) so that you can consider it and talk about it and discuss it.

That will be by voice vote to substitute.

Now, assuming that receives the majority vote as required of a substitute, then we will start discussing items 6(a) and 6(b) independently. In other words, these items will be voted upon separately and independently. You will start with item 6(a), when the time comes and it will be done by written ballot.

Is that explanation satisfactory to everybody?

Are there any questions or comments?

If not, thank you for your attention.

Now, just a moment, somebody asked as to what about "(b)"?

Well, as you know, item 5 is being withdrawn. Then items 6(a) and 6(b) will be voted on independently, one at a time.

IMPERIAL POTENTATE PADGETT: Are you ready for the motion to substitute?

All in favor indicate by saying aye; those opposed. There were several no votes but I will declare it to be carried.

I will now recognize Imperial Sir Ralph Semb for an appropriate notion.

IMPERIAL SIR SEMB: Imperial Sir, Imperial Sirs and Representatives: I would not like to make a motion that item 6(a) be adopted.

... The motion was duly seconded ...

REPRESENTATIVE: Imperial Sir, a point of order.

You know, two or three of us have been concerned about the form of the motion to adopt provision 6(a) because, as we understand it, it will call for the repeal of certain sections that are already in the Bylaws but they will not be repealed until the condition for the enactment of this particular proposal is met.

Now, in order that we do not get into problems in the future with that concern, we suggest that you include in your motion for adoption specific provisions having to do with the present Bylaws continuing in effect until this takes effect, until the certification is made, so that the record of this proceedings will be accurate when others turn to it in the future to attempt to solve the problems they will have.

IMPERIAL SIR SEMB: Imperial Sir, that is exactly what I thought I said. (Laughter)

That is now my motion, Imperial Sir.

... The motion was severally seconded ...

IMPERIAL POTENTATE PADGETT: I believe that is clear to everybody, is it not?

I will again recognize Imperial Sir Ralph Semb.

IMPERIAL SIR SEMB: Thank you, Imperial Sir.

Again, my fellow Representatives, I can only relate back to the presentation that I previously made to you. We have been studying this long and hard and we need from you a number, a goal, if you want to put it as such, that we can all try, through our Membership Committees and Seminars to accomplish.

Now, however, even with all of the energies that we use, we just cannot keep our membership from declining and, that being the case, we need to have a triggering device that will push us into the future.

Now, I am sure that all of you, in relation to your individual Temples, know the problems we are having with membership but then those on your Membership Committee and those in our Temples need that number we mentioned, 700,000 and, further, I again want to advise you that we need a little bit of time to be able to go to our Nobility and let them know that we need to keep funding our hospitals and our Temples; we need more members to continue to be on parade and displays so that the general public, in turn, will be aware as to what the Shrine actually is and what it stands for.

You are the leaders. You are going to have to tell me and also the rest of the Imperial Divan what you want us to do.

As I stated to you earlier, I initially only gave you the facts and figures and I will do whatever your command and wishes are. However, again, the future is in your hands.

I think you must consider it. You know, the time when we will be in really serious difficulty is not very far away. Questions have been asked as to how long—maybe perhaps a year and a half or two years.

Also, if we go above 700,000 members again, we cannot continue on unless you voting delegates want to change it back.

We have had a great Session here thus far and I will be happy to answer any questions that I can.

IMPERIAL POTENTATE PADGETT: Thank you, Ralph.

Is there discussion?

Let me go over here to my right.

REPRESENTATIVE: Imperial Sir, I have a question for clarification.

For example, in Section 6(a), where it talks about suspension or remission, it states, for example, that a Temple may not carry a member on its books for more than two years. Will this preclude a Temple from just suspending at the end of one year whom they choose?

... Cries of "no" ...

NOBLE CORSONES: There is no change. That is what it presently states and will continue to state.

NOBLE R. J. ALEXANDER [Mahi Temple]: In Section (c) under "Investigation," it states here that the Investigating Committee report shall be read to the Temple immediately prior to the time that the petition is presented to the Temple for consideration.

Let me ask, is that on the petitions that have been approved by this committee, or would we be liable if these committee reports were read to the entire Temple?

In other words, I am asking you, as people sitting in the Temple, if there were something derogatory about that investigative report, would the person making this report to the Temple or the Shrine be subject to perhaps liable?

NOBLE CORSONES: The answer, of course, is that anytime anyone says something derogatory, it depends on what he said. There is no difference in our procedure from what it is now.

We often have reports made to the Temple and, when that happens, we must always be guarded in what we say against our fellowman.

The report would come in, as it is envisioned, whether it is favorable or unfavorable. That is the purpose of the Investigating Committee and, further, it envisions that this Investigating Committee do a very thorough job so that it could help the members in their deliberations.

NOBLE ALEXANDER: In other words, we would not be liable.

As it is now, we read the petition, the candidate's name and the two people that signed for it and that is the extent of it.

NOBLE CORSONES: The idea of the report is to gather all the facts and the reports come in and they either indicate "favorable" or "unfavorable."

NOBLE LEWIS COOK [Ararat Temple]: Imperial Sir, I am against the issue.

I suggest to you and to all the delegates and Nobility here that was a challenging presentation but, on the other hand, I believe that the Representatives here owe it to themselves and they owe it to their Nobility to be able to challenge them and to look at it, examine this proposal thoroughly and carry back to them what has been presented here.

I believe deep in my heart that the Nobility that is represented here can and will rise to the challenge to retain the fellowship that has been built on the foundation of Blue Lodge Masonry. I also believe, deeply and unequivocally, that they can market this Fraternity from the Blue Lodge through the York Rite and Scottish Rite and Shrine but I am aware that each of us needs to be reminded that we have been challenged previously and it is obvious from what has been presented here today that we have not accepted the challenge. We have declined to come into this century.

Many of us are still struggling at the Grand Lodge level with the idea we cannot invite people to become Masons—we do not actively solicit and promote. These are things, on the other hand, that we should be doing.

This Fraternity, I would suggest to you, is not just for us but it is for the future and if we are going to have the future as we have been challenged here today, then we have to reach out and extend the invitation to share with others. (Applause)

Illustrious Sirs, I would suggest that there is a body of knowledge that has been done several times in recent years indicating that those people between the ages of nineteen and forty have a resistance to any formal organization. That has been documented in relation to several surveys including, Imperial Sir, by the Harris poll. I think it is an area that we need to look into.

I would move, sir, that this proposal be laid over for a year to allow us the opportunity to take it back, to study it and discuss it and to get the reaction of each individual Temple and to see if we cannot accept the challenge.

... Cries of "no, no" ...

NOBLE CORSONES: If I may respond, Imperial Sir, let me indicate that, first of all, it cannot be laid over for a year. This is a proposal that was in the Call for the Session. This Session closes on Friday and so it cannot be laid over for a year.

Now, also, the Parliamentarian has indicated to me to explain to you, which I will do, that it can be placed on the table but cannot be laid over for a year. That is a partial answer, at any rate.

Therefore, if you so desire, you can make a motion to lay on the table.

IMPERIAL POTENTATE PADGETT: Let me say, that any comments you make, I would appreciate it if you would make them brief, attempt to keep them brief.

We will next go to the microphone over here (indicating).

NOBLE BURTON RAVELLETT [Sahara Temple]: Imperial Sir, I just have a question and the question is of a technical nature.

In relation to the 700,000 figure, for example, how is it counted? Is it, for example, counted immediately as we go through the year in relation to membership—is that being certified at the end of the month or year?

IMPERIAL SIR SEMB: If I may, Imperial Sir, that would be certified after each Temple had submitted their annual report, which would be at the end of the year, on December 31, and then it is recognized by the Imperial Recorder and the Imperial Potentate.

IMPERIAL POTENTATE PADGETT: We will go over to the microphone near the center.

NOBLE J. M. TYSON [Abba Temple]: Imperial Sir, Illustrious Sirs and Representatives—

IMPERIAL POTENTATE PADGETT: Let me first ask you, before you begin to speak, are you pro or con?

NOBLE TYSON: Imperial Sir, I am "con" at this point and maybe I will be "pro" later. (Laughter)

IMPERIAL POTENTATE PADGETT: Well, you know, that tells me nothing, but please proceed.

NOBLE TYSON: All right, sir.

I am unwilling, today, to vote to separate the Shrine of North America from masonry on the spur of the moment. (Applause) Also, I am not willing to see an action to follow our hospitals to become in jeopardy and lose, in turn, this great Philanthropy. By no means am I for that. (Applause)

Also, I am unwilling, on the basis of a very nice presentation, to blame all of our troubles on a few autocratic Grand Masters in a few jurisdictions around these United States.

I think in most jurisdictions, the Grand Masters wear a Red Fez and have found that the Twentieth Century has indeed arrived.

Also, most of these jurisdictions have seen the same film that we have seen and they wish to do something about the reversal of the trend of dropping out of everything.

To me, the key phrase in that film that was so nicely shown was that we have to reach to families and young people. Our Temple has no real program for young people. Also, many of the other Temples do not.

Also, I have seen nothing come from the dais up there with all our great leaders up there to develop a youth program nor for the Shrine of North America to reach out to the community.

I see us being noticed as a group of old people with a funny hat on our heads but then, again, that is our fault. Times change and we must change with them.

You know, when I was twenty-one years of age, I asked for leave from the United States Navy, at which time I was flying a fighter plane. I could get into one then. (Laughter)

However, at that time, I could not wait to hand that petition to my father and indicate I

wanted to be a Mason. I also have two sons who handed me petitions the other day. One is thirty-eight years of age and the other is thirty-five. That will give me five altogether.

I thought that all the activities that I had done in connection with my activities involving the Shrine that it, in turn, would sway these young people. However, some of them I approached barely knew what Masonry and the Shrine stood for.

So with this great publicity that we have and these other innovative things, it seems to me we do not want to have a sword hanging over ourselves, etc., and saying that lack of cooperation has been the cause of our demise.

Now, I am sure that if we do not begin to get busy, next year, when we meet again, that same plan or a similar plan will again be presented and the problems will still persist.

I would suggest that all of us reexamine every possible Brother we have at the local level, reach out to those families for involvement—reach out to these thousands of young people and get them involved and in relation to a community where they need involvement.

Now, today I will vote “no” on this but then who knows what will come in the future? I will pledge my support, however, to the Shrine forever.

IMPERIAL POTENTATE PADGETT: Gentlemen, I have been attempting to hold you to five minutes. However, now, in view of the discussion we are having, I would suggest that we cut the time down to three minutes. I think we can get it done with even three minutes. Also, let us endeavor not to repeat anything that has already previously been said.

Therefore, if there is no objection, we will leave it at three minutes for each speaker.

Let us go to the microphone over here (indicating).

NOBLE JOHN CLYBURN, JR. [Salaam Temple]: Imperial Sir, Imperial Sirs and Representatives, I choose to approach this on a little different angle.

Let me say that I am in favor of separation on certain conditions. What we have here, gentlemen, speaking about separation, I do not necessarily see this as a separation.

You know, when I was inducted into Salaam Temple, I knew that Shrinedom was a window for Masonry. Also, at that time, I believed that the gentleman that I was associated with, really understood what Freemasonry was. At that time, we also believed that when you put a Fez on your head that you were likewise, at the same time, putting an apron around your waist.

I think, in order to progress here in numbers, if you take these people in as Shriners and they are non-Blue Lodge members, you are going to have to take them with you into the Blue Lodge. Sincerely, I believe that by this proposal here, we can take them in and we can get them into the Blue Lodge. I believe there would be acceptance of this by the Grand Masters and I think it can be done.

Thank you very much.

NOBLE L. E. ELMORE [Arabia Temple]: I have a question and a statement, please.

My question is this—why did we elect, as a prerequisite, to drop out the belief in God? That is my question.

Further, my statement is that according to our Grand Master of the State of Texas, today our membership in the State of Texas, in the Grand Lodge, is increasing, contrary to other reports. (Applause)

IMPERIAL POTENTATE PADGETT: Thank you.

IMPERIAL SIR SEMB: Imperial Sir, if I may answer the Noble's question regarding belief in God, let me say that in Article 210.2, which would be item 3 in 6(b), Shriners believe in God.

NOBLE ELMORE: Imperial Sir, if Shriners believe in God and they do not take part in the prerequisites as a belief in God, how do you reconcile that?

NOBLE CORSONES: Let me reply to that by saying that if you look at Section 210.6 concerning the Obligation, it indicates that all Nobles must abide by the principles of the Order as set forth in that Article. They must believe in God.

NOBLE ROBERT MARBLE [Tigris Temple]: Imperial Sir, Imperial Sirs and Nobles All: I have listened to Imperial Sir Semb talk up there and I guess I am a little confused because I woke up this afternoon, for example, and discovered that I am now “Mr. Average Shriner.” I will be sixty-two years old come October, which is my birthday, so I hope there are a few more of us out there.

However, I would like to make a couple of quick points.

One of them was that I had three Fraternal goals in life. One was to be a DeMolay, another was to be a Mason and a third was to be a Shriner. I am one of those fortunate people who, through time, has been able to obtain all of these things.

I was fortunate enough to obtain top rank in the DeMolay organization as Master of my Lodge and I am now in the process of becoming the Potentate of my Temple. I guess I have to say that I am a Shriner because I am a Mason and I would hope that the rest of you are also.

However, I guess the big thing that I am concerned over is that I hope that those in favor of disassociating yourselves from Masonry do not, in the progress, relegate the Shrine to being another Lions group or Junior Chamber of Commerce or something like that in relation to our affiliation with the Masonic Fraternity because, after all, I do not think that is what we want to do. I am definitely against this.

NOBLE ROBERT ZEGARAC [Al Koran Temple]: Let me first say that I am a Past Potentate and presently Recorder of Al Koran Temple. Also, I am a nine-year Representative to this Imperial Council.

I believe that everybody is impressed with the program being presented by the Imperial Officers. However, I do not know if I can digest all of those charts, figures and numbers and, also, let me say that I do not personally agree with all of them but, on the other hand, I think one of the most important things I heard here yesterday was when Imperial Sir Dean complimented the Fraternal Relations Committee on an outstanding presentation. I, too, think it was a great job.

Also, in his comments he indicated that there definitely was a breakdown in communications at the Conference of Grand Masters.

I think most of us that were coming to this Imperial Session were looking forward to hearing some kind of favorable report concerning the Conference. Unfortunately, that did not happen.

There is one other thing that I have to say and this is in behalf of Al Koran Temple, and that is at our last meeting, which was on June 17th, items 5 and 6 in the Call were discussed at great length and the six Imperial Representatives were instructed to vote "no" in relation to both items 5 and 6. (Applause)

IMPERIAL SIR BRANTLEY: Imperial Sir, if I may, let me say, with all due respect, that an error was made in the fact that the program was not presented by the Imperial Divan—it was presented by a committee.

The second error made was that the Shrine Masonic Relations Committee made a statement that there was confusion in communication at the Grand Masters Conference. Well, let me inform you that the committee did not say that.

The committee emphatically stated, however, that the Grand Masters failed to pass the resolution.

Also, let me say that the committee did not feel that there was any confusion. As a matter of fact, we have the proceedings of the Conference of Grand Masters on film if anybody would like to come and see it. There was no confusion. I only want to set the record straight. Also, I did not want to have the impression left that the entire Divan was making this presentation.

NOBLE STANLEY DURBIN [Araba Temple]: Imperial Sir, Imperial Sirs and Representatives: I am a Past Potentate and presently Recorder of Araba Temple.

I speak in support of the proposal.

I am a forty-five-year Mason; a thirty-three-year Shriner and also very proud of my Blue Lodge.

Also, I am concerned about the fact that I see no indication in the Masonic Lodge or the various jurisdictions in North America to sit down with members of the Shrine and initiate some positive steps to reconcile our differences.

I think it is time to break this stalemate and step in any direction and, for that purpose, I would like to call your attention to an article written by our Legal Counsel, Ted Corsones, and published in the Shrine Newsletter, reading as follows: "In 1922, the Shrine of North America made a momentous decision for mankind, it opened its first hospital. At that time, it committed itself morally and financially to assume the burden of helping handicapped children to improve their lot in life by providing absolutely free hospital and medical care."

Many said that on that date the Shrine achieved immortality.

You know, what greater legacy can a Noble leave than to having made a perpetual contribution to the well being of a child?

Therefore, my fellow Representatives, I ask you to support this amendment.

IMPERIAL SIR SEMB: If I may, Imperial Sir, I would like to clarify something.

There was nowhere in the presentation I made that I said anything involving separation of the Shrine from Masonry and so please do not put that terminology in there.

In reality, you are looking at the financial future of our Philanthropy and as to where we are going to go.

Thank You.

NOBLE JAMES MOORE [Hejaz Temple]: Let me say that I am for this proposal.

I think, on page 3 here, we came to a figure of 700,000. Now, as I understand it, if we were to reach the 700,000 figure, am I right in saying that we would go ahead with the old law?

IMPERIAL SIR SEMB: That is correct.

NOBLE MOORE: It is on your shoulders and my shoulders. If you do not want it to take effect, it will not.

How many Temples in the various jurisdictions here have been able to bring in young people? What kind of programs do you offer to them? We cannot blame this on everybody else. It is our fault.

Do we, for example, go through the Blue Lodge and talk to them? Do we bring them out? This time last year, for example, Hejaz Temple came to you with a plan that had been in trouble in the Grand Lodge of South Carolina. At that time, you placed a heavy burden on Hejaz Temple. However, we took it and went back and carried it out.

Yesterday you voted again to put men back into Shrinedom. Some people have said that we have problems in the various jurisdictions. Well, I can tell you, that we sure do have problems in the various jurisdictions and, further, we are going to die if we do not have some support for the Shrine of North America.

The Shrine of North America is responsible to the hospitals, it is responsible to the children, it is responsible to the Brotherhood of Masonry, is responsible to the Brotherhood of man. It is us. We have been sitting here and talking all day long about what we are going to do. However, if we do not do it, it is not going to happen.

Gentlemen, we in Hejaz Temple are dying on the vine.

If you do not think it will not happen to you, well, just wait a few years.

There are too many principles by which we have to live and we have to support and it will come back to haunt you.

I love the Grand Lodge. I put on First, Second and Third Degree work—I put on the Second and Third Degree Lecture. As a matter of fact, I did one just two weeks ago.

I am not saying to separate—I do not want to separate. This is not saying “separation,” it is saying “growth,” it is saying “vitality,” it is saying “life.”

Gentlemen, in order to have life you are going to have to have growth. I tell you that as someone who has been where it has happened.

We have had two Ceremonials at Hejaz Temple. We have raised three candidates in two Ceremonials.

IMPERIAL SIR JONES: Your time is up.

NOBLE MOORE: I appreciate your time very much, Imperial Sir.

Thank you very much. (Applause)

NOBLE WILLIAM C. MISKOVIC [Almas Temple]: Let me say that I am the Potentate of Almas Temple in Washington, D.C. Also, every couple of years this has come up since I have been a Representative here.

I also heard Ralph Semb say today that we have to look elsewhere for the answer. Well, I think that a couple of years ago we gave him an answer. As a matter of fact, we voted unanimously to turn this same thing down where we dropped all of the prerequisites and now each year we come here and elect a Noble who is eventually going to be Imperial Potentate in a few years.

You know, I am against this because I was a Mason before I was a Shriner. However, the question that I would like to know is this—how many of our Imperial Officers, with the

exception of the Imperial Recorder and Imperial Treasurer, are in favor of this—because, in the last couple of years, when we had this same question come up as to whether or not to drop the prerequisites in relation to being a Shriner, there has been maybe only one or two Imperial Officers stand up and give their views.

Now, all of us are standing up here today as Potentates, Representatives and other Temple Officers expressing our views but, why do not you people up there with the stars on your Fezes stand up and be counted so that the rest of us know how you feel?

. . . Cheers and applause ensued . . .

NOBLE MISKOVIC: For example, Imperial Sir, why do not you start with the Imperial Potentate and go all the way down the Imperial Line and have them express to us as to how they feel about this issue? (Applause)

IMPERIAL POTENTATE PADGETT: Well, I see no objection to doing that.

. . . At this point, Imperial Sir Dean assumed the Chair . . .

IMPERIAL SIR DEAN: The Chair now recognizes Imperial Sir Joseph Padgett.

IMPERIAL POTENTATE PADGETT: Gentlemen, I made my remarks from the Grand Masters Conference. They said, for example, "If there is something to be done in the Shrine, let the Shriners do it. If they have the authority to do it, let them do it." They are suggesting we separate—not separate, but to divest ourselves of the prerequisites. That is all we are doing.

I am not going to give away my Masonic relations but, by golly, I feel that the Shrine should run the Shrine and the Masons should run Masonry. I have no objection to that. As a matter of fact, I do not think that anyone can have any objections to that. So I will say that I am for eliminating the prerequisites.

Thank you.

. . . Cheers and applause ensued . . .

. . . The gavel was then returned to Imperial Potentate Padgett . . .

IMPERIAL POTENTATE PADGETT: Now, while he is still the Deputy Imperial Potentate, I will now recognize Jack Dean.

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs and Fellow Representatives: If you want to know where I stand, I oppose 6(a). (Applause)

You know, I can stand here and give you reasons.

For example, we have a 700,000 number that is arbitrary—nobody came up with any reasonable basis upon which to do it.

This was brought up in the Imperial Divan. As a matter of fact, the Imperial Divan agreed and voted to take the number of 700,000 and when we reached that, to do an in-depth study as to where we should lead this Fraternity, if anyplace different.

We also have adopted a three-year membership program and based on that we said we would give Bob Bailey the appointment as Membership Chairman for three years to see if that program would work. In my opinion, he is entitled to those three years. He has two more years to see if it will work or not.

My problem, to tell you the truth, really was on the screen and Ralph pointed it out.

For example, look at creations. Creations used to be 40,000. Last year they were 12,800 or 13,000. They are in your book. Look and see where they are. That is a question of work.

Secondly, there is the matter of suspensions. They are way up. Why have we not done anything about them? How many Temples have suspension programs?

Also, when we talk about the problems with the Grand Lodges, keep this in mind—we have 191 Potentates, all of whom have egos. Also, we have thirteen Imperial Officers and a whole group of Past Imperial Potentates. Likewise, we have sixty-four Grand Masters who have egos and over the years, the quality of our Fraternity has declined.

As the quality of your Fraternity declines, ego rises and the flash point is down here instead of up here.

I will submit to you that I saw and heard at the Grand Masters Conference a program in Wisconsin that is addressing the problem of quality of leadership. It has started, it is working and I understand that at this point in time they have a seventeen percent increase in membership this year. Further, they are quality people.

It started in one Lodge and there they took in the Mayor, the City Council, the Bank Presidents and the leaders. If we can, for example, get back to where we were—where, for

example, if you went to the Lodge, you met the President of the bank and the Mayor and everybody else, we will be okay.

... Cries of "time, time" ...

IMPERIAL SIR DEAN: Thank you very much.

IMPERIAL POTENTATE PADGETT: You know, I think we can be all afternoon and the rest of the week debating this issue.

Would anyone like to call for the question?

... The question was severally called for ...

PAST IMPERIAL POTENTATE KISSELBURGH: Imperial Sir, I think this is a very important topic and I do not think that the Chair should shut off debate, that this should be argued as vociferously as we possibly can and be put to bed once and for all.

... Cheers and applause ensued ...

NOBLE LAMDIN: Let me explain Nobles, the Chair is not shutting off any debate. Debate will be shut off by the Imperial Council by proper motion, properly seconded and carried by a two-thirds vote. That is the way you shut off debate.

... The question on the motion was then severally called for ...

NOBLE LAMDIN: There has been a motion made for the previous question and it has been seconded. It takes a two-thirds vote to carry.

IMPERIAL POTENTATE PADGETT: Let me put the question.

All in favor of shutting off debate please signify by saying aye; opposed. Gentlemen, the motion to shut off debate did not carry and so we will continue on. (Applause)

... At this point, several cries were made for continuation of discussion by the individual members of the Imperial Divan ...

IMPERIAL SIR RAVELLETTE: Imperial Sir, I am ready to speak, if I am recognized.

IMPERIAL POTENTATE PADGETT: Gentlemen, whatever we do we will do in order.

Now, the floor is again open for continuation of the discussion we have been having and, if you wish, we will stay here all night, if necessary.

However, let me remind you that we have established now a time limit of two minutes per individual.

Now, with that, in reply to a request that the members of the Imperial Divan, if they so desire, express their feelings, I will now call upon Imperial Sir Burt Ravellette.

... Cheers and applause ...

IMPERIAL SIR RAVELLETTE: Thank you, Imperial Sir. It will not take me that long to say what I have to say.

I am going to vote against the motion. (Applause)

IMPERIAL POTENTATE PADGETT: I will next recognize Everett Evans.

IMPERIAL SIR EVANS: My Fellow Delegates, this is not the first time I have come to the floor. I have come here every time that we have discussed the matter of Masonry and Masonic issues.

However, I would like to tell you that I was called to Greenville, South Carolina, last year to examine a ballot box wherein a Grand Master had so incited the Masons there that they put in their own black balls, brought them along, put them into the box and, in the process, defeated some Shriner.

Likewise, I have seen people who were serving on the Greenville Board and good Shriners, have to make a decision on whether to serve on the Board or go and back up their Grand Master.

You know, to me, when you begin interferring with Shriners Hospitals, to which I have dedicated most of my life and am working for, you are beginning to make me rethink my position.

Now, I am not yet ready for separation, either, if that is what you call it. Personally, let me say that I have worked in Masonry all of my life. I am in the Scottish Rite, I am Chairman in my county, I still work with it but you are getting to the point of some Grand Masters arguing to the point of small men. That is making me, in turn, think it over.

I hope that this does start people to thinking. I am not going to vote for it, also, but this is it for me. We are going to have to get off of all of this and get down to business.

(Applause)

IMPERIAL SIR BUKEY: Imperial Sir and Representatives, I believe that the Shrine is the

greatest Fraternity in the world. On the other hand, I believe it is being stymied by lack of resources, lack of available candidates.

I believe that we have a program here that will appeal to the communities, in relation to which we can seek out good men who feel the way we do and build this great Fraternity, in turn, to where it really should be.

We should not allow this great Fraternity that we have to fall apart because we lack the courage to come to a definite decision about our future.

I support the proposition. I support the proposition on the floor. (Applause)

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs and Fellow Representatives: The Potentate of Almas Temple said previously that both the Imperial Treasurer and the Recorder were for this. He asked the question to have an explanation from the various Imperial Officers as to where they stood with the exception of the Imperial Recorder and the Imperial Treasurer.

Regardless of what the original intent was, however, let me tell you that I was a Grand Lodge Officer of the State of Oregon last year. I have worked about a third of my time this year for my Lodge. Also, my Grand Master is back there in the audience and I think he will verify that.

I will have to tell you, I am awfully close to what Everett Evans stated when he said, I believe these were his words, that some of these things that have happened this year have caused us to rethink our position.

As of the moment, I am opposed to 6(a) but I will also tell you that I am like the other gentleman over here, namely, that unless we do get some of these issues corrected, and I hope we will, that I shall always intend to remain a Mason and Shriner until I am kicked out of one organization or the other.

. . . Laughter and applause ensued . . .

IMPERIAL SIR VERMAAS: I would just like to state for the record that I have been a Master of my Blue Lodge on two different occasions. I have also worked in the Scottish Rite, been active in the Shrine and active in the Grand Lodge.

I have also worked hard for the Shrine in relation to membership. I guess the point at which I am at the present time is that I believe we have tried about everything we can and one of the reasons that this presentation was made and the only reason I supported it was to get it out on the floor and get it to bed.

Further, in relation to this consideration, you likewise have now been given time to do something to help us and the way it has been going, nothing has really happened, at least up to this point and, therefore, I think it is time that we all wake up and get something done. So that is where I am coming from.

I feel in the same position as do Webb and Everett. I guess I did not appreciate as to how our Grand Master from Nebraska got treated at his own Grand Masters Conference this year. Further, I know that Nebraska has worked very, very hard to change things around.

I also stood up in our Grand Lodge and indicated that I appreciated what our Grand Lodge had done and was trying to do and so there I am.

I am going to vote "no" at this time until I can find out where we are.

IMPERIAL SIR TURNIPSEED: Imperial Sir, Imperial Sirs and Fellow Representatives: I express the same thoughts as did Everett Evans—in other words, when are we going to stop and when are we going to do something about it?

I have been privileged to have been made a member of the Building and Equipment Committee with Burt and have been engaged in building new hospitals.

I would hate to be the Imperial Officer that at some point in the future will have to bring before this August body the decision as to which hospital we are going to close because we do not have the necessary membership to support it or even the money to support it. For example, will it be a hospital in your territory or, on the other hand, will it be a hospital in my territory? You will have to make that decision and only you can do something about it.

Further, I am against this proposal today because it is merely a shot across the bow. Either you have to do something or somebody that follows you at the next Imperial Session will have to take some responsibility.

Thank you. (Applause)

IMPERIAL SIR ROBERT BAILEY: Imperial Sir, Imperial Sirs, Illustrious Sirs and My Fellow Representatives: You know, if you need somebody to shoot at, I am here.

I had been given two responsibilities this year, neither one of which were pleasant but I had the guts enough to take both of them.

One of them was the Planning, Education and Training Committee and the other one was Membership. I have had an opportunity to look at both sides of both of those committees.

Now, I have not had an opportunity to give you the membership report. However, in relation to the suspension letter program that started last October and ran through December, I asked you to send in your list of potential suspensions and 118 Temples participated.

Also, we had a Membership Seminar in St. Louis run by John VerMaas and he ran one in 1989 and he did it again in 1991 and the response to the St. Louis Membership Seminar was absolutely fantastic. As a matter of fact, at least three people today told me the very same thing. Further, out of 191 Temples, there were some 133 of you who participated in this Membership Seminar.

Maybe it should be encouraging in that we have fifteen more Temples that participated three or four months later in the suspension program.

What I am trying to say to you is that it is very difficult to get to—in other words, to tell you that membership is our future—it is the lifeblood of this organization.

... Cries of "time, time" ...

IMPERIAL SIR BAILEY: I am responsible for it. Please hear me out. I am Chairman and, therefore, I will take that responsibility as Chairman.

Also, in relation to the Planning Committee, we were given the responsibility to establish a number. You will see that number is the report as contained in your Book of Reports and I am sure that all of you have it. In there we tell you all of the reasons why the number of 700,000 was established.

I heard one Shriner say to another not too long ago, "Why do we have to worry about selling 700,000 members?" Well, I will tell you, my friend, that we have not had only 700,000 members in this Fraternity since February of 1953 and since that time, your hospital budget has gone up by a large percentage. Somewhere, Nobles, we have to get to you. We have to get through to the people that are out in the grassroots of the Shrine of North America.

Further, I do not apologize for the report because I have given my blood, sweat and tears to all of this. Further, I will continue to do so but somewhere, again, you have to understand that we have to have a line where we will be able to say that we cannot go any further. (Applause)

IMPERIAL SIR SEMB: Imperial Sir, Imperial Sirs and Representatives: Let me say that I am for it because I feel strongly we need a triggering device to help us get our Membership Committees and sales personnel off of their behinds and get them to working out in the field.

I think we are now looking into a positive vein concerning our membership and, using that as a triggering device, I know that there is membership to be gotten out there and so we should all get busy and attempt to get it.

IMPERIAL SIR KEN SMITH: My Fellow Representatives, I campaigned in both your country and mine for the last year. I stood before many of you and said that when I placed my feet around the cornerstone in my Blue Lodge, that was the foundation of our entire Fraternity and I believe it still is today. (Applause)

I also told you that I came from a small Temple, a Temple with only 3,700 members and we only lost in membership three times in sixty-two years. Well, what has happened to everybody else? How hard did everybody work at it? Well, I believe the bottom line would be our great Philanthropy and our hospitals but, you know, there is far more work to be done before I could ever support leaving my Blue Lodge.

Thank you. (Applause)

IMPERIAL SIR BRANTLEY: Ken Smith, welcome to the Divan. (Laughter)

To those of you standing at the microphones I offer my apologies because according to any ruling of procedure of debate, an individual should not have the opportunity to set the order of debate without the will of the floor and the Potentate of Almas Temple did that.

That is the same jurisdiction that when Ronald Reagan was there he was made an

honorary member of the Grand Lodge and, further, that is the same Grand Lodge that offered to remove the Blue Lodge card of Kleinecht.

NOBLE MISKOVIC [Potentate, Almas Temple]: You are a liar. You are a liar, Sir, because Ronald Reagan was not made a Mason on site.

... Cries of "out of order; out of order" ...

IMPERIAL SIR BRANTLEY: The Grand Master of that jurisdiction attempted to remove Kleinknecht's Blue Lodge membership, only to discover that he was not a member in D.C.

To my way of thinking, I would not separate. I would not take away my own personal desire to be a Mason. As a matter of fact, I have preached that from one end of this country to the other and throughout Canada. Further, when I became Chairman of the Masonic Relations Committee, I also preached it here—I preached everywhere, as a matter of fact, that I did not want separation.

... Cries of "time, time" ...

IMPERIAL SIR BRANTLEY: Six(a), for example, does not involve a separation, does not withdraw the prerequisites. It merely says that you have approximately one and three quarters years to turn that 700,000 up.

Now, in relation to how I am going to vote, let me say that I am going to vote for it. (Applause)

PAST IMPERIAL POTENTATE KISSELBURGH: Imperial Sir, Imperial Sirs and Representatives: I would like to clarify one thing.

I have been engaged in fund raising in relation to Endowments, Wills and Gifts for over seven or eight years now and, in that connection, I would like to tell you that the majority of the funding for our hospitals comes from non-Shriners and non-Masons—comes from the general public—comes mostly from the women.

We are telling the story better to the women and the general public than we are to our own membership.

Our members, for example, are supporting the hospitals mostly by the \$5 assessment they pay every year, which is insufficient. I say that for the record.

Also, when you look at the will's figure every month, you will find that between forty-eight and fifty-two percent of these wills come from the ladies, Masonic widows, etc.

I am disturbed that if we break away from Masonry and remove the prerequisites of the Scottish and York Rites, I am afraid of the funding that we will receive from those Masonic widows—who, when they hear about such a thing, undoubtedly will have some of their wills changed.

The funding for our hospitals is not dependent upon our membership.

I am going to vote emphatically against the resolution. (Applause)

NOBLE ROBIN GUTHRIE [Bektash Temple]: Imperial Sir, Imperial Sirs and Representatives: You know, the way things are going here, I do not think that the members, regardless of what is said about this issue, are going to change their opinion if we were to debate this, for example, from now until Doom's Day. To me, this is an exercise in absurdity.

We are going to vote subsequently the way we are already planning on voting.

However, I would like to say one thing and that is that I would like to congratulate Ralph Semb for that magnificent presentation.

You know, some 220 years ago, if my figures are correct, our forefathers created a solution to a different problem at that time and I think, even today, there are a vast majority who would not change the decision made at that time. These changes, as you will remember, actually began in Philadelphia some 220 years ago and, in turn, have given rise to one of the best organizations in this country.

Further, I think that any change along this line, if it does happen, will be for the good of everybody.

Now, again, I would say that I think the general representative body already has their minds made up in relation to this particular subject and so I think I would suggest that we proceed to a vote. I know, for example, that there are several people here with the feeling that they are going to vote in the affirmative and, therefore, when that happens, they are simply going down with it.

... Cheers and applause ...

NOBLE WILLIAM C. VAUGHAN [Kazim Temple]: Let me just say that I am proud to be a

Shrine Mason. I hope I will never have to decide that I want to change or that I have to change. I will not ever change.

I am against the proposition.

As a matter of fact, I was here some twenty-five years ago when this proposition was presented for the first time and I remember at that time that Illustrious Ted Weber, then Treasurer of the Scottish Rite, later Deputy Grand Commander, wrote every delegate a letter that was coming to this convention and told them if we voted for this, we would eliminate the York Rite and probably the Scottish Rite membership as well.

I beg of you not to vote for any of this until you go home and check with your Grand Master and every Grand Officer in your state.

... Cries of "no, no, no" ...

... The question was called for by various individuals ...

IMPERIAL POTENTATE PADGETT: Thank you very much for calling for the question. As a matter of fact, what took you so long?

Now, in favor of proceeding to the question please say aye; opposed no. The ayes have it and it is carried and we will now proceed to a ballot vote.

I will recognize Jim Hathaway.

NOBLE HATHAWAY: Representatives, you will use ballot no. 5 only for your vote.

IMPERIAL POTENTATE PADGETT: Let me call on Ted to explain to you as to what you will actually be voting on.

NOBLE CORSONES: Illustrious Sir and Representatives: I am certain that you are not confused but I hope you will not be confused because, as you know, you are now going to vote "yes" or "no" solely on item 6(a).

Do you understand that? That will be solely on item 6(a). You will vote either for or against that with a "yes" or "no" vote.

Thank you.

... Whereupon, at this point, voting and collection of ballots then ensued ...

IMPERIAL POTENTATE PADGETT: Let me ask, has everybody voted? Is there anybody who has not voted?

Hearing no response, I will now declare the ballot closed.

NOBLE JAMES SKELTON [Hamasa Temple]: At this time, if I may be permitted to do so, I would like to ask our Deputy Imperial Potentate and soon to be Imperial Potentate a question, if he would come to the center podium.

... Imperial Sir Dean then approached the center microphone ...

NOBLE SKELTON: Imperial Sir Jack Dean, in all probability this vote that we are just taking will fail.

Therefore, in essence, I would like to ask you if you would give consideration to appointing a study committee to report back in Orlando next year with regard to the reduction of the Imperial Line to eight officers?

IMPERIAL POTENTATE PADGETT: Just a moment, sir, I am going to rule you out of order.

NOBLE SKELTON: A point of personal privilege is out of order?

IMPERIAL POTENTATE PADGETT: You are out of order.

That which you would like to do would require an affirmative motion and you are asking an individual that will be Imperial Potentate next year to do this by the appointment of a committee.

Do you wish to make a motion in this regard?

IMPERIAL SIR DEAN: If I may be permitted to do so, Imperial Sir, I would like to answer his question at this time.

In answer to the question, the answer is no. However, if the floor of this body votes for me to do anything, I will do it, whatever might be involved.

NOBLE SKELTON: However, let me say, Imperial Sir, with regard to the asking of a point of personal privilege, when you do that, in reality, you are not making a motion nor are you required to make a motion—that the courtesy of the Chair would allow you a point of personal privilege in relation to making a request from one individual to the other.

IMPERIAL POTENTATE PADGETT: Well, I will permit you to go ahead at this time, if you so desire.

NOBLE SKELTON: My only statement to you is this—namely, when the motion on 6(a) fails, the expenses of the Imperial Line are going to continue. Further, the expenses of the members of the Imperial Line, as you can see from the report, in some instances, were more than the budget and we need to cut expenses.

Now, the way we need to do it is to cut it in the most important position.

Now, for example, if it is felt that they can get by with an Imperial Potentate, Deputy Imperial Potentate, Chief Rabban, Assistant Rabban, Imperial High Priest and Prophet and Imperial Orient Guide and the Treasurer and the Recorder, perhaps that can be considered. Also, if done, this could not take effect until the year 1997 since Ted Claypool announced for next year and, of course, we do not want to cut him out. (Laughter)

In other words, this is just a request and I wonder if you would consider it? If necessary, I will make a motion.

IMPERIAL SIR DEAN: Let me say to you, sir, I will consider anything that anybody has to offer—will take it under consideration.

Thank you very much.

Also, if you will get out your book, that Book of Reports and look at the figures therein, you are going to find out that the Imperial Divan expends, separate and apart from the Session expense, almost \$258,000 on items that they can control under the budget. We were not over.

Now, some of these were over because of increase in health costs. This was not with us personally but with the employees and, therefore, on that basis. I do not think we are over budget.

IMPERIAL POTENTATE PADGETT: Thank you.

At this point, I would like to recognize the Potentate of Abou Saad Temple of Panama, Illustrious Sir James Ridge.

Noble James Ridge [Abou Saad Temple]: You know, Imperial Sir, we are the only Temple that suffered war damage in the history of Shrinedom. Also, we usually give a gold belt buckle to the Imperial Sir. However, we had just enough gold left to us in order to make this gold belt buckle for Joe.

... Presentation of gold belt buckle to Imperial Potentate Padgett ensued . . . (Applause)

NOBLE RIDGE: Also, we had a little bit left for Joe's wife—a gold pendant which was hand made.

IMPERIAL POTENTATE PADGETT: I would like to thank you and your members for these beautiful gifts. However, as to how much this gold will be worth after today, I am not sure but, again, thank you so very, very much for these beautiful gifts. (Applause)

Now, while we are waiting, I will call on Edward Rath, a member of the Committee on Jurisprudence and Laws, to present the report concerning item 16 on the Call for the Annual Session of 1991.

NOBLE RATH: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 16 on the Call for the Annual Session of 1991, located on page 26 of the Call. It is a proposal to amend §§492.2(b) and 492.3(b) of Article 92 of the Bylaws of the Imperial Council, an Iowa Corporation, so that they will read as follows:

The committee reports that the proposal is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you call upon Illustrious Sir Joe Morris for the report of the Jurisdictional Lines Committee.

NOBLE MORRIS: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisdictional Lines, a proposal to amend §§492.2 and 492.3 of the Bylaws of the Iowa Corporation. The proposal is Item 16, which is printed on page 26 of the Call. The text of the amendment was just read to you by the representative of the Jurisprudence and Laws Committee.

On June 30, 1991, your committee met with representatives of the affected Temples, and found that the representatives are in agreement that the amendment is needed to clarify the jurisdiction of the Temples have jurisdiction in Chelan County so as to avoid future misunderstandings.

After due and deliberate consideration of the proposal, your committee concluded that it would be in the best interest of the Order and of El Katif and Masada Temples that the Bylaws of the Iowa Corporation be amended so as to read as follows:

ARTICLE 92 Washington

§492.2 El Katif Temple.

Has

- (a) Exclusive jurisdiction in the Counties of Adams, Asotin, Columbia, Doughals Fery, Franklin, Garfield, Grant, Lincoln, Okanogan, Pend Oreille, Spokane, Stevens, Walla Walla and Whitman.

Imperial Sir, if there are no questions or comments on this report, I move that Item 16 be adopted.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE PADGETT: You have before you a motion and a second to adopt item 16 as presented.

Is there discussion?

If there is no discussion, all in favor of adoption indicate by saying aye; those opposed. It is carried.

I will now recognize Noble McGuire to present the report of the Dispensations and Charters Committee concerning item 26 in the Call.

NOBLE MCGUIRE To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensation and Charters, Item Number 26 which is located on page 29 of the Call for the Annual Session of 1991. It is a proposal asking for a Charter for Masada Temple, U.D., which is located in Yakima, Washington. This Temple has been operating, under dispensation, since the 1990 Imperial Council Session.

Your committee met on June 30, 1991 and heard from all of the Temples in the State of Washington as well as from the Provisional Potentate and other Provisional Officers of the Temple. We received information regarding Temple Unit and Club activities, ceremonial paraphernalia, place of meetings, membership growth and financial status.

This Temple, in one year, increased its financial net worth from approximately \$32,000 to approximately \$83,000; increased its total membership from 506 to 657; created two new Shrine Clubs; created 10-11 units; and has no indebtedness. It is a vital and growing Temple.

Your committee found that said Temple has complied with, and exceeded all, necessary prerequisites provided by the Bylaws for the granting of a Charter by the Imperial Council.

Your committee is of the unanimous opinion that it will be in the best interest of the Order to permanently continue the work of this group and to grant a Charter to Masada Temple.

As you have just heard, the Committee on Dispensations and Charters recommended the granting of a Charter and you adopted this recommendation.

Your committee incorporates the report on the Committee on Dispensations and Charters herein, including the designation of the territorial jurisdiction of the new Temple as amended

IMPERIAL POTENTATE PADGETT: In the essence of time, gentlemen, let me say that this is a Charter for Masada Temple given here to the Provisional Potentate, now Illustrious Potentate.

... Presentation of Charter and applause ensued ...

IMPERIAL POTENTATE PADGETT: At this time, I would like to call on Jim Hathaway.

NOBLE HATHAWAY: Imperial Sir, Imperial Sirs and Fellow Representatives: It is a pleasure to give you the results of ballot 5 on item 6(a) in the Call.

There were a possible 859 votes; actually voting were 832; there were two spoiled ballots; necessary for choice was 555. The "yes" numbered 365 and the no votes numbered 465.

Thank you Imperial Sir.

IMPERIAL POTENTATE PADGETT: I declare item 6(a) defeated, gentlemen.

We are going to break at this time but, before we do, I would like to ask our Imperial Recorder to make any announcements he has at this time.

... Brief program announcements ensued by Imperial Sir Jones ...

IMPERIAL POTENTATE PADGETT: I will reconvene this Session again tomorrow at one-thirty in the auditorium here. The Session for the Representatives present will reconvene here tomorrow at one-thirty p.m. for the conducting of business at that time. We will conduct the business starting at one-thirty and going until three o'clock p.m., which will involve the normal business conducted and then, starting at three o'clock p.m., it will be open to permit the wives and guests to enter the auditorium for the Public Relations report and the Hospital report.

Also, during the Hospital report, checks for hospital donations may be presented at that time.

Therefore, once again, the Session will reconvene tomorrow in this room at one-thirty p.m. and we will conduct regular business until three o'clock p.m. and then it will be open to wives and guests and hear the Public Relations and Hospital report. Therefore, I will recess this meeting until tomorrow at one-thirty o'clock p.m.

... The One Hundred Seventeenth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at four-forty o'clock p.m. to reconvene the following afternoon at one-thirty o'clock p.m. ...

AFTERNOON SESSION THURSDAY, JULY 4, 1991 ONE-THIRTY O'CLOCK P.M.

The One Hundred Seventeenth Annual Session of the Imperial Council was reconvened in the Grand Ballroom of the San Francisco Hilton and Towers Hotel, San Francisco, California, at one-thirty o'clock p.m., Imperial Potentate Joseph P. Padgett, presiding.

IMPERIAL POTENTATE PADGETT: Gentlemen, will you please take your seats.

Also, let me announce that all who are to receive Emeriti Certificates, please come to the stage right, please.

Now, again, gentlemen, it is now one-thirty and I would again reconvene this meeting.

I will recognize our Imperial Chaplain, Dr. Green.

DR. GREEN [Imperial Chaplain]: Supreme Architect, we reconvene for purpose of labor. We recognize the importance of our Brotherhood and recognize the love and harmony that flows among each one of us.

We know that we are here for a purpose. We listen to infinite wisdom presented to us to help us to realize what we need to know and which enables us to accomplish what we need to do in a manner that is best and for the highest good of our Philanthropy and Brotherhood.

IMPERIAL POTENTATE PADGETT: Thank you, Dr. Green.

I will now recognize Sewell Lamdin for a report.

NOBLE LAMDIN: Imperial Sir, Imperial Sirs and Fellow Representatives: After yesterday's meeting, quite a few of you were concerned about the fact of what happened on the motion to table. Normally and usually, under Robert's Rules of Order, motions to table are in order at anytime. However, some years ago we put a clause in our Bylaws, and I am going to read it to you, and this takes precedence over Robert's Rules of Order and that is the reason the motion was called out of order at that time. However, it could be presented at a later time but at the time that the gentleman who made it, it was out of order.

This is Section 101.5(f): "No motion which, if adopted, would have the effect of stopping debate upon a motion to amend these Bylaws shall be in order until at least two proponents and two opponents, if there be that many, have had at least five minutes, if they desire that much time, to speak in favor, or in opposition to, the motion to amend these Bylaws.

Now, we had a motion on the floor which would have amended the Bylaws. The Noble's motions to table stopped debate. So this is why it comes into play.

Now, fellow Representatives, each and every one of you has a right to be heard and the

Imperial Sir is going to exercise fair play and guarantee that each and every one of you receive that right to be heard.

There is a way to be heard and, of course, you do not want to jump up out of your chair and scream and holler.

There are three microphones places in the aisle and all you have to do is walk up, stand in front of that microphone and one of the three of us will see you and the Imperial Sir will recognize you. I think, Nobles, if we do that, we will keep this on a little more of an even keel. (Applause)

IMPERIAL POTENTATE PADGETT: Thank you, Sewell.

I will next recognize Imperial Sir Peter Val Preda for a report of the Committee on Emeriti Members.

PAST IMPERIAL POTENTATE VAL PREDa: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: I stand before you today as Chairman of the Committee on Emeriti Members. Standing with me are the members of my committee.

I now ask that all of those Representatives who have been notified of their eligibility for Emeritus Membership come forward.

Now, in prior years, you Representatives requested that the biographical data submitted on each one of these outstanding Representatives not be read but, rather, placed in the record. If that is your desire today, your committee will honor that request.

... Cries of "yes" ...

PAST IMPERIAL POTENTATE VAL PREDa: As you know, Imperial Council Law, Section 203.4 reads as follows:

"203.4 Emeriti Representatives. Upon recommendation of the Committee on Emeriti Representatives and by a majority vote of the Representatives registered at any Session, the Imperial Council may elect as an Emeritus Representative any Noble who is a Representative to that Session and who has been a Representative for at least fifteen years, including that Session.

I will now call on the individual members of my committee to place in nomination the name of one or more Representatives for Emeritus status.

... At this point, the following individuals received their Emeritus Representative certificates from various members of the committee ...

Joseph P. Padgett, Imperial Potentate, Islam Temple

John W. Dean, III, Deputy Imperial Potentate, Lu Lu Temple

Burton E. Ravellette, Jr., Imperial High Priest and Prophet, Sahara Temple

T. Bruce Boyette, Past Potentate, Sudan Temple

George H. Follett, Past Potentate/Recorder, Calam Temple

Milton T. Frazier, Recorder, Habibi Temple

James M. Tingle, Past Potentate, Zamora Temple

W. Warren Upton, Beni Kedem Temple

PAST IMPERIAL POTENTATE VAL PREDa: Thank you, committee members, and also the candidates.

Now, Imperial Sir, you may take the vote at this time.

IMPERIAL SIR BUKEY: Representatives, you have standing before you a group of men who have given dedicated service to the Shrine for the past fifteen years whom we now choose to honor by affording them Emeritus Membership status.

What is your pleasure?

... Whereupon, it was severally moved, seconded and unanimously carried that these individuals be afforded Emeriti Membership status ...

1991 EMERITUS REPRESENTATIVES

The following individuals will receive their Emeritus Representative certificates at the Imperial Council Session in San Francisco:

Joseph P. Padgett, Imperial Potentate, Islam Temple

IMPERIAL SIR BUKEY: Gentlemen, contratulations and thank you for the service for which you are honored.

IMPERIAL POTENTATE PADGETT: I now recognize Illustrious Sir M. Burton Oien for the report of the Finance and Audit Committee concerning budgets of income and expenses of the Iowa Corporation for the current and succeeding year; any amendments to or departures from the budgets adopted for the fiscal year commencing July 1, 1990 and the reasons therefore; and the proposed budgets for the current year and the succeeding year.

NOBLE BURTON OIEN: To the Representatives of the Imperial Council: Your Committee on Finance and Audit submits to you for your approval the following calendar year reports with respect to operating revenues and expenses for the Iowa Corporation.

1. Report of operating revenues and expenses, including departures from budget, for the year 1990.
2. Adjustments to the 1991 operating budget since its adoption at the Imperial Council Session held in Chicago.
3. Proposed operating budget for 1992.

REPORT FOR THE YEAR 1990

The report of operating revenues and expenses of the Iowa Corporation for the year 1990 is included in the Book of Reports which you have already received. There were no budget adjustments to either the revenues or expenses. No inquiries having been received concerning departures from the budget, your committee recommends ratification and approval of this report.

Imperial Sir, I move the approval and adoption of this report for the year 1990 as reflected in the Book of Reports.

... The motion was duly seconded ...

IMPERIAL POTENTATE PADGETT: Is there any discussion?

If not, all in favor will say aye; opposed. The motion is unanimously carried.

Please proceed.

NOBLE OIEN: Next is the report for the year 1991.

Included with your registration packet was a statement detailing the operating revenues and expenses reflecting amounts appropriated for the year 1991, including adjustments made by the Board of Directors. Since the approval of the 1991 budget during the Imperial Council Session at Chicago, revenues have been reduced by \$253,000 for total revenues of \$2,468,000; expenses reduced \$117,783 for total expenses of \$2,290,233; with no adjustments to the Imperial Council Session budget of \$1,977,000. This budget presently reflects an excess of expenses over revenues in the amount of \$1,799,233.

Imperial Sir, if there are no questions, I move the ratification, approval and adoption of the adjusted budget for the year 1991.

... The motion was duly seconded ...

IMPERIAL POTENTATE PADGETT: You have before you the motion and the second concerning ratification, approval and adoption of the adjusted budget for the year 1991.

Is there any discussion?

If not, all in favor indicate by saying aye; opposed. The motion is unanimously carried.

Please proceed.

NOBLE OIEN: We proceed next to the report for the year 1992.

Also included with your registration packet was a budget statement covering the operating revenues and expenses of the Iowa Corporation for the year 1992. It is necessary to adopt this tentative budget for 1992 as this Imperial Council will not meet again until mid 1992. This budget will be adjusted for the recently approved per tax increase.

Imperial Sir, if there are no questions, I move the adoption of the proposed budget for 1992 as submitted.

... The motion was duly seconded ...

IMPERIAL POTENTATE PADGETT: Is there any discussion concerning the adoption of the proposed budget for 1992 as submitted?

If not, all in favor indicate by saying aye; opposed. The motion is carried.

IMPERIAL POTENTATE PADGETT: I will recognize Imperial Sir Webber C. Harrington for the purpose of presenting the report of the Imperial Treasurer for the Iowa Corporation.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs, My Fellow Representatives: Everybody, if you registered, received in your registration packet when you registered a copy of the Book of Reports.

The first report in this book is the report of the Treasurer for the year 1990.

I know, of course, with everything going on here, that you generally do not take the opportunity to look at all of the data that is included in your registration packet. However, I earnestly solicit your attention to those reports, particularly if you are interested in what the trend has been for the last eight years with respect to the Iowa Corporation.

Now, if you will look in the Book of Reports, you will see that I have attempted to put that in there and do it in a manner that is easy for you to understand and so that you do not have to be a financial wizard to figure out exactly what has been going on with respect to our finances.

Now, you took action the other day to correct our financial situation that we have been in for the next several years and I think that when you look at the information which is contained in the Treasurer's report, you will feel that the action which you took was entirely proper.

Now, if any one of you has questions after you have looked over the Book of Reports, I will be glad to answer them either here or, if you want to talk to me privately, I will be able to arrange for that.

However, if you will look at that report and look at the eight-year summary there, I think you will find that it is interesting and informative.

With that, Imperial Sir, I would move for the acceptance of the Treasurer's report.

... The motion was duly seconded ...

IMPERIAL POTENTATE PADGETT: You have before you a motion and a second to accept the Treasurer's report as presented.

Is there any discussion?

If not, all in favor say aye; opposed. The motion is unanimously carried.

IMPERIAL POTENTATE PADGETT: At this time I would like to recognize Imperial Sir Lew Brantley.

IMPERIAL SIR BRANTLEY: Thank you, very much, Imperial Sir.

Nobles and Guests on the stage: Yesterday I made some statements that were reasonably tempered with emotion. I know better, I have been trained better, but I did do it.

I want to say to all of you today that what I said yesterday I believed then and I believe today, to be the absolute truth. If in my emotion I said anything that may have offended the Past Grand Master and now Potentate of Almas Temple to use poor judgment, as I did, then I apologize to you the body and I hope that I will adhere to my training better in the future.

I have no apologies to the Past Grand Master and Potentate but I do have an apology to you, the Representatives, for causing an emotional situation yesterday and I am sorry. (Rising applause)

NOBLE MISKOVIC [Potentate, Almas Temple]: Imperial Sir, I ask for a point of personal privilege.

I rise to extend my apologies to this group for my outburst yesterday. I too, as Lew Brantley, believe what I said was true and what he said was not true but I do apologize and I hope that this body will accept my apology for my getting up and saying what I did because I believe what I said was true. However, I do apologize for my outburst. Thank you. (Applause)

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE PADGETT: I will now recognize Noble James Tingle to present a report on item 3 in behalf of the Jurisprudence and Laws Committee.

NOBLE TINGLE: To the Representatives of the Imperial Council: There has been referred to your committee on Jurisprudence and Laws, Item Number 3 on the Call for the Annual Session of 1991, located on page 20 of the Call. It is a proposal to amend §211.5 of Article 11 of the Bylaws of the Imperial Council, an Iowa Corporation, by adding a new subparagraph (g) to read as follows:

ARTICLE 11 Budget & Revenues

§211.5 Per Capita Tax

...

(g) Associate Members. An associate member of a Temple is not required to pay a per capita tax. The per capita tax of such member must be paid through the first Temple to which he belongs.

The committee reports that the proposal is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you call upon Illustrious M. Burton Oien for the report of the Finance and Audit Committee.

IMPERIAL POTENTATE PADGETT: The Chair will recognize M. Burton Oien.

NOBLE M. BURTON OIEN: To the Representatives of the Imperial Council: There has been submitted to your Finance and Audit Committee, Item Number 3 on the Call of the Annual Session of 1991, found on page 20 of the Call.

Your committee met in a scheduled meeting on Sunday, June 30, 1991 in San Francisco and considered the proposal.

Your committee unanimously recommends the adoption of the proposal.

Respectfully submitted,

Imperial Sir, if there are no questions I would recommend that you call on the proposer, Illustrious Sir Floyd L. Meyer, Past Potentate and Representative of Beja Temple, for an appropriate motion.

IMPERIAL POTENTATE PADGETT: The Chair will recognize the proposer of this item, Illustrious Floyd L. Meyer.

NOBLE FLOYD L. MEYER: Imperial Sir, Imperial Sirs and Fellow Representatives: I would move for the adoption of this proposal.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE PADGETT: You have before you the motion and the second for the adoption of Item 3 on the Call.

Is there any discussion?

NOBLE DAVIS B. LEONARD [Al Malaikah Temple]: I am Davis B. Leonard, Potentate of Al Malaikah Temple and I am a little troubled by the language in this proposal and I would like to move an amendment to it.

In the first part, where it says "through the first Temple to which he belongs," I would rather have that read, "through the Temple in which he holds his regular membership."

I would so move.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE PADGETT: You have before you the motion to amend as just made and which has been seconded.

Is there any discussion of the amended motion?

If not, all in favor of the amendment indicate by saying aye; opposed. It is carried.

I will recognize the Noble down in front of me here.

NOBLE FLOYD MEYER [Beja Temple]: Imperial Sir, I would like to mention that a year ago we presented this item and while we had a great majority, it failed by only seven votes because of the two-thirds requirement.

I do say this, that Article 32, Section 332.3 regarding the hospital levy states that a \$5 assessment for each member must be made, except for the associate member. Now, I feel that it follows that we should not penalize a Noble if he chooses to join another Temple.

I would like to see this consideration given to those Nobles who choose to join another Temple as an associate member.

Thank you.

IMPERIAL POTENTATE PADGETT: Thank you very much.

At this time, I would like to call on General Legal Counsel to explain to you what we are doing.

NOBLE CORSONES: Imperial Sir, Imperials and Representatives: I just want to make sure you have the language of the proposal as amended and discussion continues before you vote.

Therefore, in your book, on page 20, we are talking about item 3.

It now reads: "Associate Members: An associate member of a Temple is not required to pay a per capita tax. The per capita tax of such member must be paid through the Temple in which he holds his regular membership."

That is the proposal you are presently discussing and, Imperial Sir, I think there is one more Noble that wishes to speak on it.

NOBLE HENDERSON [Syria Temple]: Imperial Sir, you have some 5,000 members who are willing to pay the per capita tax.

If you have a man who refuses to join your Temple for just \$6 a year, which is the tax, you are not going to receive a very good member for your Temple. Therefore, I would recommend that we support the men who are willing to pay the \$6, inasmuch as you do need the money.

All that individual is doing, to my way of thinking, is that he is making excuses for not belonging to your Temple. You know, \$6 is not very much.

Thank you.

. . . The question was severally called for at this point . . .

IMPERIAL POTENTATE PADGETT: I have one gentleman in the center aisle.

NOBLE MELVIN WALKER [El Kalah Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: I suggest that this motion is a good one. Because we have a lot of Nobles within the northern part of our country who are snow birds and, therefore, during the winter months, they move south. Now, if they do not receive an opportunity to join those

Temples as associate members, they will not participate. So, therefore, they may lack part of their Shrine association.

However, if we encourage them by reducing it another \$6, maybe we can encourage them to belong as associate members and support those Temples in the South where they spend their winter months.

Therefore, I support this resolution. (Applause)

NOBLE F. L. MEYER: Imperial Sir, I move adoption of the motion as amended.

... The motion was again severally seconded ...

IMPERIAL POTENTATE PADGETT: Are you ready?

... Cries of "yes" ...

IMPERIAL POTENTATE PADGETT: Just a moment, I am sorry, I seem to be lost right at the moment.

Well, are you ready to vote?

... Cries of "yes" ...

IMPERIAL POTENTATE PADGETT: Very well.

All in favor of the motion as amended indicate by saying aye; opposed. The ayes have it and I will declare that carried.

Thank you very much. (Applause)

... At this point, several announcements were made by Imperial Sir Jones ...

IMPERIAL POTENTATE PADGETT: At this time, I will recognize Jim Tingle to the Jurisprudence and Laws Committee for the purpose of presenting item 4 on the Call.

NOBLE TINGLE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 4 on the Call for the Annual Session of 1991, located on page 20 of the Call. It is a proposal to amend § 211.5 of Article 11 of the Bylaws of the Imperial Council, an Iowa Corporation, by adding a new subparagraph (f) to read as follows:

ARTICLE 11 Budget and Revenues

§211.5

(f) The per capita tax is waived for Hejaz Temple during the calendar year 1992.

The committee reports that the proposal is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you call upon Illustrious M. Burton Oien for the report of the Finance Committee.

IMPERIAL POTENTATE PADGETT: I will recognize Noble M. Burton Oien for the report of the Finance and Audit Committee concerning item 4 on the Call.

NOBLE M. BURTON OIEN: To the Representatives of the Imperial Council: There has been submitted to your Finance and Audit Committee, Item Number 4 on the Call of the Annual Session of 1991, found on page 20 of the Call.

Your committee met in a scheduled meeting held on Monday, July 1, 1991 in San Francisco with the proposers of Item 4, the Potentate, members of the Divan and Temple Counsel of Hejaz Temple and determined the following facts:

1. That as a direct result of action taken at the Imperial Council Session held in Chicago last year upholding an appeal of a Noble from Hejaz Temple in accordance with Shrine Law, the Grand Master of South Carolina issued an Edict which prohibits Master Masons of South Carolina from petitioning Hejaz for membership by initiation, association or affiliation.

2. That as a result of the Edict of the Grand Master of South Carolina, Hejaz Temple has been unable to obtain any new candidates in 1991. They normally create 200-300 new Shriners a year. They have continued concern as to their ability to create any significant number of Shrines in the future because of the unconscionable conduct of the Grand Master. This action by the Grand Master has severely and adversely impacted the financial condition of Hejaz Temple. It is our best judgment that this conduct on the part of the Grand Master of South Carolina will cause Hejaz Temple a monetary loss in excess of \$95,000.

Your committee is of the opinion that Hejaz Temple is entitled not only to moral support from the Imperial Council but financial assistance as well.

Accordingly, your committee unanimously recommends the adoption of the proposal.

Respectfully submitted,

Imperial Sir, I would request that you call upon Imperial Sir Jack H. Jones for an appropriate motion.

IMPERIAL POTENTATE PADGETT: I will recognize Imperial Sir Jack Jones.

IMPERIAL SIR JONES: Imperial Sir, I would move the adoption of Item 4 as indicated in the Call.

... The motion was duly seconded ...

IMPERIAL POTENTATE PADGETT: You have before you a motion and a second to adopt item 4 as indicated in the Call.

Is there any discussion?

If not, all in favor of the motion of adopting item 4 in the Call indicate by saying aye; opposed. The motion is carried.

I will now recognize Illustrious Sir William Buckaway, Chairman of the Jurisprudence and Laws Committee, to present a request to withdraw item 13 on the Call.

NOBLE BUCKAWAY: To the Representatives of the Imperial Council: I have before me a written request to withdraw item 13 which appears on page 24 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw Item 13 on the Call for the Annual Session of 1991."

It is signed by Ronald L. Cross, the proponent of the proposal.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

IMPERIAL POTENTATE PADGETT: You have before you a written request to withdraw item 13 on page 24 of the Call for the Annual Session which has just been proposed to you by the Jurisprudence and Laws Committee.

Is there a second to the motion made by the Jurisprudence and Laws Committee?

... The motion was duly seconded ...

IMPERIAL POTENTATE PADGETT: Now, as indicated, to withdraw requires the unanimous consent of the Representatives.

All in favor of withdrawal please say aye; are there any in opposition? It is unanimously carried and item 13 is therefore withdrawn.

We will next have a report from the Committee on Jurisdictional Lines concerning item 14 on the page 25 of the Call.

NOBLE POSEY: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisdictional Lines, two proposals affecting jurisdiction of Temples in the State of North Carolina. They are Item 14 on page 25 of the Call, which seeks the transfer of exclusive jurisdiction of four counties from Sudan Temple to Amran Temple, and Item 15 also on page 25 of your Call, which proposes changes in the jurisdiction of the three Temples in North Carolina so that each Temple will have exclusive jurisdiction in the county where the Temple is located, and concurrent jurisdiction in the other counties of the state.

Your committee met on June 30, 1991, with the representatives of the three Temples in North Carolina affected by the proposals, and with representatives from the several Shrine Clubs in the jurisdiction sought by Amran Temple. The presentations and supporting documents were lengthy, comprehensive and enlightening, and confirmed what you Representatives already know—the Temples of North Carolina and South Carolina work in unison to make the largest contribution received annually by the Shrine Hospitals, and it continues to grow. Also, it was learned that the North Carolina Temples diligently work in the area of membership to the end that over seventy-five percent of Masons eligible for membership are Nobles of the Mystic Shrine.

Your committee, after hearing the presentations, went into executive session to discuss the merits of the two proposals. After due and deliberate consideration, the committee concludes that it is in the best interest of our Order and of the affected Temples that there be no change, at the present time, in the jurisdiction of Amran and Sudan Temples. It is the recommendation of this committee, therefore, that item 14, proposing the transfer of exclusive jurisdiction in four counties from Sudan Temple to Amran Temple, be denied.

With respect to item 15, your committee concluded that the affected Temples have not had sufficient time to adequately evaluate the effects of statewide, concurrent jurisdiction on Temple finances and membership efforts, and therefore recommend that item 15 be tabled in order to give the three Temples in North Carolina the opportunity to study the proposal.

Imperial Sir, if there are no questions or comments on this report, I recommend that you call upon Illustrious Bob Cooper for the report of the Jurisprudence and Laws Committee on Item No. 14 and, thereafter, call upon Illustrious Ed Rath for the report of the Jurisprudence and Laws Committee on Item No. 15.

IMPERIAL POTENTATE PADGETT: I will now recognize Bob Cooper to present the report of the Jurisprudence and Laws Committee concerning Item 14.

NOBLE ROBERT COOPER: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 14 on the Call for the Annual Session of 1991, located on page 25 of the Call. It is a proposal to amend §478.1(b) and §478.3(b) or Article 78 of the Bylaws of the Imperial Council, an Iowa Corporation, so that the subsections will read as follows:

ARTICLE 78
North Carolina

§478.1 Amran Temple
Has:

...
(b) Exclusive jurisdiction in the counties of Alamance, Caswell Chathan, Durham, Franklin, Granville, Harnett, Johnston, Lee, Orange, Person, Vance, Wake and Warren Counties.

§478.3 Sudan Temple
Has:

...
(b) Exclusive jurisdiction in the counties of Bladen, Columbus, Cumberland and Nash and all counties south and east thereof.

The committee reports that the proposal is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you call upon the sponsor, Illustrious Sir Samuel D. Vaughan, Jr., Potentate, Amran Temple, for an appropriate motion.

IMPERIAL POTENTATE PADGETT: The Chair will recognize Illustrious Sir Samuel D. Vaughan.

NOBLE SAMUEL D. VAUGHAN: Imperial Sir, Imperial Sirs and Representatives: I move the adoption of item 14 on the Call for the Annual Session, on page 25.

... The motion was severally seconded ...

IMPERIAL POTENTATE PADGETT: You have heard the motion, which has been seconded. Is there discussion?

NOBLE VAUGHAN: Imperial Sir, I would like to make a couple of comments in reference to item 14.

In 1976, Amran Temple came to the Representatives here and you awarded us a Charter. In 1981, we came back and you awarded us four counties that we had concurrent jurisdiction in and since that time, Amran Temple has increased their donation to the hospitals. Likewise, we have, for the last five years, increased our membership.

Also, we were second in the per capita and the donation to the Shrine Bowl this past year in relation to which we will present a check to the Imperial Potentate this afternoon.

We are to receive this year a certificate from the Imperial Potentate for growth in membership last year.

Noble Representatives, Amran Temple is working. The only thing that we are requesting is four additional counties to be awarded to the jurisdiction that we now have so that we may work harder and be more profitable for our crippled children.

We have two large Temples on either side of us—Sudan Temple, with 11,000 members to the east of us; Oasis Temple, with 13,000 members to the west of us. We only have 2,386 members.

We just would like to have four additional counties added to our jurisdiction so that we may raise more money for our crippled children.

Thank you.

IMPERIAL POTENTATE PADGETT: Is there any further discussion?

... The question was severally called for ...

NOBLE EDWARD HARTSELL [Sudan Temple]: Imperial Sir, I am Edward Hartsell, Potentate, Sudan Temple. Our sister Temple, Amran, has come to this Session asking for four additional counties. About six years ago, they asked for additional counties and that request was granted by this Imperial Council. This has, however, really created some problems, Imperial Sir, in our jurisdiction. This is especially true for the Nobles who have worked very hard in retaining their clubs and have worked for our crippled children.

We have received signatures that were presented to the committee from the four counties that Amran is asking for. The signatures indicate that these Nobles in these counties do not wish for their jurisdiction to come into Amran Temple.

These clubs sent Representatives to this Session to present their case and I feel sure that the only ones that will be hurt are the crippled and burned children.

The six Temples of the two Carolinas presented a check last year at the bowl game in December for \$2,711,000, which was turned over at that time and that will also be indicated this afternoon.

Therefore, I ask you, fellow Representatives, please vote "no." We want to save every effort we can for crippled and burned children.

Thank you very much.

IMPERIAL POTENTATE PADGETT: Is there further discussion?

NOBLE ROBERT MARSHBURN [Amran Temple]: Imperial Sir, my name is Robert Marshburn and I have been Recorder of Amran Temple since 1979 and a Representative to this august council since 1980.

I have always made it a policy never to try to correct a Potentate; never tried to get out in front of them; tried to stay behind them and support them.

However, the Illustrious Sir gave you these figures but it was in 1981 when this Council gave us, in New Orleans, the counties in relation to which we had concurrent and full jurisdiction.

However, it has been recommended to you today that we go back and say that we, by resolution in 1986 to this Council, along with both Sudan and Oasis were on the Call for the same thing that is indicated as item 15.

We came to that Council in Los Angeles—we met there and we as the small David fighting the big Goliath, we were put in the back pew.

Why, I want to ask you, the Jurisdictional Lines Committee, have you been so late in putting a study in North Carolina when we asked for that study back in 1986?

We are very concerned about our territory. We, as I say, were concerned about our territory and, in that connection, we also sent to all of you various packets. Now, I trust that you have read those packets and, if you have, I trust that you will also see the wisdom in there for what we ask for.

We in Amran Temple just merely ask that you give to us the four counties and as my Potentate told the Jurisdictional Lines Committee the other day, just give us those four counties, let us continue to prove what we have proven already. We, during the last five years, have shown a rising in per capita insofar as membership is concerned.

Therefore, we ask that you vote in the affirmative for item 14.

Thank you, Imperial Sir and Representatives.

IMPERIAL POTENTATE PADGETT: Thank you.

I will go next to the center aisle.

NOBLE BRUCE BOYETTE [Sudan Temple]: Imperial Sir, Imperial Sirs and Representatives: I am Bruce Boyette, a Past Potentate of Sudan Temple. I am also an elected Representative to this body. As a matter of fact, I have just received my Emeritus membership and, as a matter of fact, it has taken me twenty-seven years to get those fifteen years in.

I was fortunate enough to be Potentate of Sudan Temple in 1966, when we met here in San Francisco. I have been extremely active in that Temple ever since.

I certainly assisted in the formation of Amran Temple when the two Temples in North Carolina supported the formation of this Temple by resolution.

In 1981 and prior to that time, when the request was made to the Imperial Council for exclusive jurisdiction in the county, we had concurrent jurisdiction with Sudan and at that time I presented to my Temple the proposal that we go into a statewide concurrent

jurisdiction as outlined in Article 15. Now, Sudan Temple adopted that resolution and mailed copies to other Temples in North Carolina asking that this be done.

I am not going to repeat the things that my Potentate has said, nor do I intend to relate here anything about the study and the hours of deliberations of the Jurisdictional Lines Committee.

We feel that we have built, we have nurtured and we have maintained Shrinedom through the jurisdiction that has been given us and now you are being asked to excise four counties that belong to us and the officers of the Shrine Clubs of those four counties are extremely disturbed and have come to us. We did not have to seek them out. They asked that they be allowed to come here and object to that amputation.

They said firmly to the Jurisdictional Lines Committee last Sunday that they had nothing against Amran Temple and that unanimously insofar as they could determine, they wanted to remain with Sudan Temple.

Further, we feel that Sudan Temple has an obligation not to only our Divan but to our Officers, Shrine Clubs and our Nobles. As a matter of fact, those gentlemen came here at their own expense to make that presentation.

I simply ask you, Imperial Sir, and this Council, to uphold that recommendation—to give us an opportunity to go back and study statewide concurrent jurisdiction and see if we cannot make sense out of something instead of chaos.

I thank you, sir.

. . . The question was severally called for . . .

IMPERIAL POTENTATE PADGETT: At this time, I would like to call on Legal Counsel.

NOBLE CORSONES: As you know, the proponent himself moved adoption of item 14 and that is where we are. In other words, when the vote takes place, you will vote either yes or no for item 14 on the Call. I give you that as a word of explanation.

. . . Whereupon, the question was again severally called for . . .

IMPERIAL POTENTATE PADGETT: Gentlemen, the question has been severally called for. I am going to put this to a vote.

All in favor please say aye; opposed. It is defeated. Thank you.

With that, I would like to go item 15 on the Call and I will call on Illustrious Sir Edward Rath.

NOBLE RATH: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 15 on the Call for the Annual Session in 1991, located on page 25 of the Call. It is the proposal to amend §§478.1, 478.2 and 478.3 of Article 78 of the Bylaws of the Imperial Council, an Iowa Corporation, so that they will read as follows:

ARTICLE 78 North Carolina

§478.1 Amran Temple

Has:

(a) Concurrent jurisdiction with Oasis Temple and Sudan Temple in all counties except Craven, Mecklenburg and Wake Counties.

(b) Exclusive jurisdiction in Wake County.

§478.2 Oasis Temple

Has:

(a) Concurrent jurisdiction with Sudan Temple and Amran Temple in all counties except Craven, Mecklenburg and Wake Counties.

(b) Exclusive jurisdiction in Mecklenburg County.

§478.3 Sudan Temple

Has:

(a) Concurrent jurisdiction with Oasis Temple and Amran Temple in all counties except Craven, Mecklenburg and Wake counties.

(b) Exclusive jurisdiction in Craven County

The committee reports that the proposal is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you call upon the sponsor, Illustrious sir Edward Hartsell, Potentate of Sudan Temple, for an appropriate motion.

IMPERIAL POTENTATE PADGETT: I will recognize Illustrious Sir Edward Hartsell.

NOBLE EDWARD HARTZELL: Imperial Sir, Imperial Sirs and Fellow Representatives: In light of the recommendation of the committee, I would like to move that this item, item 15, be tabled.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE PADGETT: It has been moved and seconded that item 15 as presented be tabled.

Are you ready for the question?

. . . The question was severally called for . . .

IMPERIAL POTENTATE PADGETT: All in favor of tabling please say aye; opposed. It is ~ tabled at this time.

Now, gentlemen, let us go back to item 14, if you would.

There was a gentlemen standing behind over here (indicating) and even though the motion concerning that item was defeated, I would like to give him an opportunity to be heard.

. . . Cries of "no, no, no" . . .

IMPERIAL POTENTATE PADGETT: Well, gentlemen, in all fairness, in view of being fair, because he had some difficulty getting to the microphone, I would like to recognize him at this time.

NOBLE DEWEY CRUTCHFIELD [Amran Temple]: Imperial Sir, Imperial Sirs and Representatives: I am Dewey Crutchfield, Assistant Rabban of Amran Temple. I believe and feel that Robert's Rules of Order requires a two-thirds vote in order to close debate and I question whether or not there was a two-thirds vote to close debate before I had an opportunity to speak.

Thank you.

IMPERIAL POTENTATE PADGETT: I will recognize Sewell Lamdin.

NOBLE LAMDIN: Imperial Sir, Imperial Sirs and Representatives: The Imperial Sir is attempting to be as fair as he can and, you know, the time to question something is the moment that the Imperial Potentate announces the vote.

Now, up here on the stage, we heard a resounding "no." It is a lot easier to say "no" than it is to say "aye." However, being up here on the stage, at least from the voices that we heard, it was a constitutional majority of two-thirds.

Now, if you want to appeal that, when the Chair announces it, you have to be right at the microphone and do it right at that moment.

Now, again, the Imperial Sir wants to be fair. If you want to give the gentleman another vote, Imperial Sir, well, I think it is really not going to change anything.

. . . Cries of "no, no" . . .

IMPERIAL POTENTATE PADGETT: Well, in all fairness, let us take another vote.

Again, this will be on item 14.

Do you want me to allow him, for example, to speak on item 14?

. . . Cries of "no, no" . . .

DELEGATE: Imperial Sir, I rise to a point of clarification.

In relation to our previous ballot, for example, was that on item 14 or was that on the motion to move the previous question? That, I believe, is what the gentleman's problem is. He believes that it was to move the previous questions and, if that is the case, we never actually voted on item 14. However, quite honestly, I though we had voted on item 14 but then I do not think that he himself recognizes that that is what we did.

We either need to recognize that there was a motion to move the previous question and vote on it and then vote on item 14 or the vote on item 14 needs to stand.

NOBLE LAMBIN: Imperial Sir, Imperial Sirs and Fellow Representatives: You know, maybe there was a moving of the previous question but the Chair did not hear it. The Chair called for a vote on the motion that the gentleman over here made in relation to item 14. That is what the vote was on. It was not on the motion to cut off debate by a previous question. So, as a result, you voted on item 14.

... Cries of "right" ...

DELEGATE: Imperial Sir, I rise to a point of order.

On Article 15, I do not believe that was properly presented to the Council. There was no motion made originally that could take a tabling motion. There was no motion made to place Article 15 before the Council. The maker of the motion got up and said "Let us table it." However, there was not anything to table. It was not before the Council.

... Cries of "no, no" ...

NOBLE CORSONES: Let me say, for just a moment, that I think we can dispense with this one fairly shortly.

It is before the Council when it is placed on the Call and any motion that is an appropriate, recognizable motion may be acted upon. Now, instead of a motion to adopt, which would have been appropriate, the gentleman made a motion to table, which is also appropriate and so it was before the Council and the motion to table was recognizable by the Chair and it was received and voted on by the Imperial Representatives. (Applause)

IMPERIAL POTENTATE PADGETT: I will recognize Illustrious Sir William Buckaway for a report of the Jurisprudence and Laws Committee on item 7 in the Call.

NOBLE BUCKAWAY: To the Representatives of the Imperial Council: I have before me a written request to withdraw Item 7 which appears on page 22 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw Item 7 on the Call for the Annual Session of 1991."

It is signed by Illustrious Sir Eduardo A. Dyer, the proponent of the proposal.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

IMPERIAL POTENTATE PADGETT: Let me ask, you, may I have the unanimous consent of the Representatives to withdraw this item?

... Cries of "yes, yes" ...

IMPERIAL POTENTATE PADGETT: Again, it has to be unanimous.

... Further cries of "yes, yes" ...

IMPERIAL POTENTATE PADGETT: Well, if there is no objection, I will now declare it unanimously withdrawn.

I would now like to call upon Imperial Sir Semb for the report of the Committee on Mileage and Per Diem.

IMPERIAL SIR SEMB: To the Imperial Potentate, Officers and Members of the 1991 Imperial Council: As provided in Article No. 5, Sections 205.1 and 205.5 of the Bylaws and Code for the Imperial Council, your Committee on Mileage and Per Diem, in keeping with the law, recommends for those entitled to receive pay, mileage allowance of a round-trip comparable to, but not in excess of, the lowest unrestricted discount air fare or, if such is not available, the lowest coach or most economical air fare, from the departure airport to the destination airport for himself and his spouse, if she accompanied him, or the sum of twenty-seven and one-half cents a mile round-trip, whether or not his spouse accompanied him, if he used

ground transportation (public or private), but not to exceed the amount indicated in §205.1(a); or an amount not to exceed that indicated in §205.1(a) for himself, and for his spouse, if she accompanied him, if he used private air transportation. If a Representative lives outside the state in which his Temple is located and nearer the place of the Session, the departure airport shall be that airport nearest his place of residence. He shall also be paid per diem expenses of one hundred fifteen and no/100 (\$115.00) room rate, plus twenty dollars (\$20) for meals, for each day he attends the Session.

All members of the Committee on Jurisprudence and laws shall receive one hundred fifteen and no/100 dollars (\$115.00) plus twenty dollars (\$20) per day for three extra days. All members of the Committee on Finance and Audit shall receive one hundred fifteen and no/100 dollars (\$115.00) plus twenty dollars (\$20) per day for two extra days. I will now declare a brief recess at this point.

... A brief recess then ensued, following which business was transacted in the Colorado Corporation ...

CHAIRMAN BRACEWELL: At this time I have the great pleasure of being able to present to you the Chairman of the Public Relations Committee, a man who has certainly done a very, very excellent job in relation to this committee, Imperial Sir Everett Evans.

IMPERIAL SIR EVANS: Imperial Sir, Imperial Sirs, Grand Masters, Illustrious Sirs, Members and Representatives of the Imperial Council, Ladies and Special Guests: Earlier today, you heard the Chairman of the Shriners Hospitals for Crippled Children, Gene Bracewell, comment on the state of our Shriners Hospitals and he assured us the program was on solid ground. I am here this afternoon to report to you that the state of the Shrine's Public Relations Program is also on solid ground and to also tell you that, in 1991, I believe we find ourselves poised on the verge of entering a new era of success with respect to our public relations efforts.

I hope that you are as proud of our public relations program as I am.

Thanks to my Vice Chairman, John VerMaas, and key committee members like Doug Mayes; our Director of Public Relations, Mike Andrews; and the Public Relations staff in Tampa, this combination continues to make us the envy of most organizations in North America.

We have a program that has utilized a unique combination of "tried and true" public relations methods, combined with some of the latest, most contemporary public relations approaches being used by any company or organization anywhere. The result is a higher profile and greater association with Shriners Hospitals for Crippled Children than ever before.

[Slide]: Now, this just indicates a partial list of some of the elements we have in place—just a part of our overall program as we entered the decade of the nineties.

You know, it would probably take the better part of the rest of the afternoon if I expanded on each of these items and went on to tell you about the other ways in which we are "turning the volume up" on the visibility of the Shrine and our association with the world's greatest philanthropy, Shriners Hospitals for Crippled Children. However, what I would rather do is tell you about two or more high profile campaigns for the year and then tell you what lies ahead for the coming Imperial Year, because we have a new, exciting program to announce this afternoon that is the first of its kind in the history of the Shrine and I think you will be pleased.

A major part of our effort which is aimed at increasing visibility and awareness for the Shrine and Shriners Hospitals came this past February [slide] when all of Shrinedom joined together to promote Burn Awareness Week in both the United States and Canada.

The campaign was directed at increasing the public's awareness of the Shrine's involvement with our three burns institutes and our highly successful Stop Burn Injuries campaign became the focus of the effort.

[Slide]: Shrine Temples help to distribute media kits to the local press and many Temples were successful in generating a great deal of publicity.

[Slide]: In addition, on February 5th, television stations in twenty different cities across North America, including "Canada A.M." took part in a satellite television tour which brought together the Chiefs of Staff from our three Shriners Burns Institutes for a series of television interviews on the subject of burn prevention.

[Slide]: The interviews were conducted by health care reporters who were linked by way of satellite to the Galveston Burns Institute where we had assembled our three spokesmen.

[Slide]: This tour allowed us to reach millions of television viewers and gain valuable exposure in many more cities than ever before possible. If we had carried out an old-style media tour and actually had our three spokesmen travel "in person" to each of the cities in which they appeared, we would never have achieved what we had throughout this method.

[Slide]: However, as successful as our programs were in 1991, we do not plan to rest on our laurels. We have designed a new program that I am going to introduce you to today that we have launched within the past two weeks involving the theme "Shriners Help Kids."

As most of you probably know, the Shrine has spent years and invested hundreds of thousands of dollars in promoting our association with Shriners Hospitals. We have

something that no other group or organization can come close to matching—namely, a network of hospitals that provides some of the finest medical care available anywhere, and we do it at no charge. This is an incredible story and one that I am certain all of you would agree we would be foolish not to take advantage of. So, for years, we have tied the Shrine and Shriners to Shriners Hospitals.

We will continue to promote the Shrine's association with Shriners Hospitals but with the "Shriners Help Kids" campaign, which will let people know what Shriners do on an even more basic level.

You know, Shriners parade, Shriners have fun and all the rest, but basically what do Shriners really do? Shriners help kids. What more noble cause could there be?

[Slide]: Visually what we have done is to take the basic "Shriners Help Kids" theme and introduce a young child, a patient from one of our hospitals, the universal "no" symbol and with a crutch in the middle.

The message here is one of hope and the "no crutch" reference is symbolic of our attempt to cure or improve the quality of life for all the kids we treat in our Shriners Hospitals. The crutch also serves to represent dependency. Of course, Shriners Hospitals' mission has long involved helping the children we treat—orthopaedic, burns or spinal cord injured—to become more self-sufficient and independent and less reliant upon others and, most of all, less dependent upon crutches, if it be God's will.

[Slide]: The "Shriners Help Kids" campaign will be the most comprehensive in the history of the Shrine in terms of the variety of elements utilizing a single theme.

[Slide]: You may have already seen the shopping cart signs that are part of the new campaign. Nearly a quarter of a million shopping carts in over 8,000 super markets are displaying the signs and they will remain in place until July 17.

[Slide]: Also, in place in grocery stores across the country are what is known as "Aislevision" signs—the signs up next to the directories in stores that tell you where the store items are located. We have over 8,000 of these signs in place—one in each of the 8,000 stores in which we have shopping cart signs. They remain up until the end of 1991.

The advertising value of this particular campaign, if we were to purchase this space, would have been in excess of \$2 million. We paid approximately \$40,000, which just covered the cost of printing the signs. The placement and distribution was generally donated to us by Act Media, Incorporated, the company that, for all practical purposes, controls the shopping cart and shopping aisle sign industry.

[Slide]: Other elements of the campaign that will hopefully have people all across North America more aware of the fact that "Shriners Help Kids," now include shopping mall signs called dioramas.

[Slide]: We are distributing these signs for placement on mall directory signs in 650 shopping malls across the United States and these same signs can be placed in airport terminals as well. It is figured that the potential exists for us to reach in excess of forty-two million adults with this campaign. We think this is super and hope you agree.

[Slide]: A new window poster is available and utilizes the "Shriners Help Kids" theme and is perfect for placement in store windows. The bottom right-hand space has been left blank so that Temples can write in time and date information and use this new poster in connection with screening clinics as well.

[Slide]: We will have the large thirty-sheet billboard signs available in English and Spanish and for Canada, in English and French—French for the Quebec province, of course.

[Slide]: Since the original truck decal campaign was launched three years ago, we have placed over 15,000 decals promoting Shriners Hospitals on trucks and vans across North America. This new campaign includes decals designed with the new theme and should play an important part in our efforts to increase our visibility and awareness.

[Slide]: "Shriners Help Kids" bus cards are being produced this week for placement on the inside of city buses—something that has worked out extremely well for us in the past.

[Slide]: And once again we will have bumper decals available for your car or van.

Those of you who have followed our public relations program and various projects over the years know that there is something missing from what I have outlined to you this afternoon. It has been the cornerstone of our program and that is our public service announcements.

We have been fortunate over the years to have had some of the biggest celebrities and sports stars as spokespeople for our campaigns and those of you who were in Chicago might remember the special presentation we made out of out-takes or bloopers with some of our more famous celebrity spokespeople.

We have had many requests to show them again and so we thought for those of you who do want another look at the lighter side of a few of our public service campaigns and certainly for those of you who were not at the Session last year or may have missed it, we think you will enjoy seeing how our public service announcement tapings do not always go as planned.

... Whereupon, a video presentation of celebrity bloopers ensued ...

IMPERIAL SIR EVANS: Obviously, appearing on camera is not as simple as it looks, even for the stars.

A few months ago we were searching for a new star to help us with a project we were working on. He has become a bit of a celebrity among our own ranks, but as good as he is, he also found out how hard it was to appear in front of the camera when we asked him to introduce a new program to employees of Shriners Hospitals. Watch this, you may know him.

... Brief video of Imperial Sir Gene Bracewell "bloopers" ensued ... (Laughter)

IMPERIAL SIR EVANS: There was one lady, however, who appeared in a public service spot for us earlier this year that did not have any problem with her lines and, in fact, I do not have any bloopers to show you from her tapings. I am talking about Delta Burke, most recently of the "Designing Women" show.

Now, we were fortunate to have been in Los Angeles when the filming was done and we presented Delta Burke and Meshach Taylor with plaques in behalf of Shriners Hospitals for their efforts. These two stars were some of the nicest and most cooperative we have ever worked with.

The public service announcement is just now beginning to surface on many television and radio stations across the United States and Canada and we distributed it to every television station and most radio stations in both countries. We even had the PSA translated into three foreign languages in an attempt to reach the ever expanding minority population.

As I said, the campaign seems to still be strong and shows little sign of slowing down. In fact, one day last month, sixty-four children were referred to Shriners Hospitals due to the airing of the PSA featuring Delta Burke and a phone call to our 800 number given on the end of the PSA. That is sixty-four kids referred to Shriners Hospitals—actually sent an application and put in contact with a specific Shriner Hospital. It is not sixty-four calls in one day but sixty-four actual referrals.

In case some of you have not seen their public service announcement yet, we thought we would show it to you now.

... Public service announcement video then ensued ...

IMPERIAL SIR EVANS: The new "Shriners Help Kids" campaign, which I outlined to you a bit earlier, will, of course, include public service announcements. However, since the campaign's focus is on kids, we thought it would be best if we used kids, actual patients from our Shriners Hospitals in our radio and television PSAs rather than celebrities.

We did not have to go very far to find our first patient because just two short years ago, we brought him to the Imperial Council Session in Toronto.

[Slide]: We featured him also in our annual report that year. Many of you, I am sure, will remember him. His name is Rich Bellanger.

You might remember Richard's story appearing on the network television show "Incredible Sunday." He was the young man who lost both feet in an accident and yet, thanks to Shriners Hospitals, went on to become an active high school student who even played on the school football team.

[Slide]: Well, late last year we took Rich to the site of the Shrine Bowl of the Carolinas and taped a public service announcement with Rich as the star, in the first of what will be a three-spot package, telling the story of three kids that Shriners Hospitals have helped. We plan to release the campaign this fall.

So, for the first time anywhere, I would like to present to you the first of three "Shriners Help Kids" public service announcements.

... Video presentation then ensued ... (Applause)

IMPERIAL SIR EVANS: The second youngster in our campaign came to our attention through a newspaper article in a hometown newspaper in, of all places, the little town of Bucyrus, Ohio, which is not far outside of Columbus. Her name is Beth Cole and despite being a double amputee, Beth is a high school cheerleader who excels at not only cheerleading but everything she does.

... A video presentation starring Beth Cole then ensued ...

IMPERIAL SIR EVANS: Our third youngster is an amazing young man who was born without feet or hands but despite that is today actually setting records in track and field at his high school near Seattle, Washington.

Now, let us take a look at Beth Cole and Tony Volpentest, the other two-thirds of our new "Shriners Help Kids" PSA campaign.

... Video presentation starring these two young people then ensued ... (Applause)

IMPERIAL SIR EVANS: You know, these last two kids are really something special and when we got to travel to their hometowns to take those public service spots, we had the opportunity to spend some time with them and their parents and we were totally taken with their strength and courage.

I guess everyone in this auditorium today knows that our success as Shriners and human beings, for that matter, is measured in relation to those we help.

As Shriners and ladies of Shriners, you have all helped Tony and Beth and their families, whether you realize it or not. How would you like to know a little bit more about these two amazing kids—our kids? Watch your screens and you will love them as we do.

... Further video presentation then ensued ...

IMPERIAL SIR EVANS: Nobles and Ladies, we have some special people in our audience today that I would like to introduce you to—the parents of these two courageous young people, Beth's mom and dad—Kathy and Bill Cole. Also, we have with us Tony's mom and dad, Betty and Bill Volpentest.

I will ask these individuals to stand.

... Applause ensued as these four individuals arose in recognition ...

IMPERIAL SIR EVANS: I might add further that since we made that video, Beth Cole was named to the varsity basketball cheerleading squad for next season and Captain of the JV football cheerleaders.

[Slide]: And also, last month, Tony earned his letter in varsity track and at the United States track and field championships in New York, Tony won the 100 meter dash in the fastest time ever run in the United States by an amputee sprinter—11.74 seconds. To give you some point of comparison so that you will realize just how fast that is, the speedster "Rocket" Ismail from Notre Dame, the young man that every NFL football team wanted coming out of college this past football season, runs a 10.61 100 meters and so Tony is only slightly more than one second behind the "Rocket."

[Slide]: Also, I know when we were taping the video you just saw, meeting Beth and Tony in person was a real thrill for me, one I will never forget, and I think anybody who works as hard as all of you do, deserves the same thrill and so, Nobles and Ladies, here are Beth Cole and Tony Volpentest.

... Rising applause ensued as these two young individuals jogged down the center aisle up to the podium ...

IMPERIAL SIR EVANS: I wonder, Tony, if you would just say a brief word or two at this time?

TONY VOLPENTEST: Ladies and gentlemen, I really do not know where I would be today if it were not for the help and support of Shriners Hospitals for Crippled Children. I do not think, as a matter of fact, that any other organization in the world could have offered the same amount of support and care that they have given me. Now, when I say "support," let me add that there are a lot of hospitals that give care but, on the other hand, do not give "support." I think that is a very important part of what is happening to me.

I am just grateful that I have the opportunity to work with the Shrine and with this great group of people. (Applause)

BETH COLE: It is really good to be here, to be able to say thank you to each and every

one of you for everything you have done. I mean this from the bottom of my heart to the bottom of my feet. (Applause)

I have been with the Shrine for fifteen years now and they have done everything possible to help me.

I would really like to also thank all of the doctors at the Chicago Unit and I also, I might add, enjoy helping other people with their problems. If I find a kid who has been in an accident and lost their legs, I like to go and talk to them and encourage them to get into the Shriners System so that they will get all of the care they ever need.

I would like to thank you again very, very much. Thank you. (Applause)

IMPERIAL SIR EVANS: Now, Bill and Kathy Cole, would you like to say a few words to the fine people assembled here this afternoon? We would really appreciate it if you would do that.

MRS. KATHY COLE: As Beth's mother, I would like to thank you for the wonderful care you have given Beth and all the children that you have helped.

Now, while she would have had the determination to do it on her own, without your care, she would not have ever reached the heights that she has reached today. This has truly been a memorable experience for Beth and her family and we would like to especially thank Everett and Mike Andrews and the others in the Public Relations Department.

In conclusion, I just want you to know that Shriners do hold a special place in our hearts. You are all fine Americans, special human beings and God bless you all. (Applause)

MR. BILL COLE: As a parent and to watch Beth progress as she has, it brings many emotions into my heart. It brings tears to me, also, at times when I see her do what she actually does but without your help and without the help of the Crippled Childrens' Chicago Unit, Beth would not have been able to do what she does today.

You also must be very proud considering what both of these young people have accomplished in their lifetime thus far.

Again, we thank each and every one of you, including the Chicago Unit.

It has been our great pleasure to meet and associate closely with Everett and Mike and Ceil and everyone from the Imperial Office at Tampa.

We say truly "thank you" from the bottom of our hearts to each and every one of you and may God bless and enrich you and, again, a big thank you from all of us in Ohio. (Applause)

IMPERIAL SIR EVANS: I would also like to indicate to you that Bill Cole has just taken his entered apprentice degree and has started his Blue Lodge work. (Applause) These, in my estimation are two of the finest people in the world, Kathy and Bill Cole.

Now, Bill and Betty Volpentest, would you like to come up here to the microphone and say a few words? (Applause)

MRS. BETTY VOLPENTEST: It has really been a pleasure to be here. I have really had a most difficult time during the last two days seeing these Shriners going up and down in the elevator and sitting in the hall and yet not being able to talk to them about these things that have really passed during the last couple of days.

I cannot thank the Shrine enough for all of the help they have given Tony because he has risen to the heights that he has because of your help.

You know, as I think about this, there is no way that I can add all of this up. For your help I cannot thank you enough on behalf of Tony for the contacts he has made, the people that have called him, the opportunities he has been given. Further, I think he is in control of his future and, you know, when he was born, we both wondered whether or not he would subsequently be able to take care of himself. To help him, we concentrated with him on his schooling and his grades. You, the Shrine, have given him the kind of confidence in himself to enable him to believe that he can really be one of us and that is what he most desires—to be included in society and its functions.

Thank you so very, very much again. (Applause)

MR. WILLIAM VOLPENTEST: You know, I am not really speechless but they would not let us see the tape until today when everybody else saw it here. Of course, I can understand that.

All I can say about care and dedication is that dedication really describes Shriners Hospitals, especially the Portland Unit. They listen to their patients and this involves not

only the staff but the nurses, the technicians and likewise the doctors because, you know, if they had not listened to what Tony asked them about some two and a half years ago, he would not have gone to Tampa in August of 1989 and received the attention of the Amputee Athletic Association and, really, that is what started him on the road in the field of track.

You know, in relation to the medals he has won, they are really insignificant, especially when you think of what he has done with what he has been blessed with. What has been really significant is that in his young life he has gained some attention so that his message can now be gotten across just like that of anyone else in that disability is in the mind of the observer and not in the person.

Thank you so very much. (Applause)

IMPERIAL SIR EVANS: Well, Nobles and Ladies and guests, there you have it.

With that, Imperial Sir, I would move for the adoption of my report and also, I understand that the Imperial Sir will be adjourning this Session and so I would ask all of you to please come up here to the platform and greet these two young people—meet with these kids and get your pictures taken with them and, finally, thank you for letting us be a part of today. Thanks for all the great people that came down here. (Applause)

IMPERIAL SIR BRACEWELL: Let us give Everett a wonderful, big hand for the tremendous job he has done and is continuing to do.

. . . Cheers and applause ensued . . .

IMPERIAL POTENTATE PADGETT: At this time I would like to call on my Imperial Chaplain, Dr. Green.

DR. GREEN [Imperial Chaplain]: Supreme Architect: There is no better time for any of us than this very moment because we feel so close to You in it.

This is our Session. We give Thee thanks for the opportunities that we have been given and what we have learned here during our Sessions and we know, that as we proceed with our endeavors, we have behind us the unanimity and wisdom Thou has granted us.

I also know that as we put on our Fezes and walk out of this hall, there will be a great voice that each one of us will hear—these are my beloved men and women to whom everybody should give thanks for their efforts and the opportunities they present to these children. Amen.

IMPERIAL POTENTATE PADGETT: Nobles and Representatives, this meeting will now stand in recess until nine o'clock tomorrow morning. Be there on time.

Thank you all so very, very much.

. . . The One Hundred Seventeenth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at five-thirty o'clock p.m. to reconvene at nine o'clock a.m. the following morning . . .

MORNING SESSION FRIDAY, JULY 5, 1991 NINE O'CLOCK A.M.

The One Hundred Seventeenth Annual Session of the Imperial Council reconvened in the Grand Ballroom of the San Francisco Hilton and Towers Hotel, San Francisco, California, at nine o'clock a.m., Imperial Potentate Joseph P. Padgett, presiding.

IMPERIAL POTENTATE PADGETT: Will all of you gentlemen please take your seats. We have one minute to go before we will officially be convened here.

I hereby declare this Session or Annual Meeting reconvened. Please take your seats.

I would recognize our Imperial Chaplain, Dr. Green, for the Invocation and for a special prayer here.

DR. GREEN [Imperial Chaplain]: Supreme Architect, we stand here this morning with many thoughts that vary within the Divine Plan in relation to the way each of us is chosen to express Thy will to the land of our Father. We again implore Thy guidance as we continue with our activities for the benefit of Shriners Hospitals for Crippled Children. Amen.

Nobles, Worshipful Grand Masters, Illustrious Sirs, Imperial Sirs and Imperial Sir Joe: My duty this morning is to inform you that last evening our beloved Imperial Sir Voris King passed on. He has been admitted to the Greater Temple on High.

Now, will you please remove your Fezes and may I have the lights dimmed.

I would like to take a moment to share with you exactly the details so that everyone knows exactly how Imperial Sir King went the way he chose.

Last evening, the Kingfish had a wonderful dinner, as he always does—a great meal with great fun with his brethren.

However, when the Kingfish reached the hotel lobby last night, he became very ill. He called Dr. H'Doubler. He complained of chest pain. Dr. H'Doubler called 911, got hold of the medics and they, in turn, took the Kingfish to the hospital.

Dr. H'Doubler was with him all the time. He passed on in just a few hours.

He told me, Dr. H'Doubler, that during this two-hour period by Imperial Sir King and then, peacefully, with comfort and with no pain, he passed on.

I have a poem that I would like to read just to share this special moment with you. Would you close your eyes and in your own way, follow the love you have for this man, for all that he has done for the Shrine. Let these words bring forth some comfort to each one of you.

"The snow melts on the mountain and the water runs to the spring and the spring, in a turbulent fashion and with a song of youth to sing, runs down to the river. The river then flows on to the sea and the waters begin coming back in the form of rain to the hill where it used to be.

I wonder if life's great destiny is not much like the rain and the snow—returning to all eternity to the place it used to know.

Life is born on the lofty heights and flows into a laughing stream to the rivers below, lost in the end in a peaceful dream.

And so, when life is past and the river has run its course, it again goes back on the self-same track to the mountain which was its source.

Our good friend, Imperial Sir Voris King, has gone back to the mountain, to the source, to the heights which are watched over by the Supreme Architect and we are with him. We have loved him and feel that love this moment and I know it would please him if he knew the love we felt for him is always perpetuated as we maintain our love for each other and as we love each other, we are loving him.

I was asked to conclude my words with these few words.

Imperial Sir Voris King was a class act—everything he did was "class." The world is a better place because of Voris King. The Shrine is a better place because of Voris King. Each one of us is a better man because of our association with Voris King.

A class act, Voris, we love you.

Now, let us take a brief moment to catch our breath, gain our control and perhaps have a friend beside us to help us regain our composure and continue with our labors and the spreading of our good works. Amen.

IMPERIAL POTENTATE PADGETT: Thank you very much, Dr. Green, for those fine words.

AUBREY GUY GRAHAM

*Past Imperial Potentate
Past Member, Board of Directors and Trustees,
Shriners Hospitals for Crippled Children*

January 14, 1905

September 25, 1990

OFFICE OF THE IMPERIAL POTENTATE
Tampa, Florida

To the Representatives of the Imperial Council, Potentates of Subordinate Temples, and the Nobility of the Order:

He is not dead, But sleeps;
and soon he will arise and take me by the hand.
And he will have some gentle word to say,
Some kindly deed to do;
for he is not dead.
Such souls forever live in boundless measure
of the love they give.

Past Imperial Potentate Aubrey G. Graham, 85, passed away in the evening of September 25, 1990. A Shriner since 1929, Imperial Sir Graham served as Imperial Potentate of the Shrine of North America during the 1970-71 Imperial Year. He served as Potentate of Khedive Temple in 1938 and served as Khedive Temple Treasurer for 19 years. He has been a member of the Board of Governors of the Greenville Unit, Shriners Hospitals for Crippled Children, and has been a member of the Board of Directors and Board of Trustees for the Shriners Hospitals system.

A man who truly believed that "... what we do for ourselves dies with us; what we do for others lives forever," Imperial Sir Graham led a full life that was navigated by the helping and serving of others.

Born in Norfolk, Va., in 1905, Imperial Sir Graham attended the University of Virginia. Early in his career in Norfolk he served as Deputy Clerk of the Corporation Court and Executive Secretary to the City Manager of Norfolk. He was appointed Postmaster of the City of Norfolk in 1945, and remained in the Postal Service until he retired in 1975 after 30 years of dedicated service. Because of his exceptional work within the Postal Service, Imperial Sir Graham was presented the Post Office Department's Distinguished Service Award for "outstanding performance of duty." He was the second Postmaster ever to be honored with the Department's top award. In 1970, he served as Special Advisor to the Deputy Postmaster General.

Imperial Sir Graham was initiated into the Norfolk Chapter of the Order of DeMolay in 1924, and 28 years later, in 1952, he was bestowed with the Order of DeMolay's highest honor, the active DeMolay Legion of Honor. At the Investiture held in Washington, D.C., the Legion of Honor ring was presented to him by past Imperial Potentate, Frank S. Land, founder of the Order of DeMolay. The President of the United States, Harry S. Truman, personally presented the Cordon, Medallion and Diploma.

Imperial Sir Graham was one of the original organizers of the Annual Shrine Oyster Bowl Game, now in its 44th year. For 20 years he served as one of the vice chairmen of the Oyster Bowl Game as well as director of public relations. The Shrine Oyster Bowl Game has raised more than 2 million dollars for Shriners Hospitals for Crippled Children.

Raised in Ruth Lodge No. 89 in Norfolk in 1928, Imperial Sir Graham had many Masonic memberships, including: John Walters Royal Arch Chapter No. 68; Grice Commandery No. 16, Knights of Templar; the Scottish Rite Bodies of Norfolk; Royal Order of Scotland; held the Rank and Dignity of Knight Commander of the Court of Honour; and was coroneted 33rd degree, Inspector General Honorary, Scottish Rite, Southern Jurisdiction.

His civic contributions and honors were vast and numerous. As a young man, Imperial Sir Graham received the "Distinguished Service Key Award" from the Junior Chamber of Commerce as Norfolk's Outstanding Young Man in 1940. He held several chairman and vice-chairmanships in the American Red Cross, and he received a citation as 1945 War Fund Chairman by the National American Red Cross, "in grateful recognition of outstanding loyalty, patriotism and public spirit."

He was also very active within the Boy Scouts of America organization, serving as a

member of the Tidewater Council's executive board, and serving as president and treasurer. He was awarded the Silver Beaver Award for "Distinguished Service to Boyhood," at a meeting of the Tidewater Council in 1959. The Silver Beaver Award is the highest recognition a Council can bestow.

He is survived by his two children, Aubrey G., Jr. and Martha Elizabeth, and two grandchildren, Aubrey Guy, III and Virginia (Ginger).

*Life is eternal; and love is immortal; and death is only a horizon;
and a horizon is nothing save the limit of our sight.*

His many friends in the Imperial Council and in all of Shrinedom join with the Imperial Potentate in expressing sincere condolences to his loved ones at his parting.

They are not dead who live in lives they leave behind;
In those whom they have blessed, they live a life again,
And shall live, through the years,
Eternal life, and grow each day more beautiful.
As time declares their good,
Forgets the rest, and proves their immortality.

VORIS KING

Past Imperial Potentate
1987-1988

January 20, 1917

July 5, 1991

OFFICE OF THE IMPERIAL POTENTATE
Tampa, Florida

To the Representatives of the Imperial Council, Potentates of Subordinate Temples, and the Nobility of the Order:

He walked through life and left his impress there;
He still lives on in ways we cannot know.
His love of life and living is not lost;
His spirit carries on in those he loved,
And reaches out to touch humanity.
A heritage continuing through the years.

Voris King, who served as the Shrine's Imperial Potentate during the 1987-88 Imperial Year, passed away on July 5, 1991.

Affectionately known by all as "Kingfish," Imperial Sir King was born in Lake Charles, Louisiana, on January 20, 1917. He was the proud son of former Louisiana Governor and Mrs. Alvin O. King. He was educated in the public schools of Lake Charles, graduating from Lake Charles High School with honors, also having served as president of his senior class. He attended the University of the South at Sewanee, Tennessee, and was a World War II veteran, having served in the U.S. Navy from 1943 to 1945.

Following his discharge from the Navy, Kingfish and his wife, the late Frances Thompson of Chattanooga, resided in Natchitoches until 1952. And as always his style, Imperial Sir King left his impression there in Natchitoches, receiving the Natchitoches Civic Service Award in 1948 and serving as president of the Natchitoches Jaycees in 1950. Kingfish and his family returned to Lake Charles in 1952.

Kingfish's generous heart and giving nature is what many best remember about the Imperial Sir. Because of his generosity, many awards and accolades were bestowed upon Imperial Sir King. In 1975, he was one of 16 men selected nationally to receive the Religious Heritage of America Award for his business and professional leadership in the wholesale trade. He has received the Salvation Army Outstanding Citizen Award, the Brotherhood Award of the National Conference of Christian and Jews, the Association of Commerce Civic Service Award, the American Legion Community Service Award, and the U.S. Army Distinguished Civilian Award.

He was also awarded the coveted Silver Beaver Award from the Boy Scouts of America, the Distinguished Citizen Award, as well as earning his Gold Membership Card for 60 years association with the Boy Scouts. King also received the distinguished Eagle Scout Award.

Imperial Sir King was raised a Master Mason in Lake Charles Lodge #165 on April 23, 1939, and served as Master of Rudolph Krause Lodge #433 in 1963. He was a 33rd degree Scottish Rite Mason, has received the Red Cross of Constantine of the York Rite, was first director of Court #178 of the Royal Order of Jesters, and was a Past Patron of Eastern Star Chapter #13.

King was a founding father of Habibi Temple in Lake Charles, and served as the Temple's first Potentate.

During his lifetime, King was active in many business and civic affairs. He served as president or director of many organizations, including King Corp., the Coastal Club Inc., Kelly, Weber and Co., Lake Charles Grain & Grocery Co., Lake Charles Feed Co., Little Lake Misere Land Co., First National Bank of Lake Charles, American Bank of Commerce, Lake Charles Cemetery Association Ltd., Kingfish Enterprises Ltd., Lake Charles Memorial Hospital, McNeese State University Foundation, the Lake Charles Chapter of the National Conference of Christians and Jews, Centenary College and Louisiana Cemetery Association. He was national president of the United Commercial Travelers of America in 1955 and the U.S. Wholesale Grocers Association in 1956, and was past president of the Louisiana Wholesale Grocers Association, Lake Charles Rotary Club, Better Business Bureau of Lake Charles, Calcasieu Area Safety Council and Calcasieu Red Cross.

He was a national director of the U.S.O. and a member of the Association of the U.S. Army. He chaired or headed successful fund-raising drives for the March of Dimes, the American Red Cross, Easter Seals, the YMCA, Lake Charles Civic Symphony, the Salvation Army and the McNeese Alumni Center. He was also state campaign chairman for the American Heart Association in 1981, was a past director of Wishing Well of Louisiana and a past president and member of the executive board of the Calcasieu Area Council of the Boy Scouts of America.

Imperial Sir King was appointed by President Nixon as a member of the U.S. Assay Commission and was king of the Washington, D.C., Mardi Gras Krewe in 1962. He also had been a member of the state Board of Commerce and Industry, Racing Commission and Cemetery Board.

In 1988, a great honor was bestowed upon Kingfish, when McNeese State University presented him an Honorary Doctorate of Humane Letters Degree and in 1987 inducted him into the University Hall of Honor.

Imperial Sir King is survived by three sons, Judge Charles Stirling King, William Voris King and Alvin Bardine King, and one daughter, Virginia King Ayres. All of his sons are members of Habibi Temple and Jester Court #178. King is also survived by nine grandchildren and three great-grandchildren.

*It is eternity now. I am in the midst of it. It is about me in the sunshone;
I am in it, as the butterfly in the light-laden air. Nothing has to come; it is now.
Now is eternity; now is the immortal life.*

His many friends in the Imperial Council and in all of Shrinedom join with the Imperial Potentate in expressing sincere condolences to his loved ones at his parting.

We do not lose the ones we love
They only go before
Where there is everlasting life
Where sorrow is no more . . .
And there the soul will always live
And peace is everywhere
We do not lose the ones we love
God takes them in His care.

I will now recognize Imperial Sir Bob Turley of the Jurisprudence and Laws Committee, for item 6(b) in the Call.

NOBLE TURLEY: Imperial Sir, Imperial Sirs and Representatives: The Jurisprudence and Laws Committee has already reported on this item the report that I will make will be made for the Standards and Qualifications Committee. You need to have a little bit of an explanation as to what this is about.

After the Board of Directors of the Iowa Corporation and the Board of Trustees of the Colorado Corporation learned that item 5 would be in the Call, their instance, the Imperial Potentate appointed a Standards and Qualifications Committee which consisted of five members, some of whom had expressed themselves in favor of item 5 and 6 and some to the contrary.

A committee, which took no position as such but left its members free to make their own choices as to what subsequently was presented to you as item 6(a) at the Session the other day.

Now, you may remember, and I hope you remember, that when the Jurisprudence and Laws Committee reported on item 6(a) and 6(b), they told you that they would be dealt with separately.

Now, you dealt with item 6(a) and by your vote you declined to accept that amendment to the Imperial Bylaws.

Item 6(b) was reported out but you have not yet dealt with that.

I need to tell you first that item 6(b), which is before you or will be before you, does not repeal any provisions of the present Imperial Bylaws—it does not repeal the prerequisite section of Article 10 of the Bylaws—it adds to the Bylaws but it takes nothing from the Bylaws.

When this committee, which consisted of Lew Brantley, Ted Corsones, Mahlon Hessey, Ralph Semb and myself as Chairman, considered the issues that relate to standards and qualifications of the Shrine, we asked ourselves several questions.

Some of these questions are questions which you are asked from time to time because you are Shriners—"What do Shriners believe?"

Those of you who were in the parade yesterday saw a young man near the end of the parade holding up a big sign attacking Freemasonry. Those attacks are increasing and you are asked from time to time, "What do Shriners believe and if Shriners' beliefs are right and ethical and moral and truth, why are they secret?"

You and I know, of course, that they need not be and, indeed, the principles by which we live as an institution should be widely known.

You are also sometimes called to think about who should be Shriners? There is a widespread view in our environment today that anybody can belong to any club or organization or group to which he or she would like to belong. Perhaps you have seen the newspaper articles about the Boy Scouts of America and many of you, like I, were scouts.

In two places, young boys who profess to be agnostic or atheists—one of these did not want to profess a belief in God. Further, if you read yesterday's Chronicle, you saw a sit-in by some gays at the Boy Scout Headquarters here in San Francisco because they want to be scout leaders and, also, you may know that there is a little girl who wants to go to Boy Scout camp and so she and her parents filed a suit in order that she could do so.

Your committee believes that we risk disunity, disharmony and ultimate disarray unless the Shrine can select our members.

This item, some of you did not bring it with you today and so I am going to read it to you in a minute, it defines us collectively for ourselves, old Shriners and young Shriners, for others, for your sons and grandsons who want to know what their fathers and grandfathers do as Shriners and what they believe; it defines our beliefs for prospective members and indeed for the outside world.

It is our own statement and not a statement of beliefs forced on us by others, if you adopt it.

Now, because you do not have it and you heard it read three days ago, I will read it to you again.

This will be an addition to Article 10 of the Imperial Bylaws and it would be entitled, "Principles of the Order."

§210.1 BROTHERHOOD. Shriners are brothers. We share a common creed and common goals and values.

§210.2 CREED.

Shriners believe in God and that He created man to serve His purposes, among which is service to others in His name. We believe that care for the less fortunate, especially children who suffer from burns and crippling diseases, is our institutional calling.

We are patriots, each willing to serve his country with fidelity and courage. We cherish independence under the law and freedom with responsibility.

We honor family. We respect our parents, wives and children. We should instill in our children the tenets of this creed and the heritage from which it emanates.

As individuals we pledge ourselves to integrity, virtue, and nobility of character. Our intentions will be honorable, our relations will be trustworthy and our spirits forgiving of each other.

As brothers we offer each other fraternal affection and respect. Together we will support each other in adherence to this creed, so that we and our communities will be the better because of our fraternity and its principles.

As Shriners we look beyond ourselves to serve the needs of others, especially children who cannot help themselves. We believe Shriners Hospitals to be the world's greatest philanthropy, and we covenant with each other to support its "temples of mercy" with spirit, time, talent and means.

§210.3 GOALS. The goals of the Order are purely fraternal and philanthropic.

§210.4 VALUES

(a) The Shrine is a distinctly private organization.

(b) Its members cherish their right to privacy, freedom of expressive association and freedom of intimate association.

(c) Its members have control over the internal governance of the Order.

(d) Their Temples are not to be operated for profit.

(e) Membership in the Order may not be used to further business, political or sectarian ends.

§210.5 SELECTIVITY. Nobles are to be recruited and selected from candidates who believe in the creed, goals and values of the Order. These common beliefs will foster harmony in our internal affairs and in all our undertakings.

§210.6 OBLIGATION. All Nobles must abide by the principles of the Order as set forth above in this Article 10.

§210.7 PREREQUISITES. There will follow in exactly the same terms as now appear in Section 210.1, the prerequisites for membership.

The only change that you will see from item 6(b) that was delivered to you the other day is the word "above" in the last line of Section 210.6, because it refers to what went before.

Imperial Sir, Imperial Sirs and Imperial Representatives, I move the adoption of what has been here called item 6(b), being those new Sections of Article 10 which I have just read into the record and if there is a second, I will be available to answer any questions, if there are any.

... The motion was severally seconded at this point ...

IMPERIAL POTENTATE PADGETT: You have before you the motion and the second.

Is there discussion?

NOBLE: Imperial Sir, Imperial Sirs and Representatives All, I would like clarification on item 210.4, paragraph (a).

I, of course, realize the wisdom and the knowledge of the people who drew this up but I believe they have overlooked a slight item that might put us in error with the IRS and that is this—that presently, the Shrine is a domestic fraternal organization and if we use the words that the Shrine is distinctly a private organization, knowing that distinctly, then that

does not have the value that we believe it has in relation to the dictionary. These people at the IRS, for example, have the opinion of turning it around.

In 1926, I believe that "distinctively" and "solely" had been turned around but if we go with "distinctly private organization" I feel as though the IRS would look at it in a different light and look at our endowment plans.

So, if I may, I would like to recommend the change of item (a) of that item to read, "The Shrine is a distinctly domestic organization."

Thank you.

IMPERIAL POTENTATE PADGETT: To answer that question or comment, I will recognize Bob Turley.

NOBLE TURLEY: Well, you know, there are two or three things that have to be recognized.

You mentioned, for example, our endowment fund. The Colorado Corporation is a separate corporation. However, what is before you is a proposal to amend the Bylaws of the Iowa Corporation, the fraternal corporation. Those two corporations are both tax exempt but under different provisions of the IRS Code.

The Colorado Corporation is exempt under Section 501(c)(3) of the IRS Code and the Iowa Corporation is exempt under Section 501(c)(10), which relates to fraternal organizations. They are different Sections.

You know, we face not only the tax question today, but we face in this environment that I mentioned before, perhaps less directly, we face public accommodation ordinances in various cities and public accommodations statutes in some states.

Section 210.4 was proposed by our General Counsel to state what we have always believed to be true but to have in our Bylaws the statement that this Fraternity is not a public fraternity or a public organization and that, sir, is the reason for the choice of the word "private" in that sense. If they need to supplement what I said, I will be glad to have them do it.

NOBLE W. S. TUCKER, JR. [El Jebel Temple]: Imperial Sir, I am Steve Tucker, Potentate, El Jebel Temple.

I possibly may not have been listening close enough but right now Article 10 defines requisites of the Order. Are you saying that this will precede that or that this will totally replace Article 10 as it is?

... Cries of "no" ...

NOBLE TURLEY: You see, they are all answering you because they were listening when you were not. (Laughter)

The present three requisites that you find in Article 10 will be exactly the same except they will be renumbered Section 210.7. This addition will appear in Article 10 but it will not delete the prerequisites.

NOBLE ROBERT MARBLE [Tigris Temple]: I go back to this earlier question of that having to do with a private organization.

Perhaps a better middle ground would be to indicate that this is a private fraternal organization—would that be better phraseology?

NOBLE TURLEY: Your committee believes that the use of the term "fraternal" elsewhere in the Bylaws and again in the Creed and in our Articles of Incorporation, is sufficient to deal with that.

NOBLE MARBLE: Of course, I am aware of what the IRS is attempting to do in relation to private foundations but here you are making a rather emphatic statement by saying that this is a private organization and I just felt that by inserting the word "fraternal," it might make it a little more palatable.

NOBLE TURLEY: Well, you know, what we are attempting to do is to solve problems created by two different agencies of the government.

NOBLE RONALD GROSHAW [Rameses Temple]: My name is Ronald Groshaw, Potentate of Rameses Temple and I am also a Representative of Rameses Temple from Canada.

My question concerns the use of the word "Temple" on at least two occasions in that statement and common usage in relation to my region pertains to either a labor temple or a temple of religious persuasion and I wonder, therefore, if the committee has considered the possibility of the use of any other term besides the word "temple"?

NOBLE TURLEY: Well, a one word answer to your question is "no." As a matter of fact,

we have talked about Shrine Temples for so long that we did not even consider the question of changing that.

NOBLE DAVIS LEONARD [Al Malaikah Temple]: You know, it is unfortunate that many, many times, new Bylaws language can be interpreted in different ways by different people and, in some cases, you may get as many as ten different cases.

I have reference to one part here under Section 210.4(e) that bothers me—"membership in the Order may not be used to further business."

Many of our Temples, for example, permit advertising and, I am sure, advertising by their own Nobility in those publications and that, to me, is an opportunity for those Nobles who are in business to further their business.

I think that that can be interpreted that at some point along the line to preclude that type of thing but, many of our Temples need that advertising revenue in order to support the budgets of that Temple.

Therefore, I would either like to see a clarification of that with more specific language to eliminate that aspect of it.

NOBLE TURLEY: Well, let me see if I can clarify that for you and perhaps we will not need to eliminate it.

Our Bylaws already have a provision that forbids a Shriner from identifying himself as a Shriner in advertising and indeed several rulings over the years have dealt with that.

Our Temples take advertising in their publications, that is true, but they take advertising from both Shriners and non-Shriners and, indeed, a lot of the income that helps to defray the expenses of Temple publications comes from other than Shriners.

What this forbids is the use of one's membership in the Order for his own personal business purposes. That really has always been forbidden in the Shrine.

... The question was severally called for ...

IMPERIAL POTENTATE PADGETT: Are you ready for the question?

... Cries of "yes" ...

IMPERIAL POTENTATE PADGETT: All in favor indicate by saying aye; opposed. There were several negative votes but I will declare that the ayes have it and the motion is carried.

Thank you very much. (Applause)

At this time, I will recognize Illustrious Sir Bob Cooper for a report from the Jurisprudence and Laws Committee concerning item 17 in the Call.

NOBLE COOPER: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws. Item Number 17 on the Call for the Annual Session of 1991, located on page 26 of the Call. It is a proposal to amend §498.1 of Article 98 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

ARTICLE 98

Central and South America

§498.1 Anezeh Temple

Has exclusive jurisdiction over the Republic of Mexico and the Republic of Guatemala, Belice, El Salvador, Honduras, Nicaragua, Argentina, Bolivia, Chile, Paraguay, Peru, Uruguay, Cuba and the Dominican Republic.

The committee reports that the proposal is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you call upon Illustrious Sir Glenn McMennamy for the report of the Jurisdictional Lines Committee.

IMPERIAL POTENTATE PADGETT: I will recognize Illustrious Sir Glenn McMennamy.

NOBLE McMENNAMY: To the Representatives of the Imperial Council: There has been referred to the Committee on Jurisdictional Lines a proposal to amend §498.1 of Article 98 of the Bylaws of the Iowa Corporation by adding certain language which would extend the Jurisdictional Lines of Anezeh Temple to include exclusive jurisdiction over Belice, El Salvador, Honduras, Nicaragua, Argentina, Bolivia, Chile, Paraguay, Peru, Uruguay, Cuba and the Dominion Republic.

On July 1, 1991, your committee met with representatives of Anezeh Temple, with representatives of Aleppo Temple being also present. Potentate Eduardo A. Dyer of Anezeh Temple stated that since Aleppo Temple has been extremely active recruiting patients for our hospitals, in the Dominican Republic, he was agreeable to the request of Aleppo Temple that reference to the Dominican Republic be deleted from Item 17.

The committee unanimously recommends adoption of Item 17, as amended, with the caveat that Anezeh Temple is not to construe adoption of this proposition as any commitment of financial support by the Imperial Council to any efforts Anezeh Temple may undertake with regard to said added jurisdiction.

Respectfully submitted,

Imperial Sir, if there be no further comments on this report, with permission and consent of the proponent, I move that item 17 be amended by deleting "Dominican Republic" therefrom.

IMPERIAL POTENTATE PADGETT: Is there a second?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE PADGETT: Is there discussion in relation to the amendment as proposed?

If not, all in favor indicate by saying aye; opposed. The amendment is declared to be carried.

NOBLE McMENNAMY: Imperial Sir, I now move the adoption of the proposal as amended.

IMPERIAL POTENTATE PADGETT: Is there a second?

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE PADGETT: Is there discussion?

Let me go here to the center aisle.

NOBLE LEOPOLD ETTINGER [Mahi Temple]: Imperial Sir, Imperial Sirs and Representatives: We are in one of the northern suburbs of Havana (laughter) in Miami. We have had a Shrine Club in Cuba in the past. Half of the population of Cuba now resides in Miami. (Laughter) Also, momentarily, the rest are going to be there. (Laughter)

I would like to amend this to delete Cuba from this item on the Call.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE PADGETT: We are on the question of amending to delete Cuba.

Are there any comments?

If not, all in favor of the deletion of Cuba indicate by saying aye; opposed. The motion is carried.

I believe there is a Noble standing here in the center aisle.

NOBLE JOHN CLYBURN [Salaam Temple]: Imperial Sir, Imperial Sirs and Representatives: I am John Clyburn, Assistant Rabban, Salaam Temple.

A clarification.

Is this exclusive jurisdiction extension by the Mexican Temple for the purpose of procuring members and, if so, has there been any indication in these particular countries that there is an interest in becoming Shriners?

I think this is something that should be discussed or are they talking about the exclusive jurisdiction for procuring patients for our hospitals?

There are two questions involved here. For example, I know that we have taken in people from countries that are not under a jurisdiction of the Shrine because of the need.

Could we have this clarified, please?

NOBLE EDUARDO DYER [Anezeh Temple]: Imperial Sir, Imperial Sirs and Representatives All: I want to tell you something.

Several years ago, Imperial Sir Gene Bracewell came to Mexico to visit our Temple.

The first thing he said is that I must remember to tell all of you that the Shrine has three official languages. These official languages have always been English, French and Spanish. However, from now on, it is also southern." Well, that was only a joke but, you know, anyway. I just indicate to you, all of you, that we do have a large population of Masons in Latin America. As a matter of fact, for the last approximately eighteen years we have been taking care, at the Mexico City hospital—we have been taking care of children from many countries without any jurisdiction. We do not need a jurisdiction for that because, in reality, the need is there. As a matter of fact, we have some very severe cases from Columbia, from Peru and other countries.

Now, Anezeh Temple is probably the only English-Spanish bilingual Temple and also a bicultural one. As a matter of fact, it is the only one in Shrinedom with these characteristics.

We have been in Mexico since 1907 and we have always served the jurisdiction of Mexico and Guatemala.

We have a very efficient hospital in Mexico—probably the most cost efficient hospital in our group of hospitals.

Mexico and Guatemala have a total population of some nine million inhabitants and the membership of Anezeh Temple has been increased by Shriners in these two countries.

However, we have also initiated Shriners from Honduras, Costa Rica, Peru and from El Salvador who have come to take their initiation in Guatemala or Mexico—mainly Mexico. This is off limits but then I must also tell you that ever since July of last year, we have this amendment to allow Anezeh Temple to accept Master Masons instead of the higher degrees to be initiated into the Shrine.

Of course, we did have a reaction. For example, last year we did not get many Master Masons because it was too short a period of time in which to establish the relations with all of the Grand Lodges.

DELEGATE: Imperial Sir, is the Illustrious Sir replying to the question or is he proposing his amendment to the Bylaws? I bring that up as a point of order.

NOBLE DYER: I am answering the point and attempting to explain why we are asking for this territory and, really, answering exactly the question, which was whether we are involved in this amendment proposal for the purpose of attaining membership. If you want a straight answer, well, "yes," that is what we want. However, there are reasons in that connection that I would just like to explain.

I would, therefore, like to say a few more words, if I am allowed to do so.

IMPERIAL POTENTATE PADGETT: Does that answer your question?

... Cries of "yes" ...

NOBLE DYER: The question is a two-part question.

First, the children have been taken care of for many years and membership has been taken care of but not officially.

Now, we have had the Grand Masters from most of the countries in Latin America in Mexico City, had them there last March. At that time, we had a large Grand Masters Convention and they were all represented there.

The first thing that we had on the program was an official visit to the Shriners Hospital.

It was allowed because some of the Grand Masters themselves stated that Freemasonry

by itself had no specific social purpose. They wanted to take the hospital as their own and I told them, "Yes, you can do it—you can take a hospital for your own specific social purposes but you have to become Shriners so that you can work with the hospitals," and some of them became Shriners. At the last Ceremonial in April, we had three Past Grand Masters initiated as Shriners.

Now, the Grand Master of Mexico City Valley, which encloses 306 Lodges, he sent out an official Edict inviting all of the Lodges to join the Shrine and they said, "You can join the Shrine by writing to this address." This is the address of Anezeh Temple and this is going to be followed by many countries.

We have requests now to go and initiate Shriners in El Salvador, Peru and Argentina. However, we have not been able to answer these requests because we do not have the jurisdiction there.

We are willing to do it at our own expense, provided that we get the Shriners there and we get clubs going and then, in turn, we can take care of their children and they will take care of the transportation funds.

This is the arrangement and I think that this explanation is more than enough. (Applause)

REPRESENTATIVE: Imperial Sir, I would like to say that the prerequisite for Mexico has been waived to the extent of the situation there and, therefore, let me ask, can we take in Master Masons from these countries he is involved with or would this involve bringing in a jurisdictional waiver from the particular country in South America?

For example, you are taking these men in now but they are not Master Masons and so, essentially, is there a problem here?

. . . A pause ensued, following which the question was severally called for . . .

IMPERIAL POTENTATE PADGETT: Let us not change the Bylaws.

Are you ready for the question?

. . . Cries of "yes" . . .

NOBLE ROBERT SAARINEN [Abou Saad Temple]: Imperial Sir, my name is Bob Saarinen, and I am Past Potentate and Recorder of Abou Saad Temple. And also an Emeritus Representative of this Imperial Council.

I would speak in opposition to the amendment as it has been presented.

Some years ago, Abou Saad Temple, probably more in relation to an ego trip than anything else, submitted to your Imperial Council a move to take over South America as its exclusive jurisdiction.

At that time, and if I am wrong in relation to these names, I will apologize, but I believe it was Imperial Recorder George Saunders and I believe it was Imperial Sir Bob Turley who reminded us that we belong to the Shrine of North America.

The proposal made by Abou Saad Temple at the time never made the Call.

We are looking now at the Temple that is situated probably in the second largest city in the world, a city of almost twenty million people.

They have done well and they have gained members. I believe that was the result of the action which we took last year.

We have no problem with them taking over the open jurisdiction in Central America but we do believe we should remain the Shrine of North America, leave South America open jurisdiction so that any Temple of the Order can go down there and create Nobles. We have no problem with that.

Also, I was a little bit surprised to hear that Costa Ricans have joined Anezeh Temple, since that is the exclusive jurisdiction of Abou Saad Temple. However, we can discuss that later. (Laughter)

However, I submit to you, and I will present this in the form of an amendment, that we provide Anezeh Temple with exclusive jurisdiction in El Salvador, Belice and Honduras. They already have Guatemala, and do not, at this time, go into South America.

I will present that to you in the form of an amendment, Imperial Sir.

. . . The amendment was severally seconded . . .

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs and Fellow Representatives: I speak in opposition to this and I will tell you why.

We currently have made a conscious decision, and when I say "we," I am talking about

you, the Imperial Council, not to include the Far East, not to include Europe, not to include anything other than North America.

In Europe, we have a European Shrine Club and we have Oases that are formed off of that so that we can continue to make Shriners, continue to promote Freemasonry and continue to do a lot of other things.

If you get a large group of Shriners in one particular area in South America, the first thing you are going to do is have a petition for a new Temple. Also, when you get a petition for a new Temple, you are going to be paying mileage and per diem.

I have to tell you, fellows, if you start paying mileage and per diem, then you are going to get a petition from Europe.

Also, we have a Far East Shrine Club that takes care of Japan, takes care of the Philippines, takes care of all the way around Thailand and all over the Far East. As a matter of fact, we have four of our Temples who are assigned on a rotating basis to go over there and make Shriners.

Now, once we put them into our Charter and make them part of the jurisdiction, they can then petition for membership, just like you can or anybody in any other Temple can, and you are going to break this organization.

You talk about your per capita tax and all the other expenses, watch that one go.

In addition to that, if Anezeh Temple gets its jurisdiction under our Colorado Bylaws, every child down there will no longer be foreign patients. Every child down there will be treated exactly the same as every child up here.

I will also submit to you that we get children from some of the foreign lands that do not have their shots. They create unusual problems. However, they are children and they should be treated and we are treating them. We are treating them as best we can and as we have space available from patients within the United States.

However, Anezeh Temple, if they get this jurisdiction, is going to be responsible for the transfer of those kids.

Right now, in relation to some of the areas that they are requesting, we have forty patients that are going to get assigned to Anezeh Temple under this to pay their transportation cost from South America up to our hospitals and if Anezeh Temple thinks they have some money problems now, they are going to find out what money problems really are when they start paying for their patients to go back and forth.

We have Shriners and Shrine Clubs that are sponsoring those individuals and paying for it.

I would submit to you that it is bad legislation and at this time, if you would prefer, we should at least have it go, before we even do it, to a study committee and, therefore, I would propose that we defeat the legislation. (Applause)

... The question was severally called for ...

IMPERIAL POTENTATE PADGETT: There has been a call for the question.

REPRESENTATIVE: Is this on the amendment, Imperial Sir?

IMPERIAL POTENTATE PADGETT: Correct.

Are you ready?

... Cries of "yes" ...

IMPERIAL POTENTATE PADGETT: All in favor of the amendment please say aye; opposed no. The amendment fails.

We are now back on the main motion.

... The question was again severally called for ...

IMPERIAL POTENTATE PADGETT: All in favor of the original motion please say aye; those opposed. It is defeated. I think it is defeated. (Laughter)

I would now like to call on the Jurisprudence and Laws Committee, Bob Bailey, for the presentation of item 8 in the Call.

NOBLE BAILEY: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 8 on the Call for the Annual Session of 1991, located on page 22 of the Call. It is a proposal to amend §323.5 of Article 23 of the Bylaws of the Imperial Council, an Iowa Corporation, by adding and relettering certain language so that §323.5 will read as follows:

ARTICLE 23
Temple Membership

§323.5 Balloting.

(a) Subsequent to a report on the candidate's petition, the ballot is passed, and if less than three black balls appear, he is elected.

(b) If the ballot reveals four or more black balls, the candidate is rejected. If the ballot reveals three black balls, another ballot is passed immediately. If three black balls appear a second time, the candidate is rejected.

(c) A written objection, signed by at least three members of the Temple in good standing, presented to the Potentate or the Recorder prior to the time balloting is commenced, has the same effect as an adverse ballot.

(d) In Temples where written notice of all candidates' petitions has been mailed to the members not less than one week before the date set for the balloting, any written objection provided for in Subsection (c) must be received by the Potentate or the Recorder at least forty-eight hours before the time specific in the notice of balloting.

(e) Immediately upon receipt of a written objection in accordance with (c) and (d) above, the Recorder shall verify the signatures on said objection. If found to be authentic, said written objection shall then be sealed and filed in a safe place to preserve their secrecy. Anyone revealing the names on written objections shall be subject to disciplinary action.

(f) After the balloting is completed and the candidates are declared elected and notified, no objection made thereafter with respect to the candidates may be considered unless ordered by vote of the Temple.

(g) A rejected candidate may not apply again for thirteen weeks.

The committee reports that the proposal is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend that you call upon the proposer, Illustrious I. Sewell Lamdin, Past Potentate and Representative Emeritus of Boumi Temple for an appropriate motion.

IMPERIAL POTENTATE PADGETT: The Chair recognizes Illustrious Sewell Lamdin.

NOBLE LAMDIN: Imperial Sir, Imperial Sirs and Fellow Representatives: I am the proposer of item 8. I want to make a statement in relation to this and then I am going to request something of the body.

I feel very, very strongly about this legislation. It happened in my Temple. An objection came in. The Potentate asked for advice and stupidly I gave him advice. The next thing I know, however, is that General Counsel appears at Boumi Temple with different advice.

It is my opinion that under our rules, our regulations and our Bylaws, if there is a question on Bylaws, it goes to the Jurisprudence and Laws Committee, not to General Counsel. Jurisprudence and Laws rules on all Bylaws.

As a result, what happened is that the names of these individuals were released to the whole Temple. The whole Temple knows the names of these three men involved.

In 1975, this Imperial Council voted that a ballot, no matter how you call it, is secret and when you walk up to that Altar and you put your hand into that box and you pick up a cube and move it forward, you do not have to explain your action to anyone. If you do it in your Blue Lodge, you also do not have to explain to anyone.

Now, if some of you have objections to some of the language, I would like an opportunity

to clean up the language but I am not giving up on this legislation. I am coming back next year.

I request, sincerely, permission to withdraw it.

... The motion was severally seconded ...

IMPERIAL POTENTATE PADGETT: You have heard the motion and the second, which is to withdraw the legislation.

All in favor say aye; those opposed. I will declare it to be unanimously carried.

I will next recognize Bill Buckaway in behalf of the Jurisprudence and Laws Committee, concerning Rulings and Decisions of the Imperial Potentate.

NOBLE BUCKAWAY: To the Representatives of the Imperial Council: The Imperial Potentate's report of his Rulings and Decisions were issued pursuant to §206.5(a)(13) of the Bylaws of the Imperial Council, an Iowa Corporation, and summaries thereof were given to all Representatives on Tuesday, the opening day of the Session. Several individual Representatives have asked questions with respect to Items Numbered 3, 6 and 16 on the list distributed to you on Tuesday. Because of the questions, and in an endeavor to further clarify the three rulings, at this time I offer the following amendments to the list which is the subject of this report.

<i>Item Number</i>	<i>Explanation</i>
--------------------	--------------------

Colorado Corporation

- | | |
|---|--|
| 3 | §508.8 of the Bylaws of the Colorado Corporation recognizes two situations. Wherein a Trustee may be elevated to the position of Trustee Emeritus; Subsection (a) thereof recognizes the situation where a Trustee has attained the age of seventy-two years and is retired by reason of age, or having passed his seventy-second birthday voluntarily retires. In this situation if the affected Trustee has served for not less than nine years as a Trustee he is eligible for Emeritus status; on the other hand—Subsection (b) recognizes the situation where a Trustee, who having served three three-year terms may regardless of his age be eligible for Emeritus status if he so requests it. |
|---|--|

Egypt Temple

- | | |
|---|---|
| 6 | Control of Temple funds rests ultimately with the Nobility of the Temple; a Noble may not place Temple funds beyond the control of the Nobility of his Temple. To do so is a violation of Shrine law and subjects the offending Noble to discipline under Article 30. This is an advisory opinion only, no evidence of wrong doing was presented at the time the request for ruling was made. |
|---|---|

Shaddai Temple

- | | |
|----|---|
| 16 | The references to the two Nobles identified in ruling are to be stricken and the word Potentate inserted so that the correct annotation will read: Request for ruling on the propriety of actions of Potentate at Temple meeting on October 19, 1990. |
|----|---|

The matter has been referred to the Jurisprudence and Laws Committee by your adoption of the report of the Committee on Transactions of Imperial Officers.

Your committee reports that it concurs with the Imperial Potentate's Rulings and Decisions as amended in this report and also that there have been no objections to or appeals from any of such rulings and decisions.

Your committee further reports that the Imperial Potentate's report is in proper and legal form and that it was submitted in compliance with the Bylaws of the Imperial Council. It, therefore, recommends the approval thereof.

Respectfully submitted,

Imperial Sir, I move that the Imperial Potentate's Rulings and Decisions (Series of 1990–91) be approved as amended in his report, and I recommend that you allow Deputy Imperial Potentate John W. Dean, III, to conduct the vote as this motion involves your Orders.

... At this point, Imperial Sir Dean assumed the Chair ...

IMPERIAL SIR DEAN: Is there a second to the motion?

... The motion was severally seconded ...

IMPERIAL SIR DEAN: Is there any further discussion?

If not, all those in favor indicate by saying aye; opposed. The motion is carried.

Imperial Sir, you won, again. (Laughter)

IMPERIAL POTENTATE PADGETT: At this time, I will recognize Ted Corsones to report for the Jurisprudence and Laws Committee on item 24.

NOBLE CORSONES: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws, Item Number 24 on the Call of the Annual Session of 1991, located on page 28 of the Call. It is a resolution proposing the granting of a Charter to the Acca, Kazim, Khedive and Kena Temples of the Commonwealth of Virginia to form an association of said Temples to be known as the Virginia Shrine Association. Such resolution reads as follows:

RESOLUTION

BE IT RESOLVED, that the Imperial Council, pursuant to §209.1(a) of the Bylaws, does hereby constitute, create and charter an Association of Temples within the Commonwealth of Virginia to be known and styled.

The Virginia Shrine Association composed of the following Virginia Temples: Acca, Kazim, Khedive and Kena.

The committee reports that the proposal is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

William a. Buckaway, Jr., Chairman
Robert E. Cooper
Theodore Corsones
Robert C. Lake, Jr.
Edward A. Rath
Robert H. Bailey
James M. Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you call upon Illustrious Sir Earl Brown for the report of the Dispensations and Charters Committee.

IMPERIAL POTENTATE PADGETT: The Chair will recognize Illustrious Sir Earl Brown.

NOBLE BROWN: To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensations and Charters, Item Number 24 which is located on page 28 of the Call for the Annual Session of 1991. It is a proposal to form an Association of Temples to be known as The Virginia Shrine Association.

Your committee met on June 30, 1991 and heard from several officers of the respective Temples, as well as Past Potentates of these Temples. Some speakers were very enthusiastic in their support of the proposal, some were adamant in their opposition and others were ambivalent. Your committee found no compelling evidence to issue a favorable report on the request. As a result, your committee held a further hearing on July 1, 1991, and allowed all parties to, once again, address the issue.

From all the presentations, your committee found that there has been an informal organization in existence for the past eleven years which allows the top five elected officers from each of the Virginia Temples to meet on an as needed basis, in order to discuss matters of mutual interest, such as dates for Ceremonials and activities. This enables the Temples

to avoid many scheduling conflicts. This informal organization does not allow the Recorders, Treasurers, Past Potentates and other elected or appointed officers to be members.

The proponents of the request readily admit that there is no immediate necessity to form an Association of Temples. Their position is that there might be a need in ten years, fifty years or 100 years from now. They want to be prepared and have the Association of Temples created for the day that need may arise.

It should be noted that all the Temples in Virginia presently belong to two regional associations already, the Mid-Atlantic Shrine Association and the South Atlantic Shrine Association.

Your committee is of the unanimous opinion that the request does not comply with the spirit of §209.1(a) of the Bylaws of the Imperial Council which allows for the formation of Association of Temples for holding conventions. This group of Temple officers holds meetings of Temple Officers. The organization is an association of restricted Temple officers rather than an Association of Temples.

At such time in the future as there developed a true need for a formal Association of Temples in Virginia, this committee will be the first to recommend to you the granting of a Charter therefore.

Your committee is of the unanimous opinion that it is not in the best interest of the Order or the Virginia Temples to grant this request and we, therefore, present this unfavorable report to you and recommend that the request be denied.

Respectfully submitted,
COMMITTEE ON DISPENSATIONS AND
CHARTERS

Graves H. Trumbo, Chairman
Frank B. Fiedler
Terry McGuire
Walter L. Emerson, Jr.
James H. Shacklett, Jr.
Earl P. Brown
W. Bruce Steube, III

Imperial Sir, if there are no questions or comments, this completes the report of the committee.

Imperial Sir, I would therefore move adoption of the report and its recommendations.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE PADGETT: You have a motion and a second before you to adopt the report and its recommendations.

Is there any discussion?

NOBLE GEORGE STAGG [Khedive Temple]: Imperial Sir, Imperial Sirs and Representatives: With all due respect to the committee, let me say, as the committee reported, that we did meet. The Potentates of all four of these Temples were present and our Divans did meet.

I would like to have the floor informed that in three of the four Virginia Temples this proposal was put on the floor of each Temple and passed.

In the case of Kena Temple, it was put on the floor and there was time given for each one to reject it or contact the Potentate. MASA and SASA, which we belong to, are also restricted in their officers, as you well know.

We have been meeting for eleven years. We discussed all of our counterparts for the year. Also, we had great accolades from the committee when we met with the committee as to the work we had been doing. As a matter of fact, the only thing we heard at that meeting was "If it ain't broke, don't fix it."

Now, this does exclude Past Potentates from being officers of the Association but, to this extent the first seven officers would be members, could be officers of that association.

With that, Imperial Sir, I would move for the adoption of item 24 of the Call.

IMPERIAL POTENTATE PADGETT: There is a motion already on the floor.

NOBLE JOHN KIDWELL [Kena Temple]: Imperial Sir, Imperial Sirs and Representatives:

My name is John Kidwell, a Past Potentate of Kena Temple. I was Potentate of the Temple in 1990.

I have attended sessions of this Virginia group of officers of the Temples for the past four years. At that time, the Potentate himself was not privileged to attend the meeting and so I missed the 1990 meeting.

What happened in the 1991 meeting in February of this year, I am not quite sure about but the first thing we heard about this matter was that there was going to be a resolution put into the Call.

It was presented at the March meeting of Kena Temple and at that time there was opposition expressed by a few of the Past Potentates because the Bylaws provide that they are not members of the association. Likewise, in questioning, we find that the Nobility is not a member of the Association and so what you are approving here today is a group of twenty representatives from four Virginia Temples, which certainly is not an association.

Thank you very kindly.

IMPERIAL POTENTATE PADGETT: We will go the microphone over here.

NOBLE DANIEL LEVIN [Kena Temple]: Imperial Sir, I am Daniel Levin, Potentate of Kena Temple.

I hate to bother some of you Representatives in talking about some of the things that we are kind of trying to get through in Virginia but then, on the other hand, I think there are a couple of things you ought to know before you cast your vote.

What it really boils down to is that we want to have an association like a lot of other states. For example, Pennsylvania has a similar association and I also understand there are three or four other associations within Shrinedom that have the same thing.

As a matter of fact, we basically are using the same Bylaws and Constitution that Pennsylvania is using. This is not a hybrid by any means.

What it really boils down to, and it is not a personality type of thing, is that this association has been developed for the progressive Line of the four Temples in Virginia to meet, get together, discuss and work out their problems vis a vis whatever.

Also, we have specifically taken the stand of not having Past Potentates in this organization because we did not want their interference. (Laughter) That, in reality, is what the argument is about in my Temple. I hope, of course, to be a Past Potentate one of these days and I would have no problem with this. (Laughter)

One of the things that kind of bothered us a little bit is that I received a letter in the mail from the committee inviting me to be here at eleven-forty on Sunday morning for a meeting. However, I personally did not get there at that time but then several of the other Potentates did and when they arrived there at eleven-forty in the morning, they were told that the meeting was over with. The Potentate of Khedive Temple was handed a piece of paper asking him to take the proposal and the Call and withdraw it before the other Potentates or anybody else even had a first-hand chance to go up there and speak. That is why they had a meeting. That is why they had a meeting on Monday because we were not allowed to be there on Sunday.

... The question was severally called for at this point ...

IMPERIAL POTENTATE PADGETT: The question has been called for.

Are you ready to vote?

I hear some asking as to what we are voting on.

Let me say, for your clarification, we are voting on the adoption of the report of the committee. Would you like to have me restate it?

... Cries of "yes, yes" ...

NOBLE EARL BROWN: The committee has asked that you reject this article—that you vote for rejection.

IMPERIAL POTENTATE PADGETT: Did you all hear that? Are you ready for the vote?

All in favor say yes; those opposed no. The motion is carried and it is hereby declared to be rejected. It is rejected. The motion to reject has carried.

Now, I will recognize Bill Buckaway of the Jurisprudence and Laws Committee to present item 5 which appears on page 20 of the Call.

NOBLE BUCKAWAY: To the Representatives of the Imperial Council: I have before me a

written request to withdraw Item 5 which appears on page 20 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of the Imperial Council Session to withdraw Item 5 on the Call for the Annual Session of 1991."

It is signed by Illustrious Sirs Robert C. Lake and A. C. Gossett, Jr., the proponents of the proposal.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

IMPERIAL POTENTATE PADGETT: You have heard the report concerning item 5 on the Call.

Gentlemen, this requires a unanimous vote.

All in favor of withdrawal of item 5 indicate by saying aye; opposed. The motion is unanimously carried.

Now, at this time and moving right along, I would like to call on Imperial Sir Bracewell.

... Business was transacted in the Colorado Corporation at this time ...

NOBLE RUDOLPH A. DUNCAN [Potentate, Aloha Temple]: Imperial Sir, Imperial Sirs and Representatives: I rise to the microphone this morning to inform you that Illustrious Sir Frank B. Fiedler, a Past Potentate of Aloha Temple, will be a candidate for Imperial Outer Guard of the Shrine of North America at the next Session of this Imperial Council.

Thank you for your courtesy.

NOBLE EUGENE A. CAPOBIANCO [Potentate, Aleppo Temple]: Imperial Sir, Imperial Sirs and Representatives: I am proud to announce that with the help of God and the support of my Temple, it is my desire to be a candidate for the Office of Imperial Outer Guard in 1992 at the meeting to be held in Orlando, Florida.

Thank you very much and I ask for your support. (Applause)

DIRECTOR GENERAL DON JOHNSON: Imperial Sir, Imperial Sirs and Representatives: This will be very short.

We hope your stay with us has been warm and fruitful. We certainly have enjoyed having you with us. It has been our pleasure to serve you. We thank you for your patience and tolerance.

God bless you and have a safe trip home. (Applause)

IMPERIAL POTENTATE PADGETT: Don, I want to take this opportunity to thank you and your staff for all of your efforts put forth in relation to this 1991 Convention. I think it was great. I am sure that all of these gentlemen out there do, also. It was a lot of fun and, again, thank you very much. (Applause)

With that, I will recognize Bob Bailey.

Bob, I understand you would like to say something about members, is that correct?

IMPERIAL SIR BAILEY: Yes, Imperial Sir.

Imperial Sir, Imperial Sirs and My Fellow Representatives: The 1990 year of membership was one of good news and bad news.

The bad news is that 1990 was one of the worst years for membership since the Great Depression years of the 1930s.

The good news is that we are trying to do something about it. One year ago Imperial Sir Joe Padgett appointed not just an Imperial Membership Committee but what we choose to call the International Sales Team.

In the last year we have tried to get back to the basics of membership selling practices.

1. We have divided North American into six sales regions and are filling these regions with Regional Sales Managers.

2. The notecard program which has funded the membership program was reinstituted and while it has not provided the funds it produced in its first year, the program has continued to be a Godsend in financial aid to membership while not draining the Iowa Budget.

3. In July, 1990, Imperial Sir Joe Padgett requested that each Temple be sent a copy of the Masonic Renewal Task Force video. This video was mentioned yesterday by Sovereign

Grand Commander Frank Paul. If you have not seen this powerful video, make sure you do when you get home.

4. From September to December, 1990, 13,091 personal letters over the signature of Imperial Sir Joe Padgett, were sent to the Nobles about to be suspended for non-payment of dues asking them to reconsider—pay their dues—and remain Shriners. One hundred eighteen of 191 Temples participated in this program.

5. In October of 1990, letters were sent to all Divan members providing sample letters that could be used in personal mailings to Shrine prospects.

6. In November, we requested the resumes of all Temple membership sales managers who would be appointed for 1991 be sent to membership headquarters so we could communicate with them.

7. In January, we asked for lists from each Temple for the top petition-getter for the last three years so that we could be in communication with these important key membership people, also.

8. Additionally, in January, letters and registration material were sent to all Temples regarding the Shrine Membership Seminar which was held in St. Louis on March 8 and 9.

9. In February, the membership statistics for 1990 were compiled for the Shrine Temples, their officers and the Book of Reports.

10. Letters were sent to the Shrine Temples and Potentates providing them the year-end statistics.

11. In February, additional correspondence and registration material for the Membership Seminar was sent to all Temples.

12. March—The Month of the 2nd Great Shrine Membership Seminar.

This seminar covered the workable aspects of membership including creations, suspensions, affiliations and reinstatements.

Imperial Sir John VerMaas, Ralph Semb and Jack Jones, along with Doug Mayes and others, made outstanding presentations which received highest marks from those who attended.

The other side was that it was only attended by 133 of our 191 Temples—but this was fifteen more Temples than the 118 who participated in the suspension letter program a few months earlier. The fifty-eight who chose not to attend were among those who need the most help.

After the seminar we sent follow-up correspondence and questionnaires to each attendee.

13. In April letters were sent to Temple Officers and sales teams to work on potential suspensions now and not wait until fall when time is running out.

14. Letters were sent to the Temples asking for the list of those who actually took suspensions in December. When these lists were received they were noted on the computer so they could be recontacted.

15. In May the Imperial Potentate again wrote to those who took suspensions asking them to reconsider their decisions. A questionnaire was sent to them to help determine the reason for taking a suspension.

A number of those have answered and where they indicated an interest in renewing their membership those names were sent to their respective Temples for them to contact.

16. The Membership Manual is being updated so that it will continue to be an outstanding reference for the Shrine membership sales teams.

17. A video tape was made of the St. Louis Membership Seminar. Fourteen hours of tape was edited down to four hours. While the tape is not of broadcast quality it, too, will be a good reference for the Temple membership teams. The first eighty of these are being mailed this week from Tampa and the balance will be sent as quickly as they are finished.

18. A new membership awards program was established this year for Temples that significantly reduced their net loss in membership. Temples with a seventy-five percent or greater reduction received a gold certificate. Those Temples are:

Ben Hur Gizeh
Damascus Omar

Seven Temples that received a silver certificate, with a 50 to 74.9 percent reduction are:

Ahmed Cahaba Jerusalem Kerak
Alhambra Irem Kazim

An honorable mention certificate was awarded to Temples with a 25 to 49.9 percent reduction. They are:

Ali Ghan	Crescent	El Zaribah	Media	Tigris	Ziyara
Al Malaikah	Elf Khurafeh	Jerico	Nemesis	Tripoli	Zor
Aloha	El Karubah	Lu Lu	Nur	Tunis	Zorah
Arabia	El Korah	Maskat	Pyramid	Zem Zem	

Other membership award programs recognize Temples for their membership retention and recruitment efforts. They include awards for net gain in membership and lowest percent of suspensions.

The Temple with the lowest percent of suspensions in 1990 was:

Sahara with .4 percent.

Temples having up to one percent gain in membership are:

Aladdin	Anah	Sesostriis
Amran	Rameses	Zenobia

Temples with a one percent or better net gain in membership in 1990 include:

Acacia	Barak	Marzuq	Sahara
Anezeh	El Hasa	Mazol	Salaam
Azan	Habibi	Sabbar	

We are seeing a gradual awakening of the slumbering giant of membership—a new enthusiasm is beginning to invade the consciousness of Shrine Temples.

The future of the Shrine of North America is in membership.

We challenge you to join this important program and make it a priority in your Temple.

Remember—membership is the sunrise of the Shrine.

Thank you.

IMPERIAL POTENTATE PADGETT: I will now recognize Imperial Sir, Past Imperial Potentate C. Victor Thornton for the report of the Resolutions Committee.

... Whereupon, Past Imperial Potentate C. Victor Thornton read the following resolution

COMMITTEE ON RESOLUTIONS

C. Victor Thornton, Chairman

Donald Johnson

Robert K. Churchill
Geralto J. "Joe" Vita
Earl P. Brown
Jack M. Streight, Q.C., Emeritus

Imperial Sir, I would move for the adoption of this resolution.

... The motion was duly seconded ...

IMPERIAL POTENTATE PADGETT: You have before you a motion and a second for the adoption of the resolution as presented.

All in favor please say aye; opposed. The motion is unanimously carried.

Now, the next item on the agenda concerns the farewell address of the Imperial Potentate. (Applause)

You know, this is the first time that I have had a chance to say something, nothing important but then I will also say this, it is all important because you men have made it possible for me to have the most enjoyable year of my life. You made it so easy for me. I am sure you will make it just as easy for your future Imperial Potentates.

It has truly been a joy to be able to work with you for these last many years.

Thank you in behalf of myself and my lovely wife, Marci.

... Rising applause ensued ...

IMPERIAL POTENTATE PADGETT: And now comes the most important part—I get my Jewel back. (Laughter) I do not know which one it is but I get one back. (Laughter)

You know, this is really the highlight of my year, passing my Jewel along. (Laughter)

I would now like to recognize Imperial Potentate-Elect, John W. Dean, III, for the report of the Time and Place Committee, if you will, John.

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs and My Fellow Representatives: At this time I would like to call on Robert Bailey, if he is prepared to report.

IMPERIAL SIR ROBERT BAILEY: You know, it is very difficult when one of our Louisiana Delegation is not here who was going to be here and that was the Kingfish and his son, Bill, who is still in the hotel.

You know, a lot of years ago, and Sarah will tell you but I will not ask as to how many, Sarah and I went to New Orleans for our honeymoon.

In 1981, we went there for the Imperial Council Session and that is the time when Orak Temple got a change in Charter, from Hammond, Indiana, to Michigan City, which is one of the greatest strides that our Temple has ever made. Then, in 1988, I was privileged to be the Imperial Marshal for Kingfish.

So, in 1996, we invite you to take a sentimental journey to the land of Mardi Gras, New Orleans, for the 1996 Imperial Council Session.

I want to introduce you to Ed McNeal, who is head of the New Orleans Convention and Tourism Bureau.

MR. EDWARD MCNEAL: Thank you, Bob.

We look forward to having you with mixed emotions.

First of all, we are delighted that you will come to New Orleans in 1996. We pledge to you to make it the best Imperial Session you have ever had. You have had success in previous years and we are going to do our best to make 1996 a most successful Imperial Session for you.

Also, last night we spent a delightful evening with the Kingfish. His parting words were that he was going to go fishing on Sunday morning at five o'clock. However, we are going to dedicate 1996 to the Kingfish. We will see you there. We are going to have a great, great time and so all of you please plan to be there.

Thank you very much. (Applause)

IMPERIAL SIR BAILEY: I do not know a man who has asked for more punishment than to be a Director General and he has done it twice and this is his third round and along with his son, Rick, who represents the younger generation, I bring you Joe Vita.

NOBLE JOE VITA: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: I, too, feel kind of sad today that we have lost a great friend in the Kingfish. He was like a dad to me and we are going to miss him.

Also, I was going to say that 1988 was a big year—that was a Kingfish Day. We all

enjoyed that convention in New Orleans. We all had a good time and we are still talking about it.

So, I would like to invite each and every one of you to come to New Orleans in 1996 and you will see one of the largest conventions in Shrinedom.

Thank you very much. (Applause)

... Cry of "date" ensued ...

IMPERIAL SIR BAILEY: The dates will be June 29 to July 4, and if that is the calendar sequence, that is the date it will be. Of course, you will be informed of that.

Thank you so much. Last night was a delightful night. These folks, along with Charlie and Mary Cumpstone and myself, had dinner with the Kingfish. As a matter of fact, it was a typical Kingfish night—good food, good drinks, good friends, good enjoyment. He was in his prime and holding forth and we are grateful for his friendship and your friendship and we look forward to you in New Orleans in 1996.

Thank you very much. (Applause)

IMPERIAL SIR RAVELLETTE: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: It is my pleasure to introduce to you again Larry Jefferson, who is going to be the Director General for the 1995 Session to be held in Indianapolis, Indiana. Here he is.

NOBLE JEFFERSON: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Illustrious Sirs and My Fellow Representatives and Nobles All: As the Director General of the 1995 Imperial Session, we and the Nobles of Murat extend to you a huge hospitality week in the beautiful City of Indianapolis, the crossroads of America.

We guarantee you one exciting week and we welcome you to come.

As to the dates, arrival is on July 1st, 1995 and the Session will go through July 6. So we look for you to all come, as they say down in Pine Bluff.

Thank you very much.

IMPERIAL SIR BUKEY: Imperial Sir, Imperial Sirs and Representatives: I would like to invite you to the 1994 Imperial Council Session in Denver, Colorado. The dates are July 3 through 7.

The Director General Designate and Deputy Director General Designate were here all week familiarizing themselves with the running of a convention like this. There have been several large conventions, including the one in 1983, at which time I was elected in Denver and so I will also go out of Office in Denver in 1994.

We will be glad to have you and, of course, we will have a program for you in Orlando and give you a little more information as to what is going to happen in Denver, Colorado, in 1994.

Thank you. (Applause)

IMPERIAL SIR EVANS: My Director General, Terry McGuire of Alzar Temple, is here to tell you about San Antonio.

NOBLE MCGUIRE: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: For the past two years I have come and talked to you about San Antonio. Due to the untimely death of the Director General, I have been elevated to that position and can assure you that we are going to follow in the pattern and traditions established to have one of the finest conventions we hope you will have ever seen.

San Antonio is a beautiful city. We have at this time committed funds in hand for 6,000 rooms. We have another 1,000 committed and the Temples have to get back to get permission to spend that money. However, we think that the numbers are going to be large enough to make this one of the larger conventions.

We do have plenty of rooms available at San Antonio—not in the downtown areas—but they are available. Also, there is good public transportation. It will probably be less difficult to get around San Antonio than in probably many other places that you have been to.

The dates will be July 3rd through the 8th.

We are proceeding with the Imperial Council Session with our Texas Shrine Association Convention. We will have competition there on Saturday. We invite as many of you to come down and watch that as possible. It is our desire that the Texas Temples will stay over and participate in the competition for the Imperial Session.

So, again, we hope to see you in San Antonio in 1993.

We have the Directory. My name is listed in there as a Representative from Alzafar Temple and so you can communicate with me directly through the Directory and I, in turn, will be happy to correspond with you as much as needed.

So, again, many thanks, and we will see you in San Antonio. (Applause)

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs and My Fellow Representatives: It gives me great pleasure to invite you to the land of magic and the Magic Kingdom in Greater Orange County, Orlando, Florida. The Session will be from June 29th until July 3rd and, at this time, I would like to present to you our Director General, Merv Henning.

NOBLE MERV HENNING: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: As we come to the close of this great convention here in beautiful San Francisco, we are well into planning your 1992 convention in Orlando.

This past week has been carried off in grand style and Bahia Temple in Orlando plans to show you the same hospitality and good fun that you all have enjoyed here.

Many of you are aware that this is my second go-around as Director General for the Imperial Shrine Convention, and you can take a look at Don Johnson and myself and see that one time is enough to give you gray hair. (Laughter) This time, however, I have adopted a new philosophy that I can put into two words—"don't worry." (Laughter)

You know that there are only two things to worry about—either you are well or you are sick. If you are well, there is nothing to worry about but if you are sick, there are two things to worry about. Either you will get well or you will die. If you get well, there is nothing to worry about but if you die, there are only two things to worry about—either you will go to Heaven or Hell. If you go to Heaven, there is nothing to worry about but if you go to Hell, you will be so darn busy shaking hands with all of your friends you will not have time to worry. (Laughter)

So come next June 29th, head on down to Orlando. Shake hands with old friends and enjoy some warm Southern hospitality.

I can personally guarantee you it will be warm. Take time to enjoy the spectacular attractions, do a little Shrine business and do not worry. Imperial Sir Jack and all of us from Bahia Temple promise to give you a most memorable convention.

We hope to see you in Orlando.

Thank you. (Applause)

IMPERIAL SIR DEAN: Imperial Sir, I move that the Imperial Council approve New Orleans as the official convention city for Bob Bailey's year.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE PADGETT: Is there any discussion?

Hearing none, all in favor of the motion indicate by saying aye; opposed. The motion is unanimously carried.

IMPERIAL SIR DEAN: Also, my Fellow Representatives, you have already, in other Sessions, approved the other locations and that is why I did not mention them in my motion. That is just so you understand.

IMPERIAL POTENTATE PADGETT: At this time, I will recognize Imperial Sir Jack Jones, our Imperial Recorder.

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE PADGETT: I will again recognize our Imperial Recorder, Imperial Sir Jack Jones.

IMPERIAL SIR JONES: Imperial Sir, I move that all the actions and transactions of those who have acted as Officers and Directors of the Iowa Corporation for the past year, and those taken at this Session be ratified and approved.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE PADGETT: All in favor say aye; opposed. It is unanimously carried.

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE PADGETT: I would now like to recognize Worshipful Brother W. Scott Stoner, Right Worshipful Grand Master of the Grand Lodge of Pennsylvania, who has been designated by the Imperial Potentate-Elect to be the Installing Officer, for the purpose of installing the newly elected Officers, Directors and Trustees of our Colorado Corporation

and the Officers and Directors of the Iowa Corporation, with Illustrious Sir James Shacklett acting as Installing Marshal.

NOBLE STONER: I would recognize our Imperial Chaplain-Designate, Illustrious Sir Oskar R. Huber, for the purpose of offering a prayer for our newly elected Officers, Directors and Trustees of the Colorado Corporation, and Officers and Directors of the Iowa Corporation.

Will you all please rise.

NOBLE OSKAR R. HUBER [Imperial Chaplain-Designate]: Supreme Architect of the Universe, we pause together through a week of deliberation. We have met in harmony and have made many decisions. Grant us the strength to carry them forward and the wisdom to go ahead so that Your will be done in our work in this coming year.

Guide us on our journey home. Keep us in Your heart as we need Your help to achieve our goals. We ask this in Your Name. Amen.

NOBLE STONER: You may be seated.

The Imperial Marshal will assemble the Imperial Officers, Directors and Trustees for installation.

... At this point, the Officers were formed in line of seniority by the Installing Marshal and then repeated their Oath of Office as presented by Noble Stoner, following which these officers were then declared to be duly and regularly installed ...

NOBLE STONER: Now I will ask each of the officers to pass their Jewel of Office to their successor.

... Whereupon, each Officer passed their Jewel of Office to their successor ...

... At this point, Imperial Sir Kenneth Smith was presented with his Jewel of Office and Three-Star Fez by Edwin H. Henricksen, Potentate of Gizeh Temple and Past Imperial Potentate Jack M. Streight, Q.C. ...

NOBLE STONER: Illustrious Sirs, the Fez for the new Imperial Potentate will be presented by his son, John W. Dean, IV, and son-in-law, Robert Mervine, Jr.

... At this point, Imperial Potentate John W. Dean was presented with his imperial Potentate's Fez by his son, John W. Dean, IV and son-in-law, Robert Mervine, Jr. ...

IMPERIAL POTENTATE DEAN: Thank you very much. (Applause)

NOBLE STONER: The Fez and Jewel for the Past Imperial Potentate will be presented by Imperial Sir John W. Dean.

IMPERIAL POTENTATE DEAN: Imperial Sir Joe, nobody can feel it is a greater honor to present this to you. I do not mean this jokingly or sarcastically or because I am glad to see you out of office, because I am not.

You have served this Fraternity well, exceptionally well. I had the privilege of campaigning with you all the way up the Line and you did us all proud.

Joe, God bless you.

... Rising applause ensued ...

IMPERIAL POTENTATE DEAN: You know, I do not get emotional but I would like to call on a man who stayed up all night and saw to it that I lost an election in Cleveland to present the Past Imperial Potentate's Fez to our outgoing Imperial Potentate.

Will Illustrious Sir Jack West please come forward.

NOBLE JACK WEST: Imperial Sir Joe, the Nobility of Islam Temple, some eleven years ago, was charged with the duty of presenting you with your Imperial Officer's Fez and then, once again, I likewise had the pleasure of presenting to you your Imperial Potentate's Fez in Chicago. Now it is my pleasure to present to you your Past Imperial Potentate's Fez in behalf of the Nobility of Islam Temple and congratulate you on a job well done.

... Presentation of Past Imperial Potentate's Fez to Past Imperial Potentate Padgett and applause ensued ...

PAST IMPERIAL POTENTATE PADGETT: Gentlemen, thank you again for all you have done. I thought that going into Office at Chicago was the biggest day in my life but going out of office here in San Francisco has to be better.

Thank you very much.

Also, Imperial Sir Jack, congratulations to you and to all of your Imperial Divan. I wish you well on your arduous journey that you are going to make during your next year. I am glad to be able to pass this all on to you, Jack. It is good to be home. (Applause)

IMPERIAL POTENTATE DEAN: Let me say to you, Joe, the condition in which you have

left this Fraternity is a credit to you and everyone. I can only say that you have done us proud. (Applause)

NOBLE STONER: The Fez of the newly appointed Imperial Chaplain will be presented by Imperial Sir John W. Dean.

IMPERIAL POTENTATE DEAN: Oskar, at the Pageant, you may remember that I mentioned that your father and my father had a little too much to drink once in awhile. However, I want the Nobility here to know that this has never been the case with the two sons. (Laughter)

. . . Presentation of Imperial Chaplain's Fez to Illustrious Sir Huber by Imperial Sir Dean then ensued . . .

IMPERIAL POTENTATE DEAN: Now that you have on the Fez of Imperial Chaplain, let me congratulate and tell you that it is your charge to keep me and everyone else in this Fraternity straight in the coming year. (Laughter)

NOBLE STONER: I now declare the Officers, Directors and Trustees of the Iowa Corporation duly installed in the stations to which they were appointed or elected, and entitled to all honor and obedience provided by custom and law.

Nobles, please join me in a standing ovation.

. . . Rising applause ensued . . .

IMPERIAL POTENTATE DEAN: Grand Master, I can only say thank you for the fine job concerning the installation that you have done. Thank you for all you have done for Freemasonry in Pennsylvania, for Shrinedom in general and may you have great success in the remaining six months that you have left in your Office. I can only pledge to you that we will cooperate with you in any way we can. (Applause)

Nobles, at a time like this, it is something that does not come often to someone and, therefore, words are never adequate to take care of the way I really feel and to say what I really would like to say.

However, I think that by word, deed and action, I have tried to exemplify what I wanted to do, where I think we need to head, and I will only tell you that I will try to lead this Fraternity in the best and most harmonious way that I can.

We will not try to be confrontational unless absolutely necessary. We will abide by the wishes of the floor. We will abide by the Imperial Council Rules, Regulations and Edicts.

Further, I trust that everything we do will be to your liking.

Also, I know that as I enter upon the duties of this high Office, I cannot please everybody but I do accept this responsibility and I am going to do the very best I know how.

Now, my first duty is to appoint the standing committees of the Imperial Council of the Shrine of North America. We have thought long and hard about this.

Now, first I would like to thank Bill Buckaway for serving as Chairman of the Jurisprudence and Laws Committee for these last couple of years. He has done an outstanding job and, Bill, to you, I can only say thank you very much.

For the Jurisprudence and Laws Committee, I am privileged to announce to you that Walter Pettit has agreed to become Chairman again and will move from Chairman Emeritus to Chairman of the Jurisprudence and Laws Committee.

. . . At this point, Imperial Potentate Dean continued with the presentation of his appointments to the various standing committees . . .

IMPERIAL POTENTATE DEAN: Gentlemen, those are your standing committees for the ensuing year. The balance of the committees will be announced as you get General Order No. 1.

We have started something new and, hopefully, that will be in your hands a little quicker this year because we already have in hand the appointments for the Imperial Marshal's and for the Captain of the Guard's Aides and, Ken, it is really up to you as to when you are going to get your list in because as soon as we get that list, we can go to press. Of course, I do not want to put any pressure on you. (Laughter) However, if you do not have it on time, fellows, that is where the difficulty seems to be. (Laughter)

Now, I guess that is all we have to do.

Is there any other business to come before this Imperial Council?

If not, I will call on our Imperial Chaplain, Oskar Huber, to close this 1991 Session of the Imperial Council.

IMPERIAL CHAPLAIN HUBER: Great Architect of the Universe, we have completed, during the week that we were here, the work that we came here to do. Also, we are all saddened this morning by the loss of a dear friend. However, may we enjoy in knowing that we knew him and he shared his life with us.

Bless us as we go on our individual ways. Keep us mindful of the needs of others and help us always to enjoy and go forward in life as we should, as proud Shriners. Amen.

. . . Whereupon, at eleven-thirty o'clock a.m., the One Hundred Seventeenth Annual Session of the Imperial Council, A.A.O.N.M.S., was adjourned . . .

ANNUAL REPORT OF WEBBER C. HARRINGTON
IMPERIAL TREASURER, A.A.O.N.M.S.

January 1-December 31, 1990

Imperial Potentate Joseph P. Padgett, Officers and Members of the Imperial Council, A.A.O.N.M.S., in meeting assembled at San Francisco, California, July 1991.

Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles:

Supplementing the report of our independent auditors, KPMG Peat Marwick, which is included in this Book of Reports, I have prepared and am appending hereto for the internal use of our officers, staff and representatives a summary of the revenues, expenses and changes in unrestricted fund balance of the Imperial Council for the eight years beginning January 1, 1983, the effective date of the last change in per capita tax, and ending December 31, 1990. In reviewing the attached statement, please bear in mind that the date of assessment of the per capita tax was changed to January 1, effective for the year 1987, whereas in previous years the per capita tax was assessed as of December 31 of each year.

The attached summary shows that our revenues have declined by nearly \$350,000 over the last eight years while expenses have increased substantially over the same period of time. Of even greater concern is the fact that air fares, which constitute a big part of the Imperial Council Session expense have increased considerably and threaten to increase even more in the future. In addition, the amount claimed for private transportation has increased dramatically.

The Imperial Potentate appointed a committee to study the per capita situation and the results of this study, together with recommendations and proposed legislation, are being made to this Imperial session. I hope that the representatives will carefully review the attached Comparative Statement of Revenues, Expenses and Changes in Unrestricted Fund Balance as background information to be considered with respect to the legislation that will be proposed.

During the year 1990 the Imperial Council received refunds from convention corporations as follows:

Toronto	\$ 26,100
Chicago	93,594
	<u>\$119,694</u>

The Imperial Council had an excess of expenses over revenues of \$227,190 for the year 1990, and the 1991 budget, as will be reported by the Finance and Audit Committee, will reflect a substantial deficit for the coming year.

I want to particularly call to your attention Note 6 to the financial statements which explains the financial details with respect to the notecard program. The fund balance from this program has been reflected as a restricted fund, and is not included in the summary statement of Revenues, Expenses and Changes in Unrestricted Fund Balance appended hereto.

A comparison of actual vs. budgeted amounts for each category of revenue and expense for the year 1990 may be found in the report of the Finance and Audit Committee in this Book of Reports. That committee will report on both the 1990 and proposed 1991 Iowa Corporation budgets at the Imperial session.

Respectfully submitted,
Yours in the Faith,
Webber C. Harrington
Imperial Treasurer
Imperial Council, A.A.O.N.M.S.

ANNUAL REPORT OF JACK H. JONES
IMPERIAL RECORDER, A.A.O.N.M.S.

To: Imperial Potentate, Officers and Members of the Imperial Council, A.A.O.N.M.S.:

Greetings:

The following detailed statements of transactions of the General Offices for the fiscal period January 1, 1990 to December 31, 1990 are submitted for your information.

The report of the Imperial Auditor, showing complete information on all receipts in the General Offices and all remittances made to the Imperial Treasurer, together with the record of payment of all bills, checks for which are prepared in the General Offices, has been submitted and your attention is directed thereto.

The 1991 Election Returns of the 191 temples reflect that there are Representatives to the 1991 Imperial Council as follows:

	Total Number	Total Votes
At Large	13	13
Ad Vitam	19	19
Emeritus	119	97
Elected	753	753
Total		882

At the end of 1990, the temple's annual report showed a total of 746,940 Nobles plus 5,779 Associate Members on the active rolls of membership. Permanent Contributing Membership Certificates were held by 53,322 Nobles, which relieves them from paying the annual Shriners Hospital assessment.

The net loss in Shrine membership for the year 1990 was 27,244. There continues to be two major problems confronting us—the declining number of creations and increasing number of suspensions. Last year, we created only 15,674—the lowest number since 1942—and suspended 20,263—the highest number since 1935! It is imperative that we find ways to attract new members and each temple must develop programs to retain its present members. The Membership Development manual contains some good ideas and sample letters to assist the temples with their membership campaigns.

The membership details reflected in the Annual Temple reports are printed as a part of this report. It should be noted that only 17 temples reported a net gain in membership while 174 had net losses.

Every Potentate should make membership the number one priority in his temple. He must analyze his temple's past programs, closely scrutinize its present operation, and develop innovative programs that will enhance membership. Statistics seem to indicate that temples with a lot of activities for members and their families have been the most successful in membership. If you don't have a committee already structured, use the Membership Development manual as a guide.

It is also very important that all temple officers work in close harmony with all Masonic organizations to develop programs that will benefit our Masonic family. We must work hand in hand with the Scottish Rite, York Rite and Blue Lodge officers to coordinate ideas for positive growth, thereby perpetuating our great fraternities. Once again, the Membership Development manual contains some recommendations in this area.

During this Shrine year, the Imperial Potentate sent letters to all temples urging their support of the Order of DeMolay. It is a part of the philosophy of Masonry to help and encourage youth, and what better way is there to invest a part of our time and money than in prospects for future members. Besides, even those boys who don't join Masonry will become better citizens because of what they are taught in DeMolay. They need our help. Please contact the DeMolay Executive Officer in your state or province to find out how your temple can help.

Imperial Potentate Joe Padgett has done a tremendous job throughout the year in promoting the best interest of our fraternity. He has been unselfish in giving of his time, talent and leadership on behalf of all Shriners, and for this I commend him for an enormous job extremely well done.

We have many new Recorders in our ranks to whom I extend a warm welcome. To all Recorders and their staff, my sincere thanks for your wonderful cooperation during the past year. Keep up the good work!

The following pages contain statistics that have been compiled for your use. Please study them and compare the history of membership in your temple with that of others.

Work hard to promote the best interest of our great fraternity and insure the future of our hospitals, the World's Greatest Philanthropy.

ES SELAMU ALEIKUM
Respectfully submitted,
JACK H. JONES
Imperial Recorder

Independent Auditors' Report

Joseph P. Padgett, Imperial Potentate
and Board of Directors
THE IMPERIAL COUNCIL OF THE ANCIENT
ARABIC ORDER OF THE NOBLES OF THE
MYSTIC SHRINE FOR NORTH AMERICA:

We have audited the accompanying balance sheets of THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA as of December 31, 1990 and 1989, and the related statements of revenues, expenses, and changes in fund balances and of cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amount and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA at December 31, 1990 and 1989, and the results of its operations and cash flows for the years then ended in conformity with generally accepted accounting principles.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information included in Schedule 1 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly presented in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

December 31, 1990 and 1989

(1) *Summary of Significant Accounting Policies*

(a) *Organization*

The IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (Imperial Council) is a nonstock, nonprofit corporation incorporated under the laws of the State of Iowa. The organization is exempt from U.S. Federal income tax under Section 501(c)(10) of the Internal Revenue Code.

The Imperial Council is the supreme authority of the Shrine temples of North America. The Shrine is an international fraternity of approximately 753,000 members who belong to 191 temples throughout the United States, Canada, Mexico and the Panama Canal Zone. Each temple is a separate unincorporated association with its own governing body and finances.

(b) *Dues and Fees*

The Imperial Council's principal source of revenue consists of per capita dues and fees received from its subordinate temples. Per capita dues are assessed effective January 1 of each year. Included in the annual dues of \$3.00 per capita is \$.20 which is designated for the annual Imperial Council Session.

(c) *Cash Equivalents*

Included in cash and cash equivalents are repurchase agreements amounting to \$3,545,000 and \$3,625,000 at December 31, 1990 and 1989, respectively. For purposes of the statements of cash flows, the Organization considers all highly liquid investments with maturities of three months or less to be cash equivalents.

(d) *Property and Equipment*

Property and equipment are stated at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets.

(e) *Fund Balance - Restricted*

Contributions received from a notecard program entered into in 1988 are restricted for use in a membership campaign to enhance Shrine membership recruitment and retention.

(2) *Property and Equipment*

Property and equipment consists of the following:

	1990	1989
Automobiles	\$ —	41,546
Equipment	34,336	33,550
	<u>\$ 34,366</u>	<u>75,096</u>

Depreciation expense was \$17,690 and \$15,111 for 1990 and 1989, respectively.

In previous years, the Organization provided certain key executives with the use of corporate owned automobiles as a part of their compensation package. In 1990, the Board of Directors eliminated this policy and the automobiles assigned to the executives were transferred to them in lieu of an increase in compensation. The appraised values of the two automobiles, \$24,400 were charged as salary in 1990.

(3) *Due from Imperial Council Session Corporations*

A separate corporation is formed for each of the annual Imperial Council Sessions (Sessions). Per capita tax amounts are advanced to the Convention Corporations to assist in defraying the expenses of the Sessions, including the reimbursement of travel costs of the Headquarters office staff. Any unused per capita tax advances are required to be refunded to the Imperial Council.

In 1990, the Imperial Council received unused per capita tax refunds from the Chicago Convention Corporation in the amount of \$93,594 of which \$2,594 is included in

receivables at December 31, 1990. Reimbursement of costs incurred on behalf of the Chicago session of \$24,414 was also received in 1990.

In 1990, the Imperial Council also received per capita tax refunds of \$26,100 from the Toronto Convention Corporation. These amounts were not recorded as revenues in 1989 because they were not determinable at December 31, 1989. Reimbursement of costs incurred on behalf of the session of \$34,217, included in receivables at December 31, 1989, was received in January 1990.

(4) *Transactions With Shriners Hospitals for Crippled Children*

Shriners Hospitals for Crippled Children (SHCC), a separate charitable organization(s) was founded by the Imperial Council. Hospital assessments, donations and other receipts from Shrine temples are collected and remitted to SHCC by the Imperial Council. The Imperial Council bears a portion of the operating expenses of the National Headquarters building owned by SHCC. The two organizations also prorate salaries and other costs based on the estimated value received by each organization. Amounts of \$90,031 and \$41,792 were due to SHCC at December 31, 1990 and 1989, respectively.

(5) *Retirement Plans*

The employees of the Imperial Council are included under the Shriners Hospitals for Crippled Children Revised Retirement Plan. The cost of this non-contributory retirement plan allocated to the Imperial Council was \$25,373 in 1990 and \$16,490 in 1989.

In addition, employees are covered under either a deferred compensation plan or the Voluntary Individual Retirement Annuity Savings Plan. Voluntary contributions by employees, up to 6% of eligible compensation, are matched by the Imperial Council up to 1.5% of eligible compensation. The total expense incurred by the Imperial Council under these plans was \$9,922 in 1990 and \$9,324 in 1989.

The deferred compensation plan consists of an annuity payable of \$43,968 and \$38,026 at December 31, 1990 and 1989, respectively, to an employee of the Imperial Council. An asset equal to the liability is included in the balance sheet.

(6) *Membership Campaign*

In 1988, the Imperial Council entered into a notecard program to raise monies for a membership campaign designed to enhance Shrine membership recruitment and retention.

In this regard, the Imperial Council entered into an agreement with Famous Artists' Corp. (an unrelated organization) to administer the notecard program. The agreement provided for the Imperial Council to receive a minimum of \$1 per notecard package mailed plus any additional net proceeds after payment to Famous Artists' Corp. for cards, services, and expenses in administering the program. The term of the agreement is through the fall of 1991. The net proceeds to the Imperial Council from this program through December 31, 1990 were \$537,390.

During 1990, the Imperial Council earned \$221,145 from 1990 mailings of notecard packages. Famous Artists' Corp. has billed \$99,613 for cards, services and expenses in administering the program which, under the terms of their agreement with the Imperial Council, will be paid out of proceeds received in excess of the \$221,145. In 1990, the Board approved internal commitments of \$75,000 for membership expenses which are to be paid from the notecard program.

SHRINE PROTOCOL

*For the Use and Guidance of Illustrious
Potentates and Divan Members of
the Subordinate Temples,
Shrine Clubs and Shrine
Associations*

Revised
January, 1991

This protocol publication is primarily based on customs of the United States of America. Not all customs are relevant in those countries comprising the Shrine of North America. The recommendations in this printing are designed to make all nobles comfortable with the protocol of all the countries. Variations will be necessary where national laws comprising the Shrine of North America and/or customs differ from those stipulated in this publication.

PROPER DISPLAY OF NATIONAL FLAGS

It is the desire of the Imperial Potentate that each Temple of this Order provide and display at all Shrine parades, functions, and meetings, the three national flags under which Shrine Temples chartered by the Imperial Council operate (United States, Canada, and Mexico).

It has been noted that many Temples improperly display one or more of the three national flags primarily in parades and at meetings.

All nations designate the position on the *right* as the position of honor. International usage dictates that when flags of two or more nations are displayed together, they should be flown from separate staffs of the same height and should be approximately equal in size.

In an Auditorium

At Shrine functions and meetings the three national flags should be displayed in the position of honor at the Potentate's or speaker's *right* as he faces the audience. It doesn't matter whether the flags are behind, alongside, or in front of the speaker, on raised platform or not; they should always be to his right. Another important point: The flag of the country in which they are being displayed should be on the speaker's extreme right. (Canadian law does state that when three are flown together, the Canadian flag should occupy the central position.)

At Parades

When in procession, the flag of the country in which they are being paraded should be either on the *marching right*, that is, the flag's own right, or if there are a great number of other flags, it may be in front of the center of that line. It is strongly suggested that the three national flags (United States, Canada, and Mexico) always be paraded side-by-side, in front of state, province, or other local flags, with the flag of the country in which they are being paraded having the position of honor on the *marching right*.

Other flags which Temples may wish to parade should be in a line immediately following the three national flags in the following marching order, beginning on the right: state or province flag; Shrine Temple flag; Imperial Potentate's flag; Past Imperial Potentate's flag; other flags.

One of the most common violations of international flag usage is the dipping of national flags at reviewing stands, during the playing of the national anthems and other occasions. *National flags should never be dipped to any person or thing.* However, all other flags should be dipped as a mark of honor.

In Front of Shrine Temples and Club Buildings

When the three national flags are displayed in front of a Shrine Temple or club building, they should be flown from separate staffs of the same height and the flags should be of approximately equal size. The flag of the country in which they are being displayed should be in the position of honor on the extreme right; that is, a person's own right as he faces outward of the building's front entrance.

When a nation in which the flags are displayed proclaims that its

THE IMPERIAL COUNCIL

flag should be flown at half staff, it would be improper to fly the other two flags at full staff; therefore, the flags of the other two nations should not be flown during that period.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that *copies of all correspondence sent directly to him by Temples and Representatives be sent to the Executive Director at the General Office in Tampa, Florida.* This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be handled in accordance with Article 38 of Imperial Council Law.

VISITATION OF IMPERIAL POTENTATE

The Imperial Potentate is the number one Noble of the International Shrine and must be accorded the protocol pattern and respect befitting his high office. Protocol dictates that careful plans and arrangements be made prior to his visitation and completed during his visitation.

The host Temple Potentate, Director General, Association President, or their official representatives should be at the airport to meet the Imperial Potentate upon his arrival. An automobile and driver must be provided who is responsible for transporting the Imperial Potentate, his party, and luggage to the hotel. The driver should be available at all times.

Honor guard, color guard, or their Uniformed Units are often used to provide pomp and ceremony for the Imperial Potentate's arrival. Their use is not mandatory, however. Motorized Shrine Units or official police may be used as motorized escorts from the airport to the hotel.

A suite of rooms should be provided for the Imperial Potentate. Normal courtesies are appreciated, and should any additional information be required, please contact the Executive Director at the International Headquarters in Tampa.

The host Temple Potentate traditionally presents the Imperial Potentate and/or his first Lady a commemorative remembrance during their visitation.

WHEN AN IMPERIAL OFFICER IS ASSIGNED BY THE IMPERIAL POTENTATE AS HIS OFFICIAL REPRESENTATIVE, THAT IMPERIAL OFFICER IS ACCORDED THE SAME PROTOCOL PATTERN APPROPRIATE FOR THE IMPERIAL POTENTATE. THESE SAME COURTESIES APPLY TO ALL VISITING IMPERIAL OFFICERS.

Should your Temple have as a member an Imperial Officer, the same courtesies should be extended when he is invited to a function as any other Imperial Officer.

The Imperial Potentate's host and his assigned aide or driver are responsible for the departure arrangements. These arrangements include transportation of the Imperial Potentate, his party, and luggage to the airport. Sufficient time should be allowed so as to assure the Imperial Potentate's arrival at the airport at least one hour prior to the departure flight time.

ASSOCIATION/TEMPLE PARADES

2. Dignitaries other than Masonic.
3. Parade Marshal.
4. Colors, singly or massed.
5. Musical Unit.
6. Director General.
7. Imperial Potentate or other ranking Imperial Officer present.
The Imperial Potentate will ride alone, or may invite any distinguished male guest passenger.

ONLY THE IMPERIAL POTENTATE WILL RIDE ON THE BACK OF THE SEAT OF HIS CAR; ALL OTHERS MUST REMAIN ON THE SEATS OF THEIR CARS.

8. Imperial Officers other than the Imperial Potentate (by rank).
(One Officer to a car—no guests.)
9. Past Imperial Officers (by seniority in rank).
10. Association Officers.
11. Distinguished guests (Grand Master and heads of other Masonic organizations).
12. Host temple Potentate and his Divan.

Automobiles other than antique cars, requiring special display, used for the purpose of transporting dignitaries, divan members or association officers, with the exception of the Potentate or association president, must be not less than two abreast. The general public's interest is in parade units, not automobiles. This will make the parade more interesting to those who have come to watch it.

Other than the police escort, dignitaries and distinguished guests, only Shriners are permitted in Shrine Parades.

No beverage, alcoholic or otherwise, is permitted to be consumed during a parade, whether you are parading or just watching the parade when dressed as a Noble with fez.

No impersonations of ethnic groups, females, or political figures are allowed in parades. Throwing of candy or other objects along the parade route is strictly forbidden. Reckless behavior with motor vehicles is also forbidden. Movement should always be forward, and minimal distance between Units should be maintained in all parades.

CIVIC PARADES

Units that participate in non-Shrine parades may do so *only* with approval from their Potentate. Should they be requested to participate in the jurisdiction of another Temple, they will also need the permission of the Potentate of that Temple. Practice good Shrine etiquette

when parading in non-Shrine parades and follow the protocol set up by the host sponsor of the parade.

Non-Shriners are not permitted to participate in Shrine Units in civic parades.

Night Parade will follow the same formation, except that the Uniformed Units of the temple of the Imperial Potentate-Elect will immediately follow (10) Uniformed Units of Imperial Potentate's temple.

Automobiles other than antique cars, requiring special display, used for the purpose of transporting dignitaries, divan members or association officers, with the exception of the Potentate or association president, must be not less than two abreast. The general public's interest is in parade units, not automobiles. This will make the parade more interesting to those who have come to watch it.

NOTE: Frequently the Imperial Potentate must appoint another Imperial Officer as his official representative. When this happens, that Imperial Officer is accorded the same protocol pattern appropriate for the Imperial Potentate as outlined in the following sections.

CEREMONIALS AND RECEPTIONS

Ceremonials or Receptions

The Potentate should provide suitable transportation from the hotel to the place of the meeting for all Imperial Officers (Present and Past). An aide designated by the Potentate should be available at all times.

When a Temple desires the presence of one or more Imperial

Officers at a special activity of that Temple, a written request should be submitted to the Imperial Potentate, with a copy to the Executive Director, detailing as much information about the activity as possible. If the requesting Temple has an Imperial Officer, they may invite him directly, without going through the Imperial Potentate.

Reception for Ladies

At receptions or other functions where only Ladies are present, the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present, they should stand with their escorts.

Introduction and Reception of Guests

The Imperial Potentate and Imperial Officers should be made as comfortable as possible and not subjected to a long-standing wait for their turn to be received and introduced. The order of reception should be as follows:

1. Visiting Divans, Past Potentates, Potentates.
2. Visiting dignitaries and celebrities.
3. Distinguished guests (Board of Trustees, Shriners Hospitals for Crippled Children).
4. Most Worshipful Grand Masters.
5. Past Imperial Officers (in reverse order of their seniority rank).
6. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
7. Imperial Potentate.

NOTE: Always be sure that Distinguished Guests are introduced to each other as well as to the assemblage. If at all possible, allow some time for informal discussion between Distinguished Guests.

Introduction of Imperial Potentate at receptions, banquets, ceremonies, or business meetings.

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Officers and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon reaching the point on the floor from where the introduction is to be made,

should Salaam the Potentate and make such remarks as he deems proper, and conclude the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, Imperial Sir of Temple, (City), (State of Province.)"

or

"Illustrious Potentate, I have the honor of presenting Imperial Sir of Temple, of (City), (State or Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of presenting the Imperial Potentate of the Shrine of North America, Imperial Sir

The Gavel should be presented to the Imperial Potentate, who, upon receiving same, returns Gavel to the Potentate.

The only ADDRESS should be made by the Imperial Potentate.

WHILE THE IMPERIAL POTENTATE'S ADDRESS MUST BE THE LAST SPEECH OF THE EVENT, ALL OTHER NORMAL BUSINESS OR ACTIVITIES MAY TAKE PLACE AFTER THE IMPERIAL POTENTATE'S ADDRESS. THE IMPERIAL POTENTATE'S ADDRESS SHOULD BE PLACED AT A TIME IN THE PROGRAM SO AS TO REACH THE LARGEST POSSIBLE AUDIENCE.

In the absence of the Imperial Potentate, the senior Imperial Officer invited will act in his place.

Seating at Banquet:

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's lady at the left of the Potentate; the Potentate's lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Officers seated with their ladies alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place cards should be provided to expedite seating. Many years of experience have proven that it is wisest to design a seating chart ahead of time so that any changes can be charted easily.

At Shrine Association banquets, the Shrine Association President will take the place of the Potentate, as listed above, and the other Officers of the Shrine Association, and their ladies, will follow by rank, immediately after Imperial Officers.

At a Uniformed Unit or Shrine Club banquet or any function where protocol seating is required, follow the same procedure listed in the above paragraph, with this exception: The President and his Lady should have priority seating. The Potentate should be seated at the immediate right of the President, etc. If an Imperial Officer is present,

he should be seated at the immediate right of the President and the Potentate on the left.

When the Master of Ceremonies is not an officer of the temple, association, club or unit holding the function and would not normally be seated at the head table, he may either be seated at the furthest end of the head table or at a table close to the head table so he may perform his duties without undue delay.

Seating at Ceremonials, Receptions, and Business Meetings

The Imperial Potentate should be seated at the immediate right of the Potentate; the Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Officers are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local temple.

Seating on Reviewing Stands

In Imperial Session parades, a Reviewing Stand should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Officers and such other guests as invited by the Imperial Potentate.

The Imperial Potentate (or ranking officer) receives the Salute of all Temples. When temples from an Imperial Officer's state or province pass in review, that Officer receives the Salute of these temples with the Imperial Potentate.

At association or temple parades, the ranking Imperial Officer along with the association President or Potentate (as appropriate) receives the salute of all temples. Other Imperial and association officers will follow the same procedure as above.

QUESTIONS ON SEATING

SHOULD YOU HAVE QUESTIONS ON SEATING, PLEASE CALL THE EXECUTIVE DIRECTOR AT THE GENERAL OFFICES IN TAMPA, FLORIDA.

CANADIAN PROTOCOL

The Queen

It must be realized that Canadians do not pledge allegiance to their flag, but rather the crown. The country is the crown. The crown stands enshrined in the Canadian constitution as the emblem of the head of state, meaning, "The Queen."

Banquets:

In Canada a toast is always given to Her Majesty, The Queen:

"Ladies and gentlemen you will rise and drink a toast to Her Gracious Majesty, The Queen."

Response: "The Queen."

And then a toast to The President of the United States.

Salute to The President of Mexico (when appropriate).

In Canada smoking is never permitted until after the toast to the Monarch.

Toast to the Piper:

As the Piper has piped in the head table, V.I.P., and Imperial Potentate and/or Imperial Officer[s], the Potentate or his representative, after he has requested all to be seated, will raise his glass to the Piper who will return the greeting [slang avough] by raising his glass to the Potentate. No one else is included in the toast.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the protocol procedure as adopted by the Imperial Council and will be found in the front of the Directory of the Imperial Council.

Officers of Shrine Associations will participate in protocol procedure throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

When an Association desires the presence of one or more Imperial Officers at a special activity of that Association, a written request should be submitted to the Imperial Potentate, with a copy to the Executive Director, detailing as much information about the activity as possible. If the requesting Association has an Imperial Officer(s) they may invite him directly, without going through the Imperial Potentate.

In accordance with the above, Shrine Association Officers will occupy position No. 9 in Association/Temple Parades and position No. 3 in "Introduction and Reception of Guests." In Shrine Association Parades, Units of Temples will form in the order determined by that Association.

VISITATIONS TO SHRINE CLUBS OR TEMPLE UNITS

It should always be remembered that Shrine clubs and units are under the control of the Potentate of the chartering Temple. Invitations to Imperial officers, Temple officers from that Temple or any other Temple, Shrine association officers, etc., who are not members of the club or unit, must be cleared with the Potentate *in writing* before the invitation is issued.

DRESS

The Fez

The Imperial Council has adopted the fez as the exclusive type of head covering to be worn by *all* Nobles of the Mystic Shrine when appearing as such. This means any Noble *must* wear his fez at all Stated (Regular) Meetings, Ceremonials (Initiations), Shrine Parades and Caravans, special Shrine events, or any other Shrine-related activity. The fez is never worn at a Masonic Lodge meeting. As a Noble of the Mystic Shrine, you are particularly admonished never to wear your fez in any company or place in which you would decline to introduce your mother, wife, sister, or daughter. Never forget this. No other person is ever allowed to wear your fez at any time.

The fez is not a display case or bulletin board. Titles of the Imperial Chaplain, Potentates, Past Potentates, Recorders, Grand Masters and Divan members may be embroidered in small letters in gold or silver bullion, silk or rhinestone jewels *on one line* beneath the emblem on the fez. Active members of official uniformed units or official clubs of a Temple may likewise have the names of their units or clubs *on one line* beneath the emblem on the fez. Any official appointee of an Imperial Potentate or Potentate may have his title beneath the emblem as above for the term of his appointment. The fez shall be worn in its proper shape without crushing, creasing, or alteration, and one pin is allowed to hold the tassel in place on the left side. No other device, ornament, title, wording or adornment is permitted. It should be worn and adorned only as permitted by Article 13 of the Imperial Bylaws.

It is advisable to set up a procedure to order fezzes through the Recorder's Office. This allows the Temple Officers to see that proper fezzes are purchased since most Nobles are not aware of what constitutes a legal fez.

Shrine Pins

A Shrine pin should be worn on the left lapel of the suit coat, sports coat or blazer. Every Noble is requested to wear his Shrine pin anytime he wears his suit coat, sports coat, or blazer. The occasions for wearing the Shrine pin may or may not be Shrine related. It should always be worn so that a Noble of the Mystic Shrine is always identifiable, proudly and justifiably so, to a Brother Noble, Brother Mason, or the public in general.

ACCEPTED SALUTATIONS, ETC.

The Salaam

A Noble addressing the Potentate while he is presiding in the East should *always* give the Salaam. The Potentate should give the sign of the Order in return.

The Potentate and his Divan should always Salaam when receiving the Imperial Potentate or any other Imperial Officer. The Imperial Officer does not Salaam in return but gives the sign of the Order.

The Salaam is given by the leader of a Uniformed Unit that is performing for the Potentate, and the Potentate gives the sign of the Order in return. No other Unit member Salaams.

As an Imperial Officer or Potentate proceeds through an honor guard, only the first rank on either side of the aisle Salaam in unison. The remainder of the honor guard stands at attention. The Imperial Officer and Potentate may or may not be escorted through the honor guard, depending upon the pleasure of either. The escort is always to the left of the Officer.

Salutations

Any Imperial Officer, as well as a Past Imperial Officer, is always addressed, "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir." The prefix "Past" should not be used when addressing a Past Imperial Potentate or Past Potentate. Members of an Elective Divan of a Temple should be referred to by the title of their office, or by Noble.

A Noble, when making a salutation at a Shrine meeting with an Imperial Officer in attendance, should do so in the following manner: Imperial Sir, Illustrious Sir, Illustrious Sirs, Members of the Divan, and Nobles. If the Imperial Potentate and one or more Imperial Officers, guests, and ladies are in attendance, the Noble would make the following salutation: Imperial Sir (Imperial Potentate), Imperial Sirs, Most Worshipful Grand Master, Illustrious Sir (Potentate), Illustrious Sirs (Past Potentates), Members of the Divan, Nobles, ladies, and guests.

Salute

The Military Salute is used when reciting the Shrine Pledge of Allegiance and during the singing and playing of the National Anthem of the United States, Canada, and Mexico. The fez is *never* removed when the Military Salute is used. *The Military Salute is used by the leader of a Uniformed Unit* when passing in review, and the reviewing officer returns the salute.

Salute to the Flag

Auditorium

A Noble who is wearing his Fez will execute a right-hand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed, he should drop his right hand. *In an auditorium he should hold the salute until the Colors are posted after the pledge and/or playing of the National Anthems.*

When not wearing the Fez the right hand should be held over the heart.

In Parades

Only the color party of each temple is saluted when passing in review.

Shrine Pledge of Allegiance

"I pledge allegiance to my Flag and to the Country for which it stands; one Nation under God, Indivisible, with Liberty and Justice for all."

Each Noble is reminded that his fez is not removed and that he gives the Military Salute when reciting the Shrine Pledge of Allegiance.

National Anthems

MEXICO

"Mexicans, when the trumpet is calling.
Grasp your sword and your harness assemble,
Let the guns with their thunder appalling
Make the earth's deep foundation to tremble.
Let the guns with their thunder appalling make the
Earth's deep foundations to tremble."

O CANADA!

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise.
The true North, strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

THE STAR-SPANGLED BANNER

Oh! say can you see.
By the dawn's early light,
What so proudly we hail
At the twilight's last gleaming,
Whose broad stripes and bright stars,
Through the perilous fight,
O'er the ramparts we watched,
Were so gallantly streaming.
And the rockets' red glare,
The bombs bursting in air
Gave proof through the night
That our flag was still there.
Oh! say does that Star-Spangled Banner yet wave
O'er the land of the free
And the home of the brave.

Prayer

During the offering of a prayer, the fez shall be removed and held in the right hand over the heart. The prayer shall be nondenominational in content.

How To Address Shrine Dignitaries

Proper letter writing and proper addressing of Shrine dignitaries are part of Shrine protocol. The following are some examples:

<i>Title</i>	<i>Address</i>	<i>Salutation</i>	<i>Close</i>

"Es Selamu Aleikum"—This is Arabic for "Peace be on You."

Salutation

"Aleikum Es Selamu"—This is Arabic for "On You be the Peace."

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
 - a. Most Worshipful Grand Master
3. Past Imperial Officers
4. Imperial Officers (in reverse order of their official station).
5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Recessional.

Principles of the Order

§ 210.1 Brotherhood. Shriners are brothers. We share a common creed and common goals and values.

Add. 1991

§ 210.2 Creed.

Shriners believe in God and that He created man to serve His purposes, among which is service to others in His name.

We believe that care for the less fortunate, especially children

who suffer from burns and crippling diseases, is our institutional calling.

We are patriots, each willing to serve his country with fidelity and courage. We cherish independence under law and freedom with responsibility.

We honor family. We respect our parents, wives and children. We should instill in our children the tenets of this creed and the heritage from which it emanates.

As individuals we pledge ourselves to integrity, virtue and nobility of character. Our intentions will be honorable, our relations will be trustworthy and our spirits forgiving of each other.

As brothers we offer each other fraternal affection and respect. Together we will support each other in adherence to this creed, so that we and our communities will be the better because of our fraternity and its principles.

As Shriners we look beyond ourselves to serve the needs of others, especially children who cannot help themselves. We believe Shriners Hospitals to be the world's greatest philanthropy, and we covenant with each other to support its "temples of mercy" with spirit, time, talent and means.

Add. 1991

ARTICLE 22

Temple Charter and Location

- § 322.1 **Recognition.** Only temples chartered or under dispensation by The Imperial Council are recognized as part of the Order.

§ 322.2 **Authority.** A charter or dispensation from The Imperial Council constitutes the authority of a temple to meet and work.

§ 322.3 **Exhibit of charter.** The charter must be properly preserved and prominently displayed.

§ 322.4 **Loss of charter.** If a charter is lost or destroyed, the temple must immediately apply to The Imperial Council for a duplicate for which \$25 shall be charged.

§ 322.5 **Change of location.** A temple may change its location in the following manner:

(a) The proposal to move the location of the temple must be in writing, signed by a least 100 members of the temple, setting forth the details of the proposal. It must be presented to the Potentate.

(b) Thereupon the Potentate shall direct the Recorder to mail a notice of the proposal to each member stating that a meeting of the temple will be held within 90 days to vote upon the proposal.

(c) Before the expiration of 30 days after the receipt of the proposal by the Potentate, he shall fix the time and place of the meeting and notify the Recorder.

(d) Thereafter not less than 20 days nor more than 30 days prior to the meeting, the Recorder shall mail to each member a notice of the exact time and place thereof.

(e) If two-thirds or more of the members voting at the meeting are in favor of changing the location of the temple, the result of the election shall be certified to the Imperial Recorder at least sixty days before the session of The Imperial Council at which it is to be submitted. Every such proposal shall be published with the notice of the session.

Amend. 1984

(f) If The Imperial Council finds the move to be in the best interests of the Order, it may approve the proposal and order an amendment to the charter changing the location of the temple.

ARTICLE 23

Temple Membership

§ 323.1 **Temple; How Constituted.** A temple consists of its officers and as many members as it admits.

§ 323.2 **Petition, Form.** Each petition for membership shall bear the written recommendation of two members of the temple to which application is made.

§ 323.3 **Prerequisite for Membership.**

(a) A temple may not accept a petition from a candidate unless he is in good standing as:

(1) A Knight Templar in a Commandery or Preceptory of Knight Templar in amity with and recognized by the Grand Encampment of Knights Templar of the United States of America; or

(2) A 32° Mason (or a 14° Mason who cannot advance further due to absence of a special invitation) in a Consistory of Ancient and Accepted Scottish Rite of Freemasonry of a Supreme Council of the Northern or of the Southern Masonic Jurisdiction of such Rite in the United States of America or a Supreme Council in amity with and recognized by either of them; or

Amend. 1988

(3) A Master Mason who is an actual resident of the Republic of Mexico and who presents his petition for membership to a Mexican temple.

Amend. 1990

(b) A temple may not add to or take from the qualifications for membership in temples as fixed by these bylaws. A temple may not require that a candidate must be qualified under more than one of the foregoing paragraphs.

§ 323.4 **Residence of Candidate.**

(a) A petitioner must be an actual resident for at least 6 months in the jurisdiction of the temple to which he applies for membership or must have a waiver.

(b) Actual residence is defined as the place where the applicant in good faith makes his home.

(c) Any temple may receive and act upon the petition of one whose residence is not within the jurisdiction of another temple.

(d) Any member of the armed forces or diplomatic service of the United States, Canada or Mexico, may petition any temple within the jurisdiction of which he may at the time be stationed without reference to his actual place of residence, and thereupon, after election as provided in § 323.5 may be initiated by and become a member of the temple.

§ 323.5 **Balloting.**

(a) Subsequent to a report on a candidate's petition, the ballot is passed, and if less than 3 black balls appear, he is elected.

(b) If the ballot reveals 4 or more black balls, the candidate is rejected. If the ballot reveals 3 black balls, another ballot is passed immediately. If 3 black balls appear a second time, the candidate is rejected.

(c) A written objection, signed by a least 3 members of the temple in good standing, presented to the Potentate or the Recorder prior to the time balloting is commenced, has the same effect as an adverse ballot.

(d) In temples where written notice of all candidates' petitions has been mailed to the members not less than one week before the date set for the balloting, any written objection provided for in subsection (c) must be received by the Potentate or the Recorder at least 48 hours before the time specified in the notice for balloting.

(e) After the balloting is completed and the candidates are declared elected and notified, no objection made thereafter with respect to the candidates may be considered unless ordered by vote of the temple.

(f) A rejected candidate may not apply again for 13 weeks.

Amend. 1973

§ 323.6 Candidate; When Initiated.

(a) A temple may not initiate or obligate a candidate except at a stated meeting or ceremonial session, unless a special dispensation is granted by the Imperial Potentate.

(b) Application for special dispensation must be made at least one week before the dispensation is to be used, and must also be accompanied by a full statement of the facts and circumstances justifying the issuance.

§ 323.7 Associate Membership.

(a) Any Noble may apply for membership by affiliation in a second temple and, if accepted by the second, thereafter hold associate membership subject to the provisions of this section.

(b) The applicant need not hold a demit to make an application for associate membership. However, an application for associate membership must be accompanied by written evidence that the applicant is in good standing and eligible for a demit.

Amend. 1988

(c) Upon election of an applicant for associate membership, the second temple shall notify the other of which the Noble is a member that he has associate membership; and thereafter he shall be considered an active member of both temples.

(d) Suspension of a Noble holding associate membership for nonpayment of dues to the second temple shall not affect his membership in the temple to which he first belonged; but his suspension for nonpayment of dues to the first temple shall ipso facto affect his suspension in the second. His suspension for any other cause or his expulsion from either temple shall ipso facto affect his suspension or expulsion, as the case may be, from the other. Immediate notice of his suspension or expulsion by either temple shall be given to the other temple and to the Imperial Recorder.

(e) Election of an associate member to life membership in one temple does not constitute his election to life membership in the other.

(f) An associate member shall have all the rights and privileges of membership in both temples except that he may not hold elective office in the second.

(g) Associate membership is terminated by:

(1) Voluntary resignation upon payment of all indebtedness, assessments and voluntary obligations to the temple by an associate member who is in good standing and free from charges;

(2) Expulsion; or

(3) Death.

Amend. 1972, 1975, 1982

§ 323.8 Retention of Membership.

(a) In order to retain membership in a temple, a Noble must maintain the requirement of § 323.3(a), unless otherwise herein provided.

(b) If a Noble holds membership in both prerequisite bodies, his membership in the temple is not affected by the loss of his membership in one prerequisite body.

(c) If a Noble holds membership in only one of the prerequisite bodies and for any cause, except as hereinafter provided, loses that membership, he loses his membership in his temple until restored to good standing by that prerequisite body, whereupon he is restored to good standing in his temple without vote of the temple. He may not be charged with dues to the temple while deprived of membership.

(d) The acquisition of membership in the other prerequisite body subsequent to his loss of membership in his temple does not restore him to good standing in the temple, but he may be restored by ballot pursuant to § 323.5.

(e) If a Noble loses his membership in a prerequisite body for any reason other than non-payment of dues, the loss of membership in his temple is effective when it becomes final in the prerequisite body unless he shall file an appeal with the Imperial Recorder within 30 days after the loss of his membership in the prerequisite body. The Imperial Recorder shall immediately forward the appeal to the Grievances and Appeals Committee and it shall proceed, insofar as practical, as provided in § 208.9. The committee shall determine whether the loss of membership was for conduct in violation of Shrine law and make a report thereon to The Imperial Council with its decision. If the appeal is sustained by The Imperial Council then the loss of membership in the prerequisite body will not result in the Noble's loss of membership in his temple. (This subsection is retroactive to 1980.)

Amend. 1987

(f) In any state in which the Grand Lodge of Masons having jurisdiction takes action which is designed to suppress or proscribe the Order, its members, or one of its temples, the Imperial Potentate shall so certify. Upon the certification of the Imperial Potentate, and for so long as he certifies the threat of suppression or proscription to continue, the Order, its members and its temples in such jurisdiction retain all their rights, responsibilities and authority, notwithstanding any provision of the bylaws to the contrary.

Amend. 1988

(g) Except as herein provided, a temple must honor an official written notice from a prerequisite Masonic body concerning the loss of membership in that body by a member of the temple.

Amend. 1978, 1979, 1987

§ 323.9 Suspension or Termination of Membership.

(a) Rights of membership in a temple are suspended by:

- (1) Voluntary demission upon payment of all indebtedness, assessments and voluntary obligations to the temple;
- (2) Suspension for non-payment of dues; or
- (3) Suspension for other cause.

(b) Membership is terminated by:

- (1) voluntary resignation upon payment of all indebtedness, assessments and voluntary obligations to the temple by a member who is in good standing and free from charges;

- (2) Expulsion; or
- (3) Death.

Amend. 1975

§ 323.10 Demit.

(a) A demit specifies that at the time of its issue the Noble named therein was (1) in good standing, (2) free from charges, and (3) free from indebtedness, assessments and voluntary obligations to the temple.

(b) A temple cannot withhold a demit from a Noble applying and who qualifies for it under (a).

(c) A temple may issue a duplicate demit to a Noble.

(d) A demit may be issued by the Potentate and Recorder of the temple between stated meetings of the temple. A record of a demit so issued must be made and reported to the temple at its next succeeding stated meeting.

(e) A demit, when granted, is effective for all purposes as of the date of the filing of the written application therefor with the Recorder of the temple.

(f) A demit entitles the holder to affiliate with a temple only pursuant to these bylaws.

(g) When a demit is issued to a Noble residing outside the exclusive or concurrent jurisdiction of the issuing temple and in the jurisdiction of another temple, the Recorder of the issuing temple must give written notification within 30 days of the issuance to the Recorder of the temple in whose jurisdiction he resides. In the event such Noble resides in territory in concurrent jurisdiction (which is not concurrent with the issuing temple) the Recorder of the temple located nearest his residence shall receive the foregoing notification. The notification shall recite the Noble's name and address and the date the demit was issued.

Amend. 1982

§ 323.11 Suspension for Nonpayment of Dues.

(a) **Suspension or Remission.** A temple may not carry a member on the books who is more than 2 years in arrears. The temple must either suspend him or remit his dues.

(b) **Procedure for Suspension.** A Noble may be suspended for nonpayment of dues in the following manner:

- (1) He must be notified by first-class mail that he is in arrears;
- (2) He must be given an opportunity to be heard;
- (3) He must be admitted to the temple for this purpose even though he is in arrears; and

(4) A majority of members present at a stated meeting must vote to suspend him.

(c) **Effective Date.** Whenever adopted, any order of suspension shall be effective as of December 31 of the last year of the delinquency.

(d) **Restoration.** One who has been suspended for nonpayment of dues may be restored in the following manner:

(1) Written application for restoration must be made, accompanied by written evidence that he is in good standing in his prerequisite body;

(2) Without a vote of the temple upon terms authorized by the temple; and

(3) The restoration must be reported to the temple at its next stated meeting and recorded in the minutes.

§ **323.12 Life Membership.** Life membership may be granted for meritorious service or upon payment of the fee prescribed in § 332.6.

§ **323.13 Honorary Membership**

(a) Honorary membership may be conferred by a temple upon any Noble, as a compliment, by a majority vote, but this membership confers no rights or privileges.

(b) The issuance of annual membership cards to honorary members is prohibited.

ARTICLE 24

(3) No action may be taken on any resolution to change the location of the temple, amend the temple bylaws, amend the temple budget, increase the temple dues, or pass an assessment except at a meeting held at the location of the temple.

Amend. 1979

(a) **When.** Ceremonial sessions may be called by the potentate at any time.

(2) Where 2 or more temples hold concurrent jurisdiction over territory, all ceremonial sessions must be held at the location of the temple; but upon request of a temple accompanied by written consent of the other temples holding concurrent jurisdiction, the Imperial Potentate may grant a dispensation to hold a ceremonial session at any place requested in the concurrent jurisdiction.

(3) A temple may hold a ceremonial session in states, territories or countries where no temple exists, provided it obtains a special dispensation from the Imperial Potentate.

Amend. 1987

(a) The Potentate shall open and preside at all meetings and sessions of the temple.

§ 328.2 Extent.

(a) Unless otherwise determined in Part IV of these bylaws, the territorial jurisdiction of each temple extends in all directions to ½ the distance by direct line between itself and the nearest temple.

(b) In no case can jurisdiction extend beyond the limits of the state in which the temple is located unless there is an agreement between it and the other temples affected, or for the limited purpose authorized by § 328.6(e), or upon the vote of The Imperial Council in accordance with § 328.3(d).

Amend. 1976

(c) Temples in the same state may agree upon concurrent jurisdiction within the state or an equitable division of their territory.

(d) Unless otherwise determined every temple has exclusive jurisdiction in the city and county in which the temple is located, except that a second temple may exist in the same county in any city, not having a temple, having a population of not less than 200,000 as determined by the official statement of the state Chamber of Commerce or an equally responsible state or district authority for the current year.

(b) A temple may waive its jurisdiction and permit another temple to initiate a candidate residing within its jurisdiction.

(1) Where the fee of the temple granting a waiver is greater than the fee of the temple requesting a waiver, the candidate must pay to the requesting temple a fee equivalent to that he would have paid to the temple granting the waiver.

(2) The requesting temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) Where 2 or more temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a temple in any other jurisdiction.

(d) The Potentate does not have the power to grant a waiver, but it is given only by authority and under the seal of the temple granting it.

(e) A temple may not grant a blanket waiver.

(c) The temple which elected the candidate enters this official communication upon its record, places his name upon its membership list and he then becomes a member of that temple.

§ 328.6 Where Petitioner Must Apply.

(a) A petitioner, actually residing within a temple jurisdiction, may not petition elsewhere for initiation without a waiver from the temple.

(b) A temple retains jurisdiction over an elected petitioner until his initiation, but not longer than one year, even though he subsequently moves from its territorial jurisdiction.

(c) A candidate must present himself for initiation within one year after his election; thereafter his petition and election are void.

(d) Temples in concurrent jurisdiction must notify each other of the names and addresses of all petitioners rejected or to whom objections have been made, residing in the territory of concurrent jurisdiction.

(e) Notwithstanding any other provisions of this Article, a petitioner who resides in a city or county in which no temple is located and when no temple is located within 50 miles of petitioner's residence in petitioner's state of residence, may petition for membership in the nearest temple located in an adjoining state to his state of residence, if the location of that temple is within 25 miles of his residence; and no waiver from any temple is required. For the purposes of this subsection, mileage shall be measured in a straight line from the front door of the building in which is located the office of the temple to which the petition is presented.

Amend. 1976, 1979

(f) A temple which initiates a petitioner under § 328.6(e) shall notify the temple in the petitioner's state of residence and nearest such residence within 30 days after the initiation.

(b) If he resides in concurrent jurisdiction, he cannot demit from one temple and affiliate with another temple holding the same jurisdiction without the consent of the temple granting the demit.

(c) He may affiliate with any temple if the temple, within whose jurisdiction he has been an actual resident for the preceding 6 months, grants a waiver.

(d) If for the preceding 6 months he has been a resident of the jurisdiction of the temple which issued his demit, and with which he desires to reaffiliate, he must submit his written application with the original demit attached, and may be returned to membership without a vote of the temple. The application must be accompanied by written evidence that he is in good standing in

his prerequisite body. The reaffiliation must be reported to the temple as its next stated meeting and recorded in the minutes.

ARTICLE 29

Dispensation and Charter for New Temple

§ 329.1 **Petition for Dispensation.** Dispensation for a new temple may only be granted by The Imperial Council after a petition is filed with the Imperial Recorder. The petition must be signed by Nobles who are in good standing in the Order at the time the petition is filed with the Imperial Recorder, and who reside in the proposed territory of the new temple.

Amend. 1984, 1985

(a) The application for dispensation must be in the prescribed form furnished by the Imperial Recorder and must have printed therein in red ink § 329.6. However, the Imperial Recorder may not issue the prescribed form to requesting Nobles unless he

determines that there can be compliance with the requirements of § 329.3.

Amend. 1983

(b) It must be in duplicate, one copy for the Imperial Recorder, and the other kept by the applicants for reference.

(c) The application as filed, must bear the date it was issued by the Imperial Recorder and will be void after the passage of 24 months from that date, unless specifically extended by appropriate action of The Imperial Council.

(d) Every name on the application must be the actual signature of a Noble who is one of the applicants, and when signed the name cannot be withdrawn from the application except as provided in (e) and (f).

(e) A signature may be withdrawn upon the written request of the signer and may be for no other reason than that his signature was obtained by false representations. The written request for the withdrawal showing the reasons therefor must be attached to the application for the dispensation when presented to The Imperial Council, otherwise the original signature must stand.

(f) If, after the application for a dispensation is filed with the Imperial Recorder, in accordance with (g), a signer of the application desires to withdraw his name, he must send his request in writing stating the reasons therefor directly to the Imperial Recorder who shall erase the name from the application, if the reasons are as provided in this section, and attach the authority for the erasure to the application before presenting it to The Imperial Council, and furnish the list of the withdrawing signatories to the applicants, or their representatives, proposing to organize the new temple.

(g) The application must be filed with the Imperial Recorder at least 90 days prior to the annual session of The Imperial Council, and notice of the application must be published in the official call for The Imperial Council session. Unless the application is filed and published as herein provided, it must lie over until the next annual session of The Imperial Council. Supplemental lists of names may be added to the application for dispensation providing they are filed with the Imperial Recorder at least 60 days prior to the annual session of The Imperial Council.

Amend. 1980, 1984

(h) When an application for a dispensation becomes void, no further application may be issued until the expiration of one year

thereafter. If a second or further application for a dispensation becomes void, no further application may be issued until the expiration of two years thereafter.

Amend. 1981

§ 329.5 Action By Imperial Council.

(a) Dispensation

(1) When the application for dispensation is received by the Imperial Recorder, he must notify the temples which might reasonably be affected, at least 30 days prior to the session of The Imperial Council, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to The Imperial Council.

(2) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new temple must contain a specific recommendation as to the disposition of the assets and liabilities of the affected clubs and appendant and affiliated entities in the territorial jurisdiction of the new temple. The report must also contain a specific designation of the territorial jurisdiction of the new temple. This jurisdiction is determined on recommendations of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected temples an opportunity to be heard on the matter at a joint meeting of the committees.

Amend. 1989

(b) Charter

(1) A charter may not be granted to any temple under dispensation until it has been under dispensation for a period of at least the time elapsing between 2 annual sessions of The Imperial Council.

Amend. 1974, 1984

(2) If the temple under dispensation has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has shown a satisfactory increase in membership, then The Imperial Council, at the first annual session following the grant of the dispensation, may grant it a charter.

Amend. 1974, 1982, 1984

(c) Spokesman

(b) A Noble who signs an application for a dispensation becomes a member of the temple under dispensation on the date the dispensation is granted, and is amendable only to it thereafter for dues, hospital levy and assessments. The temple of which he was a member prior to the dispensation may retain the dues and assessments already received from him for the current year.

§ 329.7 Status of Temple under Dispensation.

(a) A temple under dispensation has a legal existence and jurisdiction, and, whether it works or not, this jurisdiction cannot be interfered with except by action of The Imperial Council.

(b) It cannot adopt bylaws until a charter is granted and it is regularly constituted.

(c) It is governed by Shrine law to the extent applicable.

(d) It has no power to elect officers, but must retain its provisional officers until its charter is granted.

(e) The provisional potentate of a temple under dispensation is not entitled to the rank of past potentate, nor is the temple entitled to representation in The Imperial Council.

(f) Any vacancy in an office of a temple under dispensation shall be filled by appointment by the Imperial Potentate from its Nobles.

(g) When a charter is granted, the members of the new temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the temple is constituted.

§ 329.8 Effect if Dispensation is Refused.

(a) When a dispensation for a new temple is refused by The Imperial Council, no further application may be made until the 3rd annual session thereafter. If a second or further application for dispensation is refused, no further application may be made

until the 5th annual session thereafter. Notwithstanding the foregoing provisions of this subsection, if the application is refused despite recommendations by the Dispensations and Charters Committee and the Jurisdictional Lines Committee that it be granted, then the life of the application shall be extended and it may be again presented at the next annual session of The Imperial Council.

Amend. 1974, 1981

(b) All Nobles who signed the petition remain members of their respective temples.

§ 329.9 Effect if Charter is Granted.

A Noble who is a member of a temple under dispensation becomes a charter member of that temple when such temple receives its charter.

§ 329.10 Effect if Charter is Refused.

All Nobles who signed the petition for dispensation are thereby restored to membership in the temples in which they were members prior to the dispensation. All members created by the temple under dispensation are entitled to certificates to that effect from the Imperial Recorder. These certificates have the force of demits for the purpose of affiliation.

Amend. 1983

ARTICLE 30
Discipline by Temple

§ 330.1 Jurisdiction. A Noble is subject to discipline by the temple of which he is a member, or by the temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine Law.

§ 330.2 Fair Play and Substantial Justice. This Article is intended to provide the guidelines for the determination of whether an accused Noble should be disciplined, the extent of such discipline if appropriate and to assure fair play and substantial justice as these concepts are understood and practiced in North America. To this end the temple and its officers shall cooperate fully with the complaining Noble, the accused Noble, the grievance committee and the trial committee. All temple records concerning the

complaint or charges shall be made available to the foregoing for copying.

§ **330.3 Definitions.** In addition to the definitions set forth in § 101.3, the following terms are defined for the purposes of this Article.

(a) "Complaining Noble" is the Noble or Nobles who file a complaint with the Potentate of a temple pursuant to this Article.

(b) "Complaint" is the written, signed and dated statement of the acts or conduct of an accused Noble, which the complaining Noble asserts is a violation of Shrine law or constitutes conduct unbecoming a Noble of the Mystic Shrine.

(c) "Accused Noble" is the Noble or Nobles against whom a complaint is filed.

(d) "Grievance Committee" is a committee of five (5) impartial Nobles appointed by the Potentate and charged with the duty of thoroughly investigating a complaint.

(e) "Trial Panel" is the panel of nine (9) impartial Nobles appointed by the potentate from which the trial committee is selected.

(f) "Trial Committee" consists of the five (5) members of a trial panel who are selected to try the charges brought against the accused Noble.

(g) "Charges" is a written, signed and dated statement apprising the accused Noble of the nature and character of the offense or offenses being brought by and on behalf of the temple.

(h) "Prosecutor" is the Noble representing the temple in the trial of the accused Noble.

(i) "Impartial" is having no direct knowledge of the acts or conduct set forth in the complaint or charges; not having formed an opinion as to the merits of the complaint or charges; not being related by blood or marriage, nor being so closely associated with the complaining Noble, the accused Noble or any material witness as to be likely to affect the Noble's judgment.

(j) "Notice, notify, provide, deliver or file" means to mail, first-class, postage prepaid, a copy of the document in question to the last known address of the Noble involved or to deliver the document to the Noble in person. Unless a greater time is specifically allowed, this should be done immediately. No notice of proceedings hereunder is required to be given temple membership.

(k) "Witness" is a person, male or female, Shriner or non-Shriner, called to give testimony.

§ 330.4 **Procedure.** Proceedings for the discipline of any Noble by a temple are as follows:

(a) **Before trial.**

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine law, must state the nature and character thereof in writing, sign and date the complaint, and deliver it to the Potentate of the temple. The complaint must be filed within the time period provided in § 101.9(b).

(2) Immediately upon the receipt of a complaint it is the duty of the Potentate to notify the Imperial Potentate and to deliver a copy of the complaint to the accused Noble and to appoint a grievance committee of 5 impartial members of the temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The complaining Noble and the accused Noble shall be afforded an opportunity to be heard before the grievance committee. The complaining Noble may withdraw the complaint anytime prior to the determination of the existence of probable cause by the grievance committee and, in such event, the grievance committee is discharged from further consideration of the matter and the complaint is dismissed. If the complaint is not withdrawn, the grievance committee by majority vote, must determine whether there is probable cause for believing an offense has been committed by the accused Noble, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee, be in writing, and signed by those voting in the majority, and copies shall be delivered to the complaining Noble and the accused Noble. If no probable cause is found, the proceedings shall terminate, subject only to the rights of the complaining Noble to appeal as provided by § 330.4(c)(2).

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to an impartial Noble of the temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the temple

against the accused Noble. The charges, in plain and concise language, must apprise the accused Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the temple, and a copy shall be delivered to the Potentate, the complaining Noble and the accused Noble.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial panel of 9 impartial Nobles of the temple, and to designate a date for the trial, which shall be not less than 15 nor more than 30 days from the date of the selection of the trial panel. The Potentate may for good cause postpone the trial to a subsequent date not later than 60 days from the date of the selection of the trial panel. The names of the trial panel shall be provided to the complaining Noble, the accused Noble and the temple. Neither the complaining Noble, the accused Noble, the temple nor anyone representing them shall have any contact whatsoever with the trial panel or vice versa regarding the case.

(5) If any officer named in this section is the complaining Noble, is the accused Noble or is not impartial as the term is defined in § 330.3(i), he shall be disqualified to act. If a member of the grievance committee or the trial panel is disqualified, it is the duty of the Potentate to fill the vacancy with an impartial Noble.

(6) Unless an officer or a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is required to serve. Any Noble who wilfully violates any provision of Article 30 is subject to discipline under the Article.

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead; if both are disqualified, the Potentate shall appoint the highest ranking qualified officer to act. And, if all officers are disqualified, the Potentate shall appoint an impartial Noble to act in his stead.

(8) It is the duty of the Recorder of the temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused Noble of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or

of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the alternate, in the name of the temple, to prosecute the charges, and the temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused Noble also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused Noble may file written answer to the charges at least five days prior to the time set for the trial.

(b) Trial.

(1) Upon the date set for trial, the prosecutor may excuse 2 of the trial panel chosen by the Potentate, and the accused Noble has the right to excuse 2 of the trial panel, leaving a trial committee of 5. If the accused Noble or the Prosecutor fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot. Prior to exercising their challenges, both the accused Noble and the prosecutor shall have the right to inquire of the trial panel and to challenge any Noble for cause. Cause shall consist of showing that the Noble in question is not impartial. The Potentate shall rule on all challenges. The Potentate shall immediately appoint a substitute impartial trial panel member for any Noble excused for cause.

(2) The trial committee selects one of its members as chairman. The chairman has charge of the conduct of the trial and may have an attorney who is a Noble present during the trial for the purpose of advising the trial committee concerning procedural and legal issues. Such attorney shall serve at the expense of the temple. The Chairman administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(4) The testimony of all witnesses shall be taken by a competent stenographer, male or female, so that it may be preserved as are transcripts in a court proceeding.

The accused Noble and the temple shall provide each other with copies of all known documents that are to be used at the trial at least five (5) days prior to the trial.

(6) Any Noble of the temple is permitted to attend the trial; however, notice of the trial date to temple membership is not required. The trial committee hears the arguments of counsel, including appropriate arguments regarding punishment in the event guilt may be found, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused Noble. If the committee finds the accused Noble guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of punishment shall be required. The report of the trial committee must be signed by those voting with the majority. The report is then immediately sealed to be opened by the Potentate at the next stated meeting.

(9) At the next stated meeting of the temple after the trial, the report shall be unsealed by the Potentate and read to the Temple. This reading of the report is the pronouncement of judgment. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to The Imperial Council. Any Noble revealing the contents of the report before the pronouncement of the judgment is subject to discipline.

The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the chairman of the Grievances and Appeals Committee of The Imperial Council.

(5) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which event the temple must pay.

(d) Restoration.

(1) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If $\frac{2}{3}$ rds of the members present vote for his restoration, he is restored. If a less number than $\frac{2}{3}$ rds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(2) If the member is expelled, he cannot be restored but may petition again the temple from which he was expelled for membership as if he had never before been a member. However, if he wishes to become a member of any other temple, he must obtain a waiver from the expelling temple before the temple having jurisdiction of his petition can vote thereon. This application for a waiver shall be acted upon at a stated meeting of

ANNOTATIONS TO BYLAWS (IOWA)

§ 207.3

1976 Proceedings, p. 176. While the minutes of the Boards of Directors and Trustees must be produced and read to The Imperial Council upon its order, a Representative does not have the right to demand that copies of such minutes be routinely sent to him for his inspection.

§ 208.6

1971 Proceedings, p. 97. Nobles who believe the Potentate's exercise of his discretionary powers to have been arbitrary and capricious may file a grievance for consideration by the Grievances and Appeals Committee under § 208.6.

1972 Proceedings, p. 153. An appeal from a decision of the Imperial Potentate made pursuant to § 206.5(a)(13) is made to The Imperial Council and should be referred to the Grievances and Appeals Committee in accordance with § 208.6.

§ 209.1

1966 Proceedings, p. 211. Shrine Club not eligible for membership in Shrine Association.

§ 209.2

1988 Proceedings, page 237. Activities of a group unauthorized under this section, may be enjoined by the Imperial Potentate.

§ 210.1

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

§ 211.5

1965 Proceedings, pp. 39, 43. Annual per capita tax not passed on to life members. Also, 1966 Proceedings, p. 208, and 1984 proceedings, p. 109.

§ 213.1

1967 Proceedings, p. 83. The use of straw fezzes is prohibited.

1978 Proceedings, p. 88. Section 213.1(e) states that the fez may be worn only at meetings and gatherings of Nobles held under the authority of some legal body of the Order; and this does not include meetings of ladies' organizations, because they are not a part of the Order.

§ 213.2

1972 Proceedings, p. 154. None but The Imperial Council itself should have exclusive rights to Shrine emblems described in § 213.2 and registration by an association of units of a trademark which includes such emblems is forbidden.

§ 322.5

1967 Proceedings, p. 83. Construction of a Mosque within the urban area of the seat of the temple, but beyond its corporate limits does not work a change in the location of the temple.

1975 Proceedings, p. 19. The removal of a temple from one address to another within the corporate limits of the city named in its charter is not a change of location within the meaning of § 322.5.

1976 Proceedings, see p. 176. Approval by The Imperial Council for the change of location of a temple may be given only by The Imperial Council itself at an annual session in accord with § 322.5(f).

ANNOTATIONS TO BYLAWS (IOWA)

§ 323.2

1967 Proceedings, p. 84. A petition for membership should not be signed by those who recommend the petitioner until the petition has been completed and signed by the petitioner.

§ 323.3

1967 Proceedings, p. 83. Expulsion of a member by his Grand Lodge does not terminate Shrine membership until there has been a loss of Scottish or York Rite membership and that loss has become final.

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the bylaws of The Imperial Council.

§ 323.5

1975 Proceedings, p. 20, § 323.5 requires that petitioners for initiation be elected by ballot, which by its very nature is secret; and a voice vote on petitions for initiation is contrary to Shrine Law.

§ 323.7

1973 Proceedings, p. 97. Under § 323.7(g) an associate member may hold office in a Shrine club of a temple which otherwise disqualifies members of other temples from office in its Shrine clubs.

1975 Proceedings, p. 19. § 323.7 does not prohibit the holding of associate membership in more than one temple.

1976 Proceedings, p. 177. Under § 323.7(g) associate members have all of the rights and privileges of regular membership except that of holding elective office in the temple itself, so a Potentate may not forbid their holding office in Shrine Clubs or Units on the basis of their associate membership alone.

1976 Proceedings, see p. 177. One who holds associate membership in a temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" temple and make an application for regular membership by affiliation in the second temple under § 328.7.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

§ 323.8

1967 Proceedings, p. 82. A suspended member is entitled to be automatically restored to membership upon demonstrating that he has been restored to good standing in the prerequisite body, but payment of dues cannot be required for any full year of suspension.

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the bylaws of The Imperial Council.

1983 Proceedings, p. 212. When a Noble is suspended from his prerequisite body the suspension therefrom must have become final and the suspended Noble's temple must receive an official written notice from the prerequisite body, before the Noble is suspended from the Shrine.

§ 323.9

1967 Proceedings, p. 83. Conviction of a crime, in the absence of temple disciplinary proceedings or termination of prerequisite memberships, does not result in a loss of Shrine membership.

1972 Proceedings, p. 154. By the provisions of § 323.9(b) membership is terminated by expulsion, and one who has expelled must apply again for membership under Article 30.

1975 Proceedings, p. 21. The issuance of a demit does not terminate one's

ANNOTATIONS TO BYLAWS (IOWA)

membership in the Order, but under § 323.9 simply suspends his rights of membership in the Temple which issues the demit; so, under § 330.1, a demitted Noble is subject to discipline by the temple in the jurisdiction of which he resides.

1978 Proceedings, p. 87. A Noble against whom a complaint has been lodged but as to whom the formal written charges described in Article 30 have not been filed, is "free from charges" within the meaning of § 323.9(b) and may resign his Temple membership.

§ 323.10

1971 Proceedings, p. 97. After adoption by the temple of an assessment pursuant to § 332.7, a demit may be granted under §323.10(a) only if the assessment is paid.

1972 Proceedings, p. 155. A Noble who requested a demit before the levy of an assessment is not required by § 323.10(a) to pay the assessment before issuance of his demit, even though issuance be delayed until after the assessment has been levied.

1973 Proceedings, p. 97. To either withhold a demit from one who qualifies under § 323.10(a) or to delay its issuance beyond a reasonable time, for any reason, is a violation of § 323.10 (b).

1989 Proceedings, p. 209. A Noble requesting a demit prior to investigation by the Grievance Committee, under §330.4(a)(2), is "free from charges" and his request must be honored.

§ 323.11

1978 Proceedings, p. 88. Under § 323.11(d) a Noble who has been suspended for nonpayment of dues may be restored upon terms authorized by the temple, and such terms may be expressed either by the temple bylaws or otherwise in accordance with § 324.8.

§ 323.12

1967 Proceedings, p. 84. A life member of a temple who took a demit is entitled to be restored to life membership status upon reaffiliation.

1973 Proceedings, p. 97. Imperial bylaw §§ 323.12 and 332.6 are permissive only, so that a temple must itself establish the conditions upon which it will grant life membership.

1973 Proceedings, p. 97. So long as the minimum requirements expressed in §§ 323.12 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

§ 323.13

1965 Proceedings, p. 43. Honorary membership to Nobles only. Majority vote of temple.

§ 324.1

1972 Proceedings, p. 152. So long as the temple holds at least one stated meeting during each calendar quarter, as required by § 324.1, temple bylaws may include a provision which permits the Potentate to dispense with other stated meetings.

1973 Proceedings, p. 97. The stated meeting of a temple is not the appropriate forum for debate of either a suspension order issued by the Imperial Potentate or Masonic charges pending against a member of the Order.

1975 Proceedings, p. 20. A temple may take action only at a stated or specially called business meeting, and cannot be bound by a mail referendum. Proxies are not permitted.

ANNOTATIONS TO BYLAWS (IOWA)

§ 324.2

1972 Proceedings, p. 154. By virtue of § 328.1 a temple is sovereign in its own territorial jurisdiction and, accordingly, it may attach conditions to any consent given under § 324.2 that another Temple may hold a ceremonial within its jurisdiction.

1974 Proceedings, p. 25. A special dispensation from the Imperial Potentate may be issued under § 324.2 for a ceremonial to be held aboard ship in the Caribbean during a temple cruise.

§ 324.5

1985 Proceedings, Page 111. Section 324.5 does not require first class mailing of notice. Neither is receipt of notice required. Only certificate of mailing not less than one week in advance.

1987 Proceedings, p. 117. This section of the Imperial Bylaws requires a notice of each stated meeting not less than one week in advance. Blanket notice in the first issue of a temple publication is not sufficient compliance.

§ 324.7

1972 Proceedings, p. 154. § 324.7 does not authorize the Potentate to select a Past Potentate to preside when the former is absent from a meeting or session of his Temple.

§ 324.8

1966 Proceedings, p. 211. The use of proxies or voting by mail is prohibited.

1970 Proceedings, p. 93. Any action of Temple officers or committees, unless pursuant to powers and duties expressly delegated to them, is subject to review and rescission by the Temple.

1974 Proceedings, p. 26. It is manifest from the provisions of §§ 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

1975 Proceedings, p. 20. In the absence of a temple bylaw delegating to some officer or committee the authority to dispose of Temple assets, § 324.8 requires specific authorization by the temple itself to sell an asset belonging to the temple.

1979 Proceedings, p. 171. In the absence of temple bylaw provisions delegating powers and fixing responsibilities of the temple trustees, such trustees simply hold the bare legal title of property for the benefit of the temple, and § 324.8 empowers the members of the temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

§ 325.1

1971 Proceedings, p. 95. A Noble may not at the same time hold both the offices of Potentate and Recorder of his temple.

§ 325.2

1980 Proceedings, p. 28. A candidate for temple office need not reside within the jurisdiction of the temple, but only within the jurisdiction of The Imperial Council, as required by § 325.12.

1982 Proceedings, p. 169. A Noble who has served part of the year as assistant rabban and part of the year as chief rabban of his temple is eligible to serve his temple as Potentate the following year as he has served "at least one term as either Chief Rabban or Assistant Rabban of a temple" as required by § 325.2(c) of the bylaws.

1985 Proceedings, p. 112. Matters concerning election procedures not specifically governed by the Imperial bylaws are to be governed by Roberts Rules of Order pursuant to § 101.4 and by the concept of due notice to all of the Nobility, common sense, and fair play.

ANNOTATIONS TO BYLAWS (IOWA)

1986 Proceedings, p. 152. § 325.2(a) establishes qualifications for elective office as members in good standing. Additional qualifications may only be imposed by appropriate amendments to this Imperial bylaw.

§ 325.2

1990 Proceedings, p. 135. Temple bylaws may not restrict the number of years a treasurer or recorder may hold office nor limit his maximum age.

§ 325.5

1967 Proceedings, p. 84. There is no objection to a waiver of rules and the adoption of a motion for casting a unanimous ballot for an unopposed candidate for Temple office.

1975 Proceedings, p. 20. Under § 325.5 Temple officers must be elected as individuals and the Nobility may not be required to vote for one or the other of two "slates" of candidates.

§ 325.6

1980 Proceedings, p. 29. The making of announcements, reports, and presentations while ballots are being counted during a temple election is not a violation of § 325.6 if no action of the temple is required or taken on such announcements, reports, and presentations.

§ 325.7

1967 Proceedings, p. 83. A temple may create, by appropriate bylaw, the office of Recorder Emeritus or Treasurer Emeritus.

1974 Proceedings, p. 26. Unless pursuant to § 325.7 a temple has made provision in its bylaws for such officers, it may not elect an Assistant Treasurer or an Assistant Recorder

1974 Proceedings, p. 27. Neither the Potentate nor the Board of Directors of a temple may create additional Temple offices, for which provision may be made only by the temple bylaws pursuant to § 325.7.

§ 325.8

1978 Proceedings, p. 88. The practice of suspending the rules in order that unopposed nominees may be elected by the casting of one ballot comes within the exception expressed in § 101.4. Roberts Rules of Order, Newly Revised.

§ 325.9

1983 Proceedings, p. 212. A proposed amendment to a temple's bylaws which makes the chief rabban a representative to The Imperial Council by virtue of his office is in conflict with the bylaws of The Imperial Council. All representatives are to be elected by written ballot at the annual meeting of the temple.

§ 325.10

1968 Proceedings, p. 121. Shrine Club Meeting Notice cannot recommend candidates for temple office.

1971 Proceedings, p. 97. The distribution among members of the temple of an "information sheet" containing the name of a proposed candidate for temple office and listing his Masonic history, military service record, and civilian work record is a violation of § 325.10(a) even though the office to which he aspires is not mentioned.

1972 Proceedings, p. 154. The editors of unit and Shrine Club newsletters are responsible for violations of § 325.10(a) in publishing solicitations for support of candidates for temple office.

1972 Proceedings, p. 153. A temple bylaw provision which prohibits the expenditure of money for gifts, favors or entertainment on behalf of candidates for temple office is not inconsistent with Article 25.

1975 Proceedings, p. 19. A temple is free to regulate campaigns for temple office so long as the regulations are consistent with Article 25 of the Imperial

ANNOTATIONS TO BYLAWS (IOWA)

bylaws; but without a trial under Article 30, only the Imperial Potentate may suspend one who violates such regulations or declare the election void.

1981 Proceedings, p. 165. Election of Imperial Representatives at a second meeting instead of at the annual meeting and without notice of election required by § 325.10(c) is improper; and a new election with proper notice is required.

1983 Proceedings, p. 212. The distribution of written material to the members of a temple by a Noble thereof opposing the re-election of the recorder by asserting in the material, *inter alia*, that "it's time for a change" is a violation of § 335.10(a).

1987 Proceedings, p. 119. "Distribution and circulation of pin-on button containing the name of a candidate, violates this section."

1988 Proceedings, p. 238 "Organizational meeting" of Divan, and Unit Heads prior to temple election based upon "presumption of election" does not constitute a violation of this article.

1988 Proceedings, p. 238. Pre-preparation and distribution of "sample ballot" containing suggestions of proper choice for various offices is in violation of this section.

§ 325.12

1977 Proceedings, p. 162. A temple officer who lives in an area which becomes a part of the jurisdiction of a newly organized temple does not lose his office thereby, because § 325.12 requires only that he live within the jurisdiction of The Imperial Council.

1977 Proceedings, p. 163. A Temple bylaw which restricts eligibility for temple office to certain counties of residence is inconsistent with § 325.12 and void.

1984 Proceedings, p. 110. Question of "physical incompetence" of temple office to a degree creating a vacancy in such office is an issue which must be decided by the membership following due notice under Section 324.5.

§ 325.13

1967 Proceedings, p. 83. Shrine law does not permit the election and installation of a Potentate, accepting his resignation from office, and the election and installation of his successor at the same meeting.

1970 Proceedings, p. 96. A special election should be held to fill a vacancy created by the suspension of a Representative to The Imperial Council.

1972 Proceedings, p. 152. The Oriental Guide is not required to resign from his office in order to be a candidate for the office of High Priest and Prophet at a special election held pursuant to § 325.13; and, if he is elected, the vacancy in his office thus created may be filled at the same meeting.

§ 325.14

1976 Proceedings, p. 176. A vacancy in the office of Representative to The Imperial Council may be filled only by election, except in the special circumstances mentioned in § 325.14(a).

1974 Proceedings, p. 27. The Potentate has no authority to suspend a member of his temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceedings under Article 30.

1979 Proceedings, p. 171. The Potentate has no authority to order the confisca-

ANNOTATIONS TO BYLAWS (IOWA)

tion of a Noble's fez, even for alleged misconduct, without a trial under Article 30. Only the Imperial Potentate has the power to suspend a Noble without a trial.

1979 Proceedings, p. 169. A temple bylaw provision which requires appointment of temple committees by an Executive Committee is contrary to § 327.1(d) and void.

§ 327.3

1966 Proceedings, p. 208 and 209. Temple Recorder has custody and control of Records, subject to provisions of temple bylaws or direct action of the temple.

1967 Proceedings, p. 83. The duties of the Recorder cannot be delegated by a temple bylaws to a "Scribe" appointed by the Potentate.

1972 Proceedings, p. 155. The Imperial bylaws do not prohibit the employment by a temple of a business manager, but none of the Recorder's responsibilities may be transferred to him, even by specific provision of the temple bylaws under § 327.3(b), because he is not an officer of the temple.

1973 Proceedings, p. 97. The duties which would otherwise be those of the Recorder under § 327.3(b) may not be assigned to a "business manager" employed by the Executive Committee of the temple.

1974 Proceedings, p. 26. The Recorder must submit the documents or reports referred to § 327.3(a) with his own signature affixed, and such documents or reports signed by an "Executive Secretary" are not acceptable.

1975 Proceedings, p. 19. Unless there is some provision in the temple bylaws to the contrary, employees of the temple are to be hired by the Recorder, with the consent of the elective Divan, under § 327.3(a)(7).

1978 Proceedings, p. 87. Any reassignment of duties among temple officers or employees must be accomplished in accordance with or by amendment to the temple bylaws in a manner consistent with the Imperial bylaws, and not simply by action of the temple Board of Trustees in contravention of §§ 327.3 and 327.4.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, temple financial officers are required to report financial transactions to the temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the temple at its annual or budget meeting.

1975 Proceedings, p. 20. Under § 327.4 and § 327.5 both the Treasurer and the temple Trustees must account to the temple for the expenditure of temple funds in accordance with appropriations made pursuant to § 334.4(d).

1977 Proceedings, p. 163. Where temple bylaws do not specifically assign the duties listed under § 327.4 to another officer, the Treasurer must sign all checks drawn on temple funds; and, where the temple bylaws make him a member of the Finance Committee, he may not be excluded from its meetings.

1978 Proceedings, p. 87. Any reassignment of duties among temple officers or employees must be accomplished in accordance with or by amendment to the temple bylaws in a manner consistent with the Imperial bylaws, and not simply by action of the temple Board of Trustee in contravention of §§ 327.3 and 327.4.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, temple financial officers are required to report financial transactions to the temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the temple at its annual or budget meeting.

1975 Proceedings, p. 20. Under § 327.4(f) and § 327.5 both the Treasurer and the temple Trustees must account to the temple for the expenditure of temple funds in accordance with appropriations made pursuant to § 334.4(d).

1976 Proceedings, p. 176. According to § 327.5 the financial affairs of a temple may not be vested exclusively in temple Trustees, and any temple bylaw having relation to the temple's financial affairs must be read in light of § 327.5

1979 Proceedings, p. 171. In the absence of temple bylaw provisions delegating powers and fixing responsibilities of the temple Trustees, such Trustees simply hold the bare legal title of property for the benefit of the temple, and § 324.8 empowers the members of the temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

1988 Proceedings, p. 237. Under § 327.5, temple bylaws may delegate specific powers to boards or committees subject to review by the temple at stated meetings; and the Potentate has no authority to countermand any lawful decisions properly within the scope of the responsibilities of such boards or committees.

§ 327.7

1980 Proceedings, p. 29. While members of the temple need not be given unlimited access to all of the books and records kept by its financial officers, any member may question the financial officers at a temple meeting; and a temple, by action taken at a meeting, may authorize an individual or a special committee to examine any of the books or records kept by its financial officers or, indeed, it may require them to turn over such books and papers to such person and at such time as the temple directs, pursuant to § 327.7.

§ 328.1

1977 Proceedings, p. 161. While a Noble who lives in concurrent jurisdiction is entitled to a demit if he meets the requirements of § 323.10(a), he may not affiliate with another temple holding the same concurrent jurisdiction without consent of the temple from which he demits in accordance with § 328.7(b).

ANNOTATIONS TO BYLAWS (IOWA)

1976 Proceedings, p. 177. All revenues derived from an assessment, the Resolution for which provided that if be used solely for the reduction of an outstanding mortgage, must be used for that purpose only; and any revenues collected by such assessment beyond those needed to retire the mortgage must be ratably refunded to the members of the temple, and may not be transferred to the general funds of the temple.

1977 Proceedings, p. 162. A Noble who joins a temple after its adoption of an assessment resolution must pay the assessment in accordance with the terms of the resolution.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7 makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

1979 Proceedings, p. 170. § 332.7 does not require that an assessment resolution lay over from one meeting until another but simply requires publication of a notice that it will be proposed at the meeting at which action is to be taken.

1979 Proceedings, p. 170. Without specific reference to life members in an assessment resolution, § 332.7 precludes its application to them.

1983 Proceedings, p. 212. Money received from a temple assessment must be used for the purposes stated in the resolution adopted by the temple, unless a new resolution is properly warned and adopted by the temple.

1973 Proceedings, p. 98. Inasmuch as the Uniform Chart of Accounts does not provide for "contingency" appropriations, a temple budget which does so is violative of § 334.4(a).

1974 Proceedings, p. 26. It is manifest from the provisions of §§ 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

ANNOTATIONS TO BYLAWS (IOWA)

1977 Proceedings, p. 163. By § 334.4(d) the adoption of a budget by the temple constitutes the appropriation of funds for the purposes indicated in the budget; but some officer, committee or other agent of the temple must make judgments as to specific expenditures and determine whether such expenditures are within the scope of the appropriations. That power may be delegated to a Finance Committee by the temple bylaws, and if such be done, the Potentate may not interfere with the Finance Committee in carrying out its responsibilities.

1977 Proceedings, p. 163. Neither the Potentate nor the Finance Committee may transfer funds from one budget classification to another, because the budget may be amended only by the temple at a meeting thereof in accordance with § 334.4(e).

1979 Proceedings, p. 170. All temple funds, including those of its circus, are subject to the control of the temple through either § 334.4 or § 327.5, or both.

1987 Proceedings, p. 119. Temple specific project authorization and budgeting granting the Board of Trustees supervisory control, is exclusive in nature and no other committees or temple officers may interfere with the fulfillment of the Board's responsibility.

1985 Proceedings, p. 111. The 1983 amendment made May 1, date for filing audit report with Imperial Recorder. Nevertheless, where possible, sound judgment would suggest selection of a qualified auditor who could complete the audit prior to the annual meeting of the temple.

§ 334.6

1973 Proceedings, p. 97. Any member of the temple is entitled to examine an audit of the temple's accounts, which should be made available routinely to the members of the annual or budget meeting under § 334.6; and he may likewise examine audit reports concerning the accounts of temple-affiliated corporations.

IMPERIAL COUNCIL A.A.O.N.M.S.
ACCOUNTING AND FINANCIAL REPORTING REQUIREMENTS
FOR SHRINE TEMPLES

The bylaws of The Imperial Council, A.A.O.N.M.S., an Iowa Corporation, contain various requirements as to accounting and financial reporting. This addendum has been prepared to supplement the bylaws requirements. Because of their numerous and diverse activities, many questions confront temples concerning accounting requirements. The American Institute of Certified Public Accountants Industry Audit Guide "Audits of Certain Non-Profit Organizations" which incorporates Statement of Position No. 78-10 entitled "Accounting Principles and Reporting Activities for Certain Nonprofit Organizations" contains comprehensive guidelines to accounting and reporting practices for fraternal organizations.

All funds under the control of the temple, charitable or otherwise, and all activities, including circuses, and all funds and activities of the units of the temples, should be included in the temples' financial statements. When the corporation is a separate legal entity, such as a temple holding corporation, the financial statements should be presented in a combining format which shows in columnar form the separate entities and then presents a combined total.

Temple units are not permitted to maintain funds which are not under the control of their temples. In certain cases, such as where the units maintain records and do not keep them at the temple office, the auditor may not believe, from a practical standpoint, that he is in a position to audit the funds. In such cases, the temple's financial statements should be prepared without the units' funds. Appropriate disclosure that such funds exist and are excluded should be contained in the notes to the financial statements. Even though such funds may be excluded from the temple's audited financial statements, such funds must be included in the temple's annual reports to the Internal Revenue Service.

The accrual basis or modified accrual (wherein certain items would be handled in a cash basis rather than being recorded as a receivable or as a liability) of accounting is required for all temples. Financial statement formats with sample notes to financial statements and examples of supplementary financial information are attached (see Form #20). These are guidelines which are required to be followed by all temples. More important aspects of these guidelines are as follows:

1. The financial statements and notes should be comparative and present financial information for two years.
2. The financial statements should be presented in a combined format to reflect all of the financial activities of the temple including all fund raising activities, charitable funds, and financial information of separately incorporated entities such as temple holding corporations.
3. Supplementary financial information should reflect all activity of individual restricted funds (including the Hospital Patient Transportation Fund) if not separately presented in the primary financial statements.
4. Supplementary financial information should include details of all fund raising activities segregated into charitable and fraternal categories listing each fund raising event.
5. All transactions with related parties which include payments to members of the divan, commissions to Shrine clubs and units, checks drawn to the temple from restricted funds for administrative expense reimbursements, etc. are required to be disclosed in the notes to the financial statements.
6. Audited (or reviewed in the case of temples with less than 3,000 members) financial statements must be filed with The Imperial Council by May 1.

An engagement letter is required to be signed with the temples' auditors prior to the beginning of the audit, which establishes the responsibility of the auditor and of the temples' divan as regards the audit of the financial statements of the temple. An example (see Form #21) is included that acknowledges, among other things, the requirement of the auditor to comply with these financial and reporting requirements. Any engagement letter entered into with an auditor must include the items identified in the example.

A representation letter should be furnished to the auditor at the completion of his examination. An example is included with this addendum (see Form #21). The actual representation letter furnished the auditor must, at a minimum, be signed by all members of the divan and include all items identified in the example.

Included with this addendum is a uniform chart of accounts for Shrine temples. This chart is designed to assist the temples in conforming to more modern financial reporting practices. The chart may be used with some flexibility in that it is not necessary for the temple to maintain all of the detail expense accounts that are set out in the chart. The temple may also add accounts as necessary.

The amount of cash necessary to meet minor needs should be determined and recorded as petty cash. The fund should be operated on an imprest basis.

ACCOUNTS 120-129: RECEIVABLES

At the beginning of the year, the total amount receivable from members for dues and hospital assessment should be computed and charged to dues receivable. Accounts payable—Imperial Council—Hospital assessment should be credited for its part in Account 210. The temple dues portion should be credited to Account # 401—Dues Revenue.

Other receivables should be recorded in Accounts 121 through 128 as appropriate. From time to time, it may be necessary to advance funds to various organizations, such as uniformed units, etc. Account 122 should be charged with the amount that has been advanced, and credited as payments are received.

Account 129—Allowance for Doubtful Receivables is credited at year end with an estimated amount of uncollectible dues and other receivables. The contra entry for uncollectible dues is Account 420—Suspended Members and for other receivables is Account 625—Bad Debt.

ACCOUNTS 130-139: INVENTORIES

Account 130—Inventory—Fezzes should be charged with all fezzes purchased. If fezzes are given to candidates, they should be charged to Account 680 and this account credited.

Account 131—Inventory—Food and Beverage should contain items which are for resale. Such items may include food, beverages, tobacco, etc.

Account 132—Inventory—Jewels should contain the cost of jewels that are held for sale. There may, on occasion, be some Past Master's or Past Potentate's jewels. These are held in this account until disposed of.

ACCOUNTS 150-169: PROPERTY, EQUIPMENT AND PARAPHERNALIA

Account 150—Land should include all land sites owned by the temple, including the land on which the mosque building is situated, a country club, or any other real property. Land should be carried at cost. If acquired other than by purchase, a carrying value (market appraisal, etc.) should be determined for record purposes.

Account 151 includes the cost of purchase, construction, or other carrying value of the mosque building, and the cost of any subsequent improvements.

The cost of other buildings and improvements should be carried in Account 152.

All items of furniture and equipment which have a useful life of more than one year should be charged to Account 153. If any of the furniture or equipment is disposed of, the cost of the item disposed of should be removed from the account.

Account 154—Vehicles should be charged with the original cost of vehicles purchased for use by the temple. If any vehicle is sold, the cost of the item disposed of should be removed from the account with gain or loss on disposal being charged or credited to operations.

Account 155 should be charged with the original cost of uniforms, costumes, regalia, etc. Dispositions should be credited to the account when they occur.

The cost of vans shall appear as an asset under the Hospital Transportation Fund column on the Balance Sheet.

Account 165 should be credited with the annual provision for depreciation on the hospital vans recorded in Account 164 and the allowance for depreciation appearing below the Account 164 asset.

Investment in and advances to temple holding corporations should be carried in Account 172.

Utility deposits made by the temple should be carried in Account 173.

LIABILITIES

ACCOUNT 210: ACCOUNTS PAYABLE—IMPERIAL COUNCIL HOSPITAL ASSESSMENT

The Imperial Council will bill the temples a \$5 hospital assessment for each Noble on the membership roll as of January 1 who are not permanent contributing members of the hospital. The total amount billed is credited to this account with the contra entry to Account 120—Dues Receivable. Account 210 will be charged at the time payment is made to The Imperial Council. As new members are created and assessed the hospital levy, a charge to dues receivable and a credit to this account is recorded. Bylaw section 332.3(h) states that the hospital levy is a trust fund and the temple must segregate it in a separate account and remit it to the Imperial Council. If a member purchases a P.C.M., no credit is set up for the hospital levy.

ACCOUNT 211: ACCOUNTS PAYABLE—IMPERIAL COUNCIL—OTHER

The Imperial Council will bill the temples a \$3 per capita tax for each Noble on the membership roll as of January 1. The total amount billed is credited to this account with the contra entry to Account 600—Per Capital Tax expense. All other amounts due The Imperial Council are to be recorded in this account. This account is charged at the time payment is made to The Imperial Council.

ACCOUNT 212: ACCOUNTS PAYABLE—TRADE

ACCOUNT 213: ACCOUNTS PAYABLE—OTHER

Temples on the accrual basis of accounting should record significant expenses owed at the end of reporting periods in one of these accounts.

ACCOUNTS 220-226: TAXES PAYABLE

Payroll taxes withheld should be recorded as liabilities. All other taxes owed should be recorded in the appropriate account where the temple reports on the accrual basis of accounting.

ACCOUNT 230: ACCRUED EXPENSES

This account should be credited for expenses incurred that cannot be identified with other designated expense liability accounts.

ACCOUNT 235: DUES PAID IN ADVANCE

During the year this account should be credited for all membership dues-paid in advance. Since the hospital levy is a trust fund, hospital assessments received in advance must be segregate and should be credited to Account 237. Dues should not be recorded as income until January 1. Effective January 1, this account should be reversed by crediting Account 120—Receivable for the per capita tax portion and Account 401—Dues for the remaining balance.

ACCOUNT 236: INITIATION FEES PAID IN ADVANCE

This account should be credited for initiation fees received prior to January 1 from candidates who are initiated in the following year. Initiation fees should not be recorded as income until new members are created.

ACCOUNT 237: HOSPITAL ASSESSMENTS PAID IN ADVANCE

During the year this account should be credited for all hospital assessments paid in advance. Since the hospital levy is a trust fund, amounts received must be recorded in a separate account. The \$5 hospital assessment is not a temple liability until January 1 of the following year. Then on January 1, this account should be reversed by crediting Account 120—Receivable. Also credit this account for hospital assessments without ratable abatement received prior to January 1 from candidates who are initiated in the following year. The hospital assessment is not due The Imperial Council until new members are created.

ACCOUNT 238: OTHER DEFERRED REVENUE

This account should include contributions to the temple for designated expenses until expended.

ACCOUNT 240: CHARITABLE CONTRIBUTIONS DUE OTHERS

Contributions received by the temple for the benefit of Shriners Hospitals, Masonic Homes or other charities should be credited to this account pending remittance to the appropriate charity.

ACCOUNT 250: LONG-TERM DEBT

Debt which will not be repaid in 12 months should be recorded in this account. Current maturities of this debt (principal due within 12 months) should be carried in Account 200.

MEMBERS' EQUITY

ACCOUNT 300: MEMBERS' EQUITY—UNDESIGNATED

This account represents the net worth of the temple and is the difference between the assets and liabilities except for designated equity or restricted fund balances.

ACCOUNT 301: MEMBERS' EQUITY—BOARD DESIGNATED

This account represents the members' equity designated for specific purposes by the temple, such as building improvements, trustees' fund, etc.

ACCOUNT 325: RESTRICTED FUND BALANCE

Restricted fund balances represent the equity in funds restricted by outside sources, such as hospital patient transportation fund, charitable fund-raising reserves, temple life membership, etc.

ACCOUNT 350: INVESTMENT IN PROPERTY, EQUIPMENT AND PARAPHERNALIA

This account represents the total amount of investment in plant that is classified as plant restricted fund balance.

ACCOUNTS 375 & 376: TRANSFERS TO/FROM OTHER EQUITY ACCOUNTS

Account 375 is used to record properly authorized transfers to other equity fund accounts. Account 376 is used to record properly authorized transfers from other

equity fund accounts. Care should be taken to ensure that all transfers are in accordance with authorizations and legal restrictions and the total transfers in/out between funds should net to zero.

REVENUES

ACCOUNT 400: INITIATION FEES

The amount of initiation fees should be credited to this account.

ACCOUNT 401: DUES

Dues should be credited to this account and include Imperial Council per capita tax and exclude Imperial Council hospital assessment.

ACCOUNT 402: TEMPLE LIFE MEMBERSHIPS

Life membership dues received should be credited to this account. Dues collected should be invested in a separate trust fund and reported as a restricted fund in the set of financial statements. Only the interest income from the trust fund shall be withdrawn and recorded as a transfer from the Life Membership Fund to the General Fund. SAMPLE AUDIT ENGAGEMENT LETTER

(Date)

ABC Temple

(Address)

Dear ABC Temple:

We are confirming our understanding of the services to be provided in connection with our planned examination of the balance sheet of ABC Temple (the Organization) at December 31, 19 ..., and the related statements of revenues, expenses and changes in members' equity and changes in financial position for the year then ended.

The purpose and scope of our examination will be to express an opinion on the financial statements. Our examination will be made in accordance with generally accepted auditing standards. Accordingly, we will selectively test the accounting records of the Organization and related data, and will perform other auditing procedures by methods and to the extent we deem appropriate.

We understand that the financial statements are required to conform to the sample financial statements provided by The Imperial Council A.A.O.N.M.S. In this regard all entities affiliated with the temple and under its control (Shrine units, country clubs, mosques, etc.) will be included in the financial statements. We also understand that we are required to report on and separately disclose individual board designated funds, restricted funds and fund-raising activities (by those that are for fraternal purposes and those for charitable purposes).

As part of our examination, a letter of representation will be requested from the Divan confirming (a) certain representations made orally during our examination that are not reflected in the Organization's books of account and other records and (b) certain other representations implicit in the books and records maintained by employees of the Organization. That letter will deal with matters such as the Divan's acknowledgement of its responsibilities for the fair presentation of the financial statements, information, concerning related party transactions, plans or intentions that may affect the carrying value or classification of assets and liabilities, and similar matters.

We will advise you promptly if we discover conditions which cause us to believe that material errors or defalcations or other irregularities may exist or if we encounter other circumstances that require us to extend our work significantly. However, an examination based on selective testing is subject to the inherent risk that material errors or irregularities, if they exist, will not be detected.

At the conclusion of our examination we will submit our report with respect to the financial statements. We will separately advise you of any material weaknesses in internal accounting control that come to our attention during our examination and make any recommendations we may have for strengthening those controls. We will also make recommendations for improving operational procedures to the extent that such matters come to our attention.

(Optional) As part of our engagement, we will prepare the federal tax return Form 990 (and 990-T, if required) of the Organization for the year ended 19 ... We will not prepare any other tax returns unless specifically requested to do so.

If the above arrangements are acceptable to you and if the services outlined are in accordance with your requirements, please sign the copy of this letter in the space provided and return it to us.

Very truly yours,

SAMPLE REVIEW ENGAGEMENT LETTER

(Date)

ABC Temple

(Address)

Dear ABC Temple:

We are confirming our understanding of the terms and objectives of our arrangement to review the balance sheet of ABC Temple as of December 31, 19 ..., and related statements of revenues, expenses and changes in members' equity and changes in financial position for the year then ended. We understand that all books and records will be prepared by temple employees or volunteers.

It is also understood that the nature of our work and related report on the financial statements intended here shall be in accordance with professional standards established by the American Institute of Certified Public Accountants. These financial statements, which will include the reference "See accompanying notes to the financial statements and accountants' review report" on each page, will be accompanied by our report which is expected to be in the following form:

We have reviewed the accompanying balance sheet of ABC Temple as of December 31, 19 ..., and the related statements of revenues, expenses and changes in members' equity and changes in financial position for the year then ended, in accordance with standards established by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of ABC Temple.

A review consists principally of inquiries of Organization personnel and analytical procedures applied to financial data. It is substantially less in scope than an examination in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statement taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

NOTE: Reviewed Financial Statements are only permitted for temples with less than 3,000 Nobles.

We understand that the financial statements are required to conform to the sample financial statements provided by The Imperial Council A.A.O.N.M.S. In this regard all entities affiliated with the temple and under its control (Shrine units, country clubs, mosques, etc.) will be included in the financial statements. We also understand that we are required to report on and separately disclose individual board designated funds, restricted funds and fund-raising activities (by those that are for fraternal purposes and those for charitable purposes).

Our report may need to be modified for circumstances such as a departure from generally accepted accounting principles. Also, material uncertainties of which we become aware would be set forth in a separate explanatory paragraph.

If for any reason, we are unable to complete our review of your financial statements, we will be unable to issue a report on such statements as a result of this engagement.

The financial statements are the representations and the responsibility of temple manage-

ment. However, if any questions should come to our attention regarding the accuracy or completeness of the statements, we will, of course, bring them to your attention promptly.

It is understood that our assignment is limited to an accounting service and, therefore, does not constitute an audit of your financial statements in accordance with generally accepted auditing standards. Further, the services involved in this engagement are not designed and cannot be relied upon to disclose errors, irregularities, or illegal acts, including fraud or defalcations, should any exist. We will inform you, however, of any matters that come to our attention which cause us to believe that such a condition exists. We request that you do not record this service as an "audit" engagement in your minutes nor describe our services as "auditing" in your books of account.

As part of our review, a letter of representation will be requested from management confirming (a) certain representations made orally during our review that are not recognized in the Organization's books of account or other records and (b) certain other representations implicit in the books and records maintained by employees of the Organization. That letter will deal with matters such as management's acknowledgment of its responsibilities for the fair presentation of the financial statements, information concerning related party transactions, plans or intentions that may affect the carrying amount or classification of assets and liabilities, and similar matters.

(Optional) As part of our engagement, we will prepare the federal tax return Form 990 (and 990-T, if required) of the Organization for the year ended 19 ... We will not prepare any other tax returns unless specifically requested to do so.

We shall be pleased to discuss this letter with you at any time. If the above terms are acceptable to you, and the services outlined are in accordance with your requirements, please sign the copy of this letter in the space provided below and return it to us.

Very truly yours,

MORNING SESSION
WEDNESDAY, JULY 3, 1991
ELEVEN-TWENTY O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was convened in the Grand Ball Room, San Francisco Hilton and Towers Hotel, San Francisco, California, on Wednesday, July 3, 1991, at eleven-twenty o'clock a.m., Imperial Potentate Joseph P. Padgett presiding, pursuant to Notice of Annual Meeting.

IMPERIAL POTENTATE PADGETT: Will you all please be seated.

I will recognize the Imperial Recorder for the purpose of nominating designated Imperial Officers as members of the Board of Trustees of Shriners Hospitals for Crippled Children.

IMPERIAL SIR JONES: Imperial Sir, I nominate the following persons by virtue of their Offices as Imperial Officers, to be members of the Board of Trustees, Shriners Hospitals for Crippled Children, for a term of one year:

Imperial Potentate-Elect, John W. Dean, III

Deputy Imperial Potentate-Elect, Everett M. Evans

Imperial Chief Rabban-Elect, Richard L. Bukey

Imperial Treasurer, Webber C. Harrington

Soon to be Junior Past Imperial Potentate, Joseph P. Padgett.

IMPERIAL POTENTATE PADGETT: This does not require a second.

All in favor please say aye; opposed. It is unanimously carried.

I declare them elected and, Imperial Sirs, let me ask all of you, do you accept?

... Cries of "yes" ...

IMPERIAL POTENTATE PADGETT: At this time, will all the remaining candidates for the Board of Trustees of Shriners Hospitals for Crippled Children and their nominators please come to the stage.

... At this point, numbers were drawn by the various nominators for the order in which the various nominating speeches would be presented ...

IMPERIAL POTENTATE PADGETT: I believe we have had the nominators now draw for their position in the order of nomination and I will now recognize the first nominator, Noble Ronald E. Groshaw of Rameses Temple, who will nominate Peter E. Rhodes.

NOBLE RONALD E. GROSHAW: Imperial Sir, Imperial Sirs, Illustrious Sirs, Distinguished Guests and My Fellow Representatives: Today we are so fortunate to have in our midst a candidate for the Board of Trustees who has given so much to the Shrine of North America; a person that has a proven, successful track record in business, which is so vital to the proper administration of our hospitals.

All of this, coupled together with a happy and pleasant disposition and that unique ability to get along with people, is not very often found.

We are entering upon the threshold of a new century, with new medical break-throughs on the horizon, new highly sophisticated technology being developed every day and new challenges. We need a person like Peter Rhodes on the Shrine Team to be there and take up those challenges on our behalf and voice our concerns.

Many of you, I am sure, know Peter. However, some of you may never have heard of him. Who is this guy, Peter Rhodes, from north of the border, where all of that snow comes from—from a place they call Toronto and where they speak funny and say “eh” all the time?

Well, let me fill you in.

Peter has been in business for over thirty years in the consulting field of architecture, planning, appraising, surveying and engineering but more so as an entrepreneur, with developments throughout North America and Central America.

Presently, he is the Chairman of the Board of the Rhodes Group of Companies consisting of eleven corporations. He is also Chief Executive Officer for the Rhodes Farm Holdings and the Norlin Corporation, International. Peter is used to big business and we all know that the Shrine is big business.

Fraternally, Peter started very early in life and progressed through many facets of Masonry. He is a Scottish Rite and a York Rite Mason. His involvement in the Shrine got off to an early start and Peter was deeply involved with the development of Shrine Clubs; progressed through the many Shrine appointments, which included Chairman of the Shrine Circus for three years wherein, during that term, a loss of \$1,200 was turned around to a profit of \$600,000. He has continued to progress ever since.

Peter became Potentate in 1986 and then Director General of the One Hundred Fifteen Imperial Council Session held in Toronto in 1989.

His leadership did not contain itself to Rameses Temple, for he was appointed to the Imperial Shrine Circus Committee and was one of the founding members of SCANA. Peter was President of that outstanding association in 1990. Also, in 1990, Peter was Director of Court No. 83, Royal Order of Jesters.

Peter was appointed to the Board of Governors, Shriners Hospitals for Crippled Children, Erie Unit, Erie, Pennsylvania, in 1985, being the first member appointed to the Erie Unit from Rameses Temple. He is still a very active member of the Board and sits on the Public Relations, Plants and Facilities and Long Range Planning Committees.

You know, Peter said to me one day—“You know, Ron, there is no limit to what can be done if it does not matter who gets the credit.” Nobles, that is Peter Rhodes.

I have watched Peter. Realizing that communications are the key to the majority of problems that we have today, he has taken a Rameses Temple Jurisdiction for the first time in the history of the Shrine and created workable regions to establish an economical and workable fraternal base for Rameses Temple. Nobles, that was six years ago and today those regions are the backbone of our Temple and they raise tens of thousands of dollars for our hospitals. That is good business sense for the Shrine and clearly demonstrates the leadership and creative qualities in this candidate.

Outside of the Shrine System, Peter spearheaded the development of the Burn Unit, Hospital for Sick Children in Toronto, and today that hospital is one of the finest in the world. Peter also chaired the original Fund Raising Committee composed of large corporations, such as Bell Canada, IBM and Consumers Gas, for the development of Doctors' Hospital in Toronto, a hospital closely associated with the ethnic community.

Peter is also a devoted family man and an asset to the business community and also to the Shrine Family across North America.

I am happy to nominate and heartily endorse, and I urge each and every Noble to join me in voting for the election of Peter E. Rhodes to the Board of Trustees.

Thank you.

IMPERIAL POTENTATE PADGETT: I will next recognize, for the purpose of nomination, Illustrious Sir Walter Pettit.

NOBLE WALTER PETTIT: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: Now, listen quickly, Nobles, I am going to take just half of my allotted time.

For those of you who are committed to Gary Dunwoody, relax, I want to talk for a moment to all of you who are committed to my friends Doug and Peter.

The rules require that you vote for two. Please consider for line number two on your ballot, the name of Gary W. Dunwoody.

He has campaigned harder for this challenging office for two years than anybody, bar none, and he is qualified.

He has a long list of Masonic, Shrine and business accomplishments. I could read his resume but I would not waste your time reading that because you have already seen and hopefully reviewed that.

Gary has the energy and drive to fulfill this position. He will listen to your input concerning matters which might come before the Board of Trustees. He is not shy about speaking up and sharing his thoughts. He demonstrated that quality while serving as Chairman of Scimitar Temple's Building Committee, which constructed a million dollar-plus Mosque, debt free. When Gary makes a commitment, he goes all the way. Most of you have had the opportunity to meet him during his travels over the country during the past two years.

Now, my fellow Representatives, if you desire someone that is dedicated, hard-working, responsible and successful, Gary Dunwoody is the one. He is exciting, energetic, and has the enthusiasm to work for and with us—all of us.

Remember, I do not want your second best choice—I want your ballot to be the strongest possible. Put down your man in the name of Gary Dunwoody and, in so doing, you will have done the very best you can for your beloved charity, Shriners Hospitals for Crippled Children.

It is with great pride, Imperial Sir, that I place the name of Gary W. Dunwoody, Past Potentate of Scimitar Temple, in nomination for the Board of Trustees, Colorado Corporation.

Thank you.

IMPERIAL POTENTATE PADGETT: I will next recognize Mahon Hessey for the purpose of a nomination.

NOBLE MAHLON HESSEY: Imperial Sir, Imperial Sirs, Illustrious Sirs and My Fellow Representatives: It is a single honor, rare privilege and a great pleasure for me to place in nomination for reelection to the office of Trustee of our hospital corporation, the name of one of the real workers of the Shrine, Doug Mayes, who is presently sitting over there (indicating) as number three, counting from where I am, but I hope you will make him number one.

Many of you, I am sure, know of Doug's splendid work but since almost a third of the Representatives are new each year, I would like to share with you some of his background and experience.

He was made a Master Mason in North Carolina while a student in college and so he has been a long-time member of our organization. He is presently a member of Meridian Lodge in Charlotte. He has traveled through both the York and Scottish Rites into a Thirty-Third Degree Mason. He has served as Secretary for the Scottish Rite for over twenty years and is also a Past Grand Orator of the Grand Lodge of North Carolina, where he also served on the Communications Advisory Committee.

He is better known to the outside world for his lifelong career in broadcasting.

His first broadcast came at the age of sixteen and since that time, he has shared microphones and television cameras with some of the best and most successful and interesting people.

As an award-winning broadcaster, he anchored the evening news in Charlotte, North Carolina, for more than twenty-five years, on two channels, therefore prompting the newspapers to declare him "Dean of Television Newscasters in the Carolinas."

He was inducted into the North Carolina Broadcaster's Hall of Fame in 1988 and is listed in "Who's Who" in the South and Southwest.

Doug is a Past Potentate of Oasis Temple and is Chairman of that Temple's Public Relations Committee. He has been Master of Ceremonies of the Carolina Shrine Bowl—certainly the biggest Shrine promotion in the Carolinas—for three decades and currently serves on its Board of Directors.

He is a Past President of the South Atlantic Shrine Association.

Doug Mayes was elected to his first three-year term as a Trustee in New Orleans three years ago and now seeks reelection at this Session for another term.

He has shared much of his broadcasting knowledge and experience with the Shrine at the Imperial level where he has, for example, been anchorman for the "Shrine Good News" video. This is a round-up of television news reports about Shriners and our hospitals. Produced quarterly, the program is seen in all fifty states, Canada and Mexico.

He has likewise served as a member of the Public Relations Committee for almost two decades; has participated in the St. Louis Membership Seminar in March of this year; recently completed, with Gene Bracewell, an instructional video on "Alcohol and Substance Abuse" for our hospital employees and has moderated and co-chaired the Imperial School of Instruction in Tucson in 1990.

To be effective, one must also possess a good sense of humor. Never had this trait been more evident than in the creative and witty nominating speech he gave for Walter Kisselburgh last year. It brought the house down—and lifted Kisselburgh up. (Laughter) Now, of course, we all know that Walker needs all the help he can get and he got it and humor paved the way.

Doug has also served with distinction on liaison committees for the Greenville, Lexington, Cincinnati, Portland and Erie Hospitals, as well as the Intellectual Properties and Research Committees.

He is experienced in financial matters, having been a Founding Director of the Mecklenburg Savings and Loan Association—which is one which is still eminently solvent—and an accomplished real estate investor—even in these difficult times.

Doug also shares with us our philosophy that "Service to humanity is the best work of life."

Along life's way, he has found time to teach Sunday School for a quarter of a century, serve on the Governing Board of his Methodist Church; pulled time in the United States Navy; serve as a Board member of the Salvation Army; serve on the Junior Achievement Board for over a decade; teach business communications at Central Piedmont College and serve as a member of the American Cancer Society Board.

Once again, I ask that you cast your vote on the basis of merit, diversity, talent, human qualities and devotion to service.

Please join me in catching the 7:00 a.m. worker's bandwagon in voting for this dynamic and enthusiastic Noble, one from whose anvil sparks fly furiously as he forges new ideas, hammers out new dimensions and casts broader horizons for both our Fraternity and our Philanthropy—Doug Mayes, and that is M-A-Y-E-S.

Thank you so very much for your attentive ear.

IMPERIAL POTENTATE PADGETT: Are there any other nominations? Are there any other nominations? Are there any other nominations?

I will declare the nominations closed.

At this time, I would like to call on our Elections Chairman, Jim Hathaway, to explain to you the election procedure, again.

NOBLE HATHAWAY: Imperial Sir, Imperial Sirs and Representatives: At this time we will use ballot 16. That is the bright yellow ballot. Further, if you only vote for one, it will be considered a spoiled ballot and so be sure and vote for two. That is ballot 16.

IMPERIAL POTENTATE PADGETT: Thank you very much.

I trust you all understood those instructions.

... Whereupon, voting and collection of ballots ensued ...

IMPERIAL POTENTATE PADGETT: Let me ask, has everyone voted? Has everyone voted? It appears that everybody has voted and so, at this time, I will declare the balloting closed.

... Business was transacted in the Iowa Corporation at this time ...

3. Proposed operating budget for 1992.

REPORT FOR THE YEAR 1990

The report of operating revenues and expenses of the Colorado Corporation for the year 1990 is included in the Book of Reports which you have already received. Budget adjustments since the Chicago Session included an increase in budgeted revenues in the amount of \$1,247,000 for total budgeted revenues of \$228,981,085. While there were adjustments among the various expense categories, there is no adjustment to the overall budgeted expenses. 1990 actual revenues exceeded expenses by \$3,615,935. No inquiries have been received concerning departures from the budget, your committee recommends ratification and approval of this report.

Imperial Sir, I move the approval and adoption of this report for the year 1990 as reflected in the Book of Reports.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE PADGETT: You have before you a motion and a second to approve the adoption of the report for the year 1990 as reflected in the Book of Reports.

Is there any discussion?

If not, all in favor say aye; opposed. The motion is carried.

Please continue.

NOBLE OIEN: We go next to the report for the year 1991. -

Included with your registration packet was a statement detailing the operating revenues and expenses reflecting amounts appropriated for the year 1991, including adjustments made since the Imperial Council Session at Chicago. Expenses were also increased in the amount of \$12,664,000 for adjusted total expenses in the amount of \$253,963,000. After the capitalization of expensed research equipment, this is a break even budget for 1991.

Imperial Sir, if there are no questions, I move the ratification, approval and adoption of the adjusted budget for the year 1991.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE PADGETT: You have before you the motion and the second.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE PADGETT: I will now recognize Imperial Sir Webber C. Harrington for the purpose of presenting the report of the Imperial Treasurer for the Colorado Corporation.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs and My Fellow Representatives: Again I urge you to look at the Book of Reports, in this case, concerning the portion involving the Colorado Corporation, which was likewise included in your registration packet.

Here again I have prepared an eight-year comparative statement so that you can see what the trend has been with respect to the financing of our hospitals.

Also, because nearly a third of our Representatives are new each year. I have detailed on page 1 of this report the funds that are designated for operations, the funds which are designated for the capital reserve fund and funds which are designated for the investment fund.

Likewise, there is a summary at the bottom of that page showing how, over the years, since 1986, it has been necessary each year to include more and more of the distribution of funds to cover operations which formerly either went into our capital reserve levy or the investment fund. I think you will find that summary very interesting.

Also, I have detailed for you a summary of the realized gains and a summary of the unrealized gains that were in our investment portfolio at December 31, 1990.

Now, of course, I recognize that the year of 1990 was not a great year insofar as the stock market was concerned but then the thing that I want to call your attention to is that the unrealized gains on our investment portfolio from December 31, 1989 to December 31, 1990 declined by \$139 million.

Also, the realized gains declined from \$150 million in 1989 to \$41 million in 1990 and, further, of that \$41 million, we used \$11 million for operations and the budget which you just approved for 1992 and for actually 1991, includes \$25 million of realized gain so that you can see that we need to have a happy experience of getting more realized gains than we did in the previous year if we are going to maintain a continuing, favorable situation in that regard.

Now, there is just one other matter that I would like to call to your attention and it has been acted upon by the Joint Boards and that is that at December 31, 1990, the appropriations which we have made for our rebuilding program of Shriners Hospitals exceeded by \$131 million, the amounts which we had in our capital reserve levy.

This was acted upon prior to this meeting by the Joint Boards and slightly over \$128 million was transferred from the investment fund to the capital reserve levy, which should be sufficient to cover those appropriations, which we have made for that rebuilding program. That includes the new Sacramento hospital and also includes the new replacement of the burns hospitals.

Those are matters which I think are important for you as Representatives to know and I hope that you will read this report carefully because, if you do, I think you will be able to answer properly in relation to your own Temple, in relation to your own Shrine Clubs, when people ask, regarding the financial status of Shriners Hospitals.

Now, while we are still on a very sound financial basis, it nevertheless shows that anybody who says we have all the money we need does not understand the facts. I simply want to point out to you that we have an ever-increasing need to work hard for the world's greatest philanthropy.

Imperial Sir, I would move that the Treasurer's report be received.

... The motion was duly seconded ...

IMPERIAL POTENTATE PADGETT: You have before you the motion and the second that the Imperial Treasurer's report be received.

Is there any discussion?

If not, all in favor say aye; opposed. The motion is unanimously carried.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE PADGETT: Again, gentlemen, if you will take your seats we will continue with our program.

The program this afternoon has been transformed into a program to which we have invited our ladies and other distinguished guests, as well as the general public, to receive a report concerning the status of our hospitals and other reports thereto related.

At this time, it is my pleasure to present to you the Chairman of our Board of Trustees, Imperial Sir Gene Bracewell, who will carry on this portion of our program.

IMPERIAL SIR BRACEWELL (Chairman, Board of Trustees): I want to first say to each and every one of you lovely ladies and members of the public how we appreciate you being here this afternoon for the presentation of the hospital part of the program, which will cover our building and equipment program, our public relations.

For the first portion of our program, I would like to call on Imperial Sir John Nobles, the Chairman of our Endowments, Wills and Gifts Committee, who will give us a report concerning the activities of our Philanthropic Committee, the Donor's Wall, etc.

IMPERIAL SIR JOHN NOBLES: Before I begin, I think it might be appropriate if I would say to the Nobles in the audience to please remove your Fezes because we are going to have the presentation of a lot of video here this afternoon and, if you do remove your Fezes, I am sure that those sitting behind you will be able to see much better. (Applause)

Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters, Representatives, Nobles, Ladies and Guests: [SLIDE, Shrine Logo]: You know, we all belong to one of the greatest fraternities the world has ever known and what we have been able to accomplish in aiding crippled and burned children over the course of the past sixty-nine years is unmatched by any other organization.

[SLIDE, "World's Greatest Philanthropy"]: But this little, bestowed upon our hospital system years ago by a member of the print media, did not come easy. As the late John Houseman might have said, "We have earned it."

A lot of hard work and dedication, many long hours and unselfish effort have paved the way and today we can stand tall and be proud that our efforts and the efforts of those who came before us, have helped to build a network of hospitals for crippled and burned children that is second to none in the world.

But what has allowed us over the years to continue providing some of the finest medical care and services available anywhere, and allowed us to continue to constantly upgrade not only the quality of services we provide, but the quality of our medical facilities, has been the ongoing and generous support of our donors—those who believe so strongly in what we do that they want to be a part of our cause to help those who cannot help themselves.

[SLIDE, Donor Recognition Wall]: In 1986, the Shrine launched a major Donor Recognition Program designed to officially honor those who contribute substantial gifts to Shriners Hospitals for Crippled Children.

The program has been successful in not only recognizing and honoring those who support our hospitals but also in encouraging additional sizable donations.

Our efforts to raise the necessary funds to support our network of twenty-two Shriners Hospitals without having to compromise the quality of care that has become the hallmark of our system, have resulted in the creation of one of the largest endowment funds in America—an endowment fund which all of you know allows us to operate and maintain our hospitals.

[SLIDE, Shriner holding child photo from Annual Report]: But just as staffs at our Shriners Hospitals cannot be content with the same level of performance they performed at in previous years, our efforts to raise the necessary funds in support of our hospitals cannot remain at the same level. We must constantly be looking to the future and to an ever expanding need, a need that we cannot fail to keep pace with.

As administrators of our Donor Recognition Program, we must be aware of what is going on around us and make the necessary changes in order to respond to the needs and desires of our benefactors.

We must be open to change and the challenge of encouraging the donor response to our hospitals.

[SLIDE, SHCC Donor Recognition Program]: For this reason, today I am pleased to announce two new additions to the Donor Recognition Program in two key categories of gift giving.

Since our Donor Recognition Program was introduced back in 1986, and many of you may not remember or be as familiar with all of the different facets of the program as you might want to be, we are going to show you a brief video which provides an overview of the entire Donor Recognition Program, including the two important additions we are announcing today.

Just so you will be familiar with the new program additions when you see them presented in the video, let me take just a few moments to show you how, beginning today, we will be recognizing and honoring two new groups of donors.

[SLIDE, Seven Star Award]: Beginning today, Shriners Hospitals will recognize and commemorate donor gifts between \$175,000 and \$250,000 with a new Seven-Star Award. This new award helped to meet the growing number of our donors who donate in a dollar range that previously included donations from \$100,000 to \$250,000. In short, we will now be able to focus attention on an all new segment of our donor population and provide a special means of recognition of this important group of supporters.

[SLIDE, Award itself]: The new Seven-Star Award uses as its center piece a sculpture figure representing the Shriner and the child, which has become known as the "Editorial Without Words," the symbol of our compassion for the children helped at our Shriners Hospitals.

[SLIDES, SHCC Donor Recognition Program]: The second new area of recognition which we are introducing today will allow recognition of individual benefactors and foundations who make bequests or donations in excess of \$2 million.

[SLIDE, Spectrum Philanthropic Society Award]: These individuals and foundations will become members of the Spectrum Philanthropic Society.

Spectrum Philanthropic Society members will be recognized by the addition of a jewel on the plaque in their honor, which is placed on the Master Award Center Commemorative Wall at one of our Shriners Hospitals. Additional jewels will be added at designated predetermined levels as the level of donations increase.

Special Medallion Awards are also presented to Spectrum Philanthropic Society members who reach key predetermined contribution levels.

The different colors of the award ribbons denote the various plateaus of Spectrum Philanthropic Society membership—beginning with \$5 million in contributions.

[SLIDE, SHCC Donor Recognition Program]: These additions to our already highly successful Donor Recognition Program are going to allow our program the flexibility it needs to continue to keep pace with and recognize those who have generously donated to our cause, helping make it possible for us to continue to improve the quality of life for the thousands of children we help each year.

We also have informational inserts that will be available—supplements to our original brochure entitled, "Building Our Tomorrows," which will help explain the additional elements in the program.

So, with that, I would now like to ask you to pay close attention while we show you a brief overview of the Shriners Hospitals Donor Recognition Program, including the new additions we have just covered.

. . . A brief video overview of the Shriners Hospitals Donor Recognition Program, including the new additions, was presented . . . (Applause)

IMPERIAL SIR NOBLES: Nobles, if you have any questions, I will be glad to answer them. Otherwise, thank you for your attention and, most of all, thank you for your hard work and dedication to our cause. (Applause)

IMPERIAL SIR BRACEWELL: Imperial Sir John Nobles, thank you so much because we all know that the Donor Recognition Program has been extremely successful, I believe, since 1986 and, certainly, it has been most beneficial financially to our hospitals.

Imperial Sir John, again we thank you for the job that you are doing. (Applause)

Imperial Sir Joe, Imperial Sirs, Most Worshipful Grand Masters, Distinguished Masonic Leaders, Illustrious Sirs, Divan Members, Lovely Ladies, Guests and My Fellow Nobles: There is a saying that states, "Do not follow where the path may lead, go instead where there is no path and leave a trail."

In my opinion, that quote sums up the past eighty-year history of Shriners Hospitals.

For the fifth and consecutive year as Chairman of the Board of Trustees, I have the honor and, yes, indeed the pleasure of addressing you on the state of our Shriners Hospitals Program for Crippled and Burned Children.

I might say, without keeping you in suspense, I will tell you this, Shriners Hospitals program is in good shape. We are on solid ground. We are financially sound and we are capable of withstanding the current winds of a so-called recession that has crippled many small business and some large business organizations in the last few months.

However, before presenting you with the good news as to how great our system is, I would like to begin with a couple of stories that I think really bring out the true meaning of why Shriners Hospitals continue to move upward and forward in our commitment to help crippled and burned children build better and more fulfilling lives.

Several months ago, a former Shriner's patient of our Springfield, Massachusetts Unit returned for a visit. By the way, I might add, that is a new facility. That is something that Imperial Sir Burt will be showing you soon.

This young person was walking slightly bent-kneed but walking without crutches and braces and the young man was slowly going down the corridor of the hallway there in a most competent manner and approaching him from the opposite direction was Dr. Leon Kruger, who is a former Chief of Staff of that unit and now an Emeritus Chief of Staff.

Now, as they were about to pass each other, the young man recognized Dr. Kruger. He recognized him as the individual who had operated on him several years earlier.

When first admitted, this young man did not walk because of cerebral palsy. His first words on seeing Dr. Kruger, were, "Hey, Doctor, remember me—you gave me legs."

You know, Dr. Kruger was taken aback by these strong words. Think about it—how would you react—"Thanks for giving me my legs"? However, that is what Shriners Hospitals are all about.

You know, there must be a time in this room when Shriners wonder, "Is it really worthwhile being a Shriner? Wearing that Red Fez, is it really worthwhile?"

I can answer that very quickly—you bet it is worthwhile.

Over the past years, Shriners Hospitals has had other former patients who have gone on into society and made names for themselves.

I think of Tina and Ray, two exciting examples of young people we have had in our hospitals who have gone on to other endeavors and made a name for themselves in society.

You see, Tina also had a severe case of cerebral palsy and today she is an accomplished journalist. Ray had Streeter's syndrome, missing most of the fingers on one hand, most of the toes on one foot and yet he went on to become a Golden Gloves Boxer and eventually wrote a manual on boxing instructions.

How about that, Nobles and Ladies, that is pretty good, do not you think? (Applause)

You know, having had the opportunity of visiting each of our Shriners Hospitals on different occasions, I have also had the opportunity to witness first-hand some of the tremendous work that is being carried on by our hospital staffs.

Just like I have been telling you these stories about miracles that have happened, these types of miracles take place every day in Shriners Hospitals, throughout our twenty-two hospitals across North America.

Nobles and Ladies it is indeed difficult to imagine all of the good things that happen on a daily basis at Shriners Hospitals for Crippled Children or, as we know it—the World's Greatest Philanthropy.

You are providing quality care to thousands of children annually in our nineteen orthopaedic units and three burns institutes, of course, totally free of charge.

Nearly seventy years of unprecedented growth and progress preceded our move into the decade of the nineties and judging by the past, and that is a good mark, the future certainly appears bright for our organization.

I do want to give you a few figures that I think demonstrates Shriners Hospitals' deep commitment to helping children build better lives and enjoy better lives. Of course, I quickly realize that statistics do not tell the whole story but they do show the extent of commitment that we have made, that you have made to our organization, more especially to children everywhere.

For 1990 alone, not 1991 but 1990, the numbers are very impressive. Listen to this.

Nearly 20,000 patients admitted into the system, into the hospital itself; almost 17,000 operations were performed; 189,000 children were reached through our out-reach clinics; 38,000 braces and artificial limbs applied and 116,400 active patients under treatment during 1990 at your twenty-two hospitals.

You know, throughout our sixty-nine years of glorious history of Shriners Hospitals for Crippled Children, some 425,000, that is almost a half a million, children have received free quality medical care and treatment at our hospitals—your hospitals.

More impressive is the fact that our hospitals, since they are in sections, and I will give these figures to you very, very quickly—here is a half a million operations; 3.8 million children through outreach clinics and outpatient clinics; over half a million braces and artificial limbs; over 8.5 million physical therapy treatments. That is, of course a lot of numbers. I know, on the other hand, you may already have had enough concerning numbers. However, I want to give you another set of numbers and that pertains to the budget numbers.

These are the budget figures of 1991. They are impressive as well, I will assure you.

If you are as budget-minded as most folks are these days, I want to tell you that operating Shriners Hospitals for Crippled and Burned Children is coming very close to costing a million dollars a day. That is about the largest amount of money we have ever spent to keep our system running. For 1991, the budget of Shriners Hospitals is \$325 million of which \$255 million is the operating budget, which includes \$20 million for research. This also involves a capital expenditure of some \$70 million.

Speaking of capital expenditures, I would really be remiss if I did not talk for just a

moment about the new Sacramento Unit planned to be built, which will replace the present San Francisco Unit. We are excited about this because this new facility in Sacramento will encompass all three disciplines that our Shriners Hospitals are noted for—orthopaedic care, burn care, spinal cord injury care—plus basic research. Now, that is going to be a unique facility here in Northern California.

This hospital, of course, will be affiliated with the University of California, Davis Medical Center, and if all goes well, and I am confident that it will, because under the capable leadership of Imperial Sir Burt Ravellette as Chairman of the Building and Equipment Committee, we hope to be accepting patients in the Sacramento facility by mid-1995.

Also, I am sure that most of you have been aware of and have noticed the aggressive position that we have taken over the last several years in remodeling and rebuilding our hospitals. Every one of our units has been affected to one extent or the other—either totally rebuilt, refurbished—almost every one of them has been affected in some way.

As I said previously, Burt Ravellette has been doing a fantastic job and a little later; he will be presenting to you a review of our building program that, when completed by mid-1995, we will have expended over a half a billion dollars in your facilities. That is a lot of money.

That is a commitment to children—that is a commitment that the Shriners have made.

Also, as I stand before you today, I can emphatically state to you that Shriners Hospitals for Crippled Children and its burn units, rank number one in the hearts of millions of persons throughout North America.

Now, you may ask, "Why do you rank number one?" Well, I can tell you—the answer is very simple—it is because of the dedication, it is because of the commitment to excellence we have among the members of the entire Shrine organization. Now, in relation to the organization, I am talking about the Imperial Council, the Board of Directors, the Board of Trustees, the various Boards of Governors that we have that operate and work so diligently in relation to each of our twenty-two hospitals. I am also talking about the Administrators; I am talking about the physicians; I am talking about the hospital staff members and, last but not least, I am talking about our public donors and benefactors.

All of this is what has made Shriners Hospitals so successful and why we keep being known as the world's greatest philanthropy and for that, I think that we deserve, in relation to all of those fine folks, one round of applause. (Applause)

There are others in our hospital organization that also are deserving of recognition—they are the unsung heroes—and that is the ladies of the Women's General Auxiliaries in each of our hospitals and the literally thousands of volunteers that do the work day by day.

You know, there is, for example, one such volunteer named Agzie Zeimer from Sun Prairie, Wisconsin.

Agzie was determined to do something special for Shriners Hospitals because her niece had been taken care of through treatment by Shriners Hospitals some thirty-five years ago. She set a goal. Her goal was to make a quilt—100 quilts for the tiny patients in our hospitals.

Now, about two months ago, Agzie passed away. She was known as the "Quilt Lady" of the local Shriners. She met her coveted goal. Over the years, she had made some 102 quilts for the Twin Cities Unit and the Chicago Unit. What a wonderful achievement—what a wonderful human being—a fantastic type of person. We also have so many others of the same kind of individuals.

For example, we have organizations such as the Daughters of the Nile who, last year, contributed over \$1.5 million this year. I was with the Supreme Queen in Portland and had a fantastic time and I know of the great job they do.

There is also the Ladies Oriental Shrine of North America and then there are all of the other ladies and ladies' organizations that do so much to contribute money, time and effort to help Shriners Hospitals be even better than we are.

That is what Shriners Hospitals are all about and, you know, it is easy to talk about.

Through the years, Shriners Hospitals have advanced many, many changes in children's lives and done many great things, such as research projects. We do research on different types of things than just in relation to what is happening in our hospitals.

One such effort is, and this is really neat, is called Camp-A-Bility. This is a residential summer camp for burned patients that have been to our Cincinnati Burns Unit.

These patients are given a chance there to do things in an environment, not as a patient but as a camper. This, in our opinion and in the opinion of the people at the Cincinnati Unit, enriches this child's physical, social and psychological well being and I am sure it does. The emphasis at this camp is placed on abled rather than disabled.

There are also two other highly successful programs we have at Shriners Hospitals, one being in Portland and one at Springfield in relation to which, for example, our hospital employees volunteer to take these children on the ski slopes and out in the snow areas, where they can participate and have fun like everyone else—not as paralyzed individuals but people that can get out there and really get involved. Our volunteers to do a lot to help us with this.

You know, it takes a lot of patience on the part of a volunteer to go through this scenario of events. Now, when you see the joy on the faces of these kids at the ski slopes, it makes it all worthwhile. Again, that is what Shriners Hospitals is all about.

You know, it is simple. You can talk for hours and hours and say a lot of things but when you talk about what we do and what we accomplish, it is easy to understand that we are a fantastic organization providing care to literally hundreds of thousands of children year by year.

Also, I think we spent some \$20,177,000 in research last year. As a matter of fact, we are strong believers in research. We believe that the research of today is the patient care of tomorrow.

Also, I might add, we have made a lot of progress in research. However, it is not always easy. You know, it cannot be accomplished in a day, it cannot be accomplished in a week and sometimes not even in a month or a year. However, we make quite a commitment. As a matter of fact, I will tell you that \$20 million is quite a commitment on our part.

This is a kind of philosophy that we have where, for example, we continue to look for ways to meet the unmet needs of children and what can we do about giving them an enjoyable life and a better life and a fulfilled life. This is essentially what we are attempting to do.

I recall last year I had the opportunity of being able to stand before you at the Imperial Session in Chicago. Imperial Sir George Powell presided there as the Imperial Potentate and we talked about the progress being made in certain research programs, particularly one in Philadelphia. It was an exciting project.

I told you at that point in time it was called "FNS." It stands for "Functional Neuromuscular Stimulation." It is one we hope that someday will help paralyzed teenagers to walk and even though it is still considered research, FNS is being used today and, quite successfully, in our Philadelphia Spinal Cord Injury Unit.

Last year, maybe some of you will remember, I told you a little bit about a boy by the name of Michael who had been through this program. He walked a distance of 740 feet. He was paralyzed and yet he was able to walk 740 feet and we told him last year it was fantastic and, of course, it was.

However, listen to this, we have another patient at Philadelphia. Her name is Carol and she just set a new distance record. Do you know what she did? With the help of her friends and the encouragement of the staff in a shopping mall where she was doing this walking, she walked 2,640 feet without any help or any assistance. That was because of the FNS program. That is quite an achievement. That is almost half a mile. Again, however, that is what Shriners Hospitals is all about.

Are you proud to be a Shriner? (Applause) You bet you are all proud and, of course, there are other projects, like our skin graft program, taking place to offer better techniques for burn victims in our three burns institutes.

Also, we are searching for ways to solve the abnormalities in relation bone disease.

You know, when you comprehend \$20 million a year, we will find some more success and I promise you that.

You know, sometimes I visit these units and I ask a lot of questions. I am not a doctor or a scientist and so these are questions that I do not know the answers to.

Being of an inquisitive disposition, it reminds me of the story about this magician that has this parrot and he worked on a cruise ship and the parrot was always messing up the

magician's act. He was always burning up the magician's act. He would say, for example, "The card is up your sleeve," "The dove is in your pocket," things like that.

Well, one day the ship sank. The parrot and the magician were on this raft, drifting along, just the two of them for three days and the parrot sat there silently, never said a word—he kept staring at the magician for three solid days.

On the fourth day, however, the parrot said, "Well, okay, I give up—what did you do with the ship?" (Laughter)

Now, in relation to our research, we do not take our responsibilities lightly because we know we have to work with these hospitals on a day by day basis because they, doctors and staff, are also working tirelessly to help our system.

You know, there are so many people to say "thank you" to besides just the doctors and the staff—people that give up so much of their time and, in this connection, I think of the drivers of the vans and buses that take children to and from the hospital, take our children back and forth. I think about the various people that work in the research area. I think about the people that go there and sew the garments. I think of those raising the funds through paper crusades for Shriners Hospitals.

A lot of things take place in our hospitals and that recalls the old saying, you know, "You have to see it to believe it." If you visit our hospitals, you will believe it. You have to visit the hospitals. If you have not had the opportunity to visit a Shriners Hospital, you have missed the boat.

You really cannot believe it because there is nothing like seeing a young patient look up and say, "Thank you."

The burns hospitals are also great. I think it is great for everybody to know, for example, that you are part of an organization like Shriners Hospitals for Crippled Children where, for example, you can be a millionaire by donating your time, efforts, thoughts and energies in a community. That is what makes it all worthwhile.

Believe me, Nobles and Ladies, and I tell you the honest to God's truth, we have the finest hospital network in North America and, in fact, I think, in the world.

I thank you for allowing me the opportunity to be of service to Shriners Hospitals and I thank each and every one of you for your dedication, your devotion and your support.

Thank you so very much. (Applause)

Thank you, it sure makes it worthwhile, thank you so very, very much.

At this time, I have another really special privilege to engage in.

I would like to ask, if I might, at this point in time, for the Chairman, the Vice Chairman and the Administrator of the Spokane Unit to please approach the podium and I will also ask for Imperial Sir Lew Brantley, the Chairman of the Budget Committee, if he would mind stepping up here and I would also like to ask our Imperial Potentate, Joe Padgett, to also step forward.

I would like to tell you that last year the Board of Directors and Board of Trustees established an incentive program for our hospitals, the Annual Financial Management Award.

Now, what this program says in relation to that particular unit is that they have been selected because they have achieved the best overall rate over the previous year with regard to financial management of your funds and your assets and no one, of course, watches that more closely than Imperial Sir Lew Brantley.

Therefore, nothing would be more fitting today than to have the pleasure, with these two Imperial Sirs up here with me, to make this presentation to a unit which I have had the privilege of being at a few weeks ago and visiting in that new, beautiful hospital.

Therefore, at this point in time, I would like to call forward the Chairman of the Board of Governors, R. Bruce Campbell and also the Administrator, Howard L. Parrett. And present this plaque to them for their outstanding achievement.

Also, I would like to read this plaque to all of you. It reads as follows:

"Shriners Hospitals for Crippled Children Financial Management Award: presented to the Board of Governors and staff of the Spokane Unit of Shriners Hospitals for Crippled Children in recognition of your exercising prudent judgment and sound fiscal responsibility in the management of your financial matters. Your most outstanding achievement is hereby officially recognized."

This is signed by Imperial Potentate Joe Padgett, Imperial Sir Gene Bracewell, Chairman of the Board of Trustees and also Lew Brantley, Chairman of the Budget Committee.

In behalf of Shriners Hospitals for Crippled and Burned Children, we take great pride, all of us, in saying to you, congratulations on a job well done. We are proud of you.

... Presentation of plaque and applause ensued ...

IMPERIAL SIR BRACEWELL: You know, good, sound, responsible fiscal management of our hospitals is needed, it is required, it is expected and they did it. But, you know, even though we accept our responsibilities and realize that we do have a fiduciary responsibility in the operation of your hospitals and our hospitals, we can only meet those responsibilities and financial obligations if we continue to exist and grow with the help of our benefactors and our donors.

At this point, therefore, I would just like to take a moment to thank a couple of benefactors of the Shrine.

Of course, I have reference to Ms. Jo Murphy. You know, we recognized this lady last year and the year before because she helps Shriners Hospitals for Crippled Children each year. They give us about a million dollars a year for our hospitals.

Therefore, it is a great honor and pleasure for me, at this time, to present to you the Executive Vice President of the Houston Endowment, who has been so generous to us—Ms. Jo Murphy. (Applause)

However, let me reiterate that the Houston Endowment has been so generous to us in relation to the Houston Unit and the Galveston Unit, last year, I believe, in excess of \$2 million. That is the kind of financial support we need in order to remain financially sound and stable.

Let me ask you, Jo, at this time, would you have some words of greeting for these wonderful people here?

MS. JO MURPHY: Thank you for asking me to come back. I have had a wonderful week here. I am very pleased to represent the Houston Endowment. I am enthused about the feeling all of you have for both crippled and burned children.

Hopefully, through our financial support, we hope that we can be of at least a little bit of help to these children in helping them both medically and in their future lives.

Thank you very much. (Applause)

IMPERIAL SIR BRACEWELL: Thank you, Ms. Jo Murphy, of the Houston Endowment.

I guess, again, I could make the statement that that is what Shriners Hospitals are all about.

Now, at this time, I would like to call on another Imperial Officer who is certainly a very good friend of mine, has been for a number of years. He has been the Chairman of our Building and Equipment Committee since I have had the pleasure of serving as Chairman of the Board of Trustees. He did trade his construction uniform for a track uniform because Burt Ravellette, in his efforts, he gets around almost everywhere and, as a matter of fact, he works on days and weekends—really, is always working.

At this time, I would like to present to you the Chairman of our Building and Equipment Committee, to give you a pictorial overview in relation to our building program—Imperial Sir Burton Ravellette, Jr. (Applause)

IMPERIAL SIR RAVELLETTE: Thank you very much, Mr. Chairman.

Let me first say that it is certainly a pleasure to be able to appear before such a great group of individuals. Now, as soon as I can figure out how to work this little gadget I have up here, I think we will be able to proceed.

Now, what I am going to do here within the next few moments is to present to you some slides showing the present status of the various hospitals we have under construction and I might first say that in relation to what we are going to show you, this involves some \$350 million worth of construction in various forms of completion from schematics to occupancy by our hospital staffs.

... Whereupon, Imperial Sir Ravellette presented a video review concerning present construction status involving the Boston, Cincinnati, Galveston, Houston, Honolulu, Northern California, Portland, St. Louis, Spokane, Springfield and the Twin Cities Units ...

IMPERIAL SIR RAVELLETTE: Thank you all so very much for your time here this afternoon. (Applause)

IMPERIAL SIR BRACEWELL: Thank you so very much, Burt, for a fine report. Please be patient because we are moving right along.

Now, at this time, I have the great pleasure of being able to present to you the Chairman of the Public Relations Committee, a man who has certainly done a very, very excellent job in relation to this committee, Imperial Sir Everett Evans. (Applause)

... Business was transacted in the Iowa Corporation at this time with Imperial Sir Evans making his Public Relations presentation which appears on page 413 of the Iowa Corporation Record ...

... Whereupon, the Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at five-thirty o'clock p.m. ...

MORNING SESSION
FRIDAY, JULY 5, 1991
NINE O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was convened in the Grand Ball Room, San Francisco Hilton and Towers Hotel, San Francisco, California, at nine o'clock a.m., Imperial Potentate Joseph P. Padgett presiding.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL SIR BRACEWELL: Imperial Sirs and Representatives: At this time I would like to call on any Temple that has a presentation to make for our hospitals. We will accept them at this time.

Announcement by Imperial Sir Bracewell of the previous presentation of the sum of \$435,000 from Yaarab Temple raised by its Hospital Crusade Program and his further announcement of a check in the amount of \$440,000 received from the Daughters of the Nile ...

IMPERIAL SIR BUKEY: Imperial Sir, Imperial Sirs and Representatives: I represented the Imperial Potentate at the Banquet of the Shrine Association of Oriental Bands and they made a presentation to me for the hospitals by way of a check in the amount of \$31,040. That is the Association of Shrine Oriental Bands. (Applause)

... At this point, the following checks were presented and acknowledged ...

From Al Aska Temple, a check for \$25,396 for the hospitals.

On behalf of Philae Temple, Halifax, Nova Scotia, a check in the amount of \$40,000.

On behalf of Hamasa Temple, a check for \$500.

A check in the name of all Shriners of Palestine Temple, in the amount of \$50,000.

From Salaam Temple, two donations to be made. First, in the name of Salaam Temple, a check in the amount of \$65,000 to Shriners Hospitals for Crippled Children. The second donation is to the children of our hospitals—a teddy bear for each Shrine hospital bed in North America—some 1200 of them. These are being distributed by the Legions of Honor throughout the country. This has created tremendous public relations throughout the country.

From Al Menah Temple, a check in the amount of \$670,000.

From the Nobles of Kansas as the result of its All-Star Football Game, in Kansas, a check in the amount of \$60,390.99.

From the 16,000 Shriners of the State of Wisconsin in cooperation with the Wisconsin High School Football Association, a check in the amount of \$61,000.

On behalf of the East-West All-Star Game, a check in the amount of \$200,413.

A check from the six Shrine Temples of North and South Carolina relative to the Shrine Bowl Game and other Temple activities, in the amount of \$2,711,990.54.

IMPERIAL SIR BRACEWELL: Are there any other checks to be given?

If not, we will have the sum total of all of these contributions in just a moment.

The total contributions received here this morning amount to \$5,808,934.15. Is that not fantastic? (Applause)

Also, the Imperial Treasurer wanted me to remind you that based on our operating budget of almost a million dollars a day, that takes care of five and a half days. (Laughter)

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE PADGETT: At this point, I would like to recognize the Imperial Recorder, Imperial Sir Jack Jones.

IMPERIAL SIR JONES: Imperial Sir, I move that all the acts and transactions of those who have acted as Officers, Directors and Trustees of the Colorado Corporation for the past year, and those taken at this Session, be ratified and approved.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE PADGETT: All in favor of the motion indicate by saying aye; are there any opposed? The motion is unanimously carried.

. . . Business was transacted in the Iowa Corporation at this time . . .

IMPERIAL POTENTATE PADGETT: I will again recognize our Imperial Recorder, Imperial Sir Jack Jones, for the purpose of presenting a motion.

IMPERIAL SIR JONES: Imperial Sir, in accordance with Section 504.2 of the Bylaws, I move that all members of the Colorado Corporation who did not register at this Session or who were not elected at this Session who are not Emeriti members have their membership terminated.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE PADGETT: All in favor say aye; opposed. The motion is unanimously carried.

. . . Business was transacted in the Iowa Corporation at this time . . .

. . . The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, adjourned sine die at eleven-thirty o'clock a.m. . . .

**ANNUAL REPORT OF WEBBER C. HARRINGTON, TREASURER
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN**

January 1-December 31, 1990

Imperial Potentate Joseph P. Padgett, Board of Trustees of Shriners Hospitals for Crippled Children and Members of the Imperial Council, A.A.O.N.M.S. at the One Hundred Sixteenth Annual Imperial Council Session at San Francisco, California, July 1991.

Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles:

The comments in this Treasurer's Report should be considered in conjunction with a careful review of the report of our independent auditors found elsewhere in this Book of Reports, which shows the financial position, results of operations and supplementary data of Shriners Hospitals for Crippled Children for the year 1990. In this report I shall attempt to provide the members of the Colorado Corporation and other interested readers with additional information regarding the financial position of Shriners Hospitals for Crippled Children, operating trends and significant data regarding the various funds constituting our charity's capital.

Inasmuch as at least one quarter of the Imperial representatives are new each year, I believe that it is important to detail again the policies established by the Board of Directors with respect to the crediting of revenues to funds as follows:

Designated for operations:

- Income from investments (endowment fund)
- Annual assessments from Shriners
- Gifts and bequests for exclusive use of particular hospitals (effective January 1, 1986)
- Reimbursements from Canadian provinces
- Income from investments in capital reserve fund (effective January 1, 1987)
- Charitable fund raising activities (effective January 1, 1988)
- Gains from investment sales of the Canadian Corporation and, to the extent necessary, unrestricted gifts and bequests of the Canadian Corporation to Fund Montreal Hospital operating costs (effective January 1, 1988)
- Realized gains from sales of assets in the investment fund, equal to 150% of the projected excess of expenses over revenues in the operations fund, not to exceed \$25,000,000 in any year (effective January 1, 1989)

Designated for capital reserve fund:

- Investment income on assets in capital reserve fund (through 1986)
- Realized gains from sale of assets in capital reserve fund
- Depreciation funded

Designated for investment (endowment) fund:

- Life memberships from Shriners
- Gifts and bequests (except those for the exclusive use of particular hospitals)
- Realized gains from sales in investment fund, except as noted previously with respect to allocation of a portion of realized gains to funds designated for operations
- Charitable fund raising activities (through 1987)

On October 25, 1988 the Board of Directors approved the allocation to funds designated for operations, from the realized gains from sales of assets in the investment fund, an amount equal to 150% of the projected excess of expenses over revenues in the operations fund, not to exceed \$25,000,000 in any year, effective January 1, 1989. Obviously, with this method of allocation there can be no deficit in the operating fund unless the realized gains from sales of assets in the investment fund are insufficient to cover the shortfall of other revenues over expenses, or if the deficit exceeds the \$25,000,000 before such allocation.

The results of the above changes in the designation of income to the respective funds has resulted in the following amounts being credited to operations:

	1986	1987	1988	1989	1990
Exclusive use gifts	\$4,208,741	\$ 4,781,366	\$ 2,452,175	\$ 2,770,887	\$ 6,452,072
Capital reserve income		13,834,648	12,483,474	13,002,752	10,548,904
Charitable fund raising, net of expenses			6,881,829	7,109,347	6,772,040
Canadian gifts, bequests and capital gains			2,447,478	3,042,329	3,531,143
Other realized gains from sales of investments					10,847,805
Totals	\$4,208,741	\$18,616,014	\$24,264,956	\$25,925,315	\$38,151,964

As shown in the report of our auditors, the net realized gains from investments for the years 1989 and 1990 were as follows:

<i>Fund to Which Credited</i>	<i>1989</i>	<i>1990</i>
Investment Fund	\$141,738,244	\$26,590,043
Capital Reserve Fund	8,219,997	3,311,734
Operations	318,411	11,222,261
	<u>\$150,276,652</u>	<u>\$41,124,038</u>

Unrealized gains in our investment portfolio at December 31, 1990 and 1989 may be presented as follows:

			<i>Excess of Market Over Carrying Value</i>
<i>1990</i>	<i>Market Value</i>	<i>Carrying Value</i>	
Investment fund securities	\$2,983,428,014	\$2,769,259,483	\$214,168,531
Capital reserve fund securities	92,270,970	86,474,884	5,796,086
	<u>3,075,698,984</u>	<u>2,855,734,367</u>	<u>219,964,617</u>
<i>1989</i>			
Investment fund securities	2,932,002,869	2,592,574,847	339,428,022
Capital reserve fund securities	169,911,860	150,238,128	19,673,732
	<u>3,101,914,729</u>	<u>2,742,812,975</u>	<u>359,101,754</u>
Increase (decrease)	<u>\$ (26,215,745)</u>	<u>\$ 112,921,392</u>	<u>\$(139,137,137)</u>

The balance in our Capital Reserve Fund at December 31, 1990 was \$86,712,331. The unexpended appropriations against this fund for construction and major renovations committed to by the Board at December 31, 1990, as detailed in Note (4) to the Combined Financial Statements aggregated \$218,581,071, which exceeds the balance in the capital reserve fund by \$131,868,740.

We have found that in each of our new hospitals there has been greatly increased activity and expansion of services to meet the unmet needs of children. For these reasons, together with the increase in medical costs in general, the overall operating costs of our hospitals have more than doubled in a seven year period (\$228,211,000 in 1990 compared to \$94,861,000 in 1983, an increase of 141%). During the same period, our investment fund balance (at cost) increased from \$1,355,657,520 to \$2,863,978,960, an increase of 111%. Inasmuch as the operating expenses of our hospitals are increasing considerably faster percentage-wise than our investment fund, and the membership in our fraternity is continuing to decline, it is obvious that we need to redouble our efforts to favorably impress our members and the public that we are the world's greatest philanthropy and therefore worthy of even greater support.

Respectfully submitted,

Yours in the Faith,

Webber C. Harrington, Treasurer
Shriners Hospitals for Crippled Children

Independent Auditors' Report

The Board of Directors
Shriners Hospitals for Crippled Children:

We have audited the accompanying combined balance sheets of Shriners Hospitals for Crippled Children as of December 31, 1990 and 1989, and the related combined statements of support and revenue, expenses, and changes in fund balance and of cash flows for the years then ended. These combined financial statements are the responsibility of Shriners Hospitals for Crippled Children management. Our responsibility is to express an opinion on these combined financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined financial position of Shriners Hospitals for Crippled Children at December 31, 1990 and 1989, and the combined results of their operations and cash flows for the years then ended, in conformity with generally accepted accounting principles.

Our audits were made for the purpose of forming an opinion on the combined financial statements taken as a whole. The combining information included in Schedules 1 and 2 is presented for purposes of additional analysis of the combined financial statements rather than to present the financial position and results of operations of the individual organizations. The supplementary information included in Schedules 3 through 5 is presented for purposes of additional analysis and is not a required part of the combined financial statements. The combining and supplementary information has been subjected to the auditing procedures applied in the audits of the combined financial statements and, in our opinion, is fairly presented in all material respects in relation to the combined financial statements taken as a whole.

NOTES TO COMBINED FINANCIAL STATEMENTS

December 31, 1990 and 1989

(1) *Summary of Significant Accounting Policies*(a) *Combined Organizations*

The combined financial statements of Shriners Hospitals for Crippled Children (the Hospitals) include the accounts of the following organizations, all of which are exempt from federal income taxes:

Shriners Hospitals for Crippled Children, a Colorado Corporation

Shriners Hospitals for Crippled Children, a Canadian Corporation

The Shriners' Hospital for Crippled Children, a Massachusetts Corporation

Shriners Hospitals for Crippled Children, a Mexican Corporation

Shriners Hospitals for Crippled Children (Quebec) Inc.

All significant intercompany balances and transactions have been eliminated.

(b) *Gifts and Bequests*

Assets received by gift or bequest are recorded at estimated market value at date of receipt. The values of bequests in the process of administration are recorded as amounts are received. Income earned by estates during administration is treated as a part of the bequest.

Gifts or bequests made for the exclusive use of a particular hospital are transferred to the operating account of that hospital and are included in revenues designated for operations.

(c) *Cash and Cash Equivalents*

For purposes of the statements of cash flows, the Hospitals consider all highly liquid investments with original maturities of three months or less to be cash equivalents.

(d) *Securities*

Marketable investment securities include equity securities, principally common stocks, and bonds held for long-term investment purposes. Equity securities are stated at the lower of aggregate cost (or estimated market value at date of receipt) or market value. The cost of marketable equity securities sold is based on average cost. Other securities are carried at cost (or estimated market value at date of receipt).

(e) *Property, Plant and Equipment*

Property, plant and equipment are stated at cost, if purchased, or at estimated market value at date of receipt if acquired by gift. Depreciation is calculated on the straight-line method over the estimated useful lives of the assets.

(f) *Deferred Charges*

The Hospitals incur legal fees, taxes and other expenses in connection with obtaining gifts and bequests. These costs are deferred until receipt of the gift or bequest.

(g) *Inventories*

Inventories of supplies are stated at the lower of cost (first-in, first-out method) or market.

(h) *Retirement Plans*

The Hospitals follow the principles of "Statement of Financial Accounting Standards No. 87, Employers' Accounting for Pensions," which requires use of the "projected unit credit" actuarial method for financial reporting purposes. The Hospitals also use this method for funding purposes.

(i) *Designation of Support and Revenue*

Under policy established by the Board of Directors (the Board), generally only the income from investments, annual assessments from Shriners, gifts and bequests made for the exclusive use of a particular hospital, fund raising activities, and reimbursements from Canadian Provinces are designated for operations; Canadian Corporation gains from investment sales, and to the extent necessary, unrestricted gifts and bequests, are designated for operations to provide additional funding for the Montreal hospital's operating costs.

SHRINERS HOSPITAL

NOTES TO COMBINED FINANCIAL STATEMENTS

(Continued)

Receipts from gifts and bequests from Shriners and non-Shriners (excluding gifts and bequests made for the exclusive use of a particular hospital), life memberships from Shriners, and gains from investment sales are generally designated by the Board for investment.

Effective in 1989, the Board established a policy to designate for operations, gains from investment sales (in addition to any gains designated in the Canadian Corporation) in an amount (limited to \$25,000,000 annually) equal to 150% of any deficiency of support and revenue over expenses in funds designated for operations. Under this policy \$10,847,805 of gains were designated for operations in 1990. No investment gains were designated in 1989 since support and revenue exceeded expenses in funds designated for operations.

(j) *Foreign Currency Translation*

Foreign currency transactions and financial statements are initially translated into the currency in which the Organization conducts its business ("functional currency"). Gains and losses resulting from such translations are included in the determination of the excess of support and revenue over expenses for the period in which the exchange rate changes. The functional currency financial statements are subsequently translated into U.S. dollars using current exchange rates, and these gains and losses are accumulated in the balance sheet caption, "Cumulative foreign currency translation adjustment," a separate component of fund balance.

In 1989, the Greenville replacement unit construction was completed with the old unit being vacated. A loss of \$1,765,017 was recognized. These losses are included in other expenses in the accompanying financial statements.

In previous years the Organization provided certain key executives with the use of corporate owned automobiles as a part of their compensation package. In 1990, the Board of Directors eliminated this policy and the automobiles assigned to the executives were transferred to them in lieu of an increase in compensation. The appraised values of the three automobiles, \$28,200 were charged as salary in 1990.

(4) *Capital Reserve Fund*

The Capital Reserve Fund is used for property, plant and equipment expenditures. The Hospitals fund depreciation by a cash transfer from operations to the Capital Reserve Fund. Property, plant and equipment expenditures for the Montreal Unit are paid from Canadian Funds Designated for Investment.

(5) *Transactions with the IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA*

The Shriners Hospitals for Crippled Children organizations were founded by the IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (Imperial Council). Hospital assessments, donations and other receipts are collected and remitted to the Hospitals by the Imperial Council.

The International Headquarters building and equipment is owned by Shriners Hospitals for Crippled Children. A portion of the building is occupied by the Imperial Council which bears a share of the operating costs and depreciation of the building and equipment. The allocation of the costs is based upon the portion of the building occupied by the Imperial Council in relation to the total occupied space in the building.

The Hospitals and the Imperial Council also share other costs based on the estimated value received by each organization.

Amounts of \$90,031 and \$41,792 were due from the Imperial Council as of December 31, 1990 and 1989, respectively.

(6) *Fund Raising Activities*

The Shriners Hospitals are financially supported through each Shriner's annual hospital assessment, income from investments, gifts and bequests from the general public and from Shriners, and certain fund raising activities conducted by Shriners. Shrine temples and Shriners raise funds for both fraternal and charitable purposes. Shrine fund raising activities generally consist of paper sale donations, football games, circuses and other miscellaneous activities. The name "Shriners Hospitals for Crippled Children" may be used in connection with a fund raising activity by a Shrine temple or Shriner only with the written consent of the Imperial Council and Shriners Hospitals. Revenues from fund raising activities amounted to \$9,001,107 and \$8,895,514, net of direct costs of \$4,594,156 and \$3,813,245 for 1990 and 1989, respectively. Fund raising costs for the years ended December 31, 1990 and 1989 consist of the following:

Net amortization	(636,536)	(540,363)
Net periodic pension cost	\$ 1,745,529	1,589,018

The discount rate and rate of increase in future compensation levels used in determining the actuarial present value of the projected benefit obligation were 8-1/2% and 7% at December 31, 1990 and 1989. The expected long-term rate of return on assets was 9-1/2% for both years.

The Hospitals also have a retirement savings plan for all eligible employees. Under the plan, voluntary contributions by employees up to 6% of eligible compensation are matched by the Hospitals up to 1-1/2% of eligible compensation. Contributions to the retirement savings plan were \$689,417 and \$620,185 in 1990 and 1989, respectively.

Canadian hospital employees are included in provincial government retirement programs.

Employees of the Mexico City unit are included in the Shriners Hospitals for Crippled Children Retirement Plan for Mexico City employees. There was an unfunded vested accrued liability of \$168,475 and \$309,850 as of June 30, 1990 and 1989, respectively.

(8) Other Liabilities

Other liabilities at December 31, 1990 and 1989, include annuities payable of \$1,952,334 and \$2,069,430, respectively, under certain deferred compensation agreements with staff doctors. An asset equal to the liability is included in mortgages, real estate, and miscellaneous assets in the investments category of the accompanying combined balance sheets.

Also included in other liabilities are annuities of \$6,715,169 and \$6,829,889 at December 31, 1990 and 1989, respectively, payable to beneficiaries of various donors. By agreement, the Hospitals are required to pay specified annual amounts to these beneficiaries during their lifetimes.

NOTES TO COMBINED FINANCIAL STATEMENTS

(Continued)

(9) *Estimated Malpractice Costs and Other Contingencies*

The Hospitals are self-insured for claims for malpractice from providing professional and patient care. Claims alleging malpractice have been asserted against the Hospitals and are currently in various stages of litigation. It is the opinion of management, that estimated malpractice costs accrued should be adequate to provide for potential losses resulting from pending litigation. Additional claims may be asserted against the Hospitals arising from services provided to patients through December 31, 1990. The Hospitals are unable to determine the ultimate cost of the resolution of such potential claims and, accordingly, no accrual has been made for them.

The Hospitals are also a party to various other claims and legal actions arising in the ordinary course of business. Management does not believe that the outcome of such claims and legal actions will have a material adverse effect on the financial position or results of operations of the Hospitals.

(10) *Interfund Transfers*

Transfers are made between funds to support policies established by the Board of Directors, primarily relating to the method of funding property and equipment additions and hospital construction. Such transfers during the years ended December 31, 1990 and 1989 were as follows:
